Valley of the Sun Chapter of the Construction Financial Management Association (CFMA) and the Arizona Department of Revenue (DOR) are hosting a panel discussion to clarify and update contractors on the 2015 legislative changes.

On January 1, 2015, the changes to the Arizona Transaction Privilege Tax system substantially altered how many of us do business. On February 24th, Senate bill 1446 was signed into law by Governor Ducey to clarify and better define this new taxing method.

This seminar will explore in detail the legislative changes that will impact your business operations; comparing and contrasting the previous TPN 14-1, the 2015 legislative changes and the new TPN directives currently underway by the DOR.

Because of the unique venue at Harkins, it will be important to arrive ON TIME and be in the auditorium at the beginning of the program. Handouts will be provided for key documents to be reviewed during the session. Be prepared to take notes on information provided.
