General Instructions

For taxable years beginning on or after January 1, 1998, Arizona law provides a credit for certain fees paid to public schools in Arizona. The credit is equal to the amount of fees paid, up to a maximum of \$200.

This credit is available only to individuals. Corporations may not claim this credit. A partnership may not pass the credit through to its partners. An S corporation may not pass the credit through to its shareholders.

To qualify for the credit, you must pay fees to a public school for support of extra curricular activities. These are school sponsored activities that require enrolled students to pay a fee in order to participate. The activities must supplement the school's education program and may be educational or recreational. Each school district will determine what activities are extra curricular activities for each public school located in that district. Extra curricular activities may include:

- use of band uniforms
- use of equipment or uniforms for varsity athletics
- use of scientific laboratory equipment or materials.

You must pay fees to a public school or charter school located in Arizona. The school must provide instruction in grades kindergarten through 12.

Fees paid to any of the following **do not** qualify for this credit:

- a nongovernmental school
- a pre-school
- a community college
- a university
- a public school located outside of Arizona

Before you claim this credit, make sure that the public school gave you a receipt for the qualifying fees that you paid. The receipt should show all of the following:

- the name of the public school
- the school district number of the district in which the school belongs
- the name of the taxpayer
- the taxpayer's social security number

- the amount paid
- the date paid
- a description of the activity for which the fee was paid.

You may want to attach a copy of your receipt(s) to your return.

For more information on school tax credits, see the Arizona Department of Revenue brochure, Pub 707, *School Tax Credits*. To get a copy of this brochure, call one of the help numbers listed on this page of these instructions.
