

The State of Arizona imposes or allows the imposition of various taxes, including state transaction privilege tax (TPT), county excise tax and city privilege tax. These tables contain the rates applicable for marketplace facilitators (in and outside of Arizona) and remote sellers (outside of Arizona) that make sales to Arizona customers. Please [click here](#) for the tax rate tables containing all other tax rates. Please note that marketplace facilitators in Arizona must use different business codes to report their sales and the sales of marketplace sellers that sell on the facilitator’s marketplace. These codes are detailed in the appropriate tables below.

Reporting the taxes: Sales made through a marketplace facilitator located in Arizona should be reported using: (a) the tax rates and codes of the marketplace facilitator’s location in Arizona, if the order information is received in Arizona, and (b) the tax rates and codes of the customer’s address, if the order information is received outside Arizona. Sales made through a marketplace facilitator outside Arizona or by a remote seller outside Arizona are sourced to the shipping address of the consumer. If there is no shipping address, the sale is sourced to the customer’s billing address.

Table 1 provides state TPT and county excise tax as a **combined** rate. Table 1 also includes accounting credit rates on STATE REPORTED TRANSACTIONS ONLY (the cities do not provide an accounting credit). If you are having difficulty determining which county identification code to use, please use the [Tax Rate Look-Up Tool](#).

Table 2, contains a list of all city privilege tax rates, county codes and city codes. The Arizona Department of Revenue collects these taxes for all cities and counties. **Verify all city and county region codes before filing.**

NOTE: Use CTRL+F and type in the appropriate term in the space provided to search for the information you want to find.

SPECIAL DISTRICT CODES

If you have to report in a special district (Indian Reservation or Rio Nuevo District), please use the special codes at the end of this rate table instead of the normally designated county codes. If you are unsure whether you shipped products to a special district or Indian Reservation, please use the [Tax Rate Look-Up Tool](#).

Special District Codes

Rio Nuevo District, Pima (PAD).

This is a district within the City of Tucson. [Click Here](#) for the district map.

Indian Reservation Codes are special region codes to be used on the TPT reporting form in the column marked region code by businesses that ship products to Indian Reservations. No other codes are required when reporting sales shipped to an Indian Reservation. See Table 3 (pg. 25).
