General Instructions

NOTE: You **must** also complete Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture, and include Forms 301 and 352 with your tax return to claim this credit.

Arizona law provides a **separate** credit for cash contributions made to qualifying foster care charitable organizations (QFCO).

CAUTION: Cash Contributions made after December 31, 2015, to a QFCO do not qualify for, and cannot be included in, a credit claimed on Arizona Form 321 for cash contributions made to a qualifying charitable organization (QCO).

If you made cash contributions to a **non-foster care qualifying charitable organization**, you **must** complete Arizona Form 321 to claim a credit for those contributions. Do **not** use Form 352 to claim a credit for contributions made to non-foster care charitable organizations.

This credit is available **only** to individuals. Corporations may not claim this credit. A partnership may not pass the credit through to its partners. An S Corporation may not pass the credit through to its shareholders.

What is a QFCO?

A QFCO is a qualifying charitable organization that is exempt from federal income taxation under section 501(c)(3) of the internal revenue code or is a designated community action agency that receives community services block grant program monies pursuant to 42 United States Code section 9901 and each operating year provides services to at least two hundred qualified individuals in Arizona. The charity must spend at least 50% of its budget on services to qualified individuals in this state.

"Qualified individual" means any of the following:

- (a) A foster child as defined in section 8-501.
- (b) a person who is participating in an independent living program as prescribed in section 8-521.
- (c) A person who is participating in a transitional independent living program as prescribed by section 8-521.01.

- (e) A person who is under twenty-seven years of age and whose reason for leaving foster care is any of the following:
 - (i) Reaching eighteen years of age.
 - (ii) Adoption or legal guardianship after reaching fifteen years of age.
 - (iii) Reunification after reaching fourteen years of age.

"Foster home" means a home maintained by any individual or individuals having the care or control of minor children, other than those related to each other by blood or marriage, or related to such individuals, or who are legal wards of such individuals.

For a QFCO, "Services" means the following:

For a qualifying foster care charitable organization, cash assistance, medical care, behavioral health services, child care, food (including snacks at a QFCO's foster youth event), including snacks at the qualifying foster care charitable organization's foster youth event, clothing, job placement services, job training services, character education programs, workforce development programs, secondary education student retention programs, housing or financial literacy services or any other assistance that is reasonably necessary to meet basic needs or provide normalcy and that is provided and used in this state. For the purposes of this subdivision:

- (i) "Behavioral health services" has the same meaning prescribed in section 36-401.
- (ii) "Character education program" means any program described in section 15-719, subsection b that is offered by a qualifying foster care charitable organization.
- (iii) "Job training services" has the same meaning as vocational and technical preparation as defined in section 15-781.
- (iv) "Normalcy" means the condition of experiencing a typical childhood by participating in activities that are age or developmentally-appropriate, as defined in 42 US code section 675.
- (v) "Workforce development program" means any program recognized by the workforce Arizona council pursuant to section 41-5401.

NOTE: For more information on what is a qualifying charitable organization, see the instructions for Form 321.

How Can I Tell if a Foster Care Charity Qualifies?

To qualify, a foster care charity must provide the department with written certification that it meets the criteria necessary to be considered a qualifying foster care charity.

To see a list of qualifying foster care charities, visit our website and click on *Tax Credits* and select *Contributions to QCOs and QFCOs*.

- For donations made in 2022 - use the 2022 list.
- For donations made from January 1, 2023 to April 18, 2023 - use the 2023 list.

A cash contribution for which a credit is claimed and that is made on or before the fifteenth day of the fourth month following the close of the taxable year may be applied to either the current or preceding taxable year and is considered to have been made on the last day of that taxable year.

For calendar year filers, credit eligible cash contributions made to a QFCO from January 1, 2023 through April 18, 2023 may be used as a tax credit on either your 2022 or 2023 Arizona income tax return.

IMPORTANT: *To claim a credit on your 2022 tax return for contributions made January 1, 2023 through April 18, 2023 the charitable organization must be certified by the department for the 2023 tax year.*

If you claim this credit in 2022 for a cash contribution made from January 1, 2023 through April 18, 2023 you must make an adjustment on your 2023 Arizona Form 140 Schedule A, Form 140PY Schedule A(PY) or A(PYN), or Form 140NR Schedule A(NR).

NOTE: *You cannot claim both a tax credit and an itemized deduction for the amount of contributions made to a QFCO for which you are claiming a credit.*

You cannot claim an increased standard deduction for the amount of contributions made to a QFCO for which you are claiming a credit.

The maximum amount of credit that a taxpayer can establish for the current taxable year is \$500 for single taxpayers or heads of household. For married taxpayers filing a joint return, the maximum amount of credit that a taxpayer can establish for the current taxable year is \$1,000. In most cases, for married taxpayers who file separate returns, each spouse may claim only **one-half** (½) of the total credit that would have been allowed on a joint return up to \$500.

NOTE: *The maximum amount of credit established for the current taxable year does **not** include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may use for the taxable year cannot be greater than the tax liability shown.*

If the allowable tax credit is more than your tax or if you have no tax, you may carry the unused credit forward for up to the next five consecutive taxable years' income tax liability.

You may qualify for this credit if you make cash contributions to a qualified foster care charity through an Umbrella Charitable Organization (UCO). An UCO is a charitable organization that collects contributions on behalf of member charities and directs that contribution as designated by the taxpayer to a QFCO that is certified by the Department.

In this case, 100% of the contribution to a specific qualifying foster care charitable organization or to a specific fund of the UCO must be distributed to a QFCO that is certified by the Department.

The UCO will need to provide you with a receipt for your contribution that specifies the QFCO or fund to whom the contribution is designated and certifies that 100% of the contribution will be distributed to the named QFCO. If a fund is designated then the receipt should certify that 100% of the fund is distributed to a QFCO that is certified by the Department.

NOTE: *You may be able to make contributions to these charities through your payroll withholding. Contact your employer and ask if they can withhold contributions for this credit from your pay.*

For more information, see the department's publication, Pub 710, *Credit for Contributions to Qualifying Charitable Organizations*.

What is a Qualifying Foster Care Charitable Organization Code?

For Arizona tax credit purposes, the department assigns a code (a 5 digit identification number) to each QFCO and the UCO fund (for example: 12345). If your donation receipt did not include the foster care charity's code, the department's list of qualifying charities includes the code assigned to each charity and the UCO fund code.

Be sure to enter the code number, in column (a), for each qualifying foster care charity for which you and your spouse made cash contributions.

Line-by-Line Instructions

Enter your name and Social Security Number (SSN) as shown on Arizona Forms 140, 140PY, 140NR, or 140X.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for an individual is the taxpayer's SSN or an Internal Revenue Service (IRS) individual taxpayer identification number (ITIN). Taxpayers that fail to include their identification number may be subject to a penalty.

Part 2 - Available Credit Carryover**Lines 14 through 19**

NOTE: *You may carry over only that portion of the credit that you do not apply to tax. You cannot carry over any amount that you gave that was more than the maximum amount allowed as a credit.*

For example: During 2022, Mary, a single person, gave \$600 to a qualified foster care charity. For 2022, Mary is allowed a maximum credit of \$500. Mary's 2022 tax is \$250. Mary can apply \$250 of the credit to her 2022 tax liability and carryover \$250 of the unused \$500 credit to 2023.

Mary cannot claim any credit for the \$100 gift that was more than the allowable credit (\$600 minus allowable credit of \$500).
