

License Type Verification

August 2022

After a business has registered there are two ways to verify the TPT license types.

AZTaxes.gov:

- 1 Users must login to AZTaxes.gov.

- 2 Next, if the business is linked they will see their business list and select view:

- 3 On the next screen, they will see their current registration and the type of license. If a business has multiple TPT licenses, each license will display as well as the different license types:

License Certificate:

The other way to verify license type is to view the paper license certificate.

If a business has a license type *other than standard*, it will appear on the license certificate.
