- interest and dividends having a taxable or business situs, in this state; and

Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

For information on the Arizona tax treatment of American Indians, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File if You Are The Spouse of an American Indian and You Are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. For more information, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File if You Are in the Military?

NOTE: *If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile. For more information, see the instructions under **Residency Status**.*

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you are **not** an Arizona resident, but stationed in Arizona, the following applies to you:

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see the department's publication, Pub. 704, *Taxpayers in the Military*.

If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child Have To File An Arizona Return?

No. In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Determining Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. For more information, see the department's procedure, ITP 92-1, *Procedure For Determining Residency Status*.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home.

It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the resident earns the income.

If you are a full year resident, you **must** file Arizona Form 140, Form 140A, or Form 140EZ.

Part-Year Residents

If you are a part-year resident, you must file Arizona Form 140PY, *Part-Year Resident Personal Income Tax Return*. You are a part-year resident if you did **either** of the following during 2019:

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Arizona Form 140NR, *Nonresident Personal Income Tax Return*.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2019, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. The person who files the return should print the word "deceased" after the decedent's name. Also, enter the date of death after the decedent's name.

If your spouse died in 2019 and you did not remarry in 2019 or if your spouse died in 2020 before filing a return for 2019, you may file a joint return. If your spouse died in 2019, the joint return should show your spouse's 2019 income before death and your income for all of 2019. If your spouse died in 2020, before filing the 2019 return, the joint return should show all of your income and all of your spouse's income for 2019. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Arizona Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Place the completed Form 131 on top of the **front** of the return.

What are the Filing Dates and Penalties?

When Should You File?

Your 2019 calendar year tax return is due no later than midnight, April 15, 2020. File your return as soon as you can after January 1, 2020, but no later than April 15, 2020.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal tax year.

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: *An extension does not extend the time to pay your income tax. See the instructions for Arizona Form 204.*

To get a filing extension, you can either

- Apply for a state extension (Arizona Form 204). To apply for a state extension, file Form 204 by April 15, 2020. See Form 204 for details. You do not have to include a copy of the extension with your return when you file, but make sure that you check box **82F** (above your name) on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.AZTaxes.gov to make an electronic payment.
- Use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to include a copy of your federal extension with your return, but make sure that you check box **82F** (above your name) on page 1 of the return.

When Should You File if You Are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 15, 2020, even though your federal return is due on June 15, 2020. If you want to file your Arizona return after April 15, 2020, you must ask for a filing extension. You must file this request by April 15, 2020. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 15, 2020. See Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months.

Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 15, 2020, even though your federal return will not be due until December 16, 2020. If you file your 2019 Arizona calendar year return after October 15, 2020, your return will be late.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if you File or Pay late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2019 calendar year return by April 15, 2020, your return will not be late. You may also use certain private delivery services designated by the Internal Revenue Service (IRS) to meet the “timely mailing as timely filed” rule. For more information, see “*Mailing Your Return*” at the end of these instructions.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10) of the unpaid tax.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% (.90) of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30 day period or fraction of a 30 day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% (.25) of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

NOTE: *If you are subject to two or more of the above penalties, the total cannot exceed 25%.*

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return after you have filed, **do not** file a new return using Form 140NR. You must file Arizona Form 140X, *Individual Amended Income Tax Return*. File your amended return after your original return has processed. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You must file Form 140X within 90 days of the final determination of the IRS. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend and mail your Arizona return within 90 days of the final determination of the IRS. Include a complete copy of the federal notice with your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax.
2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree. If you choose option 2, mail the federal notice and any other documents to:

Do You Need to Make Arizona Estimated Payments in 2020?

| | | |
|---|--|---|
| You must make Arizona estimated income tax payments during 2020 if: | | |
| | AND | AND |
| Your filing status is: | your Arizona gross income for 2019 was greater than: | your Arizona gross income for 2020 is greater than: |
| Married Filing Joint | \$150,000 | \$150,000 |

If you met the income threshold for 2019, you must make estimated payments during 2020 unless you are sure you will not meet the threshold for 2020. As a nonresident, your Arizona gross income is that part of your federal adjusted gross income derived from Arizona sources. Your Arizona gross income is on line 26 of the 2019 Form 140NR.

Use the worksheet for Arizona Form 140ES to figure how much your payments should be. For more information about making estimated payments, see the department’s publication, Pub. 012, *Arizona Individual Estimated Income Tax Payments*.

What if You Make Your Estimated Payments Late?

We will charge you a penalty if you are late or if you fail to make any required payments. See Arizona Form 221.

Can You Make Estimated Payments Even if You Do Not Have To?

If you do not have to make Arizona estimated income tax payments, you may still choose to make them. For details, see Arizona Form 140ES.

Enter your name, address, and SSN in the space provided. If you are filing a joint return, enter your SSNs in the same order as your first names. If your name appears first on the return, make sure your SSN is the first number listed.

If you are married filing separately, enter your name and SSN on the first line 1. Then enter your spouse’s name and SSN on the second line 1.

If you are a nonresident of the United States or a resident alien who does not have an SSN, use the individual taxpayer identification number (ITIN) the IRS issued to you.

Make sure that you enter your SSN on your return. Make sure that all SSNs are clear and correct. You may be subject to a penalty if you fail to include your SSN. It will take longer to process your return if SSNs are missing, incorrect, or unclear.

NOTE: *If a partnership or S corporation files a composite return on behalf of its nonresident partners or shareholders, the entity filing the return should enter its EIN in place of the SSN. For example if the entity's EIN is 98-7654321, the entity would enter its EIN as 987-65-4321.*

Use your current home address. The department will mail your refund to, or correspond with, you at that address.

For a deceased taxpayer, see page 2 of these instructions.

Foreign Addresses

If you have a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

Last Names Used in Last 4 Prior Years

If the last name that you or your spouse are using on this return is not the same as the last name you or your spouse used on returns filed for the last 4 years, enter any other last name(s) that you or your spouse used when filing your return during the last 4 years.

Identification Numbers for Paid Preparers

If you pay someone else to prepare your return, that person must also include an identification number where requested.

A paid preparer may use any of the following:

- his or her PTIN,
- his or her SSN, or
- the EIN for the business.

A paid preparer who fails to include the proper identification number may be subject to a penalty.

Determining Your Filing Status

The filing status that you use on your Arizona return may be different from that used on your federal return.

Use this section to determine your filing status. Check the correct box (4 through 7) on the front of Form 140NR.

If you qualify as married for federal purposes, you qualify as married for Arizona purposes and must file using the status of either married filing joint or married filing separate.

If you are single you must file as single or if qualified you may file as head of household (see the instructions for box 5).

Box 4 - Married Filing Joint Return

If you are married and filing a joint return, check box 4.

You may file a joint return if you were married as of December 31, 2019. It does not matter whether or not you were living with your spouse. You may file a joint return, even if you and your spouse filed separate federal returns.

You may file a joint return if your spouse died during 2019 and you did not remarry in 2019. See page 2 of these instructions for details.

If you are married to an Arizona full year resident, you may file a joint return with your Arizona resident spouse. If filing a joint return with your Arizona resident spouse, you must use Form 140NR.

NOTE: *For help on filing a joint return with your full-year resident spouse, see the department's ruling, ITR 14-1, Filing a Joint Tax Return When a Resident Spouse is Married to a Part-Year Resident or Nonresident.*

Box 4a - Injured Spouse Protection of Joint Overpayment

Check box 4a **only** if you and your spouse are filing a joint return and you or your spouse qualify as an injured spouse and are requesting protection from application of any joint overpayment against the other spouse's delinquencies or debts.

NOTE: *You cannot use Form 203 to request protection from offset for past-due federal taxes. You must contact the IRS.*

You **must** complete Arizona Form 203, *Request for Injured Spouse Protection from Application of Joint Overpayment Against Spouse's Delinquencies and Debts*, and include that form with your tax return, when filed. Place the completed form on top of your income tax return. For more information, see the instructions for Form 203.

Box 5 - Head of Household Return

If you are filing as a head of household, check box 5. Enter the name of the qualifying child or dependent in the space provided. You may file as head of household on your Arizona return, only if one of the following applies:

If you are filing a separate return, check box 6 and enter your spouse's name and SSN on the second line 1.

If you were married as of December 31, 2019, you may choose to file a separate return. You may file a separate return, even if you and your spouse filed a joint federal return.

Arizona is a community property state. If you file a separate return, you must figure how much income to report using community property laws. If one spouse is a resident and the other spouse is not, special rules apply when filing a separate return.

For more information on how to report income in this case, see the department's ruling, ITR 93-20, *Income Reporting Requirements of Resident and Nonresident Spouses Who File Separate Arizona Individual Income Tax Returns*; and the department's publication, Pub. 200, *Income Tax Issues Affecting Married and Divorced Taxpayers*.

NOTE: *In some cases, you may treat community income as separate income. For more information on when you may treat community income as separate income, see the department's ruling, 93-22, When Community Income May Be Treated as Separate Income.*

- You are legally separated under a decree of divorce or of separate maintenance.
- You were widowed before January 1, 2019, and you did not remarry in 2019, and you do not qualify to file as a qualifying widow or widower with dependent children on your federal return.

NOTE: *If you got divorced during the year, see the department's ruling, ITR 14-2, Reporting Income, Deductions, Exemptions, and Withholding for Divorced Individuals for the Year of Divorce; and publication, Pub. 200, Income Tax Issues Affecting Married and Divorced Taxpayers.*

FEDERAL Column

Enter the actual amounts shown on your 2019 federal income tax return in the FEDERAL column. Complete lines 15 through 25. Line 25 should equal the federal adjusted gross income shown on your 2019 federal Form 1040 or Form 1040NR.

ARIZONA Column

Enter that portion of your federal income received from Arizona sources in the ARIZONA column. Such income includes wages earned in Arizona, Arizona rental and business income, and gains on the sale of Arizona property.

NOTE: *If you are filing a joint return with your full year resident spouse, you must enter your Arizona source income in the ARIZONA column and your spouse must enter all income from all sources in the ARIZONA column. For details, see the department's ruling, ITR 14-1, Filing a Joint Tax Return When a Resident Spouse is Married to a Part-Year Resident or Nonresident*

The Tax Reform Act of 1986 limits the amount of losses that you may deduct from passive activities. A passive activity is one that involves the conduct of any trade or business in which the taxpayer does not materially participate.

As a nonresident, your Arizona gross income may include some of these losses. You may consider only those passive losses that arose from Arizona sources. Your 2019 Arizona gross income can include only Arizona source losses you used on your 2019 federal return.

Lines 15 through 24 – Arizona column

The following line-by-line instructions apply to the ARIZONA column.

Line 15 - Wages, Salaries, Tips, etc.

Enter all amounts received for services performed in Arizona.

Income earned by a qualifying out-of-state employee, from performing qualified disaster recovery work during a disaster period, is exempt from Arizona income tax. Exclude this income from line 15 in the Arizona column.

For the purpose of this exemption, a qualifying out-of-state employee is an Arizona nonresident individual who is temporarily in Arizona to solely perform qualified disaster

recovery work during a disaster period. For more information, see the department's publication, Pub. 720.

NOTE: Active Duty Military Members - Do not include active duty military pay unless the active duty military member is an Arizona resident filing a joint return with his or her Arizona nonresident spouse on Form 140NR. If you are an Arizona resident active duty military member including military pay on line 15 in the "ARIZONA" column, also include that amount in the amount entered as an "Other Subtraction From Income" on page 2, line 45.

NOTE: Spouses of Active Duty Military Members If you are the spouse of an active duty military and you qualify for relief under the Military Spouses Residency Relief Act, do not enter any wages, salaries or tips you earned during the taxable year for services performed in Arizona.

Line 16 - Interest

If you have an Arizona business, enter only interest (including U.S. Government interest) you earned on accounts pledged as collateral. Also, enter your distributive share of interest from a partnership doing business in Arizona or an S corporation doing business in Arizona. Do **not** include any other interest income, even if it was earned in Arizona banks.

Line 17 - Dividends

If you have an Arizona business, enter only those dividends earned on stocks pledged as collateral, including dividends from small business corporations. Also, enter your distributive share of dividend income from a partnership doing business in Arizona or an S corporation doing business in Arizona. Do **not** include any other dividend income.

Line 18 - Arizona Income Tax Refunds

Line 19 - Business Income or (Loss)

Enter income or (loss) from Arizona businesses.

Income earned by a nonresident, who is a sole owner of a qualifying out-of-state business, from performing qualified disaster recovery work during a disaster period, is exempt from Arizona income tax. Exclude this income from line 19 in the Arizona column.

For the purpose of this exemption, a qualifying out-of-state business is a business that is temporarily in Arizona to solely perform qualified disaster recovery work during a disaster period. For more information, see the department's publication, Pub. 720, *Disaster Recovery Tax Relief*.

Line 20 - Gains or (Losses)

Enter gains or (losses) on sales of Arizona sourced property. Enter the total Arizona sourced net capital gain or (loss) used to determine the amount reported on the *Capital Gain or (Loss)* line on page 1 of your federal return. This amount should be reported in your federal adjusted gross income.

NOTE: If you reported the maximum allowable net capital (loss) for the current taxable year on your federal return, enter the total amount of Arizona sourced loss used to compute the net capital loss claimed on your federal return.

For example: A single taxpayer has a \$3,000 capital gain from property in State XYZ and a (\$7,000) capital (loss) from property in Arizona resulting in a (\$4,000) net federal capital loss. [\$3,000 gain – (\$7,000 loss) = (\$4,000 net loss)]

Because taxpayer is limited to claiming a loss in the amount of (\$3,000) on the federal tax return, the taxpayer must carryforward the remaining amount of the loss (\$1,000), for federal purposes. [(\$4,000 actual loss) – \$3,000 limit = (\$1,000 loss carryforward)]

- For the current tax year: the Arizona nonresident taxpayer would enter the loss actually used, (\$6,000), on line 20 of the Arizona column. [(\$7,000) – (\$1,000 carryforward) = (\$6,000)].
- In the year the carryforward amount is used for federal purposes, assuming taxpayer has no other gains or (losses), the taxpayer would enter the remaining Arizona sourced capital loss (\$1,000) on line 20, of the Arizona column.

Line 21 - Rents, etc.

Enter the following income on line 21.

- Rent or royalty income earned on Arizona properties.
- Income from Form 141AZ Schedule K-1(NR), line 2, from estates or trusts.

Line 25 - Federal Adjusted Gross Income

Subtract line 24 from line 23 in the **FEDERAL** column.

Line 26 - Arizona Gross Income

Subtract line 24 from line 23 in the **ARIZONA** column.

Line 27 - Arizona Income Ratio

Divide line 26 by line 25 and enter the result on line 27. You must round your answer to **three** decimal places. **Do not enter more than 1.000.** Do not include the percent sign (%) with the amount entered on line 27.

This is your Arizona income ratio of your total income.

| Examples: | | |

| Arizona Gross Income from line 26 | Federal Adjusted Gross Income from line 25 | Arizona income ratio |
| \$ 17,516 | \$ 32,000 | $17,516/32,000 = .547375$ enter on line 27: <input type="text" value="."/> <input type="text" value="5"/> <input type="text" value="4"/> <input type="text" value="7"/> |
| \$ 25,650 | \$ 92,100 | $25,650/92,100 = .278501$ enter on line 27: <input type="text" value="."/> <input type="text" value="2"/> <input type="text" value="7"/> <input type="text" value="9"/> |
| \$ 10,000 | \$ 9,000 | $10,000/9,000 = 1.11111$ enter on line 27: <input type="text" value="1"/> <input type="text" value="."/> <input type="text" value="0"/> <input type="text" value="0"/> <input type="text" value="0"/> |

- If Arizona gross income and federal adjusted gross income are both positive and Arizona's gross income is greater than the federal adjusted gross income, enter 1.000 on line 27.
- If Arizona gross income is positive (greater than zero), and federal adjusted gross income is equal to or less than zero (negative), enter 1.000 on line 27.
- If Arizona gross income is equal to or less than zero (negative), and federal adjusted gross income is more than zero, enter 0.000 on line 27.
- If Arizona gross income and federal adjusted gross income are both zero, enter 1.000 on line 27.
- If Arizona gross income is zero, and federal adjusted gross income is negative, enter 0.000 on line 27.

Line 29 - Partnership Income Adjustment (Positive)

Depending on your situation, you may either add (line 29) or subtract (line 41) this amount.

Use this adjustment if line 17, column (c) of your Arizona Form 165 Schedule K-1(NR), shows a difference between federal and state distributable income.

NOTE: If the difference reported on line 17, column (c) of your Arizona Form 165 Schedule K-1(NR), is a negative number, enter that portion of the difference that is allocable to partnership income taxable by Arizona as a subtraction on line 41.

Line 30 - Net Capital (Loss) from the Exchange of one kind of Legal Tender for another kind of Legal Tender

To determine if you are required to make this addition to income, you must net **all** gains and (losses) from all exchanges of one kind of legal tender for another kind of legal tender including amounts shown on Form 165 Schedule K-1(NR), Form 120S Schedule K-1(NR), and Form 141AZ, Schedule K-1(NR).

For taxable years beginning from and after December 31, 2017, enter the amount of any net capital loss from Arizona sources and included in Arizona gross income for the taxable year that is derived from the exchange of one kind of legal tender for another kind of legal tender. NOTE: If the amount reported on line 5 of your Arizona Form 141AZ Schedule K-1(NR), is a negative number, include that amount as a "Subtraction from Income" on line 45.

B. Items Previously Deducted for Arizona Purposes

Include the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your Arizona gross income. For more information on the Arizona claim of right provisions, see the department's procedure, ITP 16-1, *Procedure for Individuals Who Restore Substantial Amounts Held Under a Claim of Right*.

With respect to property used in an Arizona business that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the requirement to add back all depreciation with respect to that property on tax returns for all taxable years beginning from and after December 31, 1999, include the amount of depreciation that has been allowed pursuant to IRC § 167(a) to the extent that the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.) You may make this adjustment only for property that was used in your Arizona business.

F. Fiduciary Adjustment

A fiduciary uses Form 141AZ Schedule K-1(NR), to report to you your share of the fiduciary adjustment from the trust or estate. Line 5 of Form 141AZ Schedule K-1(NR), shows your share of the fiduciary adjustment from the estate or trust.

G. Net Operating Loss Adjustment

NOTE: *This subtraction applies to only those individuals who made an election under the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4, or 5 years, instead of the normal 2 years. This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.*

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct an Arizona source net operating loss as if the loss was computed under IRC § 172 in effect prior to the enactment of those special rules. If you made an election to deduct your 2008 or 2009 federal net operating loss under IRC § 172(b)(1)(H), you may have to enter an amount here. Figure how much of the net operating loss carry forward would have been allowed as a deduction on your 2019 federal income tax return, if the election described in IRC § 172(b)(1)(H) had not been made in the year of the loss. Then figure how much of the carry forward computed under that method was derived from Arizona source losses. The amount you may take as a subtraction is the difference between the amount of Arizona source net operating loss carryover allowable as a deduction for federal purposes under the as if calculation and the amount of the Arizona source net operating loss deduction actually taken for federal purposes that you included in your Arizona gross income. On line 45, include the amount of allowable Arizona source loss carry forward deduction that exceeds the actual amount of Arizona source net operating loss carry forward deduction that was deducted in arriving at Arizona gross income.

NOTE: *As an Arizona nonresident, you may have had a loss from prior year Arizona business operations. However, the loss cannot offset this year's income unless the as if calculation results in an Arizona source net operating loss deduction for federal purposes. You can only take this subtraction if the as if federal net operating loss deduction for 2019 includes Arizona source losses that have not been absorbed by non-Arizona income in any intervening years. You cannot subtract any amount of that net operating loss that has been absorbed by non-Arizona income in any intervening years. You also cannot take a subtraction for any amount that has already been deducted for Arizona purposes.*

H. Sole Proprietorship Income of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you may subtract the amount of the income from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the income on line 45.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this subtraction does not apply.*

I. Americans with Disabilities Act Access Expenditures

A subtraction is allowed for eligible business access expenditures paid or incurred during the taxable year for Arizona properties to comply with the requirements of the Americans with disabilities act of 1990 or A.R.S. Title 41, chapter 9, article 8 by retrofitting developed real property that was originally placed in service at least ten years before the current taxable year. (A.R.S. §§ 43-1022 and 43-1024)

“Eligible business access expenditures” include reasonable and necessary amounts paid or incurred to:

- Remove any barriers that prevent a business from being accessible to or usable by individuals with disabilities.
- Provide qualified interpreters or other methods of making audio materials available to hearing-impaired individuals.
- Provide qualified readers, taped texts and other effective methods of making visually delivered materials available to individuals with visual impairments.
- Acquire or modify equipment or devices for individuals with disabilities.
- Provide other similar services, modifications, materials or equipment.

NOTE: *A taxpayer who has been cited for noncompliance with the Americans with disabilities act of 1990 or title 41, chapter 9, article 8 by either federal or state enforcement officials is ineligible for a subtraction under this section for any expenditure required to cure the cited violation.*

On line 45, include the amount of allowable expenses paid or incurred during the tax year.

Call one of the numbers listed on page 1 of these instructions if you deferred exploration expenses determined under IRC § 617 in a taxable year ending before January 1, 1990, and you have not previously taken a subtraction for those expenses.

 2. In 2019, you paid more than \$800 for either Arizona home health care or other medical costs for the person.

NOTE: *If a taxpayer's 65th birthday was January 1, 2020 (born 1/1/1955), that person would be considered to be age 65 at the end of 2019 for federal income tax purposes and likewise for Arizona income tax purposes.*

Figuring Your Tax**Line 53 - Itemized or Standard Deductions**

You must decide whether to take the standard deduction or to itemize your deductions. Your Arizona income tax will be less if you take the larger of your standard deduction or your itemized deductions.

Your Itemized Deduction

You may itemize deductions on your Arizona return even if you do not itemize deductions on your federal return.

The itemized deductions allowed for Arizona purposes are those itemized deductions that are allowable under the IRC.

As an Arizona nonresident, you must prorate these deductions by the income ratio which your Arizona gross income is of your federal adjusted gross income.

To determine your Arizona itemized deductions, complete a federal Form 1040 Schedule A. Then complete the Arizona Form 140NR Schedule A(NR). **If you itemize deductions, check box 53I.**

NOTE: *If you itemize, you must include a copy of your federal Schedule A and your Arizona Schedule A(NR) with your Arizona return.*

Your Standard Deduction

CAUTION: *You must prorate the standard deduction.*

Nonresident individuals, who claim the standard deduction, must prorate the deduction by the income ratio which the taxpayer's Arizona gross income is of the taxpayer's federal adjusted gross income.

This will in effect prorate the standard deduction between income taxable to Arizona and income not taxable to Arizona and allow only that portion of the deduction allocable to income taxable to Arizona. **If you take the standard deduction, check box 53S and complete the worksheet on page 16.**

Line 85 -

Add lines 71 through 81 and 83. Enter the total

Figuring Your Refund or Amount Owed

e-file You can get your refund quicker when you e-file and use direct deposit.

Line 86 - Refund

Subtract line 85 from line 70. Enter your refund on line 86 and skip line 87. If less than zero, enter amount owed on line 87.

If you owe money to any Arizona state agency, court, county, incorporated city or town and certain federal agencies, your refund may go to pay some of the debt. If so, the department will let you know by letter.

TAX TIP: If you change your address before you get your refund, let the department know. Write to: Refund Desk, Arizona Department of Revenue, PO Box 29216, Phoenix, AZ 85038-9216. Include your SSN in your letter.

Direct Deposit of Refund

Complete the direct deposit line if you want us to directly deposit the amount shown on line 87 into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) instead of sending you a check.

NOTE: Check the box on line 86A if the direct deposit will ultimately be placed in a foreign account. If you check box 86A, do not enter your routing or account numbers. If this box is checked, we will not direct deposit your refund. We will mail you a check instead.

Why Use Direct Deposit?

- You will get your refund fast - even faster if you e-file!
- Payment is more secure - there is no check to get lost.
- It is more convenient - no trip to the bank to deposit your check.
- It saves tax dollars. A refund by direct deposit costs less to process than a check.

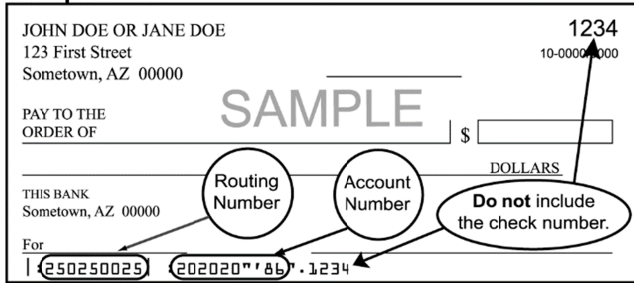

NOTE: We are not responsible for a lost refund if you enter the wrong account information. Check with your financial institution to get the correct routing and account numbers and to make sure your direct deposit will be accepted.

Routing Number

MAKE SURE YOU ENTER THE CORRECT ROUTING NUMBER.

The routing number must be nine digits. The first 2 digits must be 01 through 12 or 21 through 32. Otherwise, the direct deposit will be rejected and a check will be mailed instead. On the sample check, the routing number is 250250025.

Sample Check

Note: The routing and account numbers may be in different places on your check.

Your check may state that it is payable through a financial institution different from the one at which you have your checking account. If so, **do not** use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter.

Account Number

MAKE SURE YOU ENTER THE CORRECT ACCOUNT NUMBER.

The account number can be up to 17 characters (both numbers and letters). **DO NOT** include hyphens, spaces, or special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check, the account number is 20202086. Be sure **not** to include the check number.

NOTE: If the direct deposit is rejected, a check will be mailed instead.

Line 87 - Amount Owed

Add lines 67 and 85. Enter the amount you owe on line 87. If you are making voluntary gifts on lines 71 through 81 in excess of your overpayment, enter the difference on line 87. You may pay only with a check, electronic check, money order, or credit card.

Check or money order

NOTE: Include your check or money order with your return. Please do not send cash.

Make your check payable to Arizona Department of Revenue. Write your SSN and tax year on the front of your check or money order. The department cannot accept checks or money orders in foreign currency. You must make payment in U.S. dollars. It may take 2-3 weeks for your payment to process.

The Department of Revenue may charge you \$50 for a check returned unpaid by your financial institution.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2019. There is no fee to use this method. To make an electronic payment, go to www.AZTaxes.gov and click on the “Make a Payment” link.

Be sure to enter the correct routing number and account number for your checking or savings account. You will be charged a \$50 NSF (non-sufficient funds) fee if you provide an incorrect routing number or an incorrect account number. Check with your financial institution to get the correct routing and account numbers.

The “E-Check” option in the “Payment Method” drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

NOTE: You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.

Credit card payment

You can pay with your American Express, Discover, Visa, or MasterCard. Go to www.AZTaxes.gov and click on the “Make a Payment” link and choose the credit card option. This will take you to a third party vendor site (provider). The provider **will charge** you a convenience fee based on the amount of your tax payment. The provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction.

If you complete the credit card transaction, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Installment Payments

If you cannot pay the full amount shown on line 87 when you file, you may request to make monthly installment payments. Complete Arizona Form 140-IA and mail the completed form to the address on the Form 140-IA. **Do not mail Form 140-IA with your income tax return.** You may obtain Arizona Form 140-IA from our website.

If you cannot pay the full amount shown on line 87, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 15, 2020. To limit the interest and penalty charges pay as much of the tax as possible when you file your return.

Sign Your Return

You must sign your return. If married filing a joint return, both you and your spouse must sign even if only one had income. Form 140NR is not considered a valid return unless

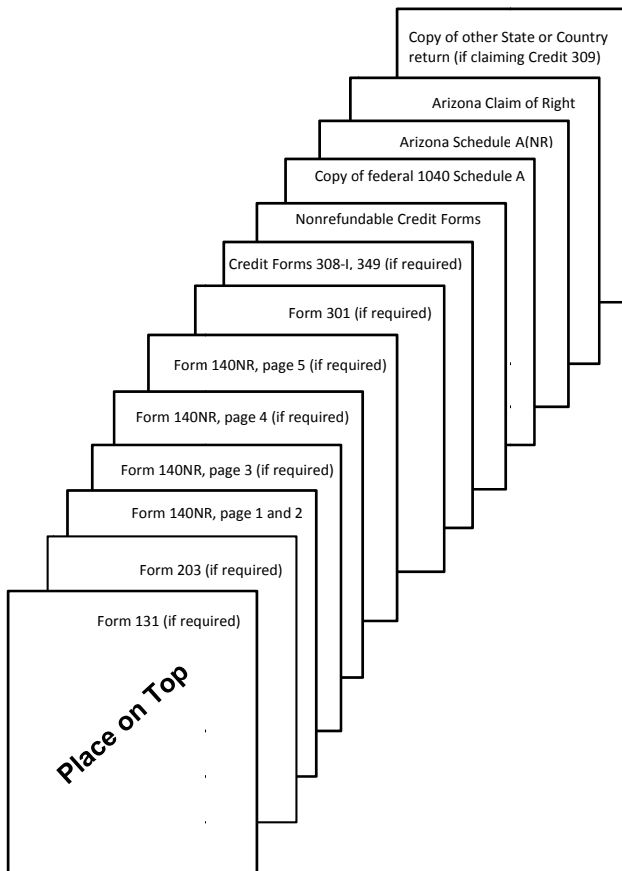

you sign it. The department cannot mail a refund check without proper signatures on the return.

Include Form(s) W-2, W-2G, 1099-R, and 1099-G, after the last page of your return **only** if these forms show Arizona income tax withholding.

Where Should I Mail My Return?

If you are **including a payment** with this return, mail the return to:

Arizona Department of Revenue
 PO Box 52016
 Phoenix, AZ 85072-2016

If you are **expecting a refund, or owe no tax, or owe tax but are not including a payment**, mail the return to:

Arizona Department of Revenue
 PO Box 52138
 Phoenix, AZ 85072-2138

Make sure you put enough postage on the envelope

The U.S. Post Office or United States mail service must postmark your return or extension request by midnight April 15, 2019.

The term "United States mail" includes any private delivery service designated by the United States Secretary of the Treasury pursuant to IRC § 7502(f) and the term "postmark" includes any date recorded or marked by any such designated delivery service.

An income tax return that is mailed to the department is timely filed if it is delivered on or before its due date. Additionally, if the envelope or wrapper containing the return sent through the United States mail bears a postmark of the United States mail and that tax return is delivered to the department after its due date that return will be considered timely filed if **all** of the following apply:

1. The return was deposited in an official depository of the United States mail;
2. The date of the postmark is no later than the due date;
3. The return was properly addressed; and
4. The return had proper postage.

If the envelope or wrapper containing a return sent through the United States mail bears a private meter postmark made by other than the United States mail, the return is treated as timely filed if both of the following apply:

1. The private meter postmark bears a date on or before the due date for filing; and
2. The return is received no later than the time it would ordinarily have been received from the same point of origin by the same class of U.S. postage. If the return is

received by the department within five business days of the private meter postmark date the department will consider this requirement satisfied.

You may also use certain private delivery services designated by the IRS to meet the “timely mailing as timely filed” rule. For more information, see the department’s ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.

How Long to Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25%. The department can bring an action at any time if a

return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, see federal Publication 552.

Where’s My Refund?

You can check on your refund by visiting www.azdor.gov or www.AZTaxes.gov and clicking on “Where’s my refund?” or you may call one of the numbers listed on page 1 of these instructions. Before you call, be sure to have a copy of your 2019 tax return on hand. You will need to know your SSN, your filing status, and your 5-digit ZIP Code.

Contacting the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person.

You may use Arizona Form 285 to authorize the department to release confidential information to your appointee. See Form 285 for details.
