GENERAL INSTRUCTIONS:

You must file this return and pay luxury tax if you are licensed to distribute cigars and tobacco products within the state of Arizona.

You must file the return monthly and pay the tax on or before the 20th day after the month the tax accrues.

Prepare this return for each month regardless of whether or not any tax is due. File the original with the Arizona Department of Revenue. Retain a copy of the return with all substantiating documentation for at least four years, subject to inspection by the Department.

You must provide your taxpayer identification number on the return. A tax identification number is either your federal Employer Identification Number (EIN) or your Social Security Number (SSN) if you are a sole proprietor with no employees.

You may substitute a computer-generated schedule for any of the DOR schedules. You must obtain prior approval of your substitute schedules. Your substitute schedules must be in the same format as the DOR schedules and contain all required information.

The licensee or authorized agent must sign the return.

If you pay a preparer to complete the return, the preparer must sign the return and include his or her identification number.

Send payment, with the return, to the Arizona Department of Revenue. Include your Taxpayer Identification Number on your check.

State law imposes a penalty plus interest on the amount of tax due on each return if your payment is late. State law imposes a 5% penalty per month if you fail to file. The combined penalties, however, cannot exceed 25%.

Attach copies of all invoices to the return for both receipt of product and deductions of tax.

Schedules A, D and E are computed using the "Total Rate" of tax.

Schedules B-1 through B-5 are computed using a combination of rates of tax. See specific instructions for these schedules. For a current list of retailers authorized to receive red or green stamped cigarettes, call the Arizona Department of Revenue Tobacco Tax Section at (602) 716-7808.
