Does the Employee Have to File an Arizona Nonresident Individual Income Tax Return?

Although an employee may be exempt from Arizona income tax withholding on income earned for services performed in Arizona, the employee may be required to file Arizona Form 140NR, *Nonresident Personal Income Tax Return*, if the employee has any other income subject to Arizona income tax and:

1. The employee's gross income is \$15,000 or more; or
2. The employee's Arizona adjusted gross income is \$5,500 or more if single, head of household, or married filing a separate return; or
3. The employee's Arizona adjusted gross income is \$11,000 or more if married filing a joint return.

For purposes of the filing requirement, "gross income" is gross income as defined under the Internal Revenue Code less income included in gross income that is excluded from Arizona taxation.
