

2010 Form 140 Schedule A Itemized Deduction Adjustments

Who Should Complete This Form?

You may itemize on your Arizona return, even if you do not itemize on your federal return. But, to itemize on your Arizona return, you must first complete a federal Schedule A. Use Form 140, Schedule A, to adjust the amount shown on the federal Schedule A. Complete Form 140, Schedule A, only if you are making changes to the amount shown on the federal Schedule A.

You must complete Form 140, Schedule A, only if any of the following items apply to you.

1. You are deducting medical and dental expenses.
2. You are claiming a federal credit (from federal Form 8396) for interest paid on mortgage credit certificates.
3. You are deducting gambling losses while taking a subtraction for Arizona lottery winnings.
4. Your deductions claimed on the federal Schedule A include expenses related to income not subject to Arizona tax.
5. You are claiming an Arizona credit for any amount allowed as a charitable contribution.
6. You made a cash gift during 2010 to aid Haiti earthquake victims and you deducted that gift on your 2009 return.

If any of the above items apply to you, complete a federal Form 1040 Schedule A and then complete Form 140 Schedule A, Itemized Deduction Adjustments as instructed below.

Do not complete Form 140, Schedule A, Itemized Deduction Adjustments, if the above items do not apply to you. If you do not have to complete Form 140, Schedule A, *Itemized Deduction Adjustments*, enter the amount from federal Form 1040, Schedule A, on Form 140, page 1, line 17.

Line-by-Line Instructions

Lines 1 through 6

NOTE: Skip lines 1 through 6 if you are **not** deducting medical and dental expenses.

In most cases, the deduction allowed on the Arizona return will be larger than the deduction allowed on the federal return. On your Arizona return, you do not have to reduce your medical expenses by a percentage of your federal adjusted gross income.

Complete lines 1 through 6 if you are deducting medical and dental expenses. In most cases, you may deduct more medical expenses on your Arizona return than you can deduct on your federal return. Complete lines 1 through 6 to deduct those expenses that were less than 7.5% of your federal adjusted gross income. Also complete lines 1 through 6 if you had an MSA.

Line 1

Enter the total of your medical and dental expenses. Do not include any expenses that were paid by insurance or other sources. Do not reduce the amount you enter on line 1 by amounts paid from an MSA.

Do not include insurance premiums you paid through an employer-sponsored health insurance plan (cafeteria plan) unless your employer included the premiums in Box 1 of your Form W-2. Also do not include any other medical and dental expenses paid by the plan unless your employer included the amount paid in Box 1 of your Form(s) W-2. If you are self-employed, do not include any amount that you paid for health insurance that you deducted in computing your federal adjusted gross income.

For details about what types of expenses you may deduct, see federal Form 1040, Schedule A.

Line 2

Enter any amount of medical and dental expenses included on line 1 that were paid from your MSA.

Complete lines 3 through 6 as instructed on the form.

Line 7

NOTE: Skip line 7 if you are **not** claiming a credit for interest paid on mortgage credit certificates on your federal return.

If you claimed this credit on your federal return (using Form 8396), you may deduct the amount of mortgage interest you paid in 2010 that is equal to the amount of that credit. Enter the amount of that interest here.

Lines 8 through 12

NOTE: Skip lines 8 through 12 if you are **not** deducting gambling losses.

You may deduct wagering losses only to the extent of your wagering gains. You must complete lines 8 through 12 if both of the following apply:

1. You took a subtraction for Arizona lottery winnings; and
2. You are claiming a deduction for gambling losses.

Complete lines 8 through 12 as instructed on the form.

Line 13

NOTE: Skip line 13 if you are **not** taking any credit for an amount allowed as a charitable contribution.

You cannot claim both a deduction and a credit for the same charitable contributions. Enter the amount of charitable contributions for which you are taking a credit. If you are claiming a credit on your 2010 return for a contribution made during 2011 (see Arizona Form 323), you must make this adjustment on your 2011 return, even though you are claiming the credit on your 2010 return.

Line 14

If you made a cash gift to help Haiti earthquake victims after January 11, 2010, but before March 1, 2010, you may have to enter an amount here. For federal purposes, you were allowed to treat that gift as if you made it in 2009 rather than 2010. In this case, you would have deducted that gift as a charitable deduction on your 2009 federal income tax return and not your 2010 return.

For Arizona purposes, you should not have deducted that gift on your 2009 return. That gift should be deducted on your 2010 Arizona income tax return. If you included that amount as a deduction on your 2009 federal income tax return, you should have reduced your 2009 Arizona charitable deduction by that amount. If you reduced your 2009 Arizona charitable contribution by the amount of that gift, enter that amount here.

Line 15

You may not deduct any expense that relates to income not subject to Arizona tax. You must complete line 15 if your federal Schedule A includes such expenses. Such expenses include:

1. Interest or other related expenses incurred to purchase or carry U.S. obligations, when the income is not subject to Arizona tax.
2. State taxes paid to other states for prior years if you were not an Arizona resident for that prior year.
3. Employee business expenses that relate to income not subject to Arizona tax.

This list is not all-inclusive. There may be other items included in your federal Schedule A that you cannot deduct on the Arizona return.

Enter the amount of expenses deductible on federal Schedule A that are allocable to income not subject to Arizona income tax.
