2017 Nonresident and Out-of-State Partner's Share of Adjustment to Partnership Income

Arizona Form 165 Schedule K-1(NR)

Instructions for Partners

Part 1 -- Distributive Share Items from Federal Form 1065, Schedule K-1

Column (c) is your Arizona source income.

- If you are a nonresident individual, use the line numbers on Schedule K-1(NR) to report the amounts in column (c) on your Form 140NR.

If you are a nonresident trust or nonresident estate, add lines 4 through 16, column (c), and enter the total on Form 141AZ, page 2, Schedule A.

If Form 165 Schedule K-1(NR), shows a loss, you may only claim such losses on your Arizona nonresident return to the extent:

- Those losses are included in:
 - The federal adjusted gross income of an individual, or,
 - The federal taxable income of a trust or an estate.
- The loss is **not** considered to be a passive activity loss for federal purposes. (If it is, the loss will be treated as a passive activity loss for Arizona purposes.)

If the partnership passes through to you a passive activity loss derived from Arizona sources:

- Do not begin the Arizona return with the amounts shown in column (c) of Form 165 Schedule K-1(NR).
- You must first determine if any portion of the loss has been limited on your federal return due to federal passive activity loss rules.

In addition:

- Only the amount of passive activity loss derived from Arizona sources will be allowed on the Arizona return.
- Any portion of the passive activity loss not allowed on the federal return due to passive activity loss limitations will be limited on the Arizona return.
- That portion of the passive activity loss derived from Arizona sources required to be carried forward for federal purposes will be carried forward for Arizona purposes.

- Individual partners, enter this amount as an “other addition to income” on Form 140NR, line 29.
