## *Arizona Modernized e-File (MeF) QuickAlert - 01/15/2015 Tax Season 2015*

---

Current Arizona Modernized e-File (MeF) System Status

Production System: **Operational**

Acknowledgements: No Issues

### **MeF QuickAlert**

#### Processing Season

Arizona is now accepting 2014 Individual Income state tax returns.

The State of Arizona encourages all taxpayers to file their taxes electronically.

Filing electronically not only saves you time, but helps the state keep processing costs down, which in turn saves you even more money.

**Thank you for using Arizona MeF.**
