
Arizona Modernized e-File (MeF) QuickAlert - 08/18/2014

IRS Reports Delays in State Submission Retrieval

Current Arizona Modernized e-File (MeF) System Status

Production System: **Operational**

Acknowledgements: Intermittent - The IRS has posted an update regarding a transmission issue.

MeF QuickAlert

Submissions

Arizona MeF is unable to retrieve state submissions from the IRS as of August 18th at 8:10am. The IRS MeF support team is researching the issue. We anticipate delays in processing submissions and sending acknowledgements. We will keep you updated as more information becomes available.

Modernized e-File (MeF) Status Page

Current System Status

Production System: **Operational**

Assurance Testing System (ATS): **Operational**

Scheduled Maintenance Build

A routine system maintenance build is scheduled every Sunday from 1:00 a.m. to 7:00 a.m., Eastern

MeF Alert: Intermittent errors are being reported by several transmitters when logging into MeF Production and MeF ATS environment. The IRS is diligently looking into this issue and we will post an update as soon as we determine what is causing these errors and when this will be resolved. (Posted 1:50 p.m., Eastern, August 18, 2014)
