

Transaction Privilege Tax Changes and News

This publication is an informational notice for April 2011.

CITY OF SAFFORD

Effective May 1, 2011: On February 14, 2011, the Mayor and the Council of the City of Safford passed Ordinance 11-001. Ordinance 11-001 amends the Safford's City Code by decreasing the tax rate for Contracting from **four percent (4%)** to **two and one-half percent (2.5%)**.

Ordinance 11-001 tax rate change affects the following classifications:

Construction Contracting: construction contractors, speculative builders and owner builders who are not speculative builders.

The ordinance will decrease the tax rate for Contracting (**SF 015**) effective May 1, 2011.
