Are You Subject to Tax in Arizona?

You are subject to Arizona income tax on all income derived from Arizona sources. If you are in this state for a temporary or transitory purpose or did not live in Arizona but received income from sources within Arizona during 2017, you are subject to Arizona tax. Income from Arizona sources includes the following:

- wages,
- rental income,
- business income,
- the sale of Arizona real estate,
- interest and dividends having a taxable or business situs, in this state, and
- any other income from an Arizona source.

Do You Have to File?

| Arizona Filing Requirements These rules apply to all Arizona taxpayers. | | |

| You may still need to file even if you had income taxes withheld and paid to Arizona. See table below. | | |
| You must file if you are: | and your Arizona adjusted gross income is at least: | or your gross income is at least: |
| • Single | \$ 5,500 | \$15,000 |

| • Married filing separate | \$ 5,500 | \$15,000 |
| • Head of household | \$ 5,500 | \$15,000 |
| If you are a nonresident, you must report income derived from Arizona sources. | | |
| To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then you should exclude income Arizona law does not tax. Income earned by a qualifying out-of-state employee, from performing qualified disaster recovery work during a disaster period, is exempt from Arizona income tax. For more information, see the instructions for line 15. | | |
| You can find your Arizona adjusted gross income on line 52 of Arizona Form 140NR. | | |

NOTE: Even if you do not have to file, you must still file a return to get a refund of any Arizona income tax withheld.

Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

For more information on the Arizona tax treatment of American Indians, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File if You Are The Spouse of an American Indian and You Are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. For more information on the tax treatment of spouses of American Indians, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File if You Are in the Military?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you are an Arizona resident and you have to file an Arizona return, you should file using Form 140. If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile. As an Arizona resident, you must report all of your income to Arizona, no matter where stationed. You must include your military pay, but using Form 140, you may subtract all pay received for active duty military service; to the extent it is included in your federal adjusted gross income.

If you are not an Arizona resident, but stationed in Arizona, the following applies to you:

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see our publication, Pub. 704, *Taxpayers in the Military*.

If You Included Your Child's Unearned Income On Your Federal Return, Does Your Child Have To File An Arizona Return?

No. In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. For more information on determining residency status, see the department's procedure, ITP 92-1, *Procedure For Determining Residency Status*.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone.

A resident is subject to tax on all income no matter where the resident earns the income.

If you are a full year resident, you **must** file Arizona Form 140, Form 140A, or Form 140EZ.

Part-Year Residents

If you are a part-year resident, you must file Arizona Form 140PY, *Part-Year Resident Personal Income Tax Return*. You are a part-year resident if you did either of the following during 2017:

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Arizona Form 140NR, *Nonresident Personal Income Tax Return*.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2017, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. The person who files the return should print the word "deceased" after the decedent's name. Also, enter the date of death after the decedent's name.

If your spouse died in 2017 and you did not remarry in 2017 or if your spouse died in 2018 before filing a return for 2017, you may file a joint return. If your spouse died in 2017, the joint return should show your spouse's 2017 income before death and your income for all of 2017. If your spouse died in 2018, before filing the 2017 return, the joint return should show all of your income and all of your spouse's income for 2017. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Arizona Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Place the completed Form 131 on top of the front of the return.

What Are the Filing Dates and Penalties?

When Should You File?

Your 2017 calendar year tax return is due no later than midnight, April 17, 2018. File your return as soon as you can after January 1, but no later than April 17, 2018.

NOTE: Because April 15, 2018, falls on a Sunday and District of Columbia Emancipation Day will be observed on Monday, April 16, 2018, you have until Tuesday, April 17, 2018, to file your return.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal tax year.

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: An extension does not extend the time to pay your income tax. See the instructions for Arizona Form 204.

To get a filing extension, you can either

- Apply for a state extension (Arizona Form 204). To apply for a state extension, file Form 204 by April 17, 2018. See Form 204 for details. You do not have to include a copy of the extension with your return when you file, but make sure that you check box **82F** on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.AZTaxes.gov to make an electronic payment.
- Use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to include a copy of your federal extension with your return, but make sure that you check box **82F** on page 1 of the return.

When Should You File if You Are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 17, 2018, even though your federal return is due on June 15, 2018. If you want to file your Arizona return after April 17, 2018, you must ask for a filing extension. You must file this request by April 17, 2018. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 15, 2018. See Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months.

Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 15, 2018, even though your federal return will not be due until December 15, 2018. If you file your 2017 Arizona calendar year return after October 15, 2018, your return will be late.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if you File or Pay late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2017 calendar year return by April 17, 2018, your return will not be late. You may also use certain private

delivery services designated by the Internal Revenue Service (IRS) to meet the “timely mailing as timely filed” rule. For more information, see “Mailing Your Return” at the end of these instructions.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10) of the unpaid tax.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30-day period or fraction of a 30-day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% (.25) of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

NOTE: If you are subject to two or more of the above penalties, the total cannot exceed 25%.

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return after you have filed, **do not** file a new return using Form 140NR. You must file Arizona Form 140X, *Individual Amended Income Tax Return*. File your amended return after your original return has processed. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You must file Form 140X within 90 days of the final determination of the IRS. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Include a complete copy of the federal notice with your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax.
2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree. If you choose option 2, mail the federal notice and any other documents to:

Do You Need to Make Arizona Estimated Payments in 2018?

| You must make Arizona estimated income tax payments during 2018 if: | | |
|---|---|--|
| Your filing status is: | AND Your Arizona gross income for 2017 was greater than: | AND Your Arizona gross income for 2018 is greater than: |

If you met the income threshold for 2017, you must make estimated payments during 2018 unless you are sure you will not meet the threshold for 2018. As a nonresident, your Arizona gross income is that part of your federal adjusted gross income derived from Arizona sources. Your Arizona gross income is on line 26 of the 2017 Arizona Form 140NR.

See the worksheet for Arizona Form 140ES to figure how much your payments should be. For more information about making estimated payments, see the department's publication, Pub. 012, *Arizona Individual Estimated Income Tax Payments*.

What if You Make Your Estimated Payments Late?

We will charge you a penalty if you are late or if you fail to make any required payments. See Arizona Form 221.

Can You Make Estimated Payments Even if You Do Not Have to?

If you do not have to make Arizona estimated income tax payments, you may still choose to make them. For details, see Arizona Form 140ES.

Line-by-Line Instructions**Tips for Preparing Your Return**

- Make sure that you enter your Social Security Number (SSN) on your return.

Entering Your Name, Address, and SSN**Lines 1, 2, and 3 -**

NOTE: Make sure that you write your SSN on the appropriate line and your SSN is correct. If you are filing a joint return, also make sure you enter your SSNs in the same order every year.

Enter your name, address, and SSN in the space provided. If you are filing a joint return, enter your SSNs in the same order as your names. *If your name appears first on the return, make sure your SSN is the first number listed.*

If you are married filing separately, enter your name and SSN on the first line 1. Then enter your spouse's name and SSN on the second line 1.

If you are a nonresident of the United States or a resident alien who does not have an SSN, use the individual taxpayer identification number (ITIN) the IRS issued to you.

Make sure that you enter your SSN on your return. Make sure that all SSNs are clear and correct. You may be subject to a penalty if you fail to include your SSN. It will take longer to process your return if SSNs are missing, incorrect, or unclear.

Use your current home address. The department will mail your refund to, or correspond with, you at that address.

For a deceased taxpayer, see page 2 of these instructions.

Foreign Addresses

If you have a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

If you pay someone else to prepare your return, that person must also include an identification number where requested.

A paid preparer may use any of the following:

- his or her PTIN,
- his or her SSN, or
- the EIN for the business.

A paid preparer who fails to include the proper identification number may be subject to a penalty.

Determining Your Filing Status

The filing status that you use on your Arizona return may be different from that used on your federal return.

Use this section to determine your filing status. Check the correct box (4 through 7) on the front of Form 140NR.

If you qualify as married for federal purposes, you qualify as married for Arizona purposes and must file using the status of either married filing joint or married filing separate.

If you are single you must file as single or if qualified you may file as head of household (see the instructions for box 5).

Box 4 - Married Filing Joint Return

If you are married and filing a joint return, check box 4.

You may file a joint return if you were married as of December 31, 2017. It does not matter whether or not you were living with your spouse. You may file a joint return, even if you and your spouse filed separate federal returns.

You may file a joint return if your spouse died during 2017 and you did not remarry in 2017. See page 2 of these instructions for details.

If you are married to an Arizona full year resident, you may file a joint return with your Arizona resident spouse. If filing a joint return with your Arizona resident spouse, you must use Form 140NR.

NOTE: For help on filing a joint return with your full-year resident spouse, see the department's ruling, ITR 14-1, Filing a Joint Tax Return When a Resident Spouse is Married to a Part-Year Resident or Nonresident.

Box 4a - Injured Spouse Protection of Joint Overpayment

Beginning 2017, check box 4a **only** if you and your spouse are filing a joint return and you or your spouse qualify as an injured spouse and are requesting protection from application of any joint overpayment against the other spouse's delinquencies or debts.

NOTE: You cannot use Form 203 to request protection from offset for past-due federal taxes. You must contact the IRS.

You **must** complete Arizona Form 203, *Request for Injured Spouse Protection from Application of Joint Overpayment Against Spouse's Delinquencies and Debts*, and include that form with your tax return, when filed. Place the completed form on top of your income tax return. For more information, see the instructions for Form 203.

Box 5 - Head of Household Return

If you are filing as a head of household, check box 5 and enter the name of the qualifying child or dependent in the space provided. You may file as head of household on your Arizona return, only if one of the following applies:

- You qualify to file as head of household on your federal return.
- You qualify to file as a qualifying widow or widower on your federal return.

Box 6 - Married Filing Separate Return

If you are filing a separate return, check box 6 and enter your spouse's name and SSN on the second line 1.

If you were married as of December 31, 2017, you may choose to file a separate return. You may file a separate return, even if you and your spouse filed a joint federal return.

Arizona is a community property state. If you file a separate return, you must figure how much income to report using community property laws. If one spouse is a resident and the other spouse is not, special rules apply when filing a separate return. For more information on how to report income in this case, see the department's ruling, ITR 93-20, *Income Reporting Requirements of Resident and Nonresident Spouses Who File Separate Arizona Individual Income Tax Returns*.

NOTE: In some cases, you may treat community income as separate income. For more information on when you may treat community income as separate income, see the department's ruling, 93-22, When Community Income May Be Treated as Separate Income.

Box 7 - Single Return

If you are filing as single, check box 7.

Use this filing status if you were single on December 31, 2017. You are single if any of the following apply to you:

- You have never been married.
- You are legally separated under a decree of divorce or of separate maintenance.
- You were widowed before January 1, 2017, and you did not remarry in 2017, and you do not qualify to file as a qualifying widow or widower with dependent children on your federal return.

NOTE: If you got divorced during the year, see the department's ruling, ITR 14-2, Reporting Income, Deductions, Exemptions, and Withholding for Divorced Individuals for the Year of Divorce; and publication, Pub. 200, Income Tax Issues Affecting Married and Divorced Taxpayers.

- A person that qualifies as your dependent on your federal return.

NOTE: *If you do not claim a dependent exemption for a student on your federal return in order to allow the student to claim a federal education credit on the student's federal return, you may still claim the exemption on your Arizona return. For more information, see the department's ruling ITR 05-02, Will Arizona Allow a Dependent Exemption When a Taxpayer Does Not Claim Federal Exemption in Order to Claim the Education Credit?*

 2. You received a certificate of birth resulting in stillbirth from the Arizona Department of Health Services.
 3. The child would have otherwise been a member of your household.

Enter the actual amounts shown on your 2017 federal income tax return in the FEDERAL column. Complete lines 15 through 25. Line 25 should equal the federal adjusted gross income shown on your 2017 federal Form 1040, Form 1040A, Form 1040EZ, or Form 1040NR.

ARIZONA Column

Enter that portion of your federal income received from Arizona sources in the ARIZONA column. Such income includes wages earned in Arizona, Arizona rental and business income, and gains on the sale of Arizona property.

NOTE: *If you are filing a joint return with your full year resident spouse, you must enter your Arizona source income in the ARIZONA column and your spouse must enter all income from all sources in the ARIZONA column. For details, see the department's ruling, ITR 14-1, Filing a Joint Tax Return When a Resident Spouse is Married to a Part-Year Resident or Nonresident*

The Tax Reform Act of 1986 limits the amount of losses that you may deduct from passive activities. A passive activity is one that involves the conduct of any trade or business in which the taxpayer does not materially participate.

As a nonresident, your Arizona gross income may include some of these losses. You may consider only those passive losses that arose from Arizona sources. Your 2017 Arizona gross income can include only Arizona source losses you used on your 2017 federal return.

Lines 15 through 24 – Arizona column

The following line-by-line instructions apply to the ARIZONA column.

Line 15 - Wages, Salaries, Tips, etc.

Enter all amounts received for services performed in Arizona.

Income earned by a qualifying out-of-state employee, from performing qualified disaster recovery work during a disaster period, is exempt from Arizona income tax. Exclude this income from line 15 in the Arizona column.

For the purpose of this exemption, a qualifying out-of-state employee is an Arizona nonresident individual who is temporarily in Arizona to solely perform qualified disaster recovery work during a disaster period. For more information, see the department's publication, Pub. 720.

NOTE: Active Duty Military Members - Do not include active duty military pay unless the active duty military member is an Arizona resident filing a joint return with his or her Arizona nonresident spouse on Form 140NR. If you are an Arizona resident active duty military member including military pay on line 15 in the "ARIZONA" column, also include that amount in the amount entered as an "Other Subtraction From Income" on Form 140NR, page 2, line 45.

NOTE: Spouses of Active Duty Military Members *If you are the spouse of an active duty military and you qualify for relief under the Military Spouses Residency Relief Act, do not enter any wages, salaries or tips you earned during the taxable year for services performed in Arizona.*

Line 16 - Interest

If you have an Arizona business, enter only interest (including U.S. Government interest) you earned on accounts pledged as collateral. Also, enter your distributive share of interest from a partnership doing business in Arizona or an S corporation doing business in Arizona. Do **not** include any other interest income, even if it was earned in Arizona banks.

Line 17 - Dividends

If you have an Arizona business, enter only those dividends earned on stocks pledged as collateral, including dividends from small business corporations. Also, enter your distributive share of dividend income from a partnership doing business in Arizona or an S corporation doing business in Arizona. Do **not** include any other dividend income.

Line 18 - Arizona Income Tax Refunds

Enter the amount of Arizona income tax refunds received in 2017 that you included in your federal adjusted gross income.

Line 19 - Business Income or (Loss)

Enter income or (loss) from Arizona businesses.

Income earned by a nonresident, who is a sole owner of a qualifying out-of-state business, from performing qualified disaster recovery work during a disaster period, is exempt from Arizona income tax. Exclude this income from line 19 in the Arizona column.

For the purpose of this exemption, a qualifying out-of-state business is a business that is temporarily in Arizona to solely perform qualified disaster recovery work during a disaster period. For more information, see the department's publication, Pub. 720, *Disaster Recovery Tax Relief*.

Line 20 - Gains or (Losses)

Enter gains or (losses) on sales of Arizona sourced property. Enter the total Arizona sourced net capital gain or (loss) used to determine the amount reported on the *Capital Gain or (Loss)* line on page 1 of your federal return. This amount should be reported in your federal adjusted gross income.

NOTE: *If you reported the maximum allowable net capital (loss) for the current taxable year on your federal return, enter the total amount of Arizona sourced loss used to compute the net capital loss claimed on your federal return.*

For example: A single taxpayer has a \$3,000 capital gain from property in State XYZ and a (\$7,000) capital (loss) from property in Arizona resulting in a (\$4,000) net federal capital loss. [\$3,000 gain – (\$7,000 loss) = (\$4,000 net loss)]

Because taxpayer is limited to claiming a loss in the amount of (\$3,000) on the federal tax return, the taxpayer must carryforward the remaining amount of the loss (\$1,000), for

federal purposes. [(\$4,000 actual loss) – \$3,000 limit = (\$1,000 loss carryforward)]

- For the current tax year: the Arizona nonresident taxpayer would enter the loss actually used, (\$6,000), on line 20 of the Arizona column. [(\$7,000) – (\$1,000 carryforward) = (\$6,000)].
- In the year the carryforward amount is used for federal purposes, assuming taxpayer has no other gains or (losses), the taxpayer would enter the remaining Arizona sourced capital loss (\$1,000) on line 20, of the Arizona column.

Line 21 - Rents, etc.

Enter the following income on line 21.

- Rent or royalty income earned on Arizona properties.
- Income from Form 141AZ Schedule K-1(NR), line 2, from estates or trusts.
- Income or (loss) from Schedule(s) K-1(NR) from Arizona partnerships (Arizona Form 165), or small business corporations (Arizona Form 120S).

Line 22 - Other Income Reported on Your Federal Return

Enter other income from sources within Arizona. Do not include pension income or social security taxed by the federal government.

Line 23 - Total Income

Add lines 15 through 22 and enter the total.

Line 24 - Other Federal Adjustments

Include on line 24 any other federal adjustments included in your federal adjusted gross income that are attributable to the Arizona source income reported on your 2017 Arizona nonresident return.

Line 25 - Federal Adjusted Gross Income

Subtract line 24 from line 23 in the **FEDERAL** column.

Line 26 - Arizona Gross Income

Subtract line 24 from line 23 in the **ARIZONA** column.

Line 27 - Arizona Income Ratio

Divide line 26 by line 25 and enter the result on line 27. You must round your answer to **three** decimal places.

Do not enter more than 1.000. Do not include the percent sign (%) with the amount entered on line 27.

This is your Arizona income ratio of your total income.

| Examples: (continued on next page) | | | | | | | |
|---------------------------------------|--|--|---|---|---|---|---|

- If Arizona gross income and federal adjusted gross income are both positive and Arizona’s gross income is greater than the federal adjusted gross income, enter 1.000 on line 27.
- If Arizona gross income is positive (greater than zero), and federal adjusted gross income is equal to or less than zero (negative), enter 1.000 on line 27.
- If Arizona gross income is equal to or less than zero (negative), and federal adjusted gross income is positive, enter 0.000 on line 27.

- If Arizona gross income is zero, and federal adjusted gross income is negative, enter 0.000 on line 27.

Additions to Income

Line 28 - Total Depreciation Included in Arizona Gross Income

Enter the amount of depreciation deducted on the federal return that is included in Arizona gross income. If you make an entry here, you should also take a subtraction on line 38 for allowable depreciation attributable to assets used in your Arizona business. See the instructions for line 38.

Line 29 - Partnership Income Adjustment (Positive)

Depending on your situation, you may either add (line 29) or subtract (line 39) this amount.

Use this adjustment if line 17, column (c) of your Arizona Form 165 Schedule K-1(NR), shows a difference between federal and state distributable income.

If the difference reported on line 17, column (c) of your Arizona Form 165 Schedule K-1(NR) is a positive number, enter that portion of the difference that is allocable to partnership income taxable by Arizona as an addition on line 29.

NOTE: *If the difference reported on line 17, column (c) of your Arizona Form 165 Schedule K-1(NR), is a negative number, enter that portion of the difference that is allocable to partnership income taxable by Arizona as a subtraction on line 39.*

Line 30 - Other Additions to Income

Use line 30 if any of the special circumstances below apply. Include your own schedule with your return, explaining any amounts entered on line 30.

A. Fiduciary Adjustment

A fiduciary uses Form 141AZ Schedule K-1(NR), to report to you your share of the fiduciary adjustment from the trust or estate. Line 5 of Form 141AZ Schedule K-1(NR), shows your share of the fiduciary adjustment from the estate or trust.

Depending on your situation, you may either add (line 30) or subtract (line 45) this amount.

If the amount reported on line 5 of your Arizona Form 141AZ, Schedule K-1(NR), is a positive number, include that amount as an addition on line 30.

NOTE: *If the amount reported on line 5 of your Arizona Form 141AZ Schedule K-1(NR), is a negative number, include that amount as a subtraction from income on line 45.*

B. Items Previously Deducted for Arizona Purposes

Arizona statutes prohibit a taxpayer from deducting items more than once. If your Arizona taxable income includes items previously deducted for Arizona purposes, you must add back such amounts to your Arizona gross income.

C. Claim of Right Adjustment for Amounts Repaid in 2017

You must make an entry here if **all** of the following apply:

1. During 2017, you were required to repay amounts held under a claim of right.
2. The amount required to be repaid was subject to Arizona income tax in the year included in income.
3. The amount required to be repaid during 2017 was more than \$3,000.
4. You took a deduction for the amount repaid on your 2017 federal income tax return.
5. The deduction taken on your federal income tax return is reflected in your Arizona taxable income.

If the above apply, include the amount deducted on your federal income tax return which is reflected in your Arizona taxable income.

For more information on the Arizona claim of right provisions, see the department’s procedure, ITP 16-1, *Procedure for Individuals Who Restore Substantial Amounts Held Under a Claim of Right.*

D. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply:

1. During a year prior to 2017, you were required to repay income held under a claim of right.
2. You computed your tax for that prior year under Arizona’s claim of right provisions.
3. A net operating loss or capital loss was established due to the repayment made in the prior year.
4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2017 Arizona taxable income.

5. The amount of the loss carryover included in your Arizona gross income is more than the amount allowed to be taken into account for Arizona purposes.

Include the amount by which the loss carryover included in your Arizona gross income is more than the amount allowed for the taxable year under Arizona law.

E. Addition to S Corporation Income Due to Credits Claimed

Shareholders of an S corporation who claim a credit passed through from an S corporation must make an addition to income for the amount of expenses disallowed by reason of claiming the credit.

An S corporation that passes the following credits through to its shareholders must notify each shareholder of his or her pro rata share of the adjustment. You must include an amount on this line when claiming any of the following credits:

- Environmental Technology Facility Credit (Form 305)
- Agricultural Water Conservation System Credit (Form 312)
- Pollution Control Credit (Form 315)
- Credit for Solar Hot Water Heater Plumbing Stub Outs and Electric Vehicle Recharge Outlets (Form 319)
- Credit for Employment of TANF Recipients (Form 320)
- Agricultural Pollution Control Equipment Credit (Form 325)

F. Solar Hot Water Heater Plumbing Stub Outs and Electric Vehicle Recharge Outlet Expenses

If you claim a credit for installing solar hot water heater plumbing stub outs or electric vehicle recharge outlets in a dwelling you constructed (Form 319), you cannot deduct any expenses for which you claim the credit. If you claim this credit, include the amount of such expenses that you deducted on your federal return.

G. Wage Expense for Employers of TANF Recipients

If you claim a credit for employing TANF recipients (Form 320), you cannot deduct any wage expense for which you claim the credit. If you claim this credit, include the amount of such expenses that you deducted on your federal return.

H. Adjusted Basis in Property for Which You Have Claimed a Credit for Investment in Qualified Small Businesses

If you claim a credit for an investment in a qualified small business on Form 338, you must adjust your basis in the investment by the amount of the credit claimed. You must report this difference in basis on the Arizona return that you file for the taxable year in which you sell or otherwise dispose of the investment. If you sold or otherwise disposed of the investment during the 2017 taxable year, include the amount by which the adjusted basis computed under the Internal Revenue Code (IRC) with respect to that property exceeds the adjusted basis of the property computed under A.R.S. § 43-1074.02.

I. Original Issue Discount (OID) on Reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer discharge of indebtedness (DOI) income

under IRC § 108(i) (for 2009 or 2010), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer had to deduct the aggregate amount of the OID deductions disallowed ratably over a 5-year period, beginning with the period in which the income was includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income. For Arizona purposes, you had to report the Arizona source DOI income from a debt reacquisition in the year in which you reacquired the debt, and you were allowed to subtract any OID related to that DOI income in the year the OID accrued. (See the instructions for line 45, "Other Subtractions From Income.") If your Arizona gross income includes a deduction for any accrued OID that you have already subtracted for Arizona purposes, you must make an addition to Arizona income for the amount of deferred OID deducted on your federal return that you included in your Arizona gross income.

Generally, this addition will apply to taxable years 2014 through 2018. On line 30, include the amount of any previously deferred OID that you deducted in computing your 2017 Arizona gross income, to the extent that the amount was previously subtracted from Arizona gross income.

J. Sole Proprietorship Loss of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you are required to add the amount of the loss from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the loss on line 30.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this addition does not apply.*

K. Arizona Long-Term Health Care Savings Account (AZLTHSA) Withdrawals

You must add amounts withdrawn from your AZLTHSA if you withdrew money for purposes other than paying qualified long-term health care expenses. For more information, see A.R.S. § 43-1032.

L. Other Adjustments

Other special adjustments may be necessary. You may need to make an addition for depreciation or amortization. You may also need to make an addition if you claimed certain tax credits. Call one of the numbers listed on page 1 of these instructions if any of the following apply:

- You claimed the Environmental Technology Facility Credit. (Form 305)
- You claimed the Pollution Control Credit. (Form 315)

- You claimed the Recycling Equipment Credit. (Form 307)
- You claimed the Agricultural Pollution Control Equipment Credit. (325)
- You elected to amortize cost of a childcare facility under Arizona law in effect before 1990, and you are still deducting amortization or depreciation for that facility on your federal income tax return.

Line 31 - Subtotal

Add lines 26, 28, 29 and 30 and enter the total on line 31.

Subtractions From Income

You may only subtract those items for which statutory authority exists. Without such authority, you cannot take a subtraction. If you have any questions concerning subtractions from income, call one of the numbers listed on page 1 of these instructions.

NOTE: *You may not subtract any amount which is allocable to income excluded from your Arizona income.*

Lines 32 through 37 - Net Capital Gain or (loss)

NOTE: *If you reported a net capital gain or (loss) on your federal tax return, you must enter the amount of the net gain or (loss) from Arizona sources on line 32. See the instructions for line 32. If you enter an amount on line 36, you must also complete lines 34 and 35. If you do not complete these lines, you cannot take the subtraction.*

As a nonresident, you may take the allowable subtraction for only those qualified net long-term capital gains that are from **Arizona sources**. You may subtract 25% (.25) of any net long-term capital gain included in your federal adjusted gross income that is derived from an investment in an asset acquired after December 31, 2011.

Use the worksheet on page 26 of these instructions, *Worksheet for Net Long-Term Capital Gain Subtraction for Assets Acquired after December 31, 2011*, to determine the allowable subtraction.

Line 32 - Total Arizona Sourced Net Capital Gain or (Loss)

Enter the amount shown on line 20, of the Arizona column.

Line 33 - Total Arizona Sourced Net Short-Term Capital Gain or (Loss)

Enter the total Arizona sourced net short-term capital gain reported on the *Capital Gain or (Loss)* line on page 1 of your federal return, in the ARIZONA Column. This amount should be reported in your federal adjusted gross income.

Line 34 - Total Net Long-Term Capital Gain or (Loss)

If you did not complete the worksheet on page 24, subtract line 33 from line 32 and enter the difference.

If you completed the worksheet on page 24, enter the amount from the worksheet, line 14, column (b).

Line 35 - Net Long-Term Capital Gain From Assets Acquired After December 31, 2011

If you did not complete the worksheet on page 24 and you have no net long-term capital gains from assets acquired after December 31, 2011, enter zero, "0".

If you completed the worksheet on page 24, enter the amount from the worksheet, line 14, column (d).

Only include net long-term capital gains on this line if it can be verified that the asset was acquired after December 31, 2011. For purposes of this line, an asset acquired by gift or inheritance is considered acquired on the date it was acquired by the gift-giver or the deceased individual.

Line 36 - Net Long-Term Capital Gain Subtraction from Income for Assets Acquired After December 31, 2011

Multiply the amount on line 35 by 25% (.25) and enter the result.

Line 37 - Net Capital Gain from Investment in a Qualified Small Business

You may subtract the amount of any net capital gain included in federal adjusted gross income for the taxable year derived from investment in a qualified small business as determined by the Arizona Commerce Authority (ACA) pursuant to A.R.S. § 41-1518.

To qualify for this subtraction, your investment in the qualified small business must have been made *after* the ACA certified the company as a qualified small business and *before* the company's certification expiration date. An investment made prior to certification or after the expiration of certification does not qualify for this subtraction. See the ACA's website, *Small Business Incentives: Angel Investment*, for a list of certified businesses and their certification dates.

On line 37, enter the amount of the allowable subtraction.

CAUTION: *If the amount entered on line 37 includes a long-term capital gain from an investment made **after** December 31, 2011, you cannot include that portion of the net capital gain in your computation of the allowable subtraction for any net long-term capital gain from assets acquired after December 31, 2011 and included in federal adjusted gross income. For more information, see the instructions on page 25 for the amount to enter on line 13, column (d) on the net long-term capital gain worksheet.*

Line 38 - Recalculated Arizona Depreciation

As a nonresident, you may take the allowable subtraction that is **only** related to income sourced to Arizona.

For assets placed in service in taxable years beginning before December 31, 2012, enter the total amount of depreciation attributable to assets used in your Arizona business allowable pursuant to IRC § 167(a) for the taxable year calculated as if you had elected not to claim bonus depreciation for eligible properties for federal purposes.

For assets placed in service during taxable years beginning from and after December 31, 2012 through December 31, 2013, the amount of the subtraction depends on the method used to compute the depreciation for these assets.

NOTE: For more information and examples of how to calculate Arizona bonus depreciation, see the department's procedure, ITP 16-2, Procedure for Individuals who Claim Federal and/or Arizona Bonus Depreciation.

For assets placed in service in taxable years beginning from and after December 31, 2013 through December 31, 2015, enter the total amount of depreciation attributable to assets used in your Arizona business allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is 10% of the amount of federal bonus depreciation pursuant to IRC § 168(k).

For assets placed in service in taxable years beginning from and after December 31, 2015 through December 31, 2016, enter the total amount of depreciation attributable to assets used in your Arizona business allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is 55% of the amount of federal bonus depreciation pursuant to IRC § 168(k).

For assets placed in service in taxable years beginning from and after December 31, 2016, enter the total amount of depreciation attributable to assets used in your Arizona business allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is the full amount of federal bonus depreciation pursuant to IRC § 168(k).

Add all amounts together and enter the total on line 38.

Line 39 - Partnership Income Adjustment (Negative)

Depending on your situation, you may either add (line 29) or subtract (line 39) this amount. Use this adjustment if line 17, column (c) of your Arizona Form 165 Schedule K-1(NR), shows a difference between federal and state distributable income.

If the difference reported on line 17, column (c) of your Arizona Form 165 Schedule K-1(NR), is a negative number, enter that portion of the difference that is allocable to partnership income taxable by Arizona as a subtraction on line 39. **Do not include a minus sign or use parenthesis.**

NOTE: If the difference reported on line 17, column (c) of your Arizona Form 165 Schedule K-1(NR), is a positive number, enter that portion of the difference that is allocable to partnership income taxable by Arizona as an addition on line 29.

Line 40 -

Subtract lines 36 through 39 from line 31 and enter the difference.

Line 41 -

Enter the amount from page 1, line 40.

Line 42 - Interest on U.S. Obligations

Enter the amount of interest income from U.S. Government obligations included as income on line 16 in the ARIZONA column. U.S. Government obligations include obligations such

as savings bonds and treasury bills. You must reduce this subtraction by any interest or other related expenses incurred to purchase or carry the obligation. Reduce the subtraction only by the amount of such expenses included in your Arizona gross income.

Line 43 - Arizona Lottery Winnings

You may subtract up to \$5,000 of winnings received in 2017 for Arizona lottery prizes. Only subtract those Arizona lottery winnings that you included on line 22 in the ARIZONA column and reported on your federal income tax return.

If you subtract Arizona lottery winnings here, you may have to adjust the amount of gambling losses claimed as an itemized deduction.

Line 44 - Agricultural Crops Given to Arizona Charitable Organizations

Arizona law allows a subtraction for qualified crop gifts made during 2017 to one or more charitable organizations. To take this subtraction, **all** of the following must apply:

1. You must be engaged in the business of farming or processing agricultural crops.
2. The crop must be grown in Arizona.
3. You made your gift to a charitable organization located in Arizona that is exempt from Arizona income tax.

The subtraction is the greater of the wholesale market price or the most recent sale price for the contributed crop.

The amount of subtraction cannot include any amount deducted pursuant to IRC § 170 with respect to crop contribution that exceeds the cost of producing the contributed crop. To determine if your crop gift qualifies for this subtraction, see the department's procedure, ITP 12-1, *Establishing an Income Tax Subtraction for Agricultural Crops Contributed to Charitable Organizations*.

Line 45 - Other Subtractions from Income

Use line 45 if any of the following special circumstances apply. Include your own schedule with the return, explaining any amounts entered here.

A. Certain Wages of American Indians

Enrolled members of American Indian tribes may subtract wages earned while living and working on their tribe's reservation. You can subtract only those amounts that you included on line 15, ARIZONA column. The federal government must recognize these tribes. For more information, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

B. Qualified Wood Stove, Wood Fireplace, or Gas Fired Fireplace

Arizona law provides a subtraction for converting an existing fireplace to one of the following:

- a qualified wood stove,
- a qualified wood fireplace, or
- a gas fired fireplace and non-optional equipment directly related to its operation.

You may subtract up to \$500 of the costs incurred for converting an existing fireplace on your property located in Arizona. When you figure your subtraction, do not include taxes, interest, or other finance charges.

A qualified wood stove or a qualified wood fireplace is a residential wood heater that was manufactured on or after July 1, 1990, or sold at retail on or after July 1, 1992. The residential wood heater must also meet the U.S. Environmental Protection Agency's July 1990 particulate emissions standards.

A qualified gas fired fireplace is any device that burns natural or liquefied petroleum gas as its fuel through a burner system that is permanently installed in the fireplace. The conversion of an existing wood burning fireplace to noncombustible gas logs that are permanently installed in the fireplace also qualifies as a gas fired fireplace.

C. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply:

1. During a year prior to 2017, you were required to repay income held under a claim of right.
2. The amount required to be repaid was subject to Arizona income tax in the year included in income.
3. You computed your tax for that prior year under Arizona's claim of right provisions.
4. A net operating loss or capital loss was established due to the repayment made in the prior year.
5. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2017 Arizona taxable income.
6. The amount of the loss carryover allowed to be taken into account for Arizona purposes is more than the amount included in your Arizona gross income.

Include the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your Arizona gross income. For more information on the Arizona claim of right provisions, see the department's procedure, ITP 16-1, *Procedure for Individuals Who Restore Substantial Amounts Held Under a Claim of Right*.

D. Certain Expenses Not Allowed for Federal Purposes

You may subtract some expenses that you cannot deduct on your federal return when you claim certain federal tax credits. These federal tax credits include the following:

- the Federal Work Opportunity Credit,
- the Empowerment Zone Employment Credit,
- the credit for employer-paid social security taxes on employee cash tips, and
- the Indian Employment Credit.

If you claimed any of the above federal tax credits for 2017, include the portion of wages or salaries attributable to Arizona source income that you paid or incurred during the taxable year that is equal to the amount of those federal tax credits you claimed.

E. Basis Adjustment for Property Sold or Otherwise Disposed of During the Taxable Year

With respect to property used in an Arizona business that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the requirement to add back all depreciation with respect to that property on tax returns for all taxable years beginning from and after December 31, 1999, include the amount of depreciation that has been allowed pursuant to IRC § 167(a) to the extent that the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.) You may make this adjustment only for property that was used in your Arizona business.

F. Fiduciary Adjustment

A fiduciary uses Form 141AZ Schedule K-1(NR), to report to you your share of the fiduciary adjustment from the trust or estate. Line 5 of Form 141AZ Schedule K-1(NR), shows your share of the fiduciary adjustment from the estate or trust.

Depending on your situation, you may either add (line 30) or subtract (line 45) this amount.

If the amount on Form 141AZ Schedule K-1(NR), line 5, is a negative number, include that amount as a subtraction from income on line 45.

NOTE: *If the amount on Form 141AZ Schedule K-1(NR), line 5, is a positive number, include that amount as an addition to income on line 30.*

G. Net Operating Loss Adjustment

NOTE: *This subtraction applies to only those individuals who made an election under the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4, or 5 years, instead of the normal 2 years. This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.*

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct an Arizona source net operating loss as if the loss was computed under IRC § 172 in effect prior to the enactment of those special rules. If you made an election to deduct your 2008 or 2009 federal net operating loss under IRC § 172(b)(1)(H), you may have to enter an amount here. Figure how much of the net operating loss carry forward would have been allowed as a deduction on your 2017 federal income tax return, if the election described in IRC § 172(b)(1)(H) had not been made in the year of the loss. Then figure how much of the carry forward computed under that method was derived from Arizona source losses. The amount you may take as a subtraction is the difference between the amount of Arizona source net operating loss carryover allowable as a deduction for federal purposes under the as if

calculation and the amount of the Arizona source net operating loss deduction actually taken for federal purposes that you included in your Arizona gross income. On line 45, include the amount of allowable Arizona source loss carry forward deduction that exceeds the actual amount of Arizona source net operating loss carry forward deduction that was deducted in arriving at Arizona gross income.

NOTE: *As an Arizona nonresident, you may have had a loss from prior year Arizona business operations. However, the loss cannot offset this year's income unless the as if calculation results in an Arizona source net operating loss deduction for federal purposes. You can only take this subtraction if the as if federal net operating loss deduction for 2017 includes Arizona source losses that have not been absorbed by non-Arizona income in any intervening years. You cannot subtract any amount of that net operating loss that has been absorbed by non-Arizona income in any intervening years. You also cannot take a subtraction for any amount that has already been deducted for Arizona purposes.*

H. Previously Deferred Discharge of Indebtedness (DOI) Income Adjustment

Generally, when a loan is settled for less than the amount owed, DOI income is realized by the debtor and usually must be included in the debtor's gross income. The amount of DOI income is generally equal to the amount of loan forgiveness. DOI income also occurs when a debtor repurchases his or her own debt at a discount (a price lower than the adjusted basis issue price of the debt instrument). In debt repurchase transactions, the amount of DOI income is generally equal to the difference between the adjusted issue price and the price paid for the debt instrument.

For federal purposes, a taxpayer may have made a special election for taxable years 2009 or 2010 to include DOI income in connection with the reacquisition of a business debt instrument, ratably over a 5-year period. A taxpayer that made this election will generally include this income in federal adjusted gross income beginning with the 2014 taxable year. A taxpayer would have made the federal election under IRC § 108(i) as added by the American Recovery and Reinvestment Act of 2009.

Arizona did not adopt the special federal DOI income deferral provisions for the 2009 or 2010 taxable year. For Arizona purposes, if you made the federal election to defer the inclusion of Arizona source DOI income under IRC § 108(i), you were required to add the amount of that deferred DOI income to Arizona income for the year for which you made the election. If you made the required addition to Arizona income on the Arizona return filed for the year in which you reacquired the debt instrument (2009 or 2010), Arizona will not tax that Arizona source DOI income twice. In the year in which you include that deferred Arizona source DOI income in your federal adjusted gross income, and likewise your Arizona gross income, you may take a subtraction for the amount included for that year. Usually this subtraction will apply to taxable years 2014 through 2018. On line 45, include the amount of previously deferred Arizona source DOI income that you

included in your Arizona gross income for the current taxable year to the extent that the amount was previously added to your Arizona income.

I. Sole Proprietorship Income of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you may subtract the amount of the income from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the income on line 45.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this subtraction does not apply.*

J. Other Adjustments

Another special adjustment may be necessary. Call one of the numbers listed on page 1 of these instructions if you deferred exploration expenses determined under IRC § 617 in a taxable year ending before January 1, 1990, and you have not previously taken a subtraction for those expenses.

Line 53 - Itemized or Standard Deductions

You must decide whether to take the standard deduction or to itemize your deductions. Your Arizona income tax will be less if you take the larger of your standard deduction or your itemized deductions.

Your Standard Deduction

CAUTION: *You must prorate the standard deduction.*

Nonresident individuals, who claim the standard deduction, must prorate the deduction by the income ratio which the taxpayer's Arizona gross income is of the taxpayer's federal adjusted gross income.

This will in effect prorate the standard deduction between income taxable to Arizona and income not taxable to Arizona and allow only that portion of the deduction allocable to income taxable to Arizona. **If you take the standard deduction, check box 53S.**

You may itemize deductions on your Arizona return even if you do not itemize deductions on your federal return.

The itemized deductions allowed for Arizona purposes are those itemized deductions that are allowable under the IRC.

As an Arizona nonresident, you must prorate these deductions by the income ratio which your Arizona gross income is of your federal adjusted gross income.

To determine your Arizona itemized deductions, complete a federal Form 1040 Schedule A. Then complete the Arizona Form 140NR Schedule A(NR). **If you itemize deductions, check box 53I.**

NOTE: *If you itemize, you must include a copy of your federal Schedule A and your Arizona Schedule A(NR) with your Arizona return.*

Figuring Your Refund or Amount Owed

e-file You can get your refund quicker when you e-file and use direct deposit.

Line 85 - Refund

Subtract line 84 from line 69. Enter your refund on line 85 and skip line 86. If less than zero, enter amount owed on line 86.

If you owe money to any Arizona state agency, court, county, incorporated city or town and certain federal agencies, your refund may go to pay some of the debt. If so, the department will let you know by letter.

TAX TIP: *If you change your address before you get your refund, let the department know. Write to: Refund Desk, Arizona Department of Revenue, PO Box 29216, Phoenix, AZ 85038-9216. Include your SSN in your letter.*

Direct Deposit of Refund

Complete the direct deposit line if you want us to directly deposit the amount shown on line 85 into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) instead of sending you a check.

NOTE: *Check the box on line 85A if the direct deposit will ultimately be placed in a foreign account. If you check box 85A, do not enter your routing or account numbers. If this box is checked, we will not direct deposit your refund. We will mail you a check instead.*

Why Use Direct Deposit?

- You will get your refund fast - even faster if you e-file!
- Payment is more secure since there is no check to get lost.
- It is more convenient. No trip to the bank to deposit your check.
- It saves tax dollars. A refund by direct deposit costs less to process than a check.

NOTE: *We are not responsible for a lost refund if you enter the wrong account information. Check with your financial institution to get the correct routing and account numbers and to make sure your direct deposit will be accepted.*

Routing Number

MAKE SURE YOU ENTER THE CORRECT ROUTING NUMBER.

Sample Check

Note: *The routing and account numbers may be in different places on your check.*

The routing number must be nine digits. The first 2 digits must be 01 through 12 or 21 through 32. Otherwise, the direct deposit will be rejected and a check will be sent instead. On the sample check, the routing number is 250250025.

Your check may state that it is payable through a financial institution different from the one at which you have your checking account. If so, **do not** use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter here.

Account Number

MAKE SURE YOU ENTER THE CORRECT ACCOUNT NUMBER.

The account number can be up to 17 characters (both numbers and letters). **DO NOT** include hyphens, spaces or special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check, the account number is 20202086. Be sure **not** to include the check number.

NOTE: *If the direct deposit is rejected, a check will be mailed instead.*

Line 86 - Amount Owed

Add lines 66 and 84. Enter the amount you owe on line 86. If you are making voluntary donations on lines 70 through 80 in excess of your overpayment, enter the difference on line 86. You may pay only with a check, electronic check, money order, or credit card.

Check or money order

NOTE: *Include your check with your return. Please do not send cash.*

Make your check payable to Arizona Department of Revenue. Write your SSN and tax year on the front of your check or money order. The department cannot accept checks or money orders in foreign currency. You must make payment in U.S. dollars.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2017. There is no fee to use this method. To make an electronic payment, go to www.AZTaxes.gov and click on the "Make a Payment" link.

Be sure to enter the correct routing number and account number for your checking or savings account. You will be charged a \$50 NSF (non-sufficient funds) fee if you provide an incorrect routing number or an incorrect account number. Check with your financial institution to get the correct routing and account numbers.

The “E-Check” option in the “Payment Method” drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

NOTE: *You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.*

Credit card payment

You can pay with your Discover, MasterCard, Visa, or American Express credit card. Go to www.AZTaxes.gov and click on the “Make a Payment” link and choose the credit card option. This will take you to a third party vendor site (provider). The provider **will charge** you a convenience fee based on the amount of your tax payment. The provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Installment Payments

If you cannot pay the full amount shown on line 86 when you file, you may ask to make monthly installment payments. To make this request, complete Arizona Form 140-IA and mail the completed form to the address on the Form 140-IA. **Do not mail Form 140-IA with your income tax return.** You may obtain Arizona Form 140-IA from our website.

If you cannot pay the full amount shown on line 86, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 17, 2018.

To limit the interest and penalty charges pay as much of the tax as possible when you file.

Sign Your Return

You must sign your return. If married filing a joint return, both you and your spouse must sign even if only one had income. Form 140NR is not considered a valid return unless you sign it. The department cannot send a refund check without proper signatures on the return.

Where Should I Mail My Return?

If you are **sending a payment** with this return, mail the return to:

Arizona Department of Revenue
PO Box 52016
Phoenix, AZ 85072-2016

If you are **expecting a refund, or owe no tax, or owe tax but are not sending a payment**, mail the return to:

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

Make sure you put enough postage on the envelope

The U.S. Post Office or United States mail service must postmark your return or extension request by midnight April 17, 2018. The term "United States mail" includes any private delivery service designated by the United States Secretary of the Treasury pursuant to IRC § 7502(f) and the term "postmark" includes any date recorded or marked by any such designated delivery service.

An income tax return that is mailed to the department is timely filed if it is delivered on or before its due date. Additionally, if the envelope or wrapper containing the return sent through the United States mail bears a postmark of the United States mail and that tax return is delivered to the department after its due date that return will be considered timely filed if all of the following apply:

1. The return was deposited in an official depository of the United States mail;
2. The date of the postmark is no later than the due date;
3. The return was properly addressed; and
4. The return had proper postage.

If the envelope or wrapper containing a return sent through the United States mail bears a private meter postmark made by other than the United States mail, the return is treated as timely filed if both of the following apply:

1. The private meter postmark bears a date on or before the due date for filing; and
2. The return is received no later than the time it would ordinarily have been received from the same point of origin by the same class of U.S. postage. If the return is

received by the department within five business days of the private meter postmark date the department will consider this requirement satisfied.

You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

For more information, see the department's ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.

How Long to Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25%. The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, see federal Publication 552.

Where's My Refund?

You can check on your refund by visiting www.azdor.gov or www.AZTaxes.gov and clicking on "Where's my refund?" or you may call one of the numbers listed on page 1. Before you call, be sure to have a copy of your 2017 tax return on hand. You will need to know your SSN, your filing status and your 5-digit ZIP Code.

Contacting the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person.

You may use Arizona Form 285, to authorize the department to release confidential information to your appointee. See Form 285 for details.

Instructions for completing the worksheet for the subtraction from Arizona gross income for net long-term capital gain from assets acquired after December 31, 2011.

Purpose of the Worksheet

You may subtract a percentage of any net long-term capital gain included in your federal adjusted gross income that is from an investment in an asset acquired after December 31, 2011.

As a nonresident, you may take the allowable subtraction for only those qualified net long-term capital gains that are from Arizona sources.

To take the allowable subtraction, you must know whether the capital gain or (loss) is considered short-term or long-term. Only the net long-term capital gain from assets acquired after December 31, 2011, is used in the computation for the subtraction. For more information about determining whether a gain or (loss) is short term or long term, see federal Publication 544 at www.irs.gov.

If you cannot verify that the capital gain is from the sale of an asset acquired after December 31, 2011, then the capital gain should be included in column (c) of the worksheet as a capital gain from an asset acquired before January 1, 2012.

An asset acquired by gift or inheritance is considered acquired on the date it was acquired by the gift-giver or the deceased individual.

When Should the Worksheet be Complete?

You **must** complete this worksheet to take the allowable subtraction if you have a net capital gain included in your federal adjusted gross income and the gain includes assets purchased after December 31, 2011.

Do **not** complete this worksheet if either of the following applies:

- You do not have any capital gains to report for the current tax year.
- You do not have any net capital gain from asset(s) acquired after December 31, 2011, to report for the current tax year.

General Instructions

- Check the box if this worksheet is for an original or an amended return.
- Keep this worksheet for your records.

Line-by-Line instructions

Lines 1 through 8, lists the federal forms reported on federal Schedule D. Line 9 identifies the total capital gain distributions reported on Form(s) 1099-DIV.

- Column (a)** is the **total** amount of long-term capital gains or (losses) reported on federal Schedule D or other forms/schedules.
- Column (b)** is the amount of long-term capital gains or (losses) included in column (a) from Arizona sources.

- Column (c)** is the amount of the long-term capital gains or (losses), included in column (b) for assets acquired *before* January 1, 2012.
- Column (d)** is the amount of the long-term capital gains or (losses), included in column (b) for assets acquired *after* December 31, 2011.

Lines 1 through 8 - Capital Gains or (Losses) Reported on federal Schedule D.

Enter the long-term capital gain or (loss) from the federal form listed that was reported on your federal Schedule D and included in the computation of your federal adjusted gross income.

Line 9 - Long-Term Capital Gains or (Losses)

Capital gains listed on a 1099-DIV are gains passed on from a fund, such as a mutual fund, from the sale of assets within the fund. Generally, such funds do not provide the information needed to determine when the asset that was sold was acquired. In this situation, the capital gains will be considered as acquired before January 1, 2012, and would not qualify for this subtraction.

Enter the long-term capital gain or (loss) reported on Form(s) 1099-DIV and included in your computation of federal adjusted gross income.

NOTE: Some taxpayers are not required to file federal Schedule D to report certain capital gains or (losses). In these cases, the long-term capital gains or (losses) are reported directly on the taxpayer's income tax return. Enter those items on line 9 of the worksheet.

Line 10 - Subtotal

For each column, combine the amounts listed on lines 1 through 9 and enter the total.

Line 11 - Long-Term Capital (Loss) Carryover

- Column (a), enter the total amount of long-term capital loss carryover *actually used* on the federal return for the current table year.
- Column (b), enter the portion from column (a) that is *from Arizona sources*.
- Column (c), enter the portion from column (b) that is from assets acquired before January 1, 2012.
- Column (d), enter the portion from column (b) that is from assets acquired after December 31, 2011.

Line 12 -

Subtract line 11 from line 10 and enter the difference in applicable column.

Line 13 -

To determine the amount to enter on line 13, column (d), answer the following questions.

Did you take a subtraction for any net capital gain included in federal adjusted gross income for the taxable year derived from investment in a qualified small business on Arizona Form 140NR, line 37?

- If "No", enter zero, "0", on line 13, column (d).

- If “Yes”, does that amount include any net long-term capital gain from an investment made *after* December 31, 2011?
 - If “No”, enter zero, “0”, on line 13, column (d).
- If “Yes”, enter on line 13, column (d) the amount of any net long-term capital gain from an investment made *after* December 31, 2011, and included in the amount subtracted on Arizona Form 140NR, line 37

- **Line 14 - Current Year Net Long-Term Capital Gain or (Loss)**

Subtract line 13 from line 12 and enter the difference in each applicable column.

- If the amount on line 14, column (d) is a net capital (loss), you do not qualify to take the subtraction.
- If the amount on line 14, column (d) is a net capital gain, enter the result on Form 140NR, line 35.

Also enter the amount from line 14, column (b) on Form 140NR, line 34.
