A business entity which files a single Arizona income tax return that includes income from more than one transaction privilege tax license should file this election form with the Department of Revenue if it is expected that the credit for accounting and reporting expenses for all transaction privilege tax licenses will meet or exceed the maximum $10,000 amount for the calendar year. This election form should indicate how the credit will be allocated among the licenses.

List all Arizona transaction privilege tax licenses that will be part of this group subject to the election. Please use whole dollar amounts in each election; if none, please enter zero.
