Arizona Form 120S Schedule K-1(NR)

Instructions for Nonresident Shareholders

Part 1 -- Share of Income and Deductions

Nonresident shareholders, column (c) is your Arizona source income:

- If you are a nonresident individual, use the line numbers on Schedule K-1(NR) to report the amounts shown in column (c) on your Form 140NR.
- If you are a nonresident trust or estate, add lines 4 through 13 in column (c). Enter the total on Form 141AZ, page 2, Schedule A.

If Form 120S, Schedule K-1(NR), shows a loss, you may only claim such losses on your Arizona nonresident return to the extent:

- Those losses are included in:
 - The federal adjusted gross income of an individual, or
 - The federal taxable income of a trust or an estate.
- The loss is **not** considered a passive activity loss for federal purposes. (If it is, the loss will be treated as a passive activity loss for Arizona purposes.)

If the S corporation passes through to you a passive activity loss derived from Arizona sources:

- Do not begin your Arizona return with the amounts shown in column (c) of your Form 120S, Schedule K-1(NR).
- You must first determine if any portion of the loss has been limited on your federal return due to federal passive activity loss rules.

In addition:

- Only the amount of passive activity loss derived from Arizona sources will be allowed on the Arizona return.
- Any portion of the passive activity loss not allowed on the federal return due to passive activity loss limitations will be limited on the Arizona return.
- That portion of the passive activity loss derived from Arizona sources required to be carried forward for federal purposes will be carried forward for Arizona purposes.

NOTE: *The amount of Internal Revenue Code § 179 expense deductible is limited to the Arizona portion of the amount deducted on federal Form 1040, Schedule E.*
