### Are You Subject to Tax in Arizona?

You are subject to Arizona income tax on all income derived from Arizona sources. If you are in this state for a temporary or transitory purpose or did not live in Arizona but received income from sources within Arizona during 2006, you are subject to Arizona tax. Income from Arizona sources includes wages, rental income, business income, the sale of Arizona real estate, interest and dividends having a taxable or business situs in this state, or any other income from an Arizona source.

### Do You Have to File?

<b>Arizona Filing Requirements</b> These rules apply to all Arizona taxpayers.		
You must file if you are:	<b>AND</b> your Arizona adjusted gross income is at least:	<b>OR</b> your gross income is at least:
● Single	\$ 5,500	\$15,000
● Married filing jointly	\$11,000	\$15,000
● Married filing separately	\$ 5,500	\$15,000
● Head of household	\$ 5,500	\$15,000
If you are a nonresident, you must report income derived from Arizona sources.		
To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then you should exclude income Arizona law does not tax.		
You can find your Arizona adjusted gross income on line 19 of Arizona Form 140NR.		

**NOTE:** Even if you do not have to file, you must still file a return to get a refund of any Arizona income tax withheld.

### Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

To find out more, see Arizona Department of Revenue Income Tax Ruling *ITR 96-4*.

### Do You Have to File if you Are a Non-Indian or Non-Enrolled Indian Married to an American Indian?

You must file if you meet the Arizona filing requirements. For details on how to figure what income to report, see Arizona Department of Revenue Income Tax Ruling *ITR 96-4*.

### Do You Have to File if You Are in The Military?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is compensation received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides compensation received for active duty military pay.

If you are an Arizona resident and you have to file an Arizona return, you should file using Form 140. If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile. As an Arizona resident, you must report all of your income, no matter where stationed. You must include your military pay, but using Form 140, you may subtract all compensation received for active duty military service, to the extent such income is included in your federal adjusted gross income.

If you are not an Arizona resident, but stationed in Arizona, the following applies to you.

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see Arizona Department of Revenue brochure, Pub 704, *Taxpayers in the Military*.

### If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child Have to File an Arizona Return?

In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

## Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, you should get Arizona Department of Revenue Income Tax Procedure *ITP 92-1*.

### Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the resident earns the income.

If you are a full year resident, you must file Form 140, Form 140A, or Form 140EZ.

### Part-Year Residents

If you are a part-year resident, you must file Form 140PY, *Part-Year Resident Personal Income Tax Return*.

You are a part-year resident if you did either of the following during 2006.

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

### Nonresidents

If you are a nonresident, you must file Form 140NR, *Nonresident Personal Income Tax Return*.

### What if a Taxpayer Died?

If a taxpayer died before filing a return for 2006, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. **If the department mailed the taxpayer a booklet, do not use the label.** The person who files the return should print the word "deceased" after the decedent's name in the address section of the form. Also enter the date of death after the decedent's name.

If your spouse died in 2006 and you did not remarry in 2006, or if your spouse died in 2007 before filing a return for 2006, you may file a joint return. If your spouse died in 2006, the joint return should show your spouse's 2006 income before death, and your income for all of 2006. If your spouse died in 2007, before filing the 2006 return, the joint return should show all of your income and all of your spouse's income for 2006. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

 **e-File** the return to receive the refund in as little as 5 days with direct deposit option.

### Are Any Other Returns Required?

You may also have to file a fiduciary income tax return. For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

## Claiming a Refund For a Deceased Taxpayer

If you are claiming a refund, you **must** complete Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Attach this form to the **front** of the return.

## What Are the Filing Dates And Penalties?

### When Should You File?

April 15, 2007 falls on a Sunday. Therefore, your 2006 calendar year tax return is due no later than midnight, April 16, 2007. File your return as soon as you can after January 1, but no later than April 16, 2007.

If you are a fiscal year filer, your return is due on the 15<sup>th</sup> day of the fourth month following the close of your fiscal year.

### What If You Cannot File On Time?

You may request an extension if you know you will not be able to file on time.

**NOTE:** An extension does not extend the time to pay your income tax. For details, see the instructions for Arizona Form 204.

### To get a filing extension, you can either:

1. Apply for a state extension (Form 204). To apply for a state extension, file Arizona Form 204 by April 16. See Form 204 for details. You do not have to attach a copy of the extension to your return when you file, but make sure that you check box 82F on page 1 of the return. If you must make a payment, use Arizona Form 204.
2. You may use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to attach a copy of your federal extension to your return, but make sure that you check box 82F on page 1 of the return.

### When Should You File if You Are a Nonresident Alien?

You must file your Arizona tax return by April 16, even though your federal income tax return is due on June 15. If you want to file your Arizona return after April 16, you must file for an extension by April 16. If you have a federal 6-month extension until December 15, 2007, Arizona will recognize the federal extension, but only for a period of 6 months from the due date of your Arizona return. So, if you are filing your Arizona return under a federal extension, you must file your Arizona return by October 15, 2007, even though your federal return will not be due until December 15, 2007. See Form 204 for extension filing details.

If you are a fiscal year filer, your return is due on the 15<sup>th</sup> day of the fourth month following the close of your fiscal year.

### What if You File or Pay Late?

If you file or pay late, the department will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2006 calendar year return by April 16, 2007, your return will not be late. You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

## Late Filing Penalty

If you file late, the department will charge you a late filing penalty. This penalty is 4½ percent of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25 percent of the tax found to be remaining due.

## Late Payment Penalty

If you pay your tax late, the department will charge you a late payment penalty. This penalty is ½ of 1 percent (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. This penalty cannot exceed a total of 10 percent.

## Extension Underpayment Penalty

If you file your return under an extension, you must pay 90 percent of the tax shown on your return by the return's original due date. If you do not pay this amount, the department will charge you a penalty. This penalty is ½ of 1 percent (.005) of the tax not paid for each 30 day period or fraction of a 30 day period. The department charges this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25 percent of the unpaid tax.

**NOTE:** *If you are subject to two or more of the above penalties, the total cannot exceed 25 percent.*

## Interest

The department charges interest on any tax not paid by the due date. The department will charge you interest even if you have an extension. If you have an extension, the department will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

## When Should You Amend a Return?

If you need to make changes to your return once you have filed, you should file Form 140X, *Individual Amended Return*. **Do not** file a new return for the year you are correcting. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year. You must file the Form 140X within 90 days of amending your federal return.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You may use one of the following two options to report this change.

### Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the change. Attach a complete copy of the federal notice to your Form 140X.

### Option 2

You may file a copy of the final federal notice with the department within 90 days. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax; and
2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree.

If you choose option 2, mail the federal notice and any other documents to:

Arizona Department of Revenue  
1600 W. Monroe, Attention: Individual Income Audit  
Phoenix, AZ 85007-2650

If you met the income threshold for 2006, you must make estimated payments during 2007 unless you are sure you will not meet the threshold for 2007.

As a nonresident, your Arizona gross income is that part of your federal adjusted gross income derived from Arizona sources. Your Arizona gross income is on line 15 of the 2006 Arizona Form 140NR.

See the worksheet for Form 140ES to figure how much your payments should be.

## What if You Make Your Estimated Payments Late?

For details, see Arizona Form 221.

If you do not have to make Arizona estimated income tax payments, you may still choose to make them.

## FEDERAL Column

Enter the actual amounts shown on your 2006 federal income tax return in the FEDERAL column. Complete lines B4 through B14. Line B14 should equal the federal adjusted gross income shown on your 2006 federal return Form 1040, Form 1040A, or Form 1040EZ.

## ARIZONA Column

Enter that portion of your federal income received from Arizona sources in the ARIZONA column. Such income includes wages earned in Arizona, Arizona rental and business income, and gains on the sale of Arizona property.

**NOTE:** *If you are filing a joint return with your full year resident spouse, you must enter your Arizona source income in the ARIZONA column and your spouse must enter all income from all sources in the ARIZONA column. For details, see Arizona Department of Revenue Income Tax Ruling ITR 95-2.*

The Tax Reform Act of 1986 limits the amount of losses that you may deduct from passive activities. A passive activity is one that involves the conduct of any trade or business in which the taxpayer does not materially participate.

As a nonresident, your Arizona gross income may include some of these losses. You may consider only those passive losses that arose from Arizona sources. Your 2006 Arizona gross income can include only Arizona source losses you used on your 2006 federal return.

The following line-by-line instructions apply to the ARIZONA column.

### Line B4 - Wages, Salaries, Tips, etc.

Enter all amounts received for services performed in Arizona.

**NOTE:** *Do not include active duty military pay unless the active duty military member is an Arizona resident filing a joint return with his or her Arizona nonresident spouse on Form 140NR.*

### Line B5 - Interest

If you have an Arizona business, enter only interest (including U.S. Government interest) you earned on accounts pledged as collateral. Also enter your distributive share of interest from a partnership doing business in Arizona or an S corporation doing business in Arizona. Do not include any other interest income even if it was earned in Arizona banks.

Enter income or (loss) from Arizona businesses.

## Line B9 - Gains or (Losses)

## Line B11 - Other Income Reported on Your Federal Return

Enter other income from sources within Arizona. Do not include pension income or social security taxed by the federal government.

## Net Operating Losses

Arizona does not have specific net operating loss provisions for individual taxpayers. Arizona conforms to the federal net operating loss provisions, including the carryback provisions.

As an Arizona nonresident, you may have had a loss from prior year Arizona business operations. However, the loss cannot offset this year's income unless the loss is a net operating loss for federal purposes. You can include the loss deduction in your Arizona gross income only to the extent included in your federal adjusted gross income. You cannot include any amount of that net operating loss that has already been deducted for Arizona purposes.

Enter the amount of net operating loss deduction included in your federal adjusted gross income that was derived from Arizona sources. Do not include any amount of the loss that has already been deducted for Arizona purposes. Also, do not include any loss for which you took a separate subtraction on an amended return filed for a prior tax year under the special net operating loss transition rule.

For information on deducting a net operating loss carryback, see Arizona Department of Revenue Income Tax Procedure *ITP 99-1*.

## Line B12 - Total Income

Add lines B4 through B11 and enter the total.

## Line B13 - Other Federal Adjustments

**Line B15 - Arizona Income**

Complete line B15 as instructed on the form.

**Line B16 - Arizona Percentage**

Divide line B15 by line B14 and enter the result. (**Do not enter more than 100 percent.**) This is the Arizona percentage of your total income.

Example:		
Arizona Gross Income from line B15	Federal Adjusted Gross Income from line B14	Arizona percentage
\$ 7,500	\$ 30,000	$\$7,500/30,000 = 25\%$

Enter the amount of depreciation deducted on the federal return that is included in Arizona gross income. If you make an entry here, also see the instructions for line D30, "Other Subtractions From Income".

Use line C19 if any of the special circumstances below apply. Attach your own schedule to the back of your return, explaining any amounts entered on line C19.

**A. Fiduciary Adjustment**

A fiduciary uses Form 141AZ, Schedule K-1(NR), to report to you your share of the fiduciary adjustment from the trust or estate. Line 5 of Form 141AZ, Schedule K-1(NR), shows your share of the fiduciary adjustment from the estate or trust.

Depending on your situation, you may either add (line C19) or subtract (line D30) this amount.

If the amount reported on line 5 of your Arizona Form 141AZ, Schedule K-1(NR), is a positive number, enter that amount as an addition on line C19.

If the amount on line 5 is a negative number, enter that amount as a subtraction from income on line D30.

**B. Agricultural Water Conservation System Credit**

**C. Items Previously Deducted for Arizona Purposes**

Arizona statutes prohibit a taxpayer from deducting items more than once. However, under the operation of former Arizona law (1989 and prior), you could deduct certain items in greater amounts for Arizona purposes than federal purposes. Investment interest and passive activity losses were such items. In some cases, you could have deducted such amounts in their entirety on the Arizona return. For federal purposes, the deduction for these items was limited, with the unused portions being carried forward and deducted in future years. Your Arizona return may include these previously deducted items because of the difference between the federal and former Arizona treatment. If your Arizona taxable income includes items previously deducted for Arizona purposes, you must add such amounts to your Arizona gross income.

4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2006 Arizona taxable income.

Enter the fair market value of the MSA as of the date of death, less the amount of MSA funds used within one year of the date of death, to pay the decedent's qualified medical expenses. If the MSA has not paid all of the decedent's medical expenses by the time you file this return, reduce the fair market value by only those expenses the MSA paid. ## Figuring Your Refund or Tax Due

### Line 54 - Refund

 You can get your refund in as little as 5 days when you **e-File** and use direct deposit.

Subtract line 53 from line 40. Enter your refund on line 54 and skip line 55.

If you owe money to any state agency and certain federal agencies, your refund may go to pay some of the debt. If so, the department will let you know by letter.

**Tax Tip:** *If you change your address before you get your refund, let the department know. Write to: Refund Desk, Arizona Department of Revenue, 1600 W Monroe, Phoenix AZ 85007. Include your social security number in your letter.*

### Direct Deposit of Refund

Complete the direct deposit line if you want us to directly deposit the amount shown on line 54 into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) instead of sending you a check.

### Why Use Direct Deposit?

- You will get your refund fast – even faster if you e-file!
- Payment is more secure since there is no check to get lost.
- It is more convenient. No trip to the bank to deposit your check.
- Saves tax dollars. A refund by direct deposit costs less to process than a check.

**Tax Tip:** *You can check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The department is not responsible for a lost refund if you enter the wrong account information.*

If you file a joint return and fill in the direct deposit line, you are appointing your spouse as an agent to receive the refund. This appointment cannot be changed later.

**NOTE:** *The department is not responsible if a financial institution rejects a direct deposit. If the direct deposit is rejected, a check will be sent instead.*

### Routing Number

The routing number must be 9 digits. The first 2 digits must be 01 through 12 or 21 through 32. Otherwise, the direct deposit will be rejected and a check sent instead. On the sample check below, the routing number is 250250025.

Your check may state that it is payable through a financial institution different from the one at which you have your checking account. If so, **do not** use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter here.

### Account Number

The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check that follows, the account number is 20202086. Be sure **not** to include the check number.

Add lines 37 and 53. Enter the amount you owe on line 55. If you are making voluntary donations on lines 42 through 49 in excess of your overpayment, enter the difference on line 55.

Make your check payable to Arizona Department of Revenue. Write your social security number on the front of your check or money order. Attach your check or money order to your return where shown.

The department cannot accept checks or money orders in foreign currency. You must make payment in U.S. dollars.

**Installment Payments**

If you cannot pay the full amount shown on line 55 when you file, you may ask to make monthly installment payments. To make this request, complete Arizona Form 140IA and mail the completed form to the address on the Form 140IA. Do not mail Form 140IA with your income tax return. You may obtain Arizona Form 140IA from our web site at [www.azdor.gov](http://www.azdor.gov).

If you cannot pay the full amount shown on line 55, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 16, 2007. To limit the interest and penalty charges, pay as much of the tax as possible when you file.

**Sign Your Return**

You must sign your return. If married filing a joint return, both you and your spouse must sign even if only one had income. Form 140NR is not considered a valid return unless you sign it. The department cannot send a refund check without proper signatures on the return.

**Instructions Before Mailing**

- Be sure you enter your home telephone number in the space provided on the front of your return. If your daytime telephone number is not the same as your home number, also enter a daytime number.

1. Attach Form(s) W-2 to the back of the last page of your return.

4. If claiming a credit for taxes paid to another state or country, attach a copy of the other state's or country's filed return.

**Filing Your Return**

Before you mail your return, make a copy of your return. Also make a copy of any schedules that you are sending in with your return. Keep the copies for your records. Be sure that you file the original and not a copy.

To mail your return, use the envelope that came in your booklet.

To avoid delays, please use separate envelopes for each return.

**Where Should I File My Return?**

Forget about the mail and the late night run to the post office – **e-File** from the comfort of home.

If you are expecting a refund, or owe no tax, or owe tax but are not sending a payment, use the yellow address label attached to the envelope. If the envelope or label is missing, send the return to: Arizona Department of Revenue, PO Box 52138, Phoenix AZ 85072-2138 (**PO Box 29205, Phoenix AZ 85038-9205 if there is a bar code in the box between lines 13 and 29 of your return**).

If you are sending a payment with this return, use the white address label attached to the envelope. If the envelope or label is missing, send the return to: Arizona Department of Revenue, PO Box 52016, Phoenix AZ 85072-2016 (**PO Box 29204, Phoenix AZ 85038-9204 if there is a bar code in the box between lines 13 and 29 of your return**).

## Make sure you put enough postage on the envelope.

With **e-File**, you do not have to worry if there is enough postage on the envelope. You even get notice that we received your return.

The U.S. Post Office must postmark your return or extension request by midnight April 16. A postage meter postmark will not qualify as a timely postmark. *Only a postmark from the U.S. Post Office will qualify.* You may also use certain private delivery services designated by the IRS to meet the “timely mailing as timely filed” rule.

---

## How Long To Keep Your Return

---

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25 percent. The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, get federal Publication 552.

---

## When to Expect Your Refund

---

Expect your refund in the mail within 8 weeks of the date you filed. If you have not received your refund by that time, contact one of the numbers listed on the back cover. Before you call, be sure to have a copy of your 2006 tax return available because you will need to know the first social security number shown on your return, the filing status, your 5 digit zip code and the exact whole-dollar amount of your refund.

## Calling the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person. You may use Form 285 to authorize the department to release confidential information to your appointee. See Form 285 for details.
