**General Instructions**

**Use of 2012 Form 120X**

Use the 2012 form to amend only the 2012 Form 120 or Form 120A, as originally filed, or as it was later adjusted by an amended return, Department of Revenue correction notice, or an audit, whichever is latest.

File an amended return for a prior taxable year on the Form 120X for that taxable year. Do not use the 2012 Form 120X to file an amended return for a prior taxable year.

**NOTE:** *If you need to amend a year prior to 2012, Form 120X for prior years are available on the department's website at [www.azdor.gov/Forms/Corporate.aspx](http://www.azdor.gov/Forms/Corporate.aspx).*

If an amended return is filed for a taxable year prior to 2005, attach a copy of the original Arizona return.

**When to File Form 120X**

Form 120X may be filed only after the taxpayer has filed its original tax return (Form 120 or Form 120A) for the taxable year 2012. Generally, Form 120X must be filed within four years after the date the original return was due or after the date that the taxpayer filed it, whichever was later.

Do not file an amended return until the original return has been processed.

**Reporting of Federal Amended Return Changes or Finalized Revenue Agent Report (RAR)**

A taxpayer who files an amended return with the Internal Revenue Service (IRS) must file an Arizona amended return within 90 days of its final determination by the IRS.

The taxpayer must report changes or corrections of the taxpayer's taxable income by the IRS or as the result of renegotiation of a contract or subcontract with the United States to the department. The taxpayer must, within 90 days after the final determination of the change or correction, either:

- File a copy of the final determination with the department, concede the accuracy of the determination or state any errors, and request the department to recompute the tax owed to Arizona; or
- File an amended return as required by the department.

The department may require the taxpayer to file an amended return if the department does not have the necessary information to recompute the tax owed to Arizona.

**Consolidated Return Election**

The common parent of an affiliated group of corporations that files a federal consolidated return may elect to file an Arizona consolidated return. The common parent must make the election by the due date, including extensions, for filing the original return. A taxpayer may file the 2012 Form 120X to change its method of filing to consolidated for the taxable year 2012 only if the 2012 Form 120X is filed by the due date, including extensions, of the taxpayer's 2012 Form 120.

Refer to the 2012 Form 120 instructions for more information about the requirements for the election to file on a consolidated basis.

**Check or Money Order**

Make checks payable to Arizona Department of Revenue. Write the taxpayer's EIN on the front of the check or money order. Include the check or money order with the return.

**Electronic payment from checking or savings account**

Payments can be made electronically from a checking or savings account. Go to [www.aztaxes.gov](http://www.aztaxes.gov) and choose the e-check option. There is no fee to use this method. If an electronic payment is made from a checking or savings account, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

**Credit card payment**

**Line 35 - Amount to be Refunded**

Subtract line 34 from line 33, and enter the difference. This is the net refund amount.

**Schedule ACA – Air Carrier Apportionment  
Formula  
(Multistate Air Carriers Only)**

Schedule ACA must be completed and attached only if the 2012 Form 120X is filed to amend the apportionment ratio. The taxpayer must complete Schedule ACA to amend the apportionment ratio originally computed on Schedule ACA or if the taxpayer incorrectly used the Form 120, Schedule C, rather than Schedule ACA to compute the apportionment ratio. Schedule ACA is available on the department's website: <http://www.azdor.gov/Forms/Corporate.aspx>. If the apportionment ratio is not being amended, enter the apportionment ratio from the 2012 Form 120 or as adjusted by any prior audit or amended return, whichever is latest, on the Form 120X, page 1, line 9, in column (a) and column (c).

ARS § 43-1139 requires a taxpayer that is a qualifying air carrier to use an alternate apportionment method to apportion its business income to Arizona.

The taxpayer must be engaged in air commerce. "Air commerce" means transporting persons or property for hire by aircraft in interstate, intrastate or international transportation. If the taxpayer files a combined or consolidated return, the combined group or the Arizona affiliated group must use this method of apportionment if 50 percent or more of the taxpayer's gross income is derived from air commerce. The taxpayer will apportion its business income by means of a single apportionment ratio computed under this method for all group members.

**Schedule C – Apportionment Formula  
(Non-Air Carrier Multistate Taxpayers Only)**

Schedule C must be completed only if the 2012 Form 120X is filed to amend the apportionment ratio (if the taxpayer was required to use Schedule C). If the apportionment ratio is not being amended, enter the apportionment ratio from the 2012 Form 120 or as adjusted by any prior audit or amended return, whichever is latest, on the Form 120X, page 1, line 9, in column (a) and column (c).

ARS § 43-1139 (Allocation of business income) provides that the apportionment ratio is a fraction. Non-air carrier taxpayers may choose between the standard sales factor formula and the enhanced sales factor formula. For the standard sales factor formula, the numerator of the fraction is the property factor, plus the payroll factor, plus two times the sales factor. The denominator of the fraction is four. The numerator of the fraction of the enhanced sales factor formula is the property factor, plus the payroll factor, plus eight times the sales factor. The denominator of the fraction is ten.

Determine sales within Arizona on a destination sales basis.

**NOTE:** When computing the factors of the apportionment ratio, round amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar. If less than 50 cents, round down.

For more detailed instructions with respect to the Standard Sales Factor or the Enhanced Sales Factor, see the instructions for 2012 Form 120.

**Standard Sales Factor**

**Line C3(e) -**

**NOTE:** Multiply the amount entered on line C3(c), column A, the total Arizona sales, by two (double weighted sales factor) on line C3(d), column A. Enter the result on line C3(e), column A. Do not double the amount entered on line C3(c), column B, the everywhere sales of the taxpayer.

**EXAMPLE:** The taxpayer has total Arizona sales of \$100,000 and total everywhere sales of \$1,000,000. On line C3(e), column A, enter \$200,000 of Arizona sales. On line C3(e), column B, enter \$1,000,000 of everywhere sales for the taxpayer.

The sales factor ratio in column C of line C3(e) may, in certain circumstances, exceed 100 percent. However, since the total ratio (line C4) is divided by four, the average ratio (line C5) will not exceed 100 percent.

**Line C5 - Average Apportionment Ratio**

Divide the total ratio, line C4, column C, by four. Enter the average ratio amount here and on page 1, line 9, column (c). Express the ratio as a decimal carried out to six places.

**NOTE:** The taxpayer must exclude a factor if both the numerator and the denominator of a factor are zero. Do not exclude a factor from the total ratio (line C4, column C) if the numerator of a factor is zero and the denominator of a factor is greater than zero. If the property or payroll factor is excluded, determine the average ratio (line C5, column C) by dividing the total ratio by three. If the sales factor is excluded, determine the average ratio by dividing the total ratio by two. If two of the factors are excluded, the remaining factor, without respect to any weighting, is the apportionment ratio.

**Enhanced Sales Factor**

**Line C3(e) -**

**NOTE:** Multiply the amount entered on line C3(c), column A, the total Arizona sales, by eight on line C3(d), column A. Enter the result on line C3(e), column A. Do not multiply the amount entered on line C3(c), column B, the everywhere sales of the taxpayer, by eight.

**EXAMPLE:** The taxpayer has total Arizona sales of \$100,000 and total everywhere sales of \$1,000,000. On line C3(e), column A, enter \$800,000 of Arizona sales. On line C3(e), column B, enter \$1,000,000 of everywhere sales for the taxpayer.

The sales factor ratio in column C of line C3(e) may, in certain circumstances, exceed 100 percent. However, since the total ratio (line C4) is divided by ten, the average ratio (line C5) will not exceed 100 percent.

**Line C5 - Average Apportionment Ratio**

Divide the total ratio, line C4, column C, by ten. Enter the average ratio amount here and on page 1, line 9, column (c). Express the ratio as a decimal carried out to six places.

**NOTE:** The taxpayer must exclude a factor if both the numerator and the denominator of a factor are zero. Do not exclude a factor from the total ratio (line C4, column C) if the numerator of a factor is zero and the denominator of a factor is greater than zero. If the property or payroll factor is excluded, determine the average ratio (line C5, column C) by dividing the total ratio by nine. If the sales factor is excluded, determine the average ratio by dividing the total ratio by two. If two of the factors are excluded, the remaining factor, without respect to any weighting, is the apportionment ratio.

**Schedule D – Schedule of Payments**

List the payment sent with the original return and all payments made by the taxpayer after the original return was filed.

If additional space is required to list all of the payments, prepare a schedule (in the same format) labeled “Schedule D – Schedule of Payments” and attach the schedule to Form 120X.

DO NOT include the claim of right credit computed under ARS § 43-1130.01 in this schedule.

DO NOT include amounts paid for penalties and interest or payments reported on page 1, line 25.

Enter the total on Schedule D, line D4, and on page 1, line 26.

**Schedule E – Explanation of Changes**
