

Waste Tire

The Arizona waste tire fee is a fee applied to the sale of new motor vehicle tires. The fee is to be collected quarterly at a rate of two percent of the purchase price not to exceed two dollars per tire.

During fiscal year 1999-2000, the Department collected \$5,674,452 and distributed three and one-half percent to the Department of Environmental Quality with the remainder being distributed to the counties based on the number of motor vehicles registered in the county. (Refer to Tables 45 and 46) The distribution is performed quarterly.
