CAUTION

The federal amounts that you use on your Arizona return may not be the same as the federal amounts from your federal tax return.

Each year the Arizona State Legislature considers if they will adopt changes made to the federal tax law during the prior year. **These forms assume the Legislature will adopt all federal law changes made after January 1, 2022. If you use the**

amounts from your 2022 federal tax return to complete your Arizona return and the Legislature does not adopt the 2022 federal changes, you may have to amend your return at a later date for any difference between Arizona and federal law. For more details, visit www.azdor.gov and click on the link for 2022 conformity.

General Instructions

Arizona Form 300 may only be used by corporate taxpayers or exempt organizations with unrelated business taxable income (UBTI) to claim tax credits. Individual taxpayers must use Arizona Form 301 to claim tax credits.

Corporate taxpayers and exempt organizations with UBTI complete this form:

- to summarize their total available nonrefundable tax credits,
- to determine the application of the available nonrefundable tax credits, and
- to calculate their tax liability related to the recapture of tax credits.

The credits are available to an exempt organization that is subject to corporate income tax on UBTI. The credit must result from the activities that generate UBTI.

NOTE: You must include Form 300 and the corresponding credit form(s) for which you computed your credit(s) with your income tax return. Use Arizona Form 300 to:

- Summarize your total available nonrefundable tax credits.
- Determine the application of the available tax credits.
- Summarize your tax liability related to recapture of tax credits.
- Claim any available credit carryover.

Form 300 is not required to be included with your return to claim the following refundable credits. You must, however, include the completed refundable credit form with your tax return.

- The refundable portion of the Credit for Increased Research Activities (Form 308), or
- The Credit for Qualified Facilities (Form 349).

Specific Instructions

Enter the taxpayer name and employer identification number (EIN) as shown on Arizona Form 99T, 120, 120A, 120S, or 120X. Indicate the period covered by the taxable year.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for a corporation, an exempt organization with UBTI, or an S corporation is its EIN. Taxpayers that fail to include their TIN may be subject to a penalty.

General Instructions

This credit provided nonrefundable individual and corporate income tax credits for net increases in employment of full-time employees by a taxpayer in a military reuse zone. The employees must have been engaged primarily in providing aviation or aerospace services, or in manufacturing, assembling, or fabricating aviation or aerospace products.

NOTE: *Taxable year 2017 was the last year a taxpayer could establish this credit. The unused portion of valid Military Reuse Zone credits may be carried forward for the remainder of the five-year carry forward period.*

Specific Instructions

Complete the name and taxpayer identification number section at the top of the form. Indicate the period covered by the taxable year. Include the completed form and all supporting documentation with the tax return.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for a C corporation, or an S corporation is the taxpayer's employer identification number. The TIN for an individual is the taxpayer's Social Security Number or an Internal Revenue Service individual taxpayer identification number. Taxpayers that fail to include their TIN may be subject to a penalty.

NOTE – To claim this credit carry forward:

- **Individual taxpayers that did not make the Small Business Income election** - Complete this credit form and Arizona Form 301. Include both completed forms with your Individual Income Tax Return (Form 140, 140PY, 140NR, or 140X).
- **Individual taxpayers that made the Small Business income election** – Complete this credit form and Arizona Form 301-SBI, Nonrefundable Individual Tax Credits and Recapture for Form 140-SBI, 140PY-SBI, 140NR-SBI, or 140X-SBI. Include both completed forms with your SBI Tax Return (140-SBI, 140PY-SBI, 140NR-SBI, or 140X-SBI).
- **C corporations, S corporations that elected to claim this credit at the corporate level, and exempt organizations with UBTI** - Complete this credit form and Arizona Form 300. Include both completed forms with your return.

Available Credit Carryover

Complete the table on this form if you have a carryforward of this credit from the past five years. (You will have a credit carryforward only if your allowable Military Reuse Zone Credit was greater than your tax liability for those same five years.) If you do not have a carryforward of this credit, do not complete this form.

Provided it maintained its businesses in the military reuse zone, a taxpayer may carry forward the amount of the unused military reuse zone credit for a period not to exceed five taxable years. If the taxpayer moved its business outside of the military reuse zone or the military reuse zone is terminated, the carryover of the tax credit is lost. If a portion of the taxpayer's business is moved outside of the military reuse zone, the portion of the carryforward attributable to that portion of the business is lost.

General Instructions

NOTE: Form 308 is used by taxpayers that are C corporations, S Corporations, exempt organizations with unrelated business taxable income (UBTI), or partnerships. Individual taxpayers must use Form 308-I.

Arizona Revised Statutes § 43-1168 provides a corporate income tax credit for increased research activities in a taxable year.

- This credit is available to corporate taxpayers, corporate partners, exempt organizations subject to corporate income tax on unrelated business taxable income (UBTI), or S Corporation shareholders.
 - An exempt organization may utilize this credit only if it results from activities that generate UBTI.
 - An S Corporation may claim this credit against income Arizona is taxing at the corporate level, or it may make an irrevocable election to pass this credit through to its shareholders.
 - A partnership must pass this credit through to its partners.
 - If two or more taxpayers, including shareholders of an S Corporation or partners in a partnership, share in the eligible expenses, each taxpayer is eligible to claim a proportionate share of the credit.
- This credit is allowed in an amount computed pursuant to Internal Revenue Code (IRC) § 41 with the following exceptions:
 - Qualified research includes only research conducted in Arizona. The term "qualified research," for purposes of the Arizona tax credit, means qualified research, as defined in IRC § 41, that is conducted in Arizona and basic research, as defined in IRC § 41, which is conducted in Arizona.
 - The amount of the credit is based on the federal regular credit computation method for Arizona qualified research expenses and Arizona basic research payments. Taxpayers cannot use the federal alternative credit computation method.

- The allowable current taxable year credit is a percentage of:
 - The excess, if any, of the Arizona qualified research expenses for the taxable year, over the base amount; and
 - The Arizona basic research payments.
- The termination provisions of IRC § 41 do not apply.
- If the allowable expenses do not exceed \$2,500,000, the allowable credit is 24% of this amount. If the allowable expenses exceed \$2,500,000, the allowable credit amount is \$600,000 plus 15% of the amount of expenses over \$2,500,000, subject to certain limitations.
- A portion of the current year's excess credit may be refundable if you qualify.

Corporate Taxpayers: *If two or more members of a unitary group or an Arizona affiliated group incur qualifying expenses, the individual members of the group are not considered separate taxpayers. When a combined return or a consolidated return is filed, the unitary group or the Arizona affiliated group is considered a single taxpayer.*

REFUNDABLE PORTION OF THE CURRENT YEAR'S EXCESS CREDIT

If you qualify, and if the current taxable year's credit for increased research activities exceeds your income tax liability, a portion of the excess credit may be refundable to you. To qualify to receive this refund:

- You must have less than 150 full-time employees.
- You must apply to the Arizona Commerce Authority (ACA) and receive a Certificate of Qualification (Certificate) to be eligible to receive a refund.
- The refund amount is the lesser of:
 - Seventy-five percent of the excess credit, or
 - The maximum refund amount indicated on the Certificate; any additional amount is waived.

The excess credit is the current year's credit less the current year's tax liability. The 75% refund is only available for the current year's excess credit for increased research activities.

The election to make this credit refundable must be made when you originally file your tax return to claim the current year's credit.

If two or more taxpayers, including shareholders of an S Corporation or partners in a partnership, share in the eligible expenses, each taxpayer is eligible to claim a proportionate share of the refund. An S Corporation must apply for the Certificate on behalf of its shareholders. A partnership must apply for the Certificate on behalf of its partners.

NOTE: *The refund of this credit is calculated after your tax liability. You must calculate all of your other credits before you can determine the current year's excess credit for Increased Research Activities.*

CARRYOVER OF UNUSED CREDIT

For taxable years beginning before January 1, 2022 the Credit for Increased Research Activities, claimed on Form 308 that is not used to offset taxes may be carried forward to the next fifteen consecutive taxable years.

For taxable years beginning from and after December 31, 2021 the Credit for Increased Research Activities, claimed on Form 308 that is not used to offset taxes may be carried forward to the next ten consecutive taxable years.

If you received a refund of 75% of the excess credit, you do not have any excess amount to carryforward for this year. Any carryover amounts from previous taxable years must be carried over to the next taxable year, subject to the fifteen-year carryover period and annual limitations on the use of those carryovers.

NOTE – To claim this credit:

- **C corporations, S Corporations claiming this credit at the corporate level, and exempt organizations with UBTI, complete this credit form and Arizona Form 300, Nonrefundable Corporate Tax Credits and Recapture. Include both completed forms with your tax return.**

Specific Instructions

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). Lines 5 through 7

Follow the instructions on lines 5 through 7 to determine if you qualify for this credit and to help you complete the remainder of this form.

Part 2 - Current Taxable Year's Credit Calculation

Corporate taxpayers (excluding S Corporations, personal holding companies, and service organizations): Begin computing your current year's credit on line 8 – Basic research payments paid or incurred.

All other taxpayers: Begin computing your current year's credit on line 11 – Wages for qualified services.

Line 8

Enter the amount you paid to a qualified university, scientific research organization, or grant organization for basic research conducted in Arizona.

NOTE: You must have a written contract with the organization to include these payments in the calculation.

Line 9

Enter your base period amount based on your Arizona research activity. Refer to IRC § 41(e) for a definition of base period amount.

NOTE: The amount reported on line 10, up to the amount reported on line 8, is not eligible for the basic research credit. However, it can be treated as contract research expenses on line 14.

Line 10

If line 8 is greater than line 9, subtract line 9 from line 8. Enter the difference. If line 9 is greater than line 8, enter "0".

Line 11

Enter total wages paid or incurred for qualified services performed in Arizona. Do not include the amount of wages paid to employees that were used in the calculation of the federal work opportunity credit.

NOTE: Wages include any wages paid or incurred to an employee for qualified services performed in Arizona.

Qualified services are: (1) engaging in qualified research; or (2) engaging in the direct supervision, or the direct support of research activities conducted in Arizona that are defined as qualified research.

Qualified research is an investigation undertaken to discover information that is technological in nature. Its application must be intended for use in developing a new or improved business component.

Line 12

Enter the cost of supplies paid or incurred for use in conducting qualified research in Arizona. Supplies include expenditures for any tangible property, other than land or improvements to land, and property of a character subject to the allowance for depreciation.

Line 13

Enter the amount paid or incurred to rent or lease the right to use computers in conducting qualified research in Arizona.

Line 14

Enter the total of:

- (a) Seventy-five percent of any amount paid or incurred for qualified research performed in Arizona by a qualified research consortium on the taxpayer's behalf. "Qualified research consortium" is any qualifying organization as defined in IRC § 41(b)(3)(C)(ii). Also, include 75% of that portion of line 8, basic research payments, paid to a qualified research consortium that does not exceed the line 9 base amount.
- (b) Sixty-five percent of any amount paid or incurred for qualified research performed in Arizona on the taxpayer's behalf, other than such amounts paid to a qualified research consortium. Prepaid contract research expenses are considered paid in the year the research is actually done. Also include 65% of that portion of line 9, basic research payments, that does not exceed the line 10 base amount, other than amounts paid to a qualified research consortium.

NOTE: If you made basic research payments to an Arizona university under the jurisdiction of the Arizona Board of Regents, you may be entitled to an additional credit. See Arizona Form 346 for details.

Line 15

Add the amounts on lines 11 through 14. Enter the total.

Line 16

Enter the average annual Arizona gross receipts for the four taxable years preceding the taxable year for which the credit is being determined (the credit year). You may be required to annualize gross receipts for any short taxable year.

If 2022 is the first year you are in business, your average annual Arizona gross receipts for the preceding taxable years is zero. If you have been in business in Arizona for less than four taxable years prior to the credit year, the average is the sum of annual Arizona gross receipts of the applicable period, divided by the number of taxable years.

Example: XYZ Corporation began business in Arizona in 2020. Its annual Arizona gross receipts for 2020 were \$100,000. Its annual Arizona gross receipts for 2021 were \$200,000. Therefore, XYZ Corporation's average annual Arizona gross receipts for the 2022 credit year is \$150,000 ($[\$100,000 \text{ plus } \$200,000] \text{ divided by } 2$).

Line 17**Fixed-base percentage**

Use the same type of formulas to compute your fixed-base percentage for Arizona as you would for computing your federal fixed-base percentage. The difference is that you use Arizona qualified research expense and gross receipts amounts instead of federal amounts. Other than that, the calculations are the same. Round off the percentage to the nearest one, one hundredth of one percent (four decimal places).

If the percentage computation involves *de minimis* amounts of gross receipts and qualified expenses in a taxable year, or short taxable years are involved, the amounts may be annualized or disregarded. Refer to IRC §§ 41(c)(3) and 41(f)(4) for details.

Existing firms and start-up companies

Arizona's definition of whether an organization is an existing firm or a start-up company is the same as the federal definition, except on an Arizona basis:

- **Existing firms** - An existing firm is one that had both Arizona gross receipts and Arizona qualified research expenses for at least three taxable years beginning after December 31, 1983, and before January 1, 1989. The fixed-base percentage is the ratio that the aggregate Arizona qualified research expenses for all taxable years beginning after 1983 and before 1989, bears to the aggregate Arizona gross receipts for such taxable years.
- **Start-up companies** - A start-up company is one that had both Arizona gross receipts and Arizona qualified research expenses either: 1) for the first time in a taxable year beginning after December 31, 1983, or, 2) for fewer than three taxable years beginning after 1983 and before 1989.

If the percentage computation involves *de minimis* amounts of gross receipts and qualified expenses in a taxable year, or short taxable years are involved, the amounts may be annualized or disregarded. Refer to IRC §§ 41(c)(3) and 41(f)(4) for details.

NOTE: The maximum percentage that can be entered on line 17 is 16% (.1600).

Lines 18 and 19

Read and follow the directions on the form.

Line 20

Multiply line 15 by 50%. Enter the result. The base amount cannot be less than 50% of the current year qualified research expenses. This rule applies to both existing and start-up companies.

General Instructions

NOTE: Form 308-I is used only by individual taxpayers. C corporations, S Corporations, exempt organizations with unrelated business taxable income, and partnerships must use the 2022 Form 308.

Arizona Revised Statutes § 43-1074.01 provides an individual income tax credit for increased research activities in a taxable year.

- The Arizona tax credit for individuals is allowed in an amount computed pursuant to Internal Revenue Code (IRC) § 41 with the following exceptions:
 - Qualified research includes only research conducted in Arizona. The term "qualified research", for purposes of the Arizona tax credit, means qualified research, as defined in IRC § 41, that is conducted in Arizona.
 - The amount of the credit is based on the federal regular credit computation method for Arizona qualified research expenses. Taxpayers cannot use the federal alternative credit computation method. The allowable current taxable year credit is a percentage of the excess, if any, of the Arizona qualified research expenses for the taxable year over the base amount.
- The termination provisions of IRC § 41 do not apply.
- For 2022, if the allowable expenses do not exceed \$2,500,000, the allowable credit is 24% of this amount. If the allowable expenses exceed \$2,500,000, the allowable credit amount is \$600,000 plus 15% of the amount of expenses over \$2,500,000.
- If two or more taxpayers, including shareholders of an S Corporation or partners in a partnership, share in the eligible expenses, each taxpayer is eligible to receive a proportionate share of the credit.
- A portion of the current year's excess credit may be refundable if you qualify.

REFUNDABLE PORTION OF THE CURRENT YEAR'S EXCESS CREDIT

If you qualify, *and* if the current taxable year's credit for increased research activities exceeds your income tax liability, a portion of the excess credit may be refundable to you. To qualify to receive this refund:

- You must have less than 150 full-time employees.
- You must apply to the Arizona Commerce Authority (ACA) and receive a Certificate of Qualification (Certificate) to be eligible to receive a refund.
- The refund amount is the lesser of:
 - Seventy-five percent of the excess credit, or
 - The maximum refund amount indicated on the Certificate; any additional amount is waived.

The excess credit is the current year's credit less the current year's tax liability. The 75% refund is only available for the current year's excess credit for increased research activities.

The election to make this credit refundable must be made when you originally file your tax return to claim the current year's credit.

If two or more taxpayers, including shareholders of an S Corporation or partners in a partnership, share in the eligible expenses, each taxpayer is eligible to claim a proportionate share of the refund. An S Corporation must apply for the Certificate on behalf of its shareholders. A partnership must apply for the Certificate on behalf of its partners.

NOTE: The refund of this credit is calculated after your tax liability. You must calculate all of your other credits before you can determine the current year's excess credit.

CARRYOVER OF UNUSED CREDIT

For taxable years beginning before January 1, 2022 the Credit for Increased Research Activities – Individuals, claimed on Form 308-I that is not used to offset taxes may be carried forward to the next fifteen consecutive taxable years.

For taxable years beginning from and after December 31, 2021 the Credit for Increased Research Activities – Individuals, claimed on Form 308-I that is not used to offset taxes may be carried forward to the next ten consecutive taxable years.

If you receive a refund of 75% of the excess credit, you do not have any excess amount to carry forward for this year. Any carryover amounts from previous taxable years must be carried over to the next taxable year, subject to the 15-year carryover period and annual limitations on the use of those carryovers.

If you have other nonrefundable tax credits that you are using to reduce your tax liability, you may not be able to use all of your credit for increased research activities to reduce your tax this year. You will be applying these limitations when you complete Arizona Form 301, *Nonrefundable Individual Tax Credits and Recapture*.

DO YOU HAVE TO MAKE OTHER ADJUSTMENTS TO ARIZONA GROSS INCOME OR TO THE ARIZONA TAX CREDIT FOR INCREASED RESEARCH ACTIVITIES?

- If you claim an Arizona credit for increased research activities for the taxable year, Arizona statutes do not

require you to make an addition to Arizona gross income for the amount of qualified research expenses equal to the amount of the allowable Arizona credit.

- If you claim a reduced federal credit for increased research expenses and claim the Arizona credit for increased research activities, Arizona statutes do not require you to reduce the Arizona credit for increased research activities in a manner similar to the federal reduction method.
- If you reduce the amount of the deduction for qualified research activities in the computation of federal adjusted gross income, Arizona statutes do not allow you to take a subtraction from Arizona gross income for the amount of the expense reduction.
- If you adjust the federal asset basis of capitalized research expenses and reduce the amount of amortization deductible in the computation of federal adjusted gross income, Arizona statutes do not allow you to take a subtraction from Arizona gross income for additional amortization.

NOTE – To claim this credit:

- *Individual taxpayers that did not make the Small Business Income election, complete this credit form and Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture. Include both completed forms with your Individual Income Tax Return (Form 140, 140PY, 140NR, or 140X).*

Include both completed forms with your SBI Tax Return (Form 140-SBI, 140PY-SBI, 140NR-SBI, or 140X-SBI).*

Specific Instructions

Complete the name and Social Security Number (SSN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form with the tax return.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). Part 2 - Current Taxable Year's Credit Calculation (Sole Proprietorships Only)

NOTE: Complete this part only if you operate a business as a sole proprietorship and your sole proprietorship incurred qualified research expenses during the taxable year. If you received your credit as the result of a pass through, go to Part 3.

Line 8

Enter total wages paid or incurred for qualified services performed in Arizona. Do not include the amount of wages paid to employees that were used in the calculation of the federal work opportunity credit.

NOTE: Wages include any wages paid or incurred to an employee for qualified services performed in Arizona.

Qualified services are: (1) engaging in qualified research; or (2) engaging in the direct supervision, or the direct support of research activities conducted in Arizona that are defined as qualified research.

Qualified research is an investigation undertaken to discover information that is technological in nature. Its application must be intended for use in developing a new or improved business component.

Line 9

Enter the cost of supplies paid or incurred for use in conducting qualified research in Arizona. Supplies include expenditures for any tangible property other than land or improvements to land and property of a character subject to the allowance for depreciation.

Line 10

Enter the amount paid or incurred to rent or lease the right to use computers in conducting qualified research in Arizona.

Line 11

Enter the total of:

- (a) Seventy-five percent of any amount paid or incurred for qualified research performed in Arizona by a qualified research consortium on your sole proprietorship's behalf. "Qualified research consortium" is any qualifying organization as defined in IRC § 41(b)(3)(C)(ii).
- (b) Sixty-five percent of any amount paid or incurred for qualified research performed in Arizona on your sole proprietorship's behalf, other than such amounts paid to a qualified research consortium. Prepaid contract research expenses are considered paid in the year the research is actually done.

NOTE: *If your contract research expenses were made to an Arizona university under the jurisdiction of the Arizona Board of Regents and qualify as basic research payments, you may be entitled to an additional credit. See Form 346 for details.*

Line 12

Add lines 8 through 11. Enter the total.

Line 13

Enter the average annual Arizona gross receipts for the four taxable years preceding the taxable year for which the credit is being determined (the credit year). You may be required to annualize gross receipts for any short taxable year.

If 2022 is the first year you are in business, the average annual Arizona gross receipts for the preceding taxable years is zero. If you have been in business in Arizona for less than four taxable years prior to the credit year, then the average is the sum of annual Arizona gross receipts of the applicable period, divided by the number of taxable years.

Example: XYZ Corporation began business in Arizona in 2020. Its annual Arizona gross receipts for 2020 were \$100,000. Its annual Arizona gross receipts for 2021 were \$200,000. Therefore, XYZ Corporation's average annual Arizona gross receipts for the 2022 credit year is \$150,000 ([\$100,000 plus \$200,000] divided by 2).

Line 14

Fixed-base percentage

Use the same type of formulas to compute your fixed-base percentage for Arizona as you would for computing your federal fixed-base percentage. The difference is that you use Arizona qualified research expense and gross receipts amounts instead of federal amounts. Other than that, the calculations are the same. Round off the percentage to the nearest one, one hundredth of one percent (four decimal places).

If the percentage computation involves *de minimis* amounts of gross receipts and qualified expenses in a taxable year or short taxable years are involved, the amounts may be annualized or disregarded. Refer to IRC §§ 41(c)(3) and 41(f)(4) for details.

Existing firms and start-up companies

Arizona's definition of whether an organization is an existing firm or a start-up company is similar to the federal definition, except on an Arizona basis:

- **Existing firms** - An existing firm is one that had both Arizona gross receipts and Arizona qualified research expenses for at least three taxable years beginning after December 31, 1983, and before January 1, 1989. The fixed-base percentage is the ratio that the aggregate Arizona qualified research expenses for all taxable years beginning after 1983 and before 1989, bears to the aggregate Arizona gross receipts for such taxable years.
- **Start-up companies** - A start-up company is one that had both Arizona gross receipts and Arizona qualified research expenses either: (1) for the first time in a taxable year beginning after December 31, 1983, or, (2) for fewer than three taxable years beginning after 1983 and before 1989.

Fixed-Base Percentages for Taxable Years Beginning After 1993 in Which Start-Up Companies Incurred Arizona Qualified Research Expenses

Taxable Year After 1993	Percentages for Taxable Years After 1993
1st through 5th	3%
6th	Divide the aggregate Arizona qualified research expenses for 4th and 5th taxable years by the aggregate Arizona gross receipts for 4th and 5th taxable years. Multiply the result by 1/6 (.1667).
7th	Divide the aggregate Arizona qualified research expenses for 5th and 6th taxable years by the aggregate Arizona gross receipts for 5th and 6th taxable years. Multiply the result by 1/3 (.3333).
8th	Divide the aggregate Arizona qualified research expenses for 5th through 7th taxable years by the aggregate Arizona gross receipts for 5th through 7th taxable years. Multiply the result by 1/2 (.50).
9th	Divide the aggregate Arizona qualified research expenses for 5th through 8th taxable years by the aggregate Arizona gross receipts for 5th through 8th taxable years. Multiply the result by 2/3 (.6667).
10th	Divide the aggregate Arizona qualified research expenses for 5th through 9th taxable years by the aggregate Arizona gross receipts for 5th through 9th taxable years. Multiply the result by 5/6 (.8333).
All years after 10th	Divide the aggregate Arizona qualified research expenses for any 5 taxable years selected by the taxpayer from among the 5th through 10th taxable years by the aggregate Arizona gross receipts for the selected taxable years.

If the percentage computation involves *de minimis* amounts of gross receipts and qualified expenses in a taxable year or

short taxable years are involved, the amounts may be annualized or disregarded. Refer to IRC §§ 41(c)(3) and 41(f)(4) for details.

Estates and Trusts claiming a credit for taxes paid to another state or country are not required to complete Forms 301 and 309. See the instructions for Arizona Form 141AZ (line 18) for requirements to claim this credit.

If you are not sure what amounts you should enter on Form 309, see the department's procedure, ITP 08-1, *Procedure for Calculating Credit for Taxes Paid to Another State or Country by Arizona Resident Individuals*.

NOTE: *You must notify the department immediately if the other state or country credits or refunds taxes for which you have received an Arizona credit. In this case, you must file an amended return.*

Complete this form only if you meet the following:

1. You are filing a 2022 Arizona income tax return.
 2. You paid a **net** income tax to another qualified state or country for 2022.
- If you are claiming a credit for taxes paid to another state, payroll taxes withheld from income do not constitute a net income tax. Having tax withheld from your pay by Arizona and another state does not by itself qualify you for this credit. You must file a net income tax return to the other state.
 - If you are claiming a credit for taxes paid to another country, a net income tax paid to another country includes those taxes that qualify for a credit under Internal Revenue Code (IRC) §§ 901 and 903.

NOTE: *To claim a credit for taxes paid to a foreign country, you must complete Form 309. You must complete Form 309 even if you did not have to complete federal Form 1116 to claim a credit on your federal return.*

You may not claim this credit for the following:

- income taxes paid to any city or county, and
- interest or penalties paid to another state or country.

NOTE: *If you file an amended return after you claim this credit, be sure to recalculate the credit, if required.*

Application of Credit

Claim this credit only if the income was subject to tax in both Arizona and the other state or country in the same tax year.

You cannot apply this credit against interest or penalties payable to Arizona.

NOTE: *You may use this credit only in the year incurred. You cannot carry the credit forward to the next year. You also cannot carry the credit back to a prior year.*

Are You Claiming Other Arizona Tax Credits?

A.R.S. § 43-1071 provides that residents shall be allowed a credit against the taxes imposed by Title 43, Chapter 10, for net income taxes imposed by and paid to another state or country on income taxable under this chapter.

“Taxes payable under this chapter” means the income tax imposed by this state on the taxpayer’s taxable income as defined under section 43-1001 minus any tax credit amount claimed for the taxable year under this article but not including the credit amount under this section.”

Therefore, Arizona will only allow a taxpayer to claim the credit for taxes paid to another state or country *after* applying all other available credits.

To determine if you have any remaining tax liability in which to apply the credit for taxes paid to another state or country, use the following rules when applying other tax credits.

- First, apply any credits that cannot be carried over or refunded.
- Second, apply any credits that can be carried over for a limited duration.
- Third, apply refundable credits

If there remains an income tax liability after applying those credits, then you may apply the credit for taxes paid to another state or country.

Arizona Resident

Arizona residents are allowed a credit against Arizona income taxes for net income taxes imposed by and paid to another state or country if the following apply:

- The income taxed in Arizona is derived from sources within another state or country. This income is subject to a net income tax in the other state or country regardless of your residence.
- The other state or country does not allow Arizona residents a credit for taxes imposed on income subject to tax in both Arizona and the other state or country.

As an Arizona resident, nonresident returns filed with the following states qualify for the credit:

Alabama, Arkansas, Colorado, Connecticut, Delaware, District of Columbia (see note below), Georgia, Hawaii, Idaho, Illinois, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Pennsylvania, Rhode Island, South Carolina, Utah, Vermont, West Virginia and Wisconsin.

NOTE: *Only income tax paid under the District of Columbia's Unincorporated Business Franchise Tax qualifies for the credit. The tax must be paid by an individual and not the business entity for the credit to qualify.*

Important: *As an Arizona resident, nonresident returns filed with the following states DO NOT QUALIFY for the credit on the Arizona return:*

Alaska, California, Florida, Indiana, Nevada, New Hampshire, Oregon, South Dakota, Tennessee, Texas, Virginia, Washington and Wyoming.

You may be able to claim a credit for taxes paid to Arizona on the nonresident return filed with any of those states listed above.

For tax year 2022, as an Arizona resident, nonresident returns filed with the following states qualify for the credit for the pass-through taxes paid on behalf of the Arizona resident.

Alabama, Arkansas, Colorado, Connecticut, District of Columbia, Georgia, Idaho, Illinois, Kansas, Louisiana, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri (beginning in 2023), New Jersey, New Mexico, New York, North Carolina, Ohio, Oklahoma, Rhode Island, South Carolina, Utah, and Wisconsin.

Important: *As an Arizona resident, nonresidents returns filed with the following states DO NOT QUALIFY for the PTE tax credit on the Arizona return:*

California, Oregon and Virginia.

You may be able to claim a credit for taxes paid to Arizona on the nonresident return filed with any of those states listed above.

Nonresident

A credit against Arizona income taxes is allowed for Arizona nonresidents who are not allowed a credit by their state or country of residence for taxes paid to Arizona if either:

- The other state or country does not tax Arizona residents on income derived from sources within the other state or country.
- The other state or country allows Arizona residents credit for taxes paid on income subject to tax by the other state or country and Arizona.

Arizona nonresidents who file resident returns with the following states qualify for the credit.

- California, Indiana, Oregon, and Virginia

NOTE: *This list is subject to change at any time.*

Arizona nonresidents who file resident returns with the following states qualify for the PTE credit.

- California, Oregon, and Virginia

NOTE: *This list is subject to change at any time.*

Part-Year Residents

For that part of the year you were a resident of Arizona, follow the instructions for residents.

For that part of the year you were an Arizona nonresident, follow the instructions for nonresidents.

Dual Resident

You may be eligible to claim the credit if you are a full-year Arizona resident filing Arizona Form 140 and you are also considered to be a resident of another state under the laws of that other state. Figure your credit for taxes paid to Arizona and that other state on the same income that is taxable by both Arizona and the other state, but only on income that would be sourced to the other state if you had to report that income as a nonresident.

You may claim the credit as a dual resident if you meet the following:

1. You are filing a 2022 full-year Arizona resident income tax return.
2. You are considered to be a resident of another state under the laws of that other state.
3. You paid a **net** income tax to that other state.

An Arizona resident who is also considered to be a resident of another state under the laws of that state is allowed a credit against Arizona income taxes for net income taxes imposed by and paid to that other state if the following apply:

- The other state taxes the income of the Arizona resident and does not allow the Arizona resident a credit for taxes imposed on income subject to tax in both Arizona and the other state.
- The credit is allowed only for taxes imposed on income that would have been sourced to the other state if the Arizona resident had filed as a nonresident to the other state.

NOTE: *If you are an Arizona full-year resident and also considered to be a resident of another state under the laws of that other state, complete the Schedule of Income Allocation, on page 2 of Form 309 before you complete page 1 of Form 309.*

Required Forms

Upon request by the department, the taxpayer shall provide the following as proof for claiming the credit.

- Copy of other state or country's tax return.
If the other country does not require a taxpayer to file a tax return, provide documentation showing amount of tax imposed and paid.
- Copy of brokerage statement, if applicable.
- Proof of payment.
- Statement showing conversion rate for taxes paid to other country.

Line-by-Line Instructions

Enter your name and Social Security Number (SSN) as shown on Arizona Forms 140, Form 140NR, Form 140PY, or Form 140X.

Make sure that every return, statement, or document that you file with the department has your SSN. Failing to include the proper numbers may subject you or your preparer to a penalty. Make sure that all of the required identification numbers are clear and correct. Your return may take longer to process if identification numbers are missing, incorrect, or unclear.

If your name appears first on the return, make sure your SSN is the first number listed.

Part 1 - Computation of Income Subject to Tax by Both Arizona and the Other State or Country During 2022

A. If you are claiming a credit for income taxes paid to another state, enter in the space provided, the two-letter abbreviation for that state. See the last page of these instructions for a list of state abbreviations.

B. If you are claiming a credit for income taxes paid to another country, enter the name of that country on the line provided. *See note on top of the next column.*

NOTE: *If you are claiming a credit for taxes paid to more than one foreign country for income received from an investment in a regulated investment company (RIC) including, but not limited to, mutual funds, exchange trade funds (ETF), and real estate investment trusts (REITS), enter "Various" in Part 1, on line B.*

In order for income to be taxed by both Arizona and another state or country, the following must exist.

For an Arizona resident:

1. The same income must be taxed by both Arizona and the other state or country.
2. The income must have its source within the other state or country.

For a nonresident:

1. The same income must be taxed by both Arizona and the other state or country.
2. The income must have its source within Arizona.

Lines 1 through 6

NOTE: Do **not** include any income item reported on your small business income tax return.

Provide a breakdown of your income which is subject to tax in both Arizona and the other state or country. Complete lines 1 through 5 separately for each income item listed in columns (a) through (c). If you have more than three items of income from the other state or country for which you are claiming the credit, complete additional schedules.

NOTE: *If you are an Arizona resident who is also considered to be a resident of another state under the laws of that other state, complete the Schedule of Income Allocation, on page 2 of Form 309 before you complete Part 1, lines 1 through 6 of Form 309.*

Line 1

Identify the income item from which the income subject to tax in both Arizona and the other state or country is derived. If you have more than one income item, complete column(s) (b) and (c), as necessary. Examples of such income are business income, partnership income, wages, etc. Enter an item in column (a) only if your Arizona adjusted gross income and the adjusted gross income of the return filed with the other state or country includes the income from that item.

If you are an Arizona resident and also considered to be a resident of another state, enter the income item and amount from column (d) of the *Schedule of Income Allocation*.

If you are claiming a credit for taxes paid to another country, and that country withheld at the source, and you are not required to file a return with that country, enter the item of income from which the foreign taxes were withheld.

Line 2

Enter the amount of income from the item listed on line 1 reportable to both Arizona and the other state or country. This is the amount of income derived from that item which you must include in the income reported to both Arizona and the other state or country.

NOTE: *If you are claiming a credit for taxes paid to more than one foreign country for income received from an investment in a regulated investment company (RIC) including, but not limited to, mutual funds, exchange trade funds (ETF), and real estate investment trusts (REITS), enter the total amount of income received on line 2, column (a).*

Line 3

Enter that portion of income on line 2 included in your Arizona adjusted gross income. This amount is that portion of the amount of income included on line 2 that is also included in your Arizona gross income adjusted by any additions or subtractions related to that income required under Arizona law.

For example, during the tax year, Taxpayer A, a full-year Arizona resident, had Schedule C business income of \$50,000 from State P. This \$50,000 of Schedule C income is reportable to both Arizona and to State P.

For federal purposes, Taxpayer A included the \$50,000 in federal adjusted gross income, but also reduced that Schedule C business income by $\frac{1}{2}$ of the self-employment tax related to that income (\$3,532) and by the amount of self-employed health insurance deduction (\$6,000). Therefore, only \$40,468 [$\$50,000 - (\$3,532 + \$6,000)$] of the \$50,000 Schedule C income is included in Taxpayer A's Arizona gross income. Arizona law requires no further additions or

subtractions related to this Schedule C income included in Taxpayer A's Arizona gross income. Therefore, the amount of Schedule C income included in Taxpayer A's Arizona adjusted gross income would be \$40,468. Taxpayer A would enter \$40,468 on line 3.

Line 4

Enter that portion of income on line 2 which is included in the other state or country's equivalent of Arizona adjusted gross income. If you are a full-year Arizona resident filing a nonresident return to the other state or country, this would be the other state or country's income computed under the equivalent of Arizona Revised Statute (A.R.S.) § 43-1094 (adjusted gross income of a nonresident). In other words, the income computed as if only source income were included, and then adjusted by any additions or subtractions related to that income required under the other state or country's law.

For example, during the tax year, Taxpayer A, a full-year Arizona resident, had Schedule C business income of \$50,000 from State P. This \$50,000 of Schedule C income is reportable to both Arizona and to State P.

For federal purposes, Taxpayer A included the \$50,000 in federal adjusted gross income, but also reduced that Schedule C business income by $\frac{1}{2}$ of the self-employment tax related to that income (\$3,532) and by the amount of self-employed health insurance deduction (\$6,000). Taxpayer A was required to make these same adjustments on the return filed to State P. Therefore, only \$40,468 [$\$50,000 - (\$3,532 + \$6,000)$] of the \$50,000 Schedule C income is included in State P's equivalent of Arizona gross income.

Additionally, State P law allows Taxpayer A to subtract an additional \$2,000 of depreciation related to the Schedule C income. Therefore, the amount of Schedule C income included in State P's equivalent of Arizona adjusted gross income would be \$38,468 ($\$40,468 - \$2,000$). Taxpayer A would enter \$38,468 on line 4.

NOTE: *If you are claiming a credit for taxes paid to another country, and that country withheld at the source, and you are not required to file a return with that country, enter the amount of income subject to tax in that foreign country.*

Line 5

Enter the smaller of the amount entered on line 3 or line 4. This is the amount of income from that item which is subject to tax by both Arizona and the other state or country.

Line 6

Add line 5, columns (a) through (c). This is the total income subject to tax in both Arizona and the other state or country.

If less than zero, enter "0." In this case, there is no income that is subject to tax in both Arizona and the other state or country. You cannot claim a credit for taxes paid to the other state or country.

Enter the amount from Part 1, line 6, on Part 2, line 8, and also on Part 2, line 13.

NOTE: *The amounts on lines 2 through 5 may be the same. However, differences may occur due to the application of the other state's law. See the example on page 5.*

The following example illustrates how to complete lines 1 through 6 of Arizona Form 309. If you are an Arizona resident who is also considered to be a resident of another state under the laws of that other state, see the example following the instructions for the *Schedule of Income Allocation* for an example of how to complete lines 1 through 6 of Form 309.

EXAMPLE:

Facts:

Mr. and Mrs. M are Arizona residents. Mr. M is an active duty military member who is stationed in State X. Mr. M receives wages from the military and from a part-time job in State X. Mr. and Mrs. M receive rental income from property in Arizona. During the taxable year for which the credit is being claimed, Mr. and Mrs. M received the following income.

Mr. M's military wages	\$ 15,000
Mr. M's part-time employment wages	\$ 10,000
Rental income from AZ property	<u>\$ 20,000</u>
Total Income	\$ 45,000

As Reported on State X Return		As Reported on Arizona Return	
Federal adjusted gross income	\$ 45,000	Federal adjusted gross income	\$ 45,000
Less non-state X income (military & rental income)	\$ (35,000)	Less subtractions from income (military income of \$15,000 and other exemption of \$2,300)	\$ (17,300)
Less subtraction for second job income	\$ (1,000)	Arizona adjusted gross income	\$ 27,700
State X adjusted gross income	\$ 9,000		

Mr. and Mrs. M must include Mr. M's part-time employment wages of \$10,000 in both the Arizona gross income and the State X's equivalent of Arizona gross income. Therefore, the amount of wage income reportable to both Arizona and State X is \$10,000. For Arizona purposes, there are no additions or subtractions related to that \$10,000 wage income included in Arizona gross income, so the entire \$10,000 of wage income is included in Arizona adjusted gross income. However, under State X law, \$1,000 of the \$10,000 wage income is subtracted from State X's equivalent of Arizona adjusted gross income, so only \$9,000 of that \$10,000 is included in State X's equivalent of Arizona adjusted gross income. Mr. and Mrs. M complete lines 1 through 6 of Form 309 as follows:

1. Description of income items	(a) wages
2. Amount of income from item listed on line 1, reportable to both Arizona and the other state or country.	\$10,000
3. Portion of income on line 2 included in Arizona adjusted gross income.	\$10,000
4. Portion of income included on line 2 included in the other state or country's equivalent of Arizona adjusted gross income.	\$ 9,000
5. Income subject to tax by both Arizona and the other state or country. Enter the smaller of the amount entered on line 3 or 4.	\$ 9,000
6. Total income subject to tax in both Arizona and the other state or country.	\$ 9,000

Part 2 - Computation of Other State or Country Tax Credit

Line 7

Enter your Arizona tax liability less any credits. However, do not reduce your Arizona tax liability by the other state tax credit.

For 2022, your Arizona tax liability prior to tax credits can be found on the following line number.	
Arizona Form	Line Number
140	46
140PY	56
140NR	56
140X	37

NOTE: If you are taking other tax credits, you must reduce your Arizona tax by the amount of those other tax credits. For the purpose of this computation, be sure to reduce your Arizona tax by both refundable and nonrefundable credits.

If you received distributed income from a partnership and/or S Corporation (the Entity) reported on Schedule K-1 or K-1(NR) and the Entity elected to pay Entity-Level Income Tax on your pro-rata share of the distributed income, enter the total taxes paid from the following:

- tax amount paid on your Arizona income tax form (see box above); and
- your pro-rata share of the tax paid by the Entity on your behalf. This tax amount is limited to the amount actually paid by the Entity or the amount of the other state’s individual income tax had the Entity not elected to pay the tax at the entity level, whichever is less.

Line 8

Enter amount from Part 1, line 6.

Line 9 - Entire Income Upon Which Arizona Tax is Imposed

Enter your entire income upon which Arizona tax is imposed. This is the Arizona adjusted gross income excluding allowable exemptions for age 65 or over, blind, dependents, or qualifying parents and grandparents.

Use the appropriate worksheet below to figure your entire income upon which Arizona tax is imposed.

Part-Year Residents With Arizona Source Income for the Period of the Year in Which You Were an Arizona Nonresident

If you have Arizona source income for the period of the year in which you were an Arizona nonresident, you must separately determine the amount of Arizona adjusted gross income for the period in which you were a resident and the amount of Arizona adjusted gross income for the period in which you were a nonresident. These figures are not separately stated on any particular line on your Arizona Form 140PY.

Lines 10 and 11

Follow the instructions on the form for lines 10 and 11.

Line 12

12a. Enter the name of the other state or country.

12b. Enter the amount of income tax paid to the other state or country. Do not include federal income taxes or any taxes paid to a city or county. Also, do not include any amount paid to the other state or foreign country for penalty or interest. Amounts of tax paid or accrued to a foreign country do not include amounts that are reasonably certain to be refunded, credited, rebated, abated, or forgiven.

If you received distributed income from a partnership and/or S Corporation (the Entity) reported on Schedule K-1 or K-1(NR) and the Entity elected to pay Entity-Level Income Tax on your pro-rata share of the distributed income, enter the total taxes paid by the Entity on your behalf. This tax amount is limited to the amount actually paid by the Entity or the amount of the other state’s individual income tax had the Entity not elected to pay the tax at the entity level, whichever is less.

Line 13

Enter the amount from Part 1, line 6.

Line 14 - Entire Income Upon Which Other State or Country's Income Tax is Imposed

Enter the entire income upon which the other state or country's income tax is imposed. This is the other state or country's equivalent of Arizona adjusted gross income, but does not include exemptions allowable under the equivalent of A.R.S. § 43-1023. Such income must include items of income and loss, but not exemptions and itemized or standard deductions. Such income must also be adjusted by any additions or subtractions required under the other state's law which relate to the income from sources within the other state. This amount may not be shown on a specific line of the return filed with the other state.

If you are claiming a credit for taxes paid to another country, and that country withheld at the source, and you are not required to file a return with that country, enter the amount of income subject to tax in that foreign country.

NOTE FOR ARIZONA RESIDENTS ONLY: *Since the other state can only tax a nonresident on income which is sourced to that state, the entire income upon which the other state's income tax is imposed includes only income sourced to that other state under its income tax laws. Source income is generally income derived from property located within a state or from an activity carried on within a state when the income recipient is a nonresident.*

NOTE: *You may not be able to take the entire income upon which the other state or country's tax is imposed from a specific line on the return filed to the other state or country. If you must determine this amount, include a schedule.*

The example beginning on page 8 illustrates how an Arizona resident figures the entire income subject to tax in the other state or country.

If you have questions concerning what amount to enter on line 14, call one of the phone numbers listed at the beginning of these instructions.

Lines 15 and 16

Follow the instructions on the form for lines 15 and 16.

Line 17

Enter the smaller of line 11 or line 16. If this is the only state or country for which you are claiming a credit, also enter this amount on Arizona Form 301, Part 1, line 3, column (a).

If you are claiming a credit for more than one state or country, make a separate computation for each. Enter the total from all Arizona Forms 309 on Arizona Form 301, Part 1, line 3, column (a).

EXAMPLE

The following example will illustrate how to figure a credit for taxes paid to another state.
NOTE: The Arizona tax amount used in these examples do not reflect the current year tax amount and is used solely for purpose of providing example computations.

Credit Computation:

Mr. and Mrs. F complete Arizona Form 309 as follows:

Arizona Form 309

16. Multiply the amount on line 12 by the decimal on line 15.....	16	486	
17. Other state or country tax credit. Enter the lesser of line 11 or line 16	17	201	

*** Lines 1 through 6 - Income subject to tax in both Arizona and State XY**

Mr. and Mrs. F must report State XY farm income of \$16,000 in both Arizona gross income and State XY's equivalent of Arizona gross income. There are no additions or subtractions related to the \$16,000 farm income required under either Arizona law, or State XY law. Therefore, \$16,000 of farm income is included in Arizona adjusted gross income and \$16,000 of farm income is included in State XY's equivalent of Arizona adjusted gross income.

****Line 7 - Arizona tax liability**

For the purpose of the credit, Mr. and Mrs. F compute the Arizona tax liability as follows:

Arizona tax	\$ 1,030
Less public school tax credit	(300)
Arizona tax liability	\$ 730

*****Line 9 - Entire income upon which Arizona tax is imposed**

For the purpose of the credit, Mr. and Mrs. F compute the entire income upon which Arizona tax is imposed as follows:

Arizona adjusted gross income	\$ 55,700
Plus other exemptions	<u>2,300</u>
Entire income upon which Arizona income tax is imposed	<u>\$ 58,000</u>

******Line 14 - Entire income upon which State XY tax is imposed**

This is the entire income upon which State XY's tax is imposed. This is State XY's equivalent of Arizona adjusted gross income for these individuals. Since these individuals are nonresidents of State XY, State XY's equivalent of Arizona adjusted gross income (not including exemptions and standard or itemized deductions), includes only that income which is sourced to State XY. It should be noted that in this case, the entire income upon which State XY's income tax is imposed had to be determined. This amount was not

separately shown on a specific line of the State XY return, since State XY computes its tax on the total income and then prorates that tax to reflect the tax attributable to income derived from sources within State XY. For the purpose of the credit, Mr. and Mrs. F compute the entire income upon which State XY’s tax is imposed as follows:

Mr. and Mrs. F’s Farm income sourced to State XY (State XY’s equivalent of Arizona adjusted gross income) computed under A.R.S. § 43-1094).....	\$ 16,000
Plus State XY’s equivalent of Arizona’s dependent exemptions.....	<u>0</u>
Entire income upon which State XY tax is imposed.....	<u>\$ 16,000</u>

Form 309, Page 2 – Schedule of Income Allocation Instructions

Complete page 2, *Schedule of Income Allocation*, **only** if you are a full-year Arizona resident who is also considered a resident of another state under the laws of that other state.

All other taxpayers skip page 2, *Schedule of Income Allocation*.

NOTE: *If you are a full-year Arizona resident that is also considered to be a resident of another state under the laws of that other state, you must complete the Schedule of Income Allocation on page 2 of Form 309 before you complete page 1 of Form 309.*

Because the credit allowed for a full-year Arizona resident that is also considered to be a resident of another state is for taxes paid to that other state on income sourced to that other state, you must complete the *Schedule of Income Allocation*, before you can complete lines 1 through 6 of Form 309.

This schedule allocates income between income sourced to the other state and income from everywhere else that is taxable to the other state. Complete column (a) before completing columns (b) through (d). On lines 1 through 10 of column (a), for each line, enter the amounts reported on your federal income tax return. In column (b), enter the amounts listed in column (a) that are included in income reported on your Arizona return. In column (c), enter the amounts listed in column (a) that are included in income reported on the return filed with the other state. In column (d), enter the amounts listed in column (c) that would be sourced to the other state if you were a nonresident of that state filing a nonresident return to that state.

The following example illustrates how to complete Form 309 for an Arizona resident who is also considered to be a resident of another state under the laws of that other state.

EXAMPLE

Facts:

Mr. and Mrs. R are Arizona residents who are temporarily living and working in State Z. They will be there for one year and then they will return to Arizona. During the current taxable year, Mr. and Mrs. R have been living and working in State Z for 10 and one-half months. Because Mr. and Mrs. R have been living in State Z for more than 183 days during the tax year, State Z considers Mr. and Mrs. R to be residents of State Z and taxes all of their income from the time they moved to State Z. Because Mr. and Mrs. R are Arizona residents who are temporarily out of Arizona, they are still full-year Arizona residents for Arizona income tax purposes and must file a full-year Arizona income tax return and include all income for the taxable year, wherever derived. For the taxable year, Mr. and Mrs. R have the following income.

Mr. R’s wages from employment in Arizona	\$ 15,000
Mr. R’s wages from employment in State Z	\$ 42,000
Mrs. R’s wages from employment in State Z	\$ 5,000
Interest income	\$ 5,000
Rental income from AZ property	<u>\$ 20,000</u>
Total income	<u>\$ 87,000</u>

As Reported on State Z Return		As Reported on Arizona Return	
Wages (Mr. R's State Z wages \$42,000 + Mrs. R's State Z wages \$5,000)	\$ 47,000	Federal adjusted gross income	\$ 87,000
Interest income received after moving to State Z	4,375	Less subtractions from income (other exemption \$2,300)	(2,300)
Rental income from Arizona property received after moving to State Z	17,500	Arizona adjusted gross income	\$ 84,700
State Z gross income	68,875	Arizona itemized deductions	(18,600)
Plus additions to income	0	Arizona taxable income	\$ 66,100
Less subtractions (dependent \$4,000)	(4,000)	Arizona tax	\$ 2,086
State Z adjusted gross income	\$ 64,875		
State Z itemized deductions	(9,500)		
State Z personal exemptions	(7,500)		
State Z taxable income	\$ 47,875		
State Z tax	\$ 2,154		

Before Mr. and Mrs. R can complete Form 309, they must complete the *Schedule of Income Allocation* on page 2 of Form 309. This will help Mr. and Mrs. R determine the income that is taxable in both Arizona and State Z that would be sourced to State Z if Mr. and Mrs. R were filing a nonresident return to State Z.

If Mr. and Mrs. R had filed a nonresident return to State Z, they would have reported \$47,000 of wage income to State Z as State Z source income. Therefore, when Mr. and Mrs. R complete Form 309, they would complete lines 1 through 6 as follows:

Part I	(a)	(b)
1. Description of Income Items	Wages	
2. Amount of income from item listed on line 1, reportable to both Arizona and State Z.	\$ 47,000	
3. Portion of income on line 2 included in Arizona adjusted gross income.	\$ 47,000	
4. Portion of income on line 2 included in State Z's equivalent of Arizona adjusted gross income.	\$ 47,000	
5. Income subject to tax by both Arizona and State Z. Enter the smaller of line 3 or line 4.	\$ 47,000	
6. *Total income subject to tax in both Arizona and State Z.	\$ 47,000	

Part II – Computation of Other State or Country Tax Credit		
7. Arizona tax liability less any credits (except other state tax credit).....	7	2,086
8. Amount from Part 1, line 6.....	8	47,000
9. ** Entire income upon which Arizona income tax is imposed.....	9	87,000
10. Divide the amount on line 8 by the amount on line 9 (cannot be greater than 1).....	10	.5402
11. Multiply the amount on line 7 by the decimal on line 10.....	11	1,127
12. Income tax paid to State Z (tax less credits).....	12	2,154
13. Amount from Part 1, line 6.....	13	47,000
14. ***Entire income upon which State Z's income tax is imposed.....	14	68,875
15. Divide the amount on line 13 by the amount on line 14 (cannot be greater than 1).....	15	.6824
16. Multiply the amount on line 12 by the decimal on line 15.....	16	1,470
17. Other state or country tax credit. Enter the smaller of line 11 or line 16.....	17	1,127

*** Lines 1 through 6 – Income subject to tax in both Arizona and State XY**

Before completing lines 1 through 6, Mr. and Mrs. R must complete page 2 of Arizona Form 309, *Schedule of Income Allocation*. Even though Mr. and Mrs. R must report wage income, interest income and rental income to State Z, only the wage income earned for services performed in State Z would be sourced to State Z if State Z were taxing Mr. and Mrs. R as nonresidents. Therefore, when Mr. and Mrs. R complete the *Schedule of Income Allocation*, Mr. and Mrs. R indicate that only \$47,000 of wages would be sourced to State Z as income of a nonresident of State Z.

Mr. and Mrs. R must report State Z wages of \$47,000 in Arizona gross income and \$47,000 of State Z wages in State Z's equivalent of Arizona gross income. There are no additions or subtractions related to the \$47,000 of State Z wages required under either Arizona law, or State Z law. Therefore, \$47,000 of State Z wage income is included in Arizona adjusted gross income and \$47,000 of State Z wage income is included in State Z's equivalent of Arizona adjusted gross income.

****Line 9 – Entire income upon which Arizona tax is imposed**

For the purpose of the credit, Mr. and Mrs. R compute the entire income upon which Arizona tax is imposed as follows:

Arizona adjusted gross income	\$ 84,700
Plus other exemptions	<u>2,300</u>
Entire income upon which Arizona income tax is imposed	<u>\$ 87,000</u>

*****Line 14 – Entire income upon which State Z tax is imposed**

This is the entire income upon which State Z tax is imposed. This is State Z's equivalent of Arizona adjusted gross income for these individuals. For the purpose of the credit, Mr. and Mrs. R compute the entire income upon which State Z tax is imposed as follows:

State Z's equivalent of Arizona adjusted gross income	\$ 64,875
State Z's equivalent of Arizona's other exemptions	<u>4,000</u>
Entire income upon which State Z's tax is imposed	<u>\$ 68,875</u>

General Instructions

NOTE: You *must* also complete Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture, and include Forms 301 and 310 with your tax return to claim this credit.

Arizona law provides a solar energy credit for an individual who installs a solar energy device in his or her residence located in Arizona.

The solar energy credit for buying and installing a solar energy device is 25% (.25) of the cost, including installation, or \$1,000, whichever is less. If you install another device in a later year, the cumulative credit cannot exceed \$1,000 for the same residence.

NOTE: A taxpayer may claim a credit of up to \$1,000 for a second personal home. A taxpayer that claims a credit for **both a primary home and a second home is limited to a maximum credit of \$1,000 in the taxable year.** To claim a credit for a second home you must complete a second form and add the two credit form amounts together and report the total amount of current year credit and total available carryover amount on Form 301 to claim on your return.

If the allowable tax credit is more than your tax or if you have no tax, you may carry the unused credit forward for up to the next five consecutive years.

NOTE: The maximum amount of credit established for the current taxable year does **not** include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable tax credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may use for the taxable year cannot be greater than the tax liability shown.

To be eligible for this credit, you must be an Arizona resident who is not a dependent of another taxpayer.

A solar energy device is a system or series of mechanisms which collect and transfer solar generated energy and which are designed primarily to:

- provide heating,
- provide cooling,
- produce electrical power,
- produce mechanical power,
- provide solar daylighting, or
- provide any combination of the above by means of collecting and transferring solar generated energy into such uses either by active or passive means, including wind generator systems that produce electricity.

Solar energy systems may also have the capability of storing solar energy for future use. Passive systems must clearly be designed as a solar energy device, such as a trombe wall, and not merely as a part of a normal structure, such as a window.

Only a system or device, which performs one or more of these functions, qualifies for the credit. An individual component of a system does not qualify for the credit by itself.

The following devices, when used for residential purposes, qualify for the credit:

- Solar domestic water heating systems - collectors, storage tanks, heat exchangers, and piping, valves, wiring, etc., directly related to the solar system.
- Solar swimming pool and spa heating systems - collectors, heat exchangers, piping, valves, wiring, etc., directly related to the solar system.
- Solar photovoltaic systems - collectors, batteries, inverters, solar system related wiring, and including solar photovoltaic systems for recreational vehicles used as a residence. End-use appliances (even if they are 12 vdc) are excluded unless they are manufactured specifically for photovoltaic systems applications.
- Solar photovoltaic phones, street lighting, etc. - collectors, batteries, inverters, and solar system related wiring. Phone, lights, etc., are excluded unless they are manufactured specifically for photovoltaic applications.
- Passive solar building systems - trombe wall components, thermal mass, and components specifically designed for energy gains. Dual pane windows, low-e, and other window coatings, etc., are excluded.
- Solar day lighting systems - those devices and systems specifically designed to capture and redirect visible solar energy while controlling the infrared energy (conventional skylights are specifically excluded).
- Wind generators - windmill, structure, generator, batteries, controls, wiring, and other components directly related to the wind generator. End-use appliances are excluded.
- Wind-powered pumps - windmill, structure, pump, pipes, and other components directly related to the wind pump.

The person who sells you your solar energy device must furnish you with a certificate stating that the solar energy device complies with Arizona's solar energy device requirements. If you designed and installed the system yourself, you will not receive such a statement, but your solar energy device must meet the required criteria.

NOTE: *To qualify for this credit, you **must** purchase the solar energy device(s). If you lease or enter into a power purchase agreement (PPA) for the solar energy device, that device does not qualify for this credit.*

For more information on Arizona's solar energy device credit and the Arizona solar energy device requirements, see the department's income tax ruling (ITR) 13-4, *How do leases and power purchase agreements (PPA) impact the residential solar energy device credit?*, and publication, (Pub) 543, *Solar Energy Credit*.

The following items DO NOT qualify for the credit:

- Conventional plumbing components - water softeners, drinking water systems, etc., even if they are provided (free or otherwise) as part of the system.
- Conventional controls - load controllers, programmable thermostats, etc., even if they are provided (free or otherwise) as part of the system.
- Conventional heating/cooling systems - air conditioners, heat pumps, evaporative coolers, furnaces, regardless of efficiency.
- Conventional windows and window treatments - dual-pane, low-e, shade screens, reflective and dark coatings, awnings, interior shades, drapes, and blinds.
- Conventional skylights.
- Appliances (all voltages) - refrigerators, lights, fans, TVs, etc., unless they are manufactured specifically for photovoltaic systems.
- Fans - ceiling, window, attic, interior, etc., unless they are manufactured specifically for photovoltaic applications.
- Paint - ceramic, reflective roof coatings.
- Insulation (includes "outsulation") and radiant barrier.
- Weather stripping, caulking.
- Misting systems.
- Vegetation - shade trees, shrubs, grass.
- Solar energy cars.
- A solar hot water heater plumbing stub out that was installed by the builder of a house or dwelling unit before title was conveyed to the taxpayer.

NOTE: *If you claim a credit, you cannot take a depreciation deduction for the solar energy device for which the credit is claimed. If such depreciation deduction is included in your federal adjusted gross income, you must add that amount to your Arizona gross income. You must make this addition for each period in which you deduct depreciation for federal purposes.*

Line-by-Line Instructions

Enter your name and Social Security Number (SSN) as shown on Arizona Forms 140, 140PY, or 140X.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for an individual is the taxpayer's SSN or an Internal Revenue Service (IRS) individual taxpayer identification number (ITIN). Taxpayers that fail to include their identification number may be subject to a penalty.

NOTE: *Complete Parts 1 and 3, if you are claiming a new credit for the current tax year.*

*If you are **only** claiming a carryover amount available from a previous credit, complete Part 1 (**address only**) and Parts 2 and 3.*

Part 1 - Current Year's Credit

Use lines 1 through 9 to figure your credit for the current tax year.

Line 1

Enter the address of the residence where you installed the solar energy device for which you are claiming the credit.

Line 2

Enter the cost of the solar energy device. The cost of installing the device may be included in the cost of the device.

Lines 3 and 4

Follow the instructions on the form for lines 3 and 4.

Line 5

If you claimed a credit for another solar energy device you installed during a prior taxable year (1995 through 2021), at the same residence listed on line 1, enter the total amount of allowable credit for that prior tax year or years.

Lines 6 through 8

Follow the instructions on the form for lines 6 through 8.

Line 9 - Current Year's Credit

Part 2 - Carryover from Prior Taxable Years

Lines 10 through 15 Use Part 2 to figure your total available credit carryover from taxable years 2017 through 2021.

NOTE: *If you claimed a credit for your primary residence and a second residence, you must track each carryover amount separately on the original credit form filed for each location. Do not combine the two credit carryover amounts on one credit form. Be sure to add both carryover amounts together from each credit form and report the total on Arizona Form 301.*

Complete lines 10 through 15 if you claimed this credit on a return for one of these years and the credit was more than your tax.

- In column (b), **enter the credit originally** computed for the taxable year listed in column (a). Do not enter the cost of the device. The amount entered in column (b) cannot be more than \$1,000.
- In column (c), enter the amount of the credit from that taxable year which you have already used.
- In column (d), subtract the amount in column (c) from the amount in column (b) and enter the difference.

This credit is available to individuals *only*. A partnership may not claim this credit, but may pass the credit through to partners who are individuals, S Corporations and other partnerships. A corporation, including an S Corporation, may not claim this credit. However, an S Corporation may pass the credit through to its individual shareholders.

Individual co-owners of a Partnership or S Corporation, may each claim only a pro rata share of the credit, based on ownership interest. The total of the credits allowed all owners may not exceed the amount that would have been allowed for a sole owner of the business.

NOTE: If the entity is passing through a credit for more than one location for expenses incurred during the taxable year to purchase and install an agricultural water conservation system, complete a separate Form 312 for each location. Include all forms with your tax return.

A partnership passing the current year's credit through to its individual partners must do the following:

- Complete Part 1 and Part 2, lines 1 through 10.
- Complete Form 312-P, *Agricultural Water Conservation System Credit - Distribution to Partners*, for each partner and provide the partner with a copy of Form 312-P. Complete a separate 312-P for each location. Form 312-P is available on the department's website.

If the allowable tax credit exceeds the taxes otherwise due, or if there are no taxes due, you may carry the unused credit forward for a period not to exceed the next five taxable years.

NOTE: *The maximum amount of credit established for the current taxable year does **not** include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable tax credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may **use** for the taxable year cannot be greater than the tax liability shown.*

A taxpayer (including individual shareholders receiving a pass-through credit from an S Corporation) cannot take a subtraction for the same expenses for which a credit is claimed.

For example: If the taxpayer had \$10,000 of qualifying expenses (Part 2, line 6), the credit would be \$7,500 (Part 2, line 7) and the add-back would be \$10,000. The individual would include \$10,000 on the Arizona individual income tax return under "*Other Additions to Income.*" An individual shareholder claiming a pass-through credit would add-back his or her pro rata share of the qualifying expenses on the individual income tax return under "*Other Additions to Income.*" The amount the shareholder is required to add-back is reported by the S Corporation on Form 312-S, line 1.

A taxpayer who elects to report their small business income on the Small Business Income tax return (SBI) and claims this credit on the SBI tax return is required to make the add-back adjustment on their SBI tax return on page 1 under the section, *Additions Related to Small Business Income.*

General Instructions

Arizona Revised Statutes § 43-1170 provides nonrefundable corporate income tax credits for expenses incurred during the taxable year to purchase real or personal property that is used within Arizona in the taxpayer's trade or business to control or prevent pollution. The amount of the credit is equal to 10% of the purchase price, limited to a maximum credit of \$500,000 in a taxable year.

The last year an individual taxpayer could establish the Pollution Control Credit was taxable year 2021. A partnership may not pass this credit through to its individual partners; it may, however, pass this credit through to its corporate partners. An S Corporation may not pass this credit through to its shareholders; however, it may claim this credit at the corporate level.

Qualifying property includes a structure, building, installation, excavation, machine, equipment, and any attachment to, or addition to, or reconstruction, replacement, or improvement of that property. Property eligible for the tax credit includes only that portion of the property directly used, constructed, or installed in Arizona to prevent, monitor, or reduce air, water, or land pollution that results from the taxpayer's direct operating activities in conducting a trade or business in this state. The property must meet or exceed rules or regulations adopted for this purpose by the United States Environmental Protection Agency, the Arizona Department of Environmental Quality, or a political subdivision of Arizona.

Amounts that qualify for the credit must be includible in the taxpayer's adjusted basis for the property. The adjusted basis of any property for which the taxpayer has claimed a credit must be reduced by the amount of credit claimed for that property.

If the allowable tax credit exceeds the taxes otherwise due or, if there are no taxes due, the amount of the credit not used to offset taxes may be carried forward for not more than five taxable years as a credit against subsequent years' income tax liabilities.

The pollution control equipment credit claimed on Form 315 is in lieu of the agricultural pollution control credit claimed on Form 325 with respect to the same equipment or expense.

Co-owners of a business, including partners in a partnership and shareholders of an S Corporation, may each claim only the *pro rata* share of the credit allowed based on the ownership interest. The total of the credits allowed all such owners may not exceed the amount that would have been allowed for a sole owner of the business.

The credit is available to an exempt organization that is subject to corporate income tax on unrelated business taxable income (UBTI). The credit must result from the activities that generate UBTI.

NOTE – To claim this credit:

- *Individual taxpayers are no longer able to claim this credit.*
- *C corporations, S Corporations claiming this credit at the corporate level, and exempt organizations with UBTI, complete this credit form and Arizona Form 300, Nonrefundable Corporate Tax Credits and Recapture. Include both completed forms with your tax return.*
- *S Corporations shall not pass this credit through to shareholders.*
- *Partnerships shall not pass this credit through to individual partners. Complete this credit form to pass this credit through only to corporate partners. Also, complete Form 315-P for each corporate partner of the partnership. Provide each corporate partner a copy of its completed Form 315-P. Include Form 315 and one copy of each completed Form 315-P with your tax return.*

Specific Instructions

Complete the name and taxpayer identification number (TIN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form with the tax return.

All returns, statements, and other documents filed with the department require a TIN. The TIN for a corporation, an exempt organization with UBTI, an S Corporation, or a partnership is the taxpayer's employer identification number (EIN). The TIN for an individual is the taxpayer's Social Security Number (SSN) or an Internal Revenue Service individual taxpayer identification number (ITIN). Taxpayers that fail to include their TIN may be subject to a penalty.

To view or print the department's publications, go to our website, select *Reports & Legal Research* from the main menu, and click on *Publications* in the left hand column.

General Instructions

This credit provides a nonrefundable corporate income tax credit equal to 30% of the amount paid by the seller or purchaser as transaction privilege tax or use tax for coal sold to the taxpayer that is consumed in the generation of electrical power in Arizona. "Amount paid by the seller or purchaser as transaction privilege tax or use tax" means that the Arizona transaction privilege tax (TPT) was passed through to the taxpayer by the seller as an added charge or that the seller collected the Arizona use tax from the taxpayer or that the taxpayer paid the Arizona use tax to the department.

The tax credit is in lieu of a deduction for the taxes paid for which the credit is claimed. An addition to Arizona gross income is required for the amount of Arizona TPT and Arizona use taxes included in the computation of federal taxable income for which the Arizona tax credit is claimed.

For example, a taxpayer that paid \$50,000 in TPT for coal consumed in the generation of electrical power in Arizona would receive a credit of \$15,000 ($\$50,000 \times 30\% = \$15,000$). The addition to Arizona gross income would be \$50,000.

The tax credit is available only to corporate taxpayers. A partnership may pass this credit through only to its corporate partners. An S Corporation may claim this credit, or the S Corporation may elect to pass this credit through only to its exempt organization shareholders. (If the S Corporation elects to pass this credit through to its exempt organization shareholders, complete Form 318-P for each exempt organization shareholder.)

Individual taxpayers are not eligible to claim this credit.

Co-owners of a business, including corporate partners of a partnership may each claim only the *pro rata* share of the credit allowed based on the ownership interest. The *pro rata* share that would be distributed to non-eligible partners or shareholders is lost. The total of the credits allowed all such owners may not exceed the amount that would have been allowed for a sole owner of the business.

If the allowable tax credit exceeds the taxes otherwise due, or if there are no taxes due, the amount of the credit not used to offset taxes may be carried forward for not more than five consecutive taxable years as a credit against subsequent years' income tax liability.

NOTE – To claim this credit:

- *C corporations, S Corporations claiming this credit at the corporate level, and exempt organizations with UBTI* - Complete this credit form and Arizona Form 300, Nonrefundable Corporate Tax Credits and Recapture. Include both completed forms with your tax return.
- *Partnerships* - Complete this credit form. Also, complete Form 318-P for each corporate partner of the partnership. Provide each corporate partner a copy of its completed Form 318-P. Include Form 318 and one copy of each completed Form 318-P with your tax return.
- *Individual taxpayers are not eligible to claim this credit.*

Specific Instructions

Complete the name and employer identification number (EIN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form with the tax return.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for a corporation, an exempt organization with UBTI, an S Corporation or a partnership is the taxpayer's EIN. Taxpayers that fail to include their TIN may be subject to a penalty.

Arizona's statutes do not require that the employee who is claimed in the third year of continuous employment be the same employee who was claimed in the second year of employment. Therefore, if one of the originally claimed net new employees leaves employment in year three, the business can claim the third year credit for another previously qualified employee who is in the third year of continuous employment.

General Instructions

NOTE: You **must** also complete Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture, and include Forms 301 and 321 with your tax return to claim this credit.

Arizona law provides a credit for cash contributions made to certain qualifying charitable organizations (charities) that provide assistance to residents of Arizona who either:

- receive Temporary Assistance of Needy Families (TANF) benefits,
- are low income residents of Arizona, or
- are children who have a chronic illness or physical disability.

CAUTION: A cash contribution to a qualifying foster care charitable organization does **not** qualify for, and **cannot** be included in, a credit claimed on Form 321 for cash contributions made to a qualifying charitable organization (QCO).

If you made cash contributions to a qualifying foster care charitable organization (QFCO), you **must** complete Form 352 to claim a credit for those contributions.

This credit is available **only** to individuals. Corporations may not claim this credit. A partnership may not pass the credit through to its partners. An S Corporation may not pass the credit through to its shareholders.

What is a Qualifying Charitable Organization?

A qualifying charity is a charity that is exempt from federal income tax under Internal Revenue Code (IRC) § 501(c)(3).

A qualifying charity is also a charity that is a designated community action agency that receives Community Services Block Grant Program money under the United States Code, Title 42, Section 9901.

The charity must spend at least 50% of its budget on services to Arizona residents who:

- receive TANF benefits,
- are low income Arizona residents, or
- are chronically ill or physically disabled.

For the purpose of this credit, qualifying services are services that meet the recipient's immediate basic needs. The services must be provided and used in Arizona. Services include cash assistance, medical care, childcare, food, clothing, shelter, job training, and job placement services or any other assistance that is reasonably necessary to meet immediate basic needs and that is provided and used in this state.

"Individuals who have a chronic illness or physical disability" means individuals whose primary diagnosis is a severe physical condition that may require ongoing medical or surgical intervention.

How Can I Tell if a Charity Qualifies?

To qualify, a charity must provide the department with written certification that it meets the criteria to be considered a qualifying charity.

To see a list of the qualifying charities, visit our website and click on *Tax Credits* and select *Contributions to QCOs and QFCOs*.

- For donations made in 2022 - use the 2022 list.
- For donations made from January 1, 2023 to April 18, 2023 - use the 2023 list.

A cash contribution for which a credit is claimed and that is made on or before the fifteenth day of the fourth month following the close of the taxable year may be applied to either the current or preceding taxable year and is considered to have been made on the last day of that taxable year.

For calendar year filers, credit eligible cash contributions made to qualifying charities from January 1, 2023 to April 18, 2023 may be claimed as a tax credit on either the 2022 or 2023 Arizona income tax return.

IMPORTANT: To claim a credit on your 2022 tax return for contributions made January 1, 2023 through April 18, 2023, the charitable organization must be certified by the department for the 2023 tax year.

If you claim this credit in 2022 for a cash contribution made from January 1, 2023 to April 18, 2023 you must make an adjustment on your 2023 Arizona Form 140 Schedule A, 140PY Schedule A(PY) or A(PYN), or 140NR Schedule A(NR).

NOTE: You cannot claim both a tax credit and an itemized deduction for the amount of contributions made to a QCO for which you are claiming a credit.

You cannot claim an increased standard deduction for the amount of contributions made to a QCO for which you are claiming a credit.

The maximum amount of credit that a taxpayer can establish for the current taxable year is \$400 for single taxpayers or heads of household. For married taxpayers filing a joint return, the maximum amount of credit that a taxpayer can establish for the current taxable year is \$800. In most cases, for married taxpayers who file separate returns, each spouse may claim only **one-half** (½) of the total credit that would have been allowed on a joint return up to \$400.

NOTE: *The maximum amount of credit established for the current taxable year does **not** include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may **use** for the taxable year cannot be greater than the tax liability shown.*

If the allowable tax credit is more than your tax or if you have no tax, you may carry the unused credit forward for up to the next five consecutive taxable years' income tax liability.

You may qualify for this credit if you make cash contributions to a qualified charity through an Umbrella Charitable Organization (UCO). An UCO is a charitable organization that collects cash contributions on behalf of member charities and directs those contributions as designated by the taxpayer to a qualifying charity that is certified by the department.

In this case, 100% of the contribution to a specific qualifying charity or to a specific fund of the UCO must be distributed to a qualifying charity that is certified by the department.

The UCO should provide you with a receipt that lists the qualifying charity or fund and certifies that 100% of the contribution will be distributed to the named charity. If a fund is designated then the receipt should certify that 100% of the fund is distributed to a qualifying charity that is certified by the department.

NOTE: *You may be able to make contributions to these charities through your payroll withholding. Contact your employer and ask if they can withhold contributions for this credit from your pay.*

For more information, see the department's publication, Pub 710, *Credit for Contributions to Qualifying Charitable Organizations*.

What is a Qualifying Charitable Organization Code?

For Arizona tax credit purposes, the department assigns a code (a 5 digit identification number) to each qualifying charitable organization and the UCO fund (for example: 23456). If your donation receipt did not include the charity's code, the department's list of qualifying charities includes the code assigned to each charity and the UCO fund code.

Be sure to enter the code number, in column (a), for each qualifying charity for which you and your spouse made cash contributions.

Line-by-Line Instructions

Enter your name and Social Security Number (SSN) as shown on Arizona Forms 140, 140PY, 140NR, or 140X. All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for an individual is the taxpayer's SSN or an Internal Revenue Service (IRS) individual taxpayer identification number (ITIN). Taxpayers that fail to include their identification number may be subject to a penalty.

NOTE: *Complete Parts 1 and 3 if you are claiming a new credit for the current tax year.*

*If you are **only** claiming a carryover amount available from a previous credit, complete Parts 2 and 3.*

Use lines 14 through 19 to figure your total available credit carryover from taxable years 2017 through 2021. Complete lines 14 through 19 if you claimed this credit on a return for one of these years and the credit was more than your tax.

NOTE: *You may carry over only that portion of the credit that you do not apply to tax. You cannot carry over any amount that you gave that was more than the maximum amount allowed as a credit.*

For example: During 2022, Mary, a single person, gave \$600 to a qualified charity. For 2022, Mary is allowed a maximum credit of \$400. Mary’s 2022 tax is \$250. Mary can apply \$250 of the credit to her 2022 tax liability and carryover \$150 of the unused \$400 credit to 2023.

General Instructions

NOTE: You *must* also complete Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture, and include Forms 301 and 322 with your tax return to claim this credit.

Arizona law provides a credit for cash contributions made and certain fees paid to public schools in Arizona. **“Public School” means a school that is part of a school district, a career technical education district, or a charter school.**

This credit is available **only** to individuals. Corporations may not claim this credit. A partnership may not pass the credit through to its partners. An S corporation may not pass the credit through to its shareholders.

The credit is equal to the amount of cash contributed or the amount of fees paid up to the maximum amount allowed. The maximum amount of credit that a taxpayer can establish for the current taxable year for contributions or fees paid is \$200 for single taxpayers or heads of household. For married taxpayers filing a joint return, the maximum amount of credit that can be established for the current taxable year is \$400. In most cases, for married taxpayers who file separate returns, each spouse may claim only **one-half** (1/2) of the credit that would have been allowed on a joint return.

NOTE: The maximum amount of credit established for the current taxable year does **not** include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may **use** for the taxable year cannot be greater than the tax liability shown.

A cash contribution for which a credit is claimed and that is made on or before the fifteenth day of the fourth month

following the close of the taxable year may be applied to either the current or preceding taxable year and is considered to have been made on the last day of that taxable year.

For calendar year filers, credit eligible cash contributions made or fees paid to a public school from January 1, 2023 to April 18, 2023 may be used as a tax credit on either the 2022 or the 2023 Arizona income tax return.

If the allowable tax credit is more than your tax or if you have no tax, you may carry the unused credit forward for up to the next five consecutive taxable years' income tax liability.

If you claim this credit in 2022 for cash contributions made from January 1, 2023 to April 18, 2023 you must make an adjustment on your 2023 Arizona Form 140 Schedule A, 140PY Schedule A(PY) or A(PYN), or 140NR Schedule A(NR).

NOTE: You cannot claim both a tax credit and an itemized deduction for contributions made to a public school for which you are claiming a credit.

You cannot claim an increased standard deduction for the amount of contributions made to a Public School for which you are claiming a credit.

You may be able to make credit eligible contributions to a public school through payroll withholding. Check with your employer to see if your employer has agreed to withhold contributions that qualify for this credit from your pay.

To qualify for the credit, you must contribute or pay fees to a public school located in this state for the following public school purposes:

- standardized testing for college credit or readiness offered by a widely recognized and accepted educational testing organization,
- the career and technical education industry certification assessment,
- preparation courses and materials for standardized testing,
- cardiopulmonary resuscitation training,
- extracurricular activities, or
- character education programs.
- **from and after June 30, 2019, through June 30, 2024, contributions or fees paid for the following items qualify:**
 - (a) acquiring capital items, as defined in the uniform system of financial records, including those items listed in section 15-903, subsection c, paragraphs 2 through 8;
 - (b) community school meal programs;
An amount paid by an individual to receive a meal or a meal card does not qualify as a fee or donation for community school meal programs.
 - (c) student consumable health care supplies; and
 - (d) playground equipment and shade structures for playground equipment.

"Standardized testing for college credit or readiness" includes the SAT, PSAT, ACT, advanced placement and international baccalaureate diploma tests and other similar tests.

"Widely recognized and accepted educational testing organization" means the college board, the ACT, the international baccalaureate and other organizations that are widely recognized and accepted by colleges and universities in the United States and that offer college credit and readiness examinations.

"Career and technical education industry certification assessment" means an assessment for career and technical preparation programs for pupils.

"Community school meal program" means a school meal program that takes place before or after the regular school day on school property.

"Student consumable health care supplies" includes tissues, hand wipes, bandages and other health care consumables that are generally used by children.

NOTE: *Your contribution for the support of standardized testing fees, career and technical education industry certification assessments, preparation courses, or materials for standardized testing, **must** be made directly to the public school located in Arizona. Contributions made to any other organization will not qualify for this credit.*

A character education program is a program defined in Arizona Revised Statutes (A.R.S.) § 15-719. Under this statute, each district may develop its own course of study for each grade. At a minimum, the character education program must include instruction in the definition and application of at least six of the following character traits: truthfulness, responsibility, compassion, diligence, sincerity, trustworthiness, respect, attentiveness, obedience, orderliness, forgiveness, and virtue.

Extracurricular activities are school-sponsored activities that may require enrolled students to pay a fee in order to participate. The activities must supplement the school's education program and may be educational or recreational.

Each school district will determine what activities are extracurricular activities for each public school located in that district. Extracurricular activities may include the following:

- use of band uniforms;
- use of equipment or uniforms for varsity athletics;
- use of scientific laboratory equipment or materials; and
- in-state or out-of-state trips that are solely for competitive events.

Extracurricular activities do not include any senior trips or events that are recreational, amusement or tourist activities.

You must make cash contributions or pay fees to a public school or charter school located in Arizona. The school must provide instruction in grades kindergarten through 12.

Contributions made or fees paid to any of the following **do not** qualify for this credit:

- a nongovernmental school;
- a pre-school;

- a community college;
- a university; or
- a public school located outside of Arizona.

Before claiming this credit, make sure the public school issues you a receipt for the contributions or qualifying fees you paid. The receipt should show **all** of the following:

- name of the public school;
- name and number of the school district;
- name of the taxpayer;
- amount paid or contributed;
- date paid or contributed; and
- description of the activity for which the contributions were made or the fees were paid.

Please keep this receipt with your tax records. For more information on school tax credits, see the department's publication, Pub 707, *School Tax Credits*.

What is an Arizona Public School CTDS Code?

The Arizona Department of Education uses a coding system (CTDS) to identify Arizona public and charter schools. CTDS is a nine-digit (9) number and stands for *County Code, Type Code, and District Code & Site Number*.

For the purpose of claiming Arizona's tax credit for contributions made or certain fees paid to a qualifying public school, you must provide this code on the tax credit form, in column (a), for each qualifying school you or your spouse made cash contributions or paid certain fees.

For example, a public school with a CTDS code of 01-23-45-678 would be entered (c) as 012345678 (do **not** include spaces or dashes).

You may obtain the CTDS code by visiting Arizona Department of Education's public school search webpage at www.ade.az.gov/edd or you may find the list on our website at www.azdor.gov/tax-credits/public-school-tax-credit under *Resources for Taxpayers*.

NOTE: *You may carry over only that portion of the credit that you do not apply to tax. You cannot carry over any amount that you contributed or paid that was more than the amount allowed as a credit.*

For example, during 2022, John, a single person, paid \$400 to School A for extracurricular activity fees for John's child. For 2022, John is allowed a credit of \$200. John's 2022 tax is \$100.

John applied \$100 credit to his tax liability and may carryover \$100 of the unused \$200 credit to 2022. John cannot claim any credit for the \$200 fee he paid that was more than the allowable credit (\$400 minus allowable credit of \$200).

- In column (b), enter the credit originally computed for that taxable year listed in column (a).
- In column (c), enter the amount of the credit from that taxable year which you have already used.

General Instructions

NOTE: You *must* also complete Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture, and include Forms 301 and 323 with your tax return to claim this credit.

Arizona law provides a credit for cash contributions made to a private school tuition organization (STO) that provides scholarships or grants to qualified schools.

This credit is available **only** to individuals. Corporations may not claim this credit. A partnership may not pass the credit through to its partners. An S corporation may not pass the credit through to its shareholders.

The credit is equal to the amount of cash contributed up to the maximum amount allowed. For 2022, the maximum amount of credit that a taxpayer can establish for the current taxable year is \$623 for single taxpayers or heads of household. For married taxpayers that file a joint return, the maximum credit that can be established for the current taxable year is \$1,245. In most cases, for married taxpayers who file separate returns, each spouse may claim only **one-half** (½) of the credit that would have been allowed on a joint return.

NOTE: The maximum amount of credit established for the current taxable year does **not** include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may use for the taxable year cannot be greater than the tax liability shown.

A cash contribution for which a credit is claimed and that is made on or before the fifteenth day of the fourth month following the close of the taxable year may be applied to

either the current or preceding taxable year and is considered to have been made on the last day of that taxable year.

FOR CALENDAR YEAR FILERS: Credit eligible cash contributions made to a private STO from January 1, 2023 to April 18, 2023 may be used as a tax credit on either the 2022 or 2023 Arizona income tax return.

If you claim this credit in 2022 for a cash contribution made from January 1, 2023 to April 18, 2023 you must make an adjustment on your 2023 Arizona Form 140 Schedule A, Form 140PY Schedule A(PY) or A(PYN), or Form 140NR Schedule A(NR).

If the allowable tax credit is more than your tax or if you have no tax, you may carry the unused credit forward for up to the next 5 consecutive taxable years' income tax liability.

A private STO is an organization that meets **all** of the following:

- The organization is tax exempt under Section 501(c)(3) of the Internal Revenue Code (IRC).
- The organization allocates at least 90% of its annual revenue from contributions to educational scholarships or tuition grants.
- The organization makes its scholarships or grants available to students of more than one qualified school.

A "qualified school" means a preschool that offers services to students with disabilities, nongovernmental primary or a secondary school that is located in Arizona. The school cannot discriminate on the basis of race, color, handicap, familial status, or national origin and requires all teaching staff and personnel that have unsupervised contact with students to be fingerprinted. A qualified school does not include a charter school or programs operated by a charter school. The primary school must begin with kindergarten and the secondary school must end with grade 12.

In the case of a preschool that offers services to students with disabilities, a "student with disabilities" is a student who has any of the following conditions:

- hearing impairment;
- visual impairment;
- developmental delay;
- preschool severe delay; or
- speech and/or language impairment.

NOTE: The Arizona Department of Revenue is required to certify STOs. The department maintains a list of currently certified STOs on its website at www.azdor.gov.

To qualify for the credit all cash contributions must be made to a certified STO. To determine if your cash contributions made in 2022 and/or 2023 qualify for this credit, you should verify that the STO you made a contribution to is certified. For a list of STOs certified to receive cash contributions for the individual income tax credit, see the department's website.

Your cash contribution to the STO will not qualify for the credit if you designate the contribution for the direct benefit of your dependent. For Arizona purposes, “dependent” has the same meaning provided in section § 152 of the IRC. For purpose of this credit, it does not matter if you qualify to take the dependent deduction

NOTE: *Your cash contribution will also not qualify if you designate a student beneficiary as a condition of your contribution to the STO. Also, the tax credit is not allowed if you agree with another person to designate each other’s contributions to the STO for the direct benefit of each other’s dependent, a practice commonly known as swapping.*

You **cannot** claim both a tax credit and an itemized deduction for the amount of contributions made to a private STO for which you are claiming an Arizona tax credit.

Before claiming this credit, make sure the STO issues you a receipt for the contribution. The receipt should show **all** of the following:

- name and address of the STO;
- name of the taxpayer;
- amount paid;
- date paid; and
- the tax year for which you will claim the contribution.

Please keep this receipt with your tax records. For more information on school tax credits, see the department’s publication, Pub 707, *School Tax Credits*.

NOTE: *You may be able to make credit eligible contributions to a STO through payroll withholding. Check with your employer to see if your employer has agreed to withhold contributions that qualify for this credit from your pay.*

Line-by-Line Instructions

Enter your name and Social Security Number (SSN) as shown on Arizona Forms 140, 140PY, 140NR, or 140X.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). Taxpayers that fail to include their identification number may be subject to a penalty.

NOTE: *Complete Parts 1, 3, and 4, if you are claiming a new credit for the current tax year. If you are **only** claiming a carryover amount available from a previous credit, complete Parts 2 and 3.*

In this case, enter one-half (½) of the smaller of line 11 or line 12.

NOTE: *If you made contributions that total more than the allowable current year's credit on Form 323, you may claim a credit on Arizona Form 348 for some or all of the contributions that exceed the maximum allowable amount. To determine if you have excess contributions available to claim a credit on Form 348, complete Part 4 of Form 323. For additional information see Form 348.*

Part 2 - Available Credit Carryover

Lines 14 through 19

Complete lines 14 through 19 to figure your available credit carryover from taxable years 2017 through 2021. Complete lines 14 through 19 if you claimed this credit on a return for one of these years and the credit was more than your tax.

NOTE: *You may carry over only that portion of the credit that you do not apply to tax. You cannot carry over any amount that you gave that was more than the amount allowed as a credit. See the example at the end of these instructions.*

- In column (b) enter the credit originally computed for that taxable year listed in column (a).
- In column (c) enter the amount of the credit from that taxable year which you have already used.
- Subtract the amount in column (c) from column (b) and enter the difference in column (d).
- Add the amounts entered on lines 14 through 18 in column (d).

Enter the total on line 19, column (d).

- Single taxpayers, heads of household and married taxpayers filing a joint return; enter the total amount from Part 1, line 11.

Line 24 -

- Single taxpayers and heads of household; enter \$623.
- Married taxpayers filing joint; enter \$1,245.
- Married taxpayers filing separate; enter \$623.

Line 25 – Excess Contributions:

Subtract line 24 from line 23. Enter the difference. If less than zero, enter "0".

If the amount on line 25 is more than zero, you have excess contributions available and may claim a credit on Form 348 for those contributions.

If the amount on line 25 is "0," you do not have any excess contributions available to claim on Form 348.

EXAMPLE: During 2022, Mary, a single person, gave \$1,400 to a private STO. For 2022, Mary is allowed a maximum credit on Form 323 of \$623. Mary's 2022 tax liability is \$400. Mary may apply \$400 of the \$623 credit claimed on Form 323 against her 2022 tax liability. Mary may carryover the unused credit of \$223 to her 2023 income tax return. Mary may not claim a credit on Form 323 for the \$777 gift that was more than the allowable credit (\$1,400 minus allowable credit of \$623).

However, Mary may claim a credit on Arizona Form 348 for the contribution made to the private STO that was more than the \$623 allowable credit. The credit Mary may claim on Form 348 cannot exceed the maximum credit allowed on that form.

To compute that credit, Mary must complete Form 348 in addition to Form 323. Mary must also complete Arizona Form 301. For 2022, Mary would compute her available credit for Form 348 as follows.

2022 total contribution made to STOs		\$1,400
2022 maximum allowable credit claimed on Form 323		<u>\$ 623</u>
Mary's 2022 tax liability	\$ 400	
Less: available tax credit - Form 323	<u>\$ 400</u>	
Balance of tax	<u>\$ 0</u>	
Carryover available for 2022 from Form 323 (\$623 minus \$400)	\$ 223	
Contribution available to calculate the allowable credit on Form 348 (\$1,400 minus \$623). Mary must complete Arizona Form 348 to figure that credit.		<u>\$ 777</u>

Include with your return.

For the calendar year 2022 or fiscal year beginning [M,M|D,D|2,0,2,2] and ending [M,M|D,D|Y,Y,Y,Y].

NOTE: This credit is no longer available to corporate taxpayers.

General Instructions

Arizona Revised Statutes § 43-1081.01 provide nonrefundable individual income tax credits for expenses that a taxpayer incurred during the taxable year to purchase agricultural pollution control equipment.

NOTE: Taxable year 2019 was the last year a corporate taxpayer could claim this credit. S Corporations may not claim this credit at the corporate level or pass it through to its shareholders. A partnership may not pass this credit through to its corporate partners; it may, however, pass this credit through to its individual partners.

The amount of the credit is equal to 25% of the cost of the property. The maximum credit that a taxpayer may claim in a taxable year is \$25,000.

Individual partners in a partnership may each claim only the *pro rata* share of the credit allowed based on their ownership interest. The total of the credits allowed all such owners may not exceed the amount that would have been allowed for a sole owner of the business.

To Qualify for the Credit:

- The individual taxpayer must be involved in the commercial production of livestock, livestock products or agricultural, horticultural, viticultural or floricultural crops or products; AND
- The individual taxpayer must purchase tangible personal property that is primarily used in the taxpayer's trade or business in Arizona to control or prevent pollution.
 - Property eligible for the tax credit includes only that portion of the property directly used, constructed, or installed in Arizona to prevent, monitor, or reduce air, water, or land pollution.
 - Qualifying property includes a portion of a structure, building, installation, excavation, machine, equipment, or device, and any attachment to, or addition to, or reconstruction, replacement, or improvement of that property.

Amounts that qualify for the credit must be includible in the individual taxpayer's adjusted basis for the property. The adjusted basis of any property for which the taxpayer has claimed a credit must be reduced by the amount of credit claimed for that property.

If the allowable tax credit exceeds the taxes otherwise due or, if there are no taxes due, the amount of the credit not used to offset taxes may be carried forward for not more than five taxable years as a credit against subsequent years' income tax liabilities.

NOTE – To claim this credit:

- **Individual taxpayers that did not make the Small Business Income election:** Complete this credit form and Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture. Include both completed forms with your Individual Income Tax Return, (Form 140, 140PY, 140NR, or 140X).
- **Individual taxpayers that made the Small Business Income election:** Complete this credit form and Arizona Form 301SBI, Nonrefundable Individual Tax Credits and Recapture for Form 140-SBI, 140PY-SBI, 140NR-SBI, and 140X-SBI. Include both completed forms with your SBI Tax Return (Form 140-SBI, 140PY-SBI, 140NR-SBI, or 140X-SBI).

General Instructions

This credit provides nonrefundable individual and corporate income tax credits for the donation of real property and improvements to an Arizona school district or Arizona charter school for use as a school or as a site for the construction of a school.

To qualify for the credit:

- The real property and improvements must be located in Arizona.
- The donor must convey the real property and improvements unencumbered and in fee simple, except that there must be a deed restriction and protective covenant related to the use of the property.
- The value of the donated property must be determined by an appraisal as defined in Arizona Revised Statutes (A.R.S.) § 32-3601 that is conducted by an independent party and is paid for by the donee.
- The conveyance shall not violate the provisions of A.R.S. §§ 15-341(D) or 15-183(U).
- The donor must record the appropriate lien on the property donated to an Arizona charter school. The tax credit constitutes a lien on the property. The lien is the amount of the allowable tax credit adjusted by the gross domestic product (GDP) price deflator, as defined in A.R.S. § 41-563, with a maximum of 12.5% over the allowable tax credit.
- An Arizona school district shall not accept the donation unless the school facilities board has reviewed the proposed donation and has issued a written determination that the real property and improvements are suitable as a school site or as a school.

On written request of the donee, the donor must disclose in writing to the donee the amount of the allowable tax credit for the property received by the donee.

NOTE: *This tax credit is in lieu of a deduction in the computation of Arizona gross income for the donation of the property for which the credit is claimed.*

- **CORPORATE TAXPAYERS:** *An addition to Arizona gross income is required for the amount of the deduction included in the computation of federal taxable income.*
- **INDIVIDUAL TAXPAYERS:** *The taxpayer cannot claim both the tax credit and an itemized deduction for the donation of a school site. If the taxpayer claims the credit and itemizes deductions on the Arizona return, the taxpayer must exclude the amount of the charitable deduction otherwise allowed for the donation of the school site.*

EXAMPLE: *A taxpayer that donates a \$2,000,000 property would receive a credit of \$600,000 (\$2,000,000 x 30%).*

- **IF THE TAXPAYER IS A CORPORATION,** *the addition to Arizona gross income would be \$2,000,000.*
- **IF THE TAXPAYER IS AN INDIVIDUAL THAT ITEMIZES DEDUCTIONS,** *then the charitable contribution deduction must exclude the \$2,000,000 donation.*

Arizona law provides a credit for employers who have an employee that is a member of the Arizona National Guard if the employee is placed on active duty.

The credit is \$1,000 for each employee who is placed on active duty by the Arizona National Guard.

To qualify for the credit, all of the following must apply:

- The employee must be a member of the Arizona National Guard.
- The employee must be in a full time equivalent position when the employee is placed on active duty.
- Each member of the Arizona National Guard who is employed must have served during the taxable year on active duty for training that exceeds the required annual training period, including any activation for federal or state contingencies or emergencies.

You may claim the credit only once in any taxable year with respect to each employee who is placed on active duty by the Arizona National Guard. However, you may claim the credit again for that employee in a subsequent year if that employee remains on active duty or is placed again on active duty in a subsequent taxable year.

If the allowable credit exceeds your income tax liability, you may carry over any unused amount for the next five consecutive taxable years.

NOTE: *The maximum amount of credit established for the current taxable year does **not** include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable tax credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may use for the taxable year cannot be greater than the tax liability shown.*

This credit is available to individuals, C Corporations, and S Corporations. A partnership may pass the credit through to its partners. An S Corporation may pass the credit through to its shareholders.

NOTE: *Partnerships passing the credit through to its partners must complete Form 333, Parts 1, 2 and 3; and Form 333-P for each partner.*

S Corporations, who elect to pass through the credit to its shareholders, must complete Form 333, Parts 1, 2 and 4; and Form 333-S for each shareholder. If the S Corporation has a carryover amount available from claiming the credit in a prior taxable year, the S Corporation must also complete Parts 5 and 6 of Form 333.

This credit is also available to an exempt organization that is subject to corporate income tax on unrelated business taxable income (UBTI). The credit must result from the activities that generate the UBTI.

General Information

This credit provides a nonrefundable corporate income tax credit for contributions made to a school tuition organization (STO), authorized to receive corporate donations, that provides scholarships or grants to qualified schools. This credit must be pre-approved by the Arizona Department of Revenue. The STO must be certified pursuant to Chapter 15 of Title 43 at the time of donation.

Contributions designated for the direct benefit of a specific student will not qualify for the credit.

This credit is in lieu of any deduction taken under Internal Revenue Code § 170 for state tax purposes.

A taxpayer cannot claim this credit and the credit claimed on Form 341 for the same contribution.

The tax credit is equal to the amount the department has pre-approved. Once pre-approved, the taxpayer has 20 days in which to make the contribution to the STO.

The tax credit is available to corporate taxpayers, corporate partners, exempt organizations subject to corporate income tax on unrelated business taxable income (UBTI), or S Corporation individual shareholders.

- A partnership may pass this credit through only to its corporate partners, each of which may claim a *pro rata* share of the credit based on their ownership interest.
- An exempt organization may utilize this credit only if it results from activities that generate UBTI.
- An S Corporation may claim this credit against income Arizona is taxing at the corporate level, or it may make an irrevocable election to pass this credit through to its individual shareholders.
 - To pass this credit through to its individual shareholders, the S Corporation must make minimum contributions of \$5,000 to School Tuition Organizations or to School Tuition Organizations for Displaced Students or Students With Disabilities in a taxable year.
 - Each individual shareholder may claim only a *pro rata* share of the credit based on the individual's ownership interest in the S Corporation.

Any *pro rata* shares that would be distributed to non-eligible partners (individual partners in a partnership), or estates or trusts (shareholders in an S Corporation) is lost.

The total of the credits allowed to all owners may not exceed the amount that would have been allowed to a sole owner of the business.

If the allowable tax credit exceeds the taxes otherwise due, or if there are no taxes due, the amount of the credit not used to offset taxes may be carried forward for not more than five consecutive taxable years as a credit against subsequent years' income tax liability.

Claiming the Credit

This credit must be pre-approved by the Arizona Department of Revenue before it can be claimed. The process for obtaining pre-approval for the credit is available on our website: www.azdor.gov. Click on "Tax Credits", then click on "Corporate Tuition Tax Credits."

Before claiming the credit, obtain a copy of the STO's pre-approved application. Include a copy of the pre-approved application with Form 335. Failure to do so could result in a disallowance of this credit.

The department will preapprove the credits on a first-come, first-served basis. The pre-approval process works as follows:

- Before making the contribution, the taxpayer notifies the STO of the intended amount.
- The STO requests pre-approval from the Arizona Department of Revenue.
- The Arizona Department of Revenue pre-approves or denies the request within twenty days after it has received the request, and notifies the STO.
- If the request is pre-approved, the STO notifies the taxpayer immediately.
- The taxpayer must make the contribution within twenty days of receiving notice from the STO.

QUALIFIED SCHOOL TUITION ORGANIZATION REQUIREMENTS

The STO receiving contributions under this program must be certified pursuant to Chapter 15 of Title 43 at the time of donation.

A listing of certified School Tuition Organizations is available at www.azdor.gov. Click on "Tax Credits", then click on "Corporate Tuition Tax Credits", and then click on "School Tuition Organizations Certified to Receive Corporate Donations."

Completing the Form

Complete the name and employer identification number (EIN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form with the tax return.

NOTE: *If the entity passing this credit through has a different tax year-end than the taxpayer, the taxpayer may only claim this credit on its tax return for that year. For example, if the entity passing this credit through has a tax year end of February 2022, claim this credit on the taxpayer's 2022 return.*

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for a corporation, an exempt organization with UBTI, an S Corporation, or a partnership is the taxpayer's EIN. Taxpayers that fail to include their TIN may be subject to a penalty.

General Instructions

NOTE – To claim this credit:

- **Individual taxpayers that did not make the Small Business Income election**, complete this credit form and Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture. Include both completed forms with your Individual Income Tax Return (Form 140, 140PY, 140NR or 140X).
- **Individual taxpayers that made the Small Business Income election**, complete this credit form and Arizona Form 301-SBI, Nonrefundable Individual Tax Credits and Recapture for Form 140-SBI, 140PY-SBI, 140NR-SBI and 140X-SBI. Include both completed forms with your SBI Tax Return (Form 140-SBI, 140PY-SBI, 140NR-SBI or 140X-SBI).

Arizona law allows an individual shareholder to claim a nonrefundable tax credit for the *pro rata* amount of contributions made by an S Corporation to a school tuition organization (STO).

The S Corporation must make an irrevocable election on Arizona Form 335, *Credit for Contributions to School Tuition Organization*, to pass-through the credit to its individual shareholder(s). The S Corporation making the election should give you Arizona Form 335-S, *Credit for Corporate Contributions to School Tuition Organizations - Distribution to Shareholders of an S Corporation*, showing your *pro rata* share of the available credit for the taxable year. The amount of the allowable credit you may claim is reported on Form 335-S.

An individual shareholder may claim a corporate STO credit passed through from an S Corporation even if the individual is claiming the maximum amount allowed under the two

individual private school tuition credits (Arizona Forms 323 and 348.) The corporate STO credit passed through from the S Corporation is a different credit that is not subject to the limitations under the two individual private school tuition credits.

NOTE: Individual Shareholders of an S Corporation with a Fiscal Year-End - If you file your tax return on a calendar year basis, but the corporation files a return for a fiscal year, claim the credit on your tax return for the year in which the corporation's fiscal year ends. For example, if the corporation's tax year ends in February 2023, claim the credit on your 2023 tax return.

Co-owners of the S Corporation may each claim the *pro rata* share of the credit allowed based on the taxpayers ownership interest. The total of the credits allowed all owners of the corporation may not exceed the amount that would have been allowed a sole owner of the business.

If the allowable tax credit exceeds the taxes otherwise due, or if there are no taxes due, you may carry the unused credit forward for a period not to exceed the next five consecutive taxable years' income tax liability.

NOTE: The maximum amount of credit established for the current taxable year does **not** include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable tax credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may use for the taxable year cannot be greater than the tax liability shown.

You cannot claim both a tax credit and an Arizona itemized deduction for the amount of contributions made to a STO for which you are claiming a credit.

NOTE: This tax credit is not allowed if the S Corporation or a shareholder designates the contribution to the STO for the direct benefit of any dependent of a shareholder of the corporation claiming a credit under this section or if the corporation or a shareholder designates a student beneficiary as a condition of the contribution to the STO.

The tax credit is not allowed if the S Corporation or a shareholder, with the intent to benefit a shareholder's dependent, agrees with one or more other taxpayers to designate reciprocal contributions to school tuition organizations for the direct benefit of the other taxpayer's dependent.

For Arizona purposes, "dependent" has the same meaning provided in § 152 of the Internal Revenue Code. For the purpose of this credit, it does not matter if the shareholder qualifies to take the dependent deduction.

Line-by-Line Instructions

Enter your name and taxpayer identification number (TIN) as shown on Arizona Forms 140, 140NR, 140PY or 140X. Indicate the period covered by the taxable year. Include the completed form with the income tax return.

All returns, statements, and other documents filed with the department require a TIN. The TIN for an individual is the taxpayer's Social Security Number (SSN) or an Internal Revenue Service (IRS) individual taxpayer identification number (ITIN). Taxpayers that fail to include their identification number may be subject to a penalty.

Partnerships passing the credit through to its partners must also complete and include a separate Form 338-P for each partner receiving a pass-through credit.

S Corporations passing the credit through to its shareholders must also complete and include a separate Form 338-S for each shareholder receiving a pass-through credit.

For taxable years beginning from and after December 31, 2006 through December 31, 2034 Arizona law allows a credit for investments made in qualified small businesses. The amount

of the credit is the amount determined and authorized by the Arizona Commerce Authority (ACA).

To claim this credit, you must include a copy of the ACA’s Authorization of Tax Credits with your income tax return.

You must claim the credit on a timely filed return filed for the tax year in which the credit is available. A timely filed return is a return that you file by the return’s original or extended due date. If you fail to timely file a return claiming the credit for a taxable year, the credit expires for that taxable year and there is no carryforward of the expired credit.

If the allowable tax credit is more than your tax liability or if you have no tax liability, you may carry the unused credit forward for up to the next three consecutive tax years.

NOTE: The maximum amount of credit established for the current taxable year does not include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable tax credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may use for the taxable year cannot be greater than the tax liability shown.

This credit is available to individuals only. A corporation, including an S Corporation, may not claim this credit. However, an S Corporation may pass the credit through to its individual shareholders.

A partnership may pass the credit through to its individual partners. The total of the credits allowed all such owners may not exceed the amount that would have been allowed a sole owner.

The basis of any investment with respect to which you claim a credit must be reduced by the amount of the credit claimed with respect to the investment.

Qualified Small Business Capital Investment Program

The ACA administers the Qualified Small Business Capital Investment program. Tax credits are authorized on a first come, first served basis.

To seek a tax credit under this program, you must submit an application for an Authorization of Tax Credits to the ACA. To obtain an Authorization of Tax Credits, you must document that each investment and the small business meet the eligibility requirements. The ACA will issue an Authorization of Tax Credits after determining eligibility of the investor. For more information about this credit, visit the ACA’s website at www.azcommerce.com.

Line-by-Line Instructions

Enter the names and taxpayer identification numbers (TIN) as shown on Arizona Forms 140, 140PY, 140NR, 140X, 120S or 165. Fiscal year basis taxpayers must indicate the period covered by the taxable year. Include the completed form with the tax return.

All returns, statements, and other documents filed with the Department of Revenue require a TIN. The TIN is either a correct Social Security Number (SSN) or an Internal Revenue Service (IRS) individual taxpayer identification number (ITIN), or for a business, the employer identification number (EIN). Taxpayers who fail to include a TIN may be subject to a penalty. Be sure that all required identification numbers are written clearly. General Instructions

NOTE: You *must* also complete *Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture, and include Forms 301 and 340 with your tax return to claim this credit.*

Arizona law allowing for a tax credit for cash donations made to the Military Family Relief Fund was extended to taxable year 2026.

The ADVS established two subaccounts (pre-9/11 and post-9/11) for which a donor must designate which account the donor wishes the donation to be deposited into. If your donation qualifies for the credit, your credit will be the smaller of 1 through 4.

1. The amount you donated to the fund during the taxable year.
2. If you are a single taxpayer or a head of household, \$200.
3. If you are married filing a joint return, \$400. If you are filing separate returns, you each may claim only 1/2 of the credit that would have been allowed on a joint return (up to a maximum of \$200 each).
4. Your tax liability for the taxable year.

There is no carry forward for this credit. You must claim and use this credit on the tax return filed for the taxable year for which you made your donation.

This credit is available **only** to individuals. Corporations may not claim this credit. A partnership may not pass the credit through to its partners. An S Corporation may not pass the credit through to its shareholders.

You cannot claim both a tax credit and an itemized deduction for your donation.

Before you claim this credit, you must have received a receipt from the ADVS. Your receipt must show **all** of the following:

- your full name and address,
- the last four digits of your Social Security Number (SSN),
- the amount you donated,
- the amount designated to each fund (pre-9/11 and/or post-9/11), and
- your donation qualifies for the tax credit.

Military Family Relief Fund

The ADVS administers the Military Family Relief Fund. Donations deposited into the pre-9/11 veterans subaccount will be used to provide financial assistance. The service member of an applying family must have been deceased, wounded or injured or become seriously ill on or before September 11, 2001, been deployed from a military base in this state, claimed this state as the service member's home of record, or been a member of the Arizona National guard at the time of deployment. If discharged from

military service, the service member must have been discharged under honorable conditions. The assistance shall be based on financial need up to twenty thousand dollars per family.

Donations deposited into the post-9/11 veterans subaccount will be used to provide financial assistance. The service member of an applying family must have been deceased, wounded or injured or become seriously ill after September 11, 2001, been deployed from a military base in this state, claimed this state as the service member's home of record, or been a member of the Arizona National Guard at the time of deployment. If discharged from military service, the service member must have been discharged under honorable conditions. The assistance shall be based on financial need up to twenty thousand dollars per family.

Your donations may qualify for this income tax credit. Donations will qualify for the credit if the total amount donated during the calendar year has not exceeded one million dollars.

Donations made once the total donations for the calendar year reach one million dollars will not qualify for the credit. The determination of whether a donation will qualify for the credit is made on a first come, first served basis by the ADVS.

The ADVS will provide you with a receipt that will let you know if your donation qualifies for the credit. The ADVS will also send a copy of that receipt to the Arizona Department of Revenue.

General Information

This credit provides a nonrefundable corporate income tax credit for contributions made to a school tuition organization (STO) authorized to receive corporation donations that provides scholarships or grants to displaced students or students with disabilities. This credit must be pre-approved by the Arizona Department of Revenue. The STO must be certified pursuant to Chapter 15 of Title 43 at the time of donation.

Contributions designated for the direct benefit of a specific student will not qualify for the credit.

This credit is in lieu of any deduction taken under Internal Revenue Code § 170 for state tax purposes.

A taxpayer cannot claim this credit and the credit claimed on Form 335 for the same contribution.

The tax credit is equal to the amount the department has pre-approved. Once pre-approved, the taxpayer has 20 days in which to make the contribution to the STO.

The tax credit is available only to corporate taxpayers, corporate partners, exempt organizations subject to corporate income tax on unrelated business taxable income (UBTI), or S Corporation individual shareholders.

- A partnership may pass this credit through only to its corporate partners, each of which may claim a *pro rata* share of the credit based on their ownership interest.
- An exempt organization may utilize this credit only if it results from activities that generate UBTI.
- An S Corporation may claim this credit against income Arizona is taxing at the corporate level, or it may make an irrevocable election to pass this credit through to its individual shareholders.
 - To pass this credit through to its individual shareholders, the S Corporation must make minimum contributions of \$5,000 to School Tuition Organizations or to School Tuition Organizations for Displaced Students or Students With Disabilities in a taxable year.

- Each individual shareholder may claim only a *pro rata* share of the credit based on the individual's ownership interest in the S Corporation.

Any *pro rata* shares that would be distributed to non-eligible partners (individual partners in a partnership), or estates or trusts (shareholders in an S Corporation) is lost.

The total of the credits allowed to all owners may not exceed the amount that would have been allowed to a sole owner of the business.

If the allowable tax credit exceeds the taxes otherwise due, or if there are no taxes due, the amount of the credit not used to offset taxes may be carried forward for not more than five consecutive taxable years as a credit against subsequent years' income tax liability.

Claiming the Credit

This credit must be pre-approved by the Arizona Department of Revenue before it can be claimed. The process for obtaining pre-approval for the credit is available on our website: www.azdor.gov. Click on "Tax Credits", then click on "Corporate Tuition Tax Credits."

Before claiming the credit, obtain a copy of the STO's pre-approved application. Include a copy of the pre-approved application with Form 341. Failure to do so could result in a disallowance of this credit.

The department will preapprove the credits on a first-come, first-served basis. The pre-approval process works as follows:

- Before making the contribution, the taxpayer notifies the STO of the intended amount.
- The STO requests pre-approval from the Arizona Department of Revenue.
- The Arizona Department of Revenue preapproves or denies the request within twenty days after it has received the request, and notifies the STO.
- If the request is pre-approved, the STO notifies the taxpayer immediately.
- The taxpayer must make the contribution within twenty days of receiving notice from the STO.

QUALIFIED SCHOOL TUITION ORGANIZATION REQUIREMENTS

The school tuition organization receiving contributions under this program must be certified pursuant to Chapter 15 of Title 43 at the time of donation

A listing of certified School Tuition Organizations is available at www.azdor.gov. Click on "Tax Credits", then click on "Corporate Tuition Tax Credits", and then click on "School Tuition Organizations Certified to Receive Corporate Donations."

Completing the Form

Complete the name and employer identification number (EIN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form with the tax return.

NOTE: If the entity passing this credit through has a different tax year-end than the taxpayer, the taxpayer may only claim this credit on its tax return for that year. For example, if the entity passing this credit through has a tax year end of February 2022, claim this credit on the taxpayer's 2022 return.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for a corporation, an exempt organization with UBTI, an S Corporation, or a partnership is the taxpayer's EIN. Taxpayers that fail to include their TIN may be subject to a penalty.

General Instructions

NOTE:

- **Individual taxpayers that did not make the Small Business Income election**, complete this credit form and Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture. Include both completed forms with your Individual Income Tax Return, (Form 140, 140PY, 140NR or 140X).
- **Individual taxpayers that made the Small Business Income election**, complete this credit form and Arizona Form 301-SBI, Nonrefundable Individual Tax Credits and Recapture for Form 140-SBI, 140PY-SBI, 140NR-SBI and 140X-SBI. Include both completed forms with your SBI Tax Return (Form 140-SBI, 140PY-SBI, 140NR-SBI or 140X-SBI).

Arizona law allows an individual shareholder to claim a nonrefundable tax credit for the *pro rata* share of contributions made by an S Corporation to a school tuition organization (STO).

The S Corporation must make an irrevocable election on Arizona Form 341, *Credit for Contributions to School Tuition Organization for Displaced Students or Students with Disabilities*, to pass-through the credit to its individual shareholder(s). The S Corporation making the election should give you Arizona Form 341-S, *Credit for Corporate Contributions to School Tuition Organizations for Displaced Students or Students with Disabilities - Distribution to Shareholders of an S Corporation*, showing your *pro rata* share of the available credit for the taxable year. The amount of the allowable credit you may claim is reported on Form 341-S.

An individual shareholder may claim a corporate STO credit passed through from an S Corporation even if the individual is

claiming the maximum amount allowed under the two individual private school tuition credits (Arizona Forms 323 and 348). The corporate STO credit passed through from the S Corporation is a different credit that is not subject to the limitations under the two individual private school tuition credits.

Individual Shareholders of an S Corporation with a Fiscal Year-End - If you file your tax return on a calendar year basis, but the corporation files a return for a fiscal year, claim the credit on your tax return for the year in which the corporation's fiscal year ends. For example, if the corporation's tax year ends in February 2023, claim the credit on your 2023 tax return.

Co-owners of the S Corporation may each claim the *pro rata* share of the credit allowed based on the taxpayers ownership interest. The total of the credits allowed all owners of the corporation may not exceed the amount that would have been allowed a sole owner of the business.

If the allowable tax credit exceeds the taxes otherwise due, or if there are no taxes due, you may carry the unused credit forward for a period not to exceed the next five consecutive taxable years' income tax liability.

NOTE: *The maximum amount of credit established for the current taxable year does not include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable tax credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may use for the taxable year cannot be greater than the tax liability shown.*

You cannot claim both a tax credit and an Arizona itemized deduction for the amount of contributions made to a STO for which you are claiming a credit.

NOTE: *This tax credit is not allowed if the S Corporation or a shareholder designates the contribution to the STO for the direct benefit of any dependent of a shareholder of the corporation claiming a credit under this section or if the corporation or a shareholder designates a student beneficiary as a condition of the contribution to the STO.*

The tax credit is not allowed if the S Corporation or a shareholder, with the intent to benefit a shareholder's dependent, agrees with one or more other taxpayers to designate reciprocal contributions to school tuition organizations for the direct benefit of the other taxpayer's dependent.

For Arizona purposes, "dependent" has the same meaning provided in section § 152 of the Internal Revenue Code. For the purpose of this credit, it does not matter if the shareholder qualifies to take the dependent deduction.

Line-by-Line Instructions

Enter your name and taxpayer identification number (TIN) as shown on Arizona Forms 140, 140NR, 140PY or 140X. Indicate the period covered by the taxable year. Include the completed form with the income tax return.

All returns, statements, and other documents filed with the department require a TIN. The TIN for an individual is the taxpayer's Social Security Number (SSN) or for a business, the employer identification number (EIN). Taxpayers that fail to include their identification number may be subject to a penalty.

General Instructions

This credit provides nonrefundable individual and corporate income tax credits for production of electricity by a qualified energy generator that produces electricity using a qualified energy resource.

The taxpayer must hold title to a qualified energy generator that begins producing electricity from and after December 31, 2010, and before January 1, 2021. The credit is effective for taxable years beginning from and after December 31, 2010.

“Qualified energy generator” means a facility that has at least five megawatts generating capacity, that is located on land in Arizona owned or leased by the taxpayer, that produces electricity using a qualified energy resource and that sells electricity to an unrelated entity, unless the electricity is sold to a public service corporation.

“Qualified energy resource” means a resource that generates electricity through the use of only: solar light, solar heat, wind or biomass.

The Department of Revenue (Revenue) will certify credits on a first-come, first-served basis. The entity that holds title to the qualified energy generator must apply between January 2 and January 31 of the year following the calendar year of production. Fiscal year taxpayers will claim the credit on the return for the taxable year in which the calendar year ends.

The amount of total credits Revenue may allow cannot exceed \$20 million in any calendar year. The amount of credit per facility is limited to \$2 million per calendar year, for up to 10 consecutive calendar years. The amount of the credit is based on electricity produced, the qualified energy resource used, the year of production, and Revenue certification.

Revenue will issue a Certificate of Renewable Energy Production Tax Credit (Certificate) to the applicant if it is certified to claim the tax credit. Each taxpayer must include a copy of the Certificate with the return.

Co-owners of a business, including partners in a partnership and shareholders of an S Corporation, may each claim only the *pro rata* share of the credit allowed based on the ownership interest. The total of the credits allowed all such owners may not exceed the amount that would have been allowed for a sole owner of the business.

The credit is available to an exempt organization that is subject to corporate income tax on unrelated business taxable income (UBTI). The credit must result from the activities that generate UBTI.

The unused portion of this tax credit may be carried forward for five succeeding taxable years.

For more information regarding this credit, review the program guidelines developed by Revenue, available at www.azdor.gov on the Tax Credits page.

Specific Instructions

Complete the name and taxpayer identification number (TIN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form with the tax return.

All returns, statements, and other documents filed with the department require a TIN. The TIN for a corporation, an exempt organization with UBTI, an S Corporation, or a partnership is the taxpayer's employer identification number (EIN). The TIN for an individual is the taxpayer's Social Security Number (SSN) or an Internal Revenue Service Individual Taxpayer Identification Number (ITIN). A taxpayer that fails to include its TIN may be subject to a penalty.

General Instructions

Arizona Revised Statutes (A.R.S.) §§ 43-1074 and 43-1161 provide nonrefundable individual and corporate income tax credits for net increases in qualified employment positions in Arizona at a business location in Arizona.

This credit is available to individuals, corporate taxpayers, partners in a partnership (except trust and estate partners), and to shareholders of an S Corporation (except trust and estate shareholders). Exempt organizations subject to unrelated business taxable income (UBTI) may claim this credit if the credit results from activities that generate UBTI.

Trusts and estates, with the exception of grantor trusts, cannot claim this credit either directly or as a pass through. A grantor trust that is disregarded for federal income tax purposes is treated as owned by the grantor. As a result, the grantor may claim the credit. The total of the credits may not exceed the amount that would have been allowed for a sole owner of the business.

Co-owners of a business, including partners in a partnership and shareholders of an S Corporation, may each claim only the *pro rata* share of the credit allowed based on the ownership interest. The total of the credits allowed all such owners may not exceed the amount that would have been allowed for a sole owner of the business.

Note for Form 120 filers: *Taxpayers filing on a combined or consolidated basis are considered to be a single taxpayer for the purposes of the credit for new employment.*

If the documents required to be filed with the Arizona Commerce Authority (Commerce) or the Arizona Department of Revenue (ADOR) are not timely filed or contain materially false information, the taxpayer is ineligible for the Credit for New Employment (including second and third year credits, and carryovers) and is subject to recovery of the amount of tax credits allowed in preceding taxable years based on the false information, plus penalties and interest.

The Credit for New Employment is in lieu of the employment credit for Healthy Forest Enterprises, claimed on Form 332.

To qualify for the Credit for New Employment:

- *Businesses in an urban location must meet at least one of the following:*

- Invest at least \$5 million of capital investment and create at least 25 new qualified employment positions that pay compensation at least equal to 100% of the county median wage as computed annually by Commerce.
- Invest at least \$2.5 million of capital investment and create at least 25 new employment positions that pay compensation at least equal to 125% of the county median wage as computed annually by Commerce.
- Invest at least \$1 million of capital investment and create at least 25 new employment positions that pay compensation at least equal to 150% of the county median wage as computed annually by Commerce.
- Invest at least \$500,000 of capital investment and create at least 25 new employment positions that pay compensation at least equal to 200% of the county median wage as computed annually by Commerce.
- *Businesses in a rural location must meet at least one of the following:*
 - Invest at least \$1 million of capital investment and create at least 5 new employment positions that pay compensation at least equal to 100% of the county median wage as computed annually by Commerce.
 - Invest at least \$500,000 of capital investment and create at least 5 new employment positions that pay compensation at least equal to 125% of the county median wage as computed annually by Commerce.
 - Invest at least \$100,000 of capital investment and create at least 5 new employment positions that pay compensation at least equal to 150% of the county median wage as computed annually by Commerce.

The capital investment and the new qualified employment positions requirements listed above must be accomplished within 12 months after the start of the required capital investment. No credit may be claimed until both requirements are met.

In addition, the qualified employment positions must meet the following requirements:

- Consist of at least 1,750 hours per year of permanent employment.
- The job duties are performed primarily at the location or locations of the business in Arizona.
- The employment provides health insurance coverage for the employee where the employer pays 65% of the premium or membership cost.

The Credit for New Employment for Qualified Employment positions is equal to:

- \$3,000 for each Arizona employee in a qualified employment position in the first year or partial year of employment;
- \$3,000 for each Arizona employee in a qualified employment position for the full taxable year, in the second year of continuous employment;
- \$3,000 for each Arizona employee in a qualified employment position for the full taxable year, in the third year of continuous employment.

The credit is allowed for second and third year employees only for qualified employment positions for which a credit was claimed and allowed in the first year.

NOTE: *If a full-time employee in a qualified employment position left during the second or third taxable year that a credit for that position is being claimed, the employee may be replaced with another new full-time employee in the same employment position. That new employee will be treated as being in their second or third full year of continuous employment if: (1) the total time the qualified employment position was vacant from the date the position was originally filled to the end of the current tax year totals 90 days or less; and (2) the new employee meets all of the same requirements the original employee was required to meet. However, only one credit can be claimed for one employee for each qualified employment position, even if there was more than one replacement for the same position during the taxable year.*

If the allowable tax credit exceeds the taxes otherwise due on the claimant's income, or if there are no taxes due, the amount of the credit not used to offset taxes may be carried forward for not more than five taxable years as a credit against subsequent years' income tax liabilities.

Reporting requirements: Include a copy of the Certification you received from Commerce. The Certification will state you complied with their reporting requirements and will indicate the number of positions for which you are certified for the taxable year. To claim this credit, you must timely comply with the reporting requirements of both ADOR and Commerce. Do not use the 2022 Form 345 and 345-1 to claim this credit for previous taxable years.

All returns, statements, and other documents filed with the department require a TIN. General Instructions

Arizona Revised Statutes §§ 43-1074.01(A)(1)(c) and 43-1168(A)(1)(d) provide an additional income tax credit for increased research activities for basic research payments made to a university under the jurisdiction of the Arizona Board of Regents.

You may be eligible for this credit if you made cash payments in excess of your base period amount to a qualified Arizona university for research conducted in Arizona.

This credit is available to:

- Individuals,
- Corporations,
- Exempt organizations with unrelated business taxable income (UBTI),
- S Corporations using this credit to offset tax incurred at the corporate level.
- S Corporations or partnerships may pass the credit through to their shareholders or partners.

NOTE: For an exempt organization to claim this credit against its UBTI, the credit must result from the activities generating UBTI.

CLAIMING THE CREDIT

To claim this credit, the taxpayer must first apply for certification from the Arizona Commerce Authority (ACA) that the taxpayer's basic research payments meet the requirements established by statute. Once the taxpayer receives certification from the ACA, the taxpayer then applies to the Arizona Department of Revenue (Revenue) for determination of the amount of the credit the taxpayer is eligible to claim.

IMPORTANT INFORMATION/CREDIT SUMMARY

- The credit is limited to \$10 million in total credits in a calendar year.
- This credit is in addition to the credit for increased research activities:
 - Claimed by corporations on Arizona Form 308;
 - Claimed by individuals on Arizona Form 308-I.
- This tax credit is allowed in an amount computed pursuant to Internal Revenue Code (IRC) § 41(e), except for:
 - Only basic research payments [defined in IRC § 41(e)] which are made to a university under the jurisdiction of the Arizona Board of Regents are included.
 - The taxpayer must make basic research payments during the taxable year to a university under the jurisdiction of the

Arizona Board of Regents, for research completed by the same university.

- The terms "basic research payments" and "qualified organization base period amount" have the same meanings prescribed by IRC § 41(e), without regard to whether the taxpayer is, or is not, a corporation.
- The amount of the credit is based on the federal regular credit computation method for basic research payments. Taxpayers cannot use the federal alternative credit computation method. The allowable current taxable year credit is 10% of the excess, if any, of the basic research payments over the qualified organization base period amount for the taxable year.
- If two or more taxpayers, including shareholders of an S Corporation and partners in a partnership, share in the eligible expenses, each taxpayer is eligible to receive a proportionate share of the credit.
 - The termination provisions of IRC § 41 do not apply.
- If the current taxable year's credit exceeds the taxpayer's tax liability for the taxable year, the taxpayer may carry forward the unused credit to the next five consecutive taxable years.
- ***This credit is not refundable.***

CORPORATE TAXPAYERS: If two or more members of a unitary group, or an Arizona affiliated group incur qualifying basic research payments, the individual members of the group are not considered separate taxpayers. When a combined return, or a consolidated return is filed, the unitary group, or the Arizona affiliated group is considered a single taxpayer.

Specific Instructions

NOTE:

NOTE: You *must* also complete Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture, and include Forms 301 and 348 with your tax return to claim this credit.

Notice to All Taxpayers

NOTE: To claim a current year's credit on Form 348, you *must* first claim the maximum current year's credit allowed on Arizona Form 323, Credit for Contributions to Private School Tuition Organizations. The amount of credit you must claim on Form 323 depends on your filing status. See Form 323 for these amounts.

If you have a carryover amount from a credit claimed on Form 348 from prior tax years, you do not have to claim the maximum allowable credit on Form 323 to only use a carryover amount on Form 348. If you are claiming only a carryover amount on Form 348, and are not claiming any current year's credit on Form 323, submit only Forms 301 and 348.

For an example of how to calculate the current year credit and carryover credit, if any, see the last page of these instructions.

Arizona Form 348 Credit Carryover Amount from Prior Tax Years

If you claimed an allowable credit on Form 348 on your 2017 through 2021 tax returns and your tax liability was less than your allowable credit, you may have a carryover amount available.

You may use the available credit carryover amount to reduce your 2022 tax liability even if you do not claim a credit on Form 323 for 2022.

General Instructions

Arizona law provides an individual income tax credit for the voluntary cash contributions made to a certified School Tuition Organization (STO) in order to improve education by raising tuition scholarships for children in Arizona.

This credit is available **only** to individuals. Corporations may not claim this credit. A partnership may not pass the credit through to its partners. An S Corporation may not pass the credit through to its shareholders.

The amount of current year's contributions that may be claimed on Form 348 is computed **after** the maximum credit is claimed on Form 323 and is based on the excess amount of contributions shown on Form 323, Part 4, line 25.

For 2022, the maximum amount of credit on Form 348 that a taxpayer can establish for the current taxable year is \$620 for single taxpayers or heads of household. For married taxpayers that file a joint return, the maximum amount of credit that a taxpayer can establish for the current taxable year is \$1,238. In most cases, for married taxpayers who file separate returns, each spouse may claim only **one-half** (½) of the credit that would have been allowed on a joint return.

NOTE: The maximum amount of credit established for the current taxable year does **not** include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may use for the taxable year cannot be greater than the tax liability shown.

A cash contribution for which a credit is claimed that is made on or before the fifteenth day of the fourth month following the close of the taxable year may be applied to either the current or preceding taxable year and is considered to have been made on the last day of that taxable year.

FOR CALENDAR YEAR FILERS: Credit eligible cash contributions made to a certified STO from January 1, 2023 to April 18, 2023 may be claimed as a tax credit on either the 2022 or 2023 Arizona income tax return.

If you claim this credit in 2022 for a contribution made from January 1, 2023 to April 18, 2023 you must make an adjustment on your 2023 Arizona Form 140 Schedule A, Form 140PY Schedule A(PY) or A(PYN), or Form 140NR Schedule A(NR). If the allowable credit is more than your tax or if you have no tax, you may carry the unused credit forward for up to the next five consecutive taxable years' income tax liability.

A certified STO is an organization that meets **all** of the following.

- The organization is tax exempt under Section 501(c)(3) of the Internal Revenue Code.
- The organization allocates at least 90% of its annual revenue for educational scholarships or tuition grants.
- The organization makes its scholarships or grants available to students of more than one qualified school.

A “qualified school” means a preschool that offers services to students with disabilities, nongovernmental primary or a secondary school that is located in Arizona. The school cannot discriminate on the basis of race, color, handicap, familial status, or national origin and requires all teaching staff and personnel that have unsupervised contact with students to be fingerprinted.

A qualified school does not include a charter school or programs operated by a charter school. The primary school must begin with kindergarten and the secondary school must end with grade 12.

In the case of a preschool that offers services to students with disabilities, a “student with disabilities” is a student who has any of the following conditions:

- hearing impairment or visual impairment;
- developmental delay;
- preschool severe delay; or
- speech and/or language impairment.

NOTE: The Arizona Department of Revenue is required to certify STOs. The department maintains a list of currently certified STOs on its website at www.azdor.gov.

To qualify for the credit, all contributions must be made to a certified STO. To determine if your contributions made in 2022 and/or 2023 qualify for this credit, you should verify that the STO you made a contribution to is certified. For a list of STOs certified to receive contributions for the individual income tax credit, see the department’s website.

Your cash contribution to the STO will not qualify for the credit if you designate the contribution for the direct benefit of your dependent. For Arizona purposes, “dependent” has the same meaning provided in section § 152 of the IRC. For purpose of this credit, it does not matter if you qualify to take the dependent deduction.

NOTE: Your contribution will also not qualify if you designate a student beneficiary as a condition of your contribution to the STO. Additionally, the tax credit is not allowed if you agree with another person to designate each other’s contributions to the STO for the direct benefit of each other’s dependent, a practice commonly known as swapping.

You **cannot** claim both a tax credit and itemized deduction for the amount of contributions made to a certified STO for which you are claiming an Arizona tax credit.

Before claiming this credit, make sure the STO issues you a receipt for the contributions. The receipt should show **all** of the following:

- the name and address of the STO;
- the name of the taxpayer;
- the amount paid; and
- the date paid.

Please keep this receipt with your tax records. For more information on the school tax credits, see the department’s publication, Pub 707, *School Tax Credits*.

NOTE: You may be able to make credit eligible contributions to a certified STO through payroll withholding. Check with your employer to see if your employer has agreed to withhold contributions that qualify for this credit from your pay.

Line-by-Line Instructions

Enter your name and Social Security Number (SSN) as shown on Arizona Forms 140, 140PY, 140NR, or 140X.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for an individual is the taxpayer's SSN or an Internal Revenue Service (IRS) individual taxpayer identification number (ITIN). Taxpayers that fail to include their identification number may be subject to a penalty.

If you are married filing a separate return but could have filed a joint return, you may take only one-half (1/2) of the total credit that would have been allowed on a joint return, up to a maximum of \$620. In this case, enter one-half (1/2) of the smaller of line 14 or line 15.

Part 3 - Available Credit Carryover

NOTE: Arizona law requires that a taxpayer must claim the maximum credit amount allowed on Arizona Form 323 before claiming a credit for excess contributions on Form 348.

However, you do not have to claim a current year credit on Form 323 to **only** claim a credit carryover amount from prior taxable years on Form 348.

Lines 17 through 22

Complete lines 17 through 22 to figure your available credit carryover from taxable years 2017 through 2021. Complete lines 17 through 22 if you claimed this credit on a return for one of these years and the credit was more than your tax.

NOTE: You may carry over only that portion of the credit that you do not apply to tax. You cannot carry over any amount that you gave that was more than the amount allowed as a credit. See the example at the end of these instructions.

- In column (b), enter the credit originally computed for that taxable year listed in column (a).
- In column (c), enter the amount of the credit from that taxable year which you have already used.

Line 25

Add line 23 and line 24. Enter the total. Also, enter this amount on Form 301, Part 1, line 21, column (c).

REMINDER: To claim this credit, you **must** first claim the maximum credit allowed on Arizona Form 323, Credit for Contributions to Private School Tuition Organizations. The amount of credit you must claim on Form 323 depends on your filing status. See Form 323 for these amounts.

EXAMPLE: During 2022, Mary, a single person, gave \$1400 to a certified STO. Mary’s tax liability for 2022 is \$400. Mary claimed the maximum credit amount of \$623 allowed on Arizona Form 323.

Since Mary made a contribution that totaled more than the allowable credit on Arizona form 323, she may claim a credit, on Form 348, up to the maximum amount allowed (for 2022, \$620 for single or head of household; or \$1,238 for married filing joint.)

For 2022, Mary would compute her **available current year’s credit** for Form 348 as follows:

2022 total contributions made	\$ 1,400
Credit claimed on Form 323 for tax year 2022	(\$ 623)
Contributions eligible to use for computing Form 348 credit	\$ 777
Maximum credit on Form 348 that Mary may claim	<u>\$ 620</u>
Contributions exceeding the allowable credit. Mary may not use the amount of the gift, \$157, which was more than the allowable \$620 credit (\$777 minus \$620) to figure her credit on Form 348.	\$ 157

Once Mary computes her credit, she must then determine how much of that credit may be applied to the current year’s tax and how much, if any, may be carried over to a future year.

In this case, Mary has already applied a credit (from Arizona Form 323) against her total tax liability of \$400. Therefore, Mary will have a \$620 carryover on Form 348 for the next taxable year.

Mary will compute her **2022 carryover credit** amount as follows:

Current Year’s Credit	\$ 620
Mary’s 2022 tax liability	\$ 400
Tax credit used – from Arizona Form 323	(\$ 400)
Balance of tax	<u>\$ 0</u>
Amount of current year credit used from Form 348 to off-set taxes	<u>\$ 0</u>
Amount of current year credit from Form 348 available to carryover to next year.	<u>\$ 620</u>

Include this completed form and the Certification of Qualification from the Arizona Commerce Authority with your return.

General Instructions

Arizona Revised Statutes (A.R.S.) §§ 43-1083.03 and 43-1164.04 provide refundable individual and corporate income tax credits for expanding or locating a qualified facility in this state.

NOTE: *Only capital investments in a qualified facility that are made not more than thirty-six months before submitting an application for preapproval are included in the computation of the credit.*

A “qualified facility” means a facility in this state that devotes at least 80% of the property and payroll at the facility to one or more of the following:

- Qualified manufacturing,
- Qualified headquarters,
- Qualified research.

This credit is effective for taxable years beginning from and after December 31, 2012, through December 31, 2030, and is limited to 10% of the lesser of:

- The taxpayer's total capital investment in the qualified facility, or,
- If the total qualifying investment is less than \$2,000,000,000, \$200,000 for each net new full-time employment position(s) with job duties associated with the qualified facility.
- If the total qualifying investment is \$2,000,000,000 or more, \$300,000 for each net new full-time employment position that has job duties associated with the qualified facility.

The credit is apportioned and claimed in five equal annual installments in each of five consecutive taxable years and is in lieu of the credit for New Employment claimed on Form 345, with respect to the same employment positions.

To claim this credit a business must apply for, and receive pre-approval from the Arizona Commerce Authority (Commerce). Commerce cannot pre-approve income tax credits for any one taxpayer in excess of \$30 million in any calendar year. Commerce cannot pre-approve income tax credits in excess of \$70 million annually

Once pre-approval is received, the business must incur at least \$250,000 in qualifying investment within 12 months of pre-approval.

The tax year of pre-approval determines the "allocation year." The allocation year is the calendar year to which the credit was applied to the annual credit cap.

The business must enter into a managed review with Commerce prior to applying for post-approval. The business must obtain post-approval from Commerce prior to claiming the credit. The first fifth of the apportioned credit is claimed on the tax return that includes the post-approval date.

For example, Company A, is a calendar year filer. Company A received pre-approval from Commerce for a qualified facility on March 11, 2020, and received its post-approval on March 14, 2022. Because Company A completed everything necessary to earn the credit in calendar year 2022, the first fifth of the credit must be claimed on the tax return for calendar year 2022.

NOTE: *Each fifth of the credit for qualified facilities must be claimed on a timely filed original income tax return, including extensions. If you do not claim this credit on a timely filed original return, you cannot claim this credit on an amended return. Failing to claim this credit on a timely-filed original return will result in loss of this credit for that taxable year.*

The taxpayer may claim all five annual installments of a credit that was preapproved before January 1, 2031 by the Arizona Commerce Authority notwithstanding any intervening repeal or other termination of the credit.

The amount of the credit for qualified facilities a taxpayer may claim can never exceed the amount indicated on the post-approval from Commerce.

NOTE: *The business must submit a copy of the Certification of Qualification (Certification) from Commerce with Form 349 when claiming the credit.*

Co-owners of a business, including partners in a partnership and shareholders of an S Corporation, may each claim only the *pro rata* share of the apportioned credit based on ownership interest. The total of the apportioned credits allowed to all such owners may not exceed the amount that would have been allowed for a sole owner of the business.

The credit is available to an exempt organization that is subject to corporate income tax on unrelated business taxable income (UBTI). The credit must result from the activities that generate UBTI.

Credit Recapture

During the pre-approval process with Commerce, the applicant must consent to adjustment or recapture of the income tax credit in the case of noncompliance with A.R.S. § 41-1512.

If, within five taxable years after first receiving the credit for qualified facilities, the Certification is rescinded by Commerce, the taxpayer is disqualified from the apportioned credits for subsequent taxable years and may be subject to recapture.

On a determination that the taxpayer has committed fraud or relocated outside of this state within five taxable years of first receiving a credit, all credits previously allowed are subject to recapture.

The recapture of the credit is computed by increasing the amount of taxes imposed in the year following the year of termination or revocation by the full amount of all credits previously allowed.

Specific Instructions

Complete the name and taxpayer identification number (TIN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form with the tax return.

All returns, statements, and other documents filed with the department require a TIN. The TIN for a corporation, an S Corporation, an exempt organization with UBTI, or a partnership is the taxpayer's employer identification number (EIN). The TIN for an individual is the taxpayer's Social Security Number or an Internal Revenue Service individual taxpayer identification number. A taxpayer that fails to include its TIN may be subject to a penalty.

- Invest \$1.25 billion in the IOC within 10 years after being certified by the Arizona Commerce Authority (ACA).
- The energy produced must be used for self-consumption
- By the fifth year the facility is in operation, at least 51 percent of the energy produced must be used for self-consumption in Arizona.

NOTE: A taxpayer that is initially authorized as an International Operations Center after December 31, 2018 may not claim this tax credit.

This credit is available to corporate taxpayers, exempt organizations subject to unrelated business taxable income (UBTI), and corporate partners in a partnership. The total of the credits may not exceed the amount that would have been allowed for a sole owner of the business.

If the current taxable year's credit exceeds the taxpayer's tax liability for the taxable year, the taxpayer may carry forward the unused credit to the next five consecutive taxable years. No credit, other than carryovers generated properly, may be claimed for any taxable year beginning after December 31, 2025.

General Information

This credit provides nonrefundable corporate income tax credits for investment in new renewable energy facilities that produce energy for self-consumption using renewable energy resources if the power will be used primarily for an International Operations Centers. The credit authorized is \$5 million per year for five years. The initial credit is claimed in the year the facility becomes operational.

NOTE: For taxable years beginning from and after December 31, 2018, this credit is no longer available to individual taxpayers. It is available only to corporate taxpayers.

Credit Recapture

If an IOC taxpayer fails to make the \$1.25 billion investment in the center within the 10 years after certification, this credit is recaptured in inverse proportion to the total capital investment made in the IOC by the \$1.25 billion. The recapture must be made on the taxpayer's income tax return for the taxable year in which it is first known that the required investment would not be made within the required time or the taxable year in which the certification was revoked.

Claiming this Credit

To claim this credit, a taxpayer must apply to the Arizona Department of Revenue (Department) for certification. The department reviews and pre-approves the taxpayer for the credit on a first-come, first-served basis. The maximum amount of this credit a taxpayer can receive is \$5,000,000 per tax year. The department may not authorize tax credits under A.R.S. § 43-1164.05 that exceed, in the aggregate, a total of \$10 million for any calendar year.

The taxpayer must submit a request for final certification to the department within 30 days after the renewable energy facility for which authorization was given becomes operational. See the program guidelines at www.azdor.gov under the "Tax Credits" section.

The taxpayer must qualify for this credit as an International Operations Center (IOC).

To qualify, a taxpayer must:

- Invest at least \$100 million in one or more renewable energy facilities in Arizona.
- The minimum investment of \$100 million must be completed within a 3-year period beginning on the date the initial application is received by the department or by December 31, 2018, whichever is earlier.

Example:

Ten years after its certification, an IOC taxpayer invested \$900 million in its center and claimed \$25 million for this credit (\$5,000,000 per year for 5 years.) The IOC taxpayer will determine its credit recapture by subtracting its total investment (\$900 million) from the required investment (\$1.25 billion) and dividing that amount by the required investment.

IOC taxpayer invests \$900 million in 10 years.

Required investment amount is \$1.25 billion.

Required Investment	\$1,250,000,000
Total Investment	\$ 900,000,000
Amount not invested	\$ 350,000,000
Amount not invested	\$ 350,000,000
Required Investment	\$1,250,000,000
Percentage not invested	28%

Calculate Credit Recapture

Total Credit Claimed	<u>\$25,000,000</u>
Percentage (above)	28%
Amount to Recapture	<u>\$ 7,000,000</u>

The IOC taxpayer will report a credit recapture on its income tax return of \$7 million.

Specific Instructions

Complete the name and taxpayer identification number (TIN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form and all supporting documentation with the tax return.

All returns, statements, and other documents filed with the department require a TIN. On your Form 351, line 21 is \$5,000,000 and line 20 is \$4,000,000. If you subtract line 21 from line 20, the difference is negative (\$1,000,000).

As instructed above, you then subtract line 20, \$5,000,000, from line 21, \$4,000,000. The result is \$1,000,000.

A partnership must complete its own Form 351, Parts 1 through 4 (as necessary) to pass this credit through to its partners.

NOTE: *If you have more than 10 corporate partners, create a similar worksheet to pass through the credit amount. Include that amount with your return.*

To pass this credit amount through to your corporate partners - enter the Tax Year(s) on the notice you received from the Department or from Forms 351-P you received.

Using the table below, complete lines 1 – 10 as follows:

- Enter each corporate partner’s name in column (a)

Total:

Add the amounts in column (d) and enter the total. This amount will equal the credit amount on the certificate you received from the Department.

To complete the pass through of this credit, the partnership must complete Form 351-P for each corporate partner, and:

- Provide each corporate partner with their respective copy of Form 351-P,
- Include a copy of each completed Form 351-P with its tax return, and
- Keep a copy of each completed Form 351-P for its records.

The corporate partner will then complete its own Form 351 to claim this credit.

NOTE: *Each corporate partner is entitled to only a pro rata share of the credit based on the corporate partner’s ownership interest in the partnership. The total of the credit allowed to all partners may not exceed the amount that would have been allowed for a sole owner.*

RECAPTURE OF THIS CREDIT PASSED THROUGH TO CORPORATE PARTNERS OF A PARTNERSHIP

If you passed this credit through to your corporate partners in a previous tax year and then received a notice from the Arizona Department of Revenue that your credit is subject to recapture during this year, you must pass the amount(s) subject to recapture through to your corporate partners that received the credit.

This credit was passed through to your corporate partners based on their ownership percentage (per year). The recapture amount is based on a percentage of the total credit passed through to all partners. You will receive a notice of recapture from the Department indicating the percentage of this credit that is subject to recapture. You must notify your shareholders of their portion of this amount.

To notify your corporate partners of their respective amount(s) of this credit that is subject to recapture from them:

- A. Determine the amount of credit passed through to each partner for all years of the credit
- B. Multiply the amount in A (above) by the recapture percentage (provided by Arizona Department of Revenue)
- C. Complete Part 2 of Form 351-P for each partner informing him/her of the amount of this credit subject to recapture.

Example:

Partnership claimed this credit for five years, 1 through 5. Each year, Partnership claimed the maximum amount, \$5M. The total credit claimed was \$25M.

During the time Partnership claimed this credit, it had 5 corporate Partners:

- Corporate Partner A owned 20% of Partnership for each year, 1 through 5
- Corporate Partner B owned 20% of Partnership for each year 1 through 5
- Corporate Partner C owned 20% of Partnership for years 1 through 3; in year 4, Partner C sold its ownership percentage of Partnership to Corporate Partner D
- Corporate Partner D owned 20% of Partnership for years 1 through 3; for years 4 and 5, Corporate Partner D owned 40% of Partnership
- Corporate Partner E owned 20% of Partnership for each year 1 through 5.

During year 7, Partnership received a notice from the Department indicating 40%, or \$10Million of its credit is subject to recapture.

Using the 351-P Forms it completed for years 1 through 5, Partnership determined it passed through the following amounts of credits to each of its partners for these years:

Corporate Partner	Total Credit Passed Through
Corporate Partner A	\$ 5,000,000
Corporate Partner B	\$ 5,000,000
Corporate Partner C	\$ 3,000,000
Corporate Partner D	\$ 7,000,000
Corporate Partner E	\$ 5,000,000
Total Credit	\$25,000,000

Multiplying each partner’s amount of credit “passed through” by the recapture percentage, 40%, Partnership determined the credit amount(s) subject to recapture for each partner is:

Partner:	Credit Amount	Recapture %	Subject to Recapture
Corporate Partner A	\$ 5,000,000	40%	\$ 2,000,000
Corporate Partner B	\$ 5,000,000	40%	\$ 2,000,000
Corporate Partner C	\$ 3,000,000	40%	\$ 1,200,000
Corporate Partner D	\$ 7,000,000	40%	\$ 2,800,000
Corporate Partner E	\$ 5,000,000	40%	\$ 2,000,000
Total Credit	\$25,000,000	40%	\$10,000,000

Partnership completed Form 351-P for each corporate partner above informing it of the amount of this credit that is subject to recapture.

General Instructions

NOTE: You **must** also complete Arizona Form 301, Nonrefundable Individual Tax Credits and Recapture, and include Forms 301 and 352 with your tax return to claim this credit.

Arizona law provides a **separate** credit for cash contributions made to qualifying foster care charitable organizations (QFCO).

CAUTION: Cash Contributions made after December 31, 2015, to a QFCO do not qualify for, and cannot be included in, a credit claimed on Arizona Form 321 for cash contributions made to a qualifying charitable organization (QCO).

If you made cash contributions to a **non-foster care qualifying charitable organization**, you **must** complete Arizona Form 321 to claim a credit for those contributions. Do **not** use Form 352 to claim a credit for contributions made to non-foster care charitable organizations.

This credit is available **only** to individuals. Corporations may not claim this credit. A partnership may not pass the credit through to its partners. An S Corporation may not pass the credit through to its shareholders.

What is a QFCO?

A QFCO is a qualifying charitable organization that is exempt from federal income taxation under section 501(c)(3) of the internal revenue code or is a designated community action agency that receives community services block grant program monies pursuant to 42 United States Code section 9901 and each operating year provides services to at least two hundred qualified individuals in Arizona. The charity must spend at least 50% of its budget on services to qualified individuals in this state.

"Qualified individual" means any of the following:

- (a) A foster child as defined in section 8-501.
- (b) a person who is participating in an independent living program as prescribed in section 8-521.
- (c) A person who is participating in a transitional independent living program as prescribed by section 8-521.01.
- (d) A person who is participating in an extended foster care program as prescribed in section 8-521.02.
- (e) A person who is under twenty-seven years of age and whose reason for leaving foster care is any of the following:
 - (i) Reaching eighteen years of age.
 - (ii) Adoption or legal guardianship after reaching fifteen years of age.
 - (iii) Reunification after reaching fourteen years of age.

"Foster home" means a home maintained by any individual or individuals having the care or control of minor children, other than those related to each other by blood or marriage, or related to such individuals, or who are legal wards of such individuals.

For a QFCO, "Services" means the following:

For a qualifying foster care charitable organization, cash assistance, medical care, behavioral health services, child care, food (including snacks at a QFCO's foster youth event), including snacks at the qualifying foster care charitable organization's foster youth event, clothing, job placement services, job training services, character education programs, workforce development programs, secondary education student retention programs, housing or financial literacy services or any other assistance that is reasonably necessary to meet basic needs or provide normalcy and that is provided and used in this state. For the purposes of this subdivision:

- (i) "Behavioral health services" has the same meaning prescribed in section 36-401.
- (ii) "Character education program" means any program described in section 15-719, subsection b that is offered by a qualifying foster care charitable organization.
- (iii) "Job training services" has the same meaning as vocational and technical preparation as defined in section 15-781.
- (iv) "Normalcy" means the condition of experiencing a typical childhood by participating in activities that are age or developmentally-appropriate, as defined in 42 US code section 675.
- (v) "Workforce development program" means any program recognized by the workforce Arizona council pursuant to section 41-5401.

NOTE: For more information on what is a qualifying charitable organization, see the instructions for Form 321.

How Can I Tell if a Foster Care Charity Qualifies?

To qualify, a foster care charity must provide the department with written certification that it meets the criteria necessary to be considered a qualifying foster care charity.

To see a list of qualifying foster care charities, visit our website and click on *Tax Credits* and select *Contributions to QCOs and QFCOs*.

- For donations made in 2022 - use the 2022 list.
- For donations made from January 1, 2023 to April 18, 2023 - use the 2023 list.

A cash contribution for which a credit is claimed and that is made on or before the fifteenth day of the fourth month following the close of the taxable year may be applied to either the current or preceding taxable year and is considered to have been made on the last day of that taxable year.

For calendar year filers, credit eligible cash contributions made to a QFCO from January 1, 2023 through April 18, 2023 may be used as a tax credit on either your 2022 or 2023 Arizona income tax return.

IMPORTANT: *To claim a credit on your 2022 tax return for contributions made January 1, 2023 through April 18, 2023 the charitable organization must be certified by the department for the 2023 tax year.*

If you claim this credit in 2022 for a cash contribution made from January 1, 2023 through April 18, 2023 you must make an adjustment on your 2023 Arizona Form 140 Schedule A, Form 140PY Schedule A(PY) or A(PYN), or Form 140NR Schedule A(NR).

NOTE: *You cannot claim both a tax credit and an itemized deduction for the amount of contributions made to a QFCO for which you are claiming a credit.*

You cannot claim an increased standard deduction for the amount of contributions made to a QFCO for which you are claiming a credit.

The maximum amount of credit that a taxpayer can establish for the current taxable year is \$500 for single taxpayers or heads of household. For married taxpayers filing a joint return, the maximum amount of credit that a taxpayer can establish for the current taxable year is \$1,000. In most cases, for married taxpayers who file separate returns, each spouse may claim only **one-half** (½) of the total credit that would have been allowed on a joint return up to \$500.

NOTE: *The maximum amount of credit established for the current taxable year does **not** include any unused valid carryover amount(s) from prior taxable years. Because this is a nonrefundable credit, the total amount of available credit [current year plus any valid carryover amount(s)] that a taxpayer may use for the taxable year cannot be greater than the tax liability shown.*

If the allowable tax credit is more than your tax or if you have no tax, you may carry the unused credit forward for up to the next five consecutive taxable years' income tax liability.

You may qualify for this credit if you make cash contributions to a qualified foster care charity through an Umbrella Charitable Organization (UCO). An UCO is a charitable organization that collects contributions on behalf of member charities and directs that contribution as designated by the taxpayer to a QFCO that is certified by the Department.

In this case, 100% of the contribution to a specific qualifying foster care charitable organization or to a specific fund of the UCO must be distributed to a QFCO that is certified by the Department.

The UCO will need to provide you with a receipt for your contribution that specifies the QFCO or fund to whom the contribution is designated and certifies that 100% of the contribution will be distributed to the named QFCO. If a fund is designated then the receipt should certify that 100% of the fund is distributed to a QFCO that is certified by the Department.

NOTE: *You may be able to make contributions to these charities through your payroll withholding. Contact your employer and ask if they can withhold contributions for this credit from your pay.*

For more information, see the department's publication, Pub 710, *Credit for Contributions to Qualifying Charitable Organizations*.

What is a Qualifying Foster Care Charitable Organization Code?

For Arizona tax credit purposes, the department assigns a code (a 5 digit identification number) to each QFCO and the UCO fund (for example: 12345). If your donation receipt did not include the foster care charity's code, the department's list of qualifying charities includes the code assigned to each charity and the UCO fund code.

Be sure to enter the code number, in column (a), for each qualifying foster care charity for which you and your spouse made cash contributions.

Line-by-Line Instructions

Enter your name and Social Security Number (SSN) as shown on Arizona Forms 140, 140PY, 140NR, or 140X.

All returns, statements, and other documents filed with the department require a taxpayer identification number (TIN). The TIN for an individual is the taxpayer's SSN or an Internal Revenue Service (IRS) individual taxpayer identification number (ITIN). Taxpayers that fail to include their identification number may be subject to a penalty.

NOTE: *Complete Parts 1 and 3 **only** if you are claiming a new credit for the current tax year.*

If you are only claiming a carryover amount available from a previous credit, complete Parts 2 and 3.

Part 1 - Current Year's Credit**A. Cash contributions made January 1, 2022 through December 31, 2022**

NOTE: *If you are married and filing separate returns, be sure to include all cash contributions made by you and your spouse.*

If a fund is designated, the Umbrella Charitable Organization Fund Code and the name of the fund are reported on the tax form.*

If you made cash contributions to more than three QFCOs, complete the Continuation Sheet on page 3 of the form and include it with the credit form.

What if I Made More than Ten (10) Contributions to the Same Qualified Charitable Organization?

If you made more than ten (10) re-occurring monthly donations (or used paycheck deductions) for contributions **to the same qualified charitable organization**, the department will permit the netting/summarizing of the contributions made to the same charity and provision of one common date (for example 12/31/22). Enter the total amount of contributions made in column (d).

Line 4

Enter the amount from line 4h of the continuation Sheet; otherwise enter "0".

Lines 5

Add lines 1 through 4, column (d). Enter the total.

What if I Made More than Ten (10) Contributions to the Same Qualified Charitable Organization?

If you made more than ten (10) re-occurring monthly donations (or used paycheck deductions) for contributions **to the same qualified charitable organization**, the department will permit the netting/summarizing of the contributions made to the same charity and provision of one common date (for example 04/18/23). If you are married filing a separate return, but you could have filed a joint return, you may take only $\frac{1}{2}$ of the total credit that you and your spouse would have been allowed to take on a joint return, up to a maximum of \$500. In this case, enter $\frac{1}{2}$ of the smaller of line 11 or line 12.

Part 2 - Available Credit Carryover**Lines 14 through 19**

Use lines 14 through 19 to figure your total available credit carryover from taxable years 2017 through 2021 if you claimed this credit on these returns and the credit was more than your tax.

NOTE: *You may carry over only that portion of the credit that you do not apply to tax. You cannot carry over any amount that you gave that was more than the maximum amount allowed as a credit.*

For example: During 2022, Mary, a single person, gave \$600 to a qualified foster care charity. For 2022, Mary is allowed a maximum credit of \$500. Mary's 2022 tax is \$250. Mary can apply \$250 of the credit to her 2022 tax liability and carryover \$250 of the unused \$500 credit to 2023.

Mary cannot claim any credit for the \$100 gift that was more than the allowable credit (\$600 minus allowable credit of \$500).

General Instructions

Arizona Revised Statutes §§ 43-1076.01 and 43-1162 provide for nonrefundable individual and corporate income tax credits for processing qualifying forest products.

A taxpayer is eligible for this credit if all of the following apply:

- The taxpayer has a current Healthy Forest Enterprise Incentive Certification and Memorandum of Understanding with the Arizona Commerce Authority.
- The taxpayer processes qualifying forest products from a qualifying project from and after December 31, 2020 and before January 1, 2031.
- The facility that processes qualifying forest products is located within this state.

“Qualifying forest products” means dead standing and fallen timber, and forest thinnings associated with the harvest of small diameter timber, slash, wood chips, peelings, brush and other woody vegetation, removed from federal, state and other public forest land and from private forest land.

A “qualifying project” means harvesting, transporting or processing qualifying forest products as required for certification.

“Processed” or “processing” means any change in the physical structure of qualifying forest products removed from a qualifying project into a marketable commercial product or component of a product that has commercial value with or without further altering its form.

Claiming the Credit

To claim this credit, the taxpayer must apply to the department for certification of the credit. The department shall accept applications beginning January 2 through January 31 of the year following the calendar year for which the credit is being requested.

The application must include:

- The taxpayer’s name, address and social security number or federal employer identification number.
- The location of the taxpayer’s facility that processes qualifying forest products for which the credit is claimed.

- The amount of the credit being claimed.
- The date the taxpayer began processing commercially marketable amounts of qualifying forest products.
- Any additional information the department requires.

The first time a taxpayer submits a qualified application, the department shall add the taxpayer’s name to a credit authorization list in the order in which qualified applications are first received by the department. A taxpayer’s position on the list shall be determined in the first year the taxpayer submits an application. The taxpayer’s position on the list shall remain unchanged for the remainder of the credit period, or until a year in which the taxpayer fails to submit a timely application. If a taxpayer is removed from the credit authorization list, the taxpayer may establish a new position on the credit authorization list in a subsequent year by filing a timely application for processing qualifying forest products that qualifies for the credit.

The credit authorized is based on the number of tons of qualifying forest products that a taxpayer processes during a calendar year. For a taxpayer that files a fiscal year return, the credit shall be claimed on the return for the taxable (fiscal) year in which the calendar year ends.

The amount of the credit is \$10,000 for the first twenty thousand tons and \$5,000 for every ten thousand tons thereafter of qualifying forest products the taxpayer processes in the calendar year.

Credits are allowed on a first-come, first-served basis. The amount of the credit for any calendar year may not exceed \$500,000 per taxpayer that processes qualifying forest products, or \$2,000,000 in the aggregate for any calendar year.

If an application is received that, if authorized, would require the department to exceed the \$2,000,000 limit, the department shall grant the applicant only the remaining credit amount that would not exceed the \$2,000,000 limit.

Co-owners of a facility that processes qualifying forest products, including partners in a partnership and shareholders of an S Corporation, may each claim a pro rata share of the credit allowed based on ownership interest. The total of all such owners may not exceed the amount that would have been allowed under a sole owner.

If the current taxable year’s credit exceeds the taxpayer’s tax liability for the taxable year, the taxpayer may carry forward the unused credit to the next five consecutive years.

Specific Instructions

Complete the name and taxpayer identification number (TIN) section at the top of the form. Indicate the period covered by the taxable year. Include the completed form and all supporting documentation with the tax return.

All returns, statements, and other documents filed with the department require a TIN. Taxpayers that fail to include their TIN may be subject to a penalty.

General Instructions

Arizona Revised Statutes (A.R.S.) §§ 43-1075 and 43-1163 provide for nonrefundable individual and corporate income tax credits for projects in this state that qualify for the federal low-income housing tax credit under section 42 of the Internal Revenue Code (IRC) that are placed in service from and after June 30, 2022 in an amount equal to at least fifty-percent (50%) of the amount of the federal credit allowed in each taxable year during the federal credit period.

Housing shall allocate the tax credits according to its current qualified allocation plan adopted pursuant to section 42(m) of the IRC. Housing shall allocate a total of four million dollars (\$4,000,000) of tax credits in any calendar year. At the end of the calendar year, if an unused balance occurs, the balance shall be reallocated to the next year.

Any taxpayer that owns an interest in an investment in a qualified project that receives an Eligibility Statement from Housing is allowed a tax credit from and after December 31, 2021 and before January 1, 2026, if the taxpayer acquires the interest before filing a tax return claiming the credit.

A qualified project that is approved for the purposes of the credit is not eligible for any abatement, exemption or other reduction in state or local *ad valorem* property taxes otherwise allowed by statute.

If all or part of the federal low-income housing tax credit with respect to the qualified project is subject to recapture under section 42 of the internal revenue code during the first ten taxable years after the project is placed in service, the credit under this section is also subject to recapture in a proportional amount from all taxpayers who claimed the credit.

Claiming the Credit

The taxpayer must first apply for an eligibility statement from the Arizona Department of Housing (Housing) certifying that the taxpayer has housing projects in this state that qualify for the federal low-income housing credit and that are placed in service from and after June 30, 2022.

To claim the credit, the taxpayer must submit the Eligibility Statement provided by the Housing to the Arizona Department of

Revenue (Revenue) with the taxpayer's income tax return. A credit is not allowed until the taxpayer furnishes the required documentation.

On notice to Revenue, the credit may be allocated among the partners, members or shareholders as they may agree among themselves regardless of the size of such participant's ownership interest. A partner, member or shareholder may hold an investment exclusively in either the state credits or federal credits allocated to the qualified project.

If the amount of the credit for a taxable year exceeds the amount of taxes otherwise due on a claimant's income, or if there are no taxes due, the taxpayer may carry forward the amount of the claim not used for not more than five consecutive taxable years' income tax liability.

If all or part of this credit is subject to recapture during the first 10 taxable years after the project is placed in service, the credit is subject to recapture in a proportional amount from all taxpayers who claimed the credit. The recapture is calculated by increasing the amount of taxes imposed in the following year by the amount recaptured.

General Information

All taxpayers: you must round dollar amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar. If less than 50 cents, round down. Do not enter cents.

NOTE: The 2022 tax table for estates and trusts is available on the department's website at: azdor.gov/forms/fiduciary-forms.

Estates

An Arizona resident estate is the estate of a decedent who was a resident of Arizona at the time of death. The starting point for the Arizona income tax computation for a resident estate is the estate's federal taxable income.

A nonresident estate is an estate that is not a resident estate. The starting point for a nonresident estate is that portion of the estate's federal taxable income derived from Arizona sources.

Trusts

An Arizona resident trust is a trust of which the fiduciary is a resident of Arizona. If the trust has more than one fiduciary, the trust is a resident trust if at least one of the fiduciaries is a resident of Arizona. If a corporate fiduciary engaged in interstate trust administration is the sole fiduciary of a trust, or is a co-fiduciary with a nonresident, the trust is a resident trust only if the corporate fiduciary conducts the administration of the trust in Arizona. The starting point for the Arizona income tax computation for a resident trust is the trust's federal taxable income.

A nonresident trust is a trust that is not a resident trust. The starting point for a nonresident trust is that portion of the trust's federal taxable income derived from Arizona sources.

Payment of tax by Electronic Funds Transfer (EFT)

NOTE: For tax year 2022, fiduciaries are not able to make EFT payments using AZTaxes.gov. or ACH Credit for Form 141 AZ: If the electronic return is filed through a third-party software vendor, any tax liability shown on the Form 141 AZ can be remitted by using direct debit through the vendor's software.

For Form 141 AZ EXT: If the electronic extension is filed through a third-party software vendor, any tax extension payment on the Form 141 AZ EXT can be remitted by using direct debit through the vendor's software.

A Fiduciary is required to pay the estate or trust tax liability by electronic funds transfer (EFT) if the estate or trust owes \$500 or more for any taxable year beginning from and after December 31, 2020.

The fiduciary may apply to the director for an annual waiver from the electronic payment requirement. The application must be received by December 31 of each year. The director may grant the waiver if any of the following applies.

- The fiduciary has no computer.
- The fiduciary has no internet access.
- Any other circumstance considered to be worthy by the director exists, including:

- The fiduciary has a sustained record of timely payments; and,
- No delinquent tax account with the department.

To request a waiver, submit Form 292, *Electronic Filing and Payment Waiver Application*, to the department. Form 292 is available at azdor.gov/forms/other-forms.

If the fiduciary is granted a waiver from the electronic payment requirement, the fiduciary may remit the tax liability by mailing a payment separately for taxes due, completing Form 141AZ V, and mailing the voucher form with the tax payment to the address shown on voucher form.

If the Estate or Trust is making an extension payment (Form 141AZ EXT) or an estimated tax payment (Form 141AZ EST), those payments must be mailed to the department.

NOTE: A corporation, including Estates and Trusts, who are required to pay by EFT but who fail to do so is subject to a penalty of 5% of the amount of the payment not made by EFT. See A.R.S. § 42-1125(O).

For additional information on electronic funds transfer, refer to A.R.S. § 42-1129 and the related Arizona Administrative Code rules (A.A.C. R15-10-301 through R15-10-307) for detailed information.

Who Must File

The fiduciary, or fiduciaries, must file a return for an estate or trust if:

1. The estate or trust has any Arizona taxable income for the tax year.
2. The estate or trust's gross income for the tax year is \$5,000 or more, regardless of the amount of the Arizona taxable income.

This also applies to bankruptcy estates.

Electronic Filing of Arizona Fiduciary Income Tax Returns

NOTE: You can only electronically file Form 141AZ if you electronically filed Form 1041 or 1041-QFT. If you were not required to electronically file the federal return and mailed the return to the IRS, you must also mail your Arizona return to the department at the address shown on Form 141AZ.

Fiduciary income tax returns shall be filed electronically for taxable years beginning from and after December 31, 2019. Any fiduciary who is required to file its tax return electronically may apply to the director for an annual waiver from the electronic filing requirement. The waiver may be granted if any of the following apply.

- The taxpayer has no computer.
- The taxpayer has no internet access; or
- Any other circumstance considered to be worthy by the director.

Waivers are granted on an annual basis and expire at the end of the requested tax year. Waivers must be renewed each calendar year. If a waiver is not renewed, you will be subject

to statutory electronic filing and payment requirements at the expiration of your waiver.

To request a waiver, submit Form 292, *Electronic Filing and Payment Waiver Application*, to the department. Form 292 is available at azdor.gov/forms/other-forms/electronic-filing-and-payment-waiver-application.

A waiver is not required if the estate or trust income tax return cannot be electronically filed for reasons beyond the fiduciary's control, including situations in which the fiduciary was instructed by either the Internal Revenue Service or the Arizona Department of Revenue to file by paper.

Contact the department at azefile@azdor.gov if you need assistance in electronically submitting your Arizona Fiduciary income tax return.

Fiduciary Filing Return on Arizona Form 140

Every fiduciary, except a receiver appointed by authority of law in possession of part only of the property of an individual, shall make a return for any of the following taxpayers for whom the fiduciary acts:

- Every individual who is required to file an individual income tax return under section 43-301.
- Every decedent, for the year in which death occurred and for prior years, if returns for such years should have been filed but have not been filed by the decedent, under such rules as the department may prescribe.

Any fiduciary required to make a return for an individual is subject to the provisions of this title that apply to individuals.

For individual filing purposes, gross income is gross income as defined under the Internal Revenue Code (IRC) less income included in gross income that is excluded from Arizona taxation.

For Example: A taxpayer died on June 29, 2022. The decedent had wages of \$9,700 and interest income of \$920 received through the date of death. The personal representative files a final Arizona Form 140 for the period January 1, 2022, through June 29, 2022. The personal representative notes on the Form 140 that the taxpayer is deceased as of June 29, 2022. The personal representative reports the wage and interest income of \$10,620 on the Form 140. The personal representative reports all income that the estate receives from June 30, 2022, forward on the Form 141AZ.

A fiduciary who has charge of the income of an individual must file a return of income on Form 140 if that individual's income meets the filing requirements. Such fiduciaries include guardians of minors and guardians or committees of legally incompetent persons. Where several fiduciaries exist, a return filed by one of two or more joint fiduciaries is sufficient.

NOTE: The fiduciary must file a final return for an estate when the fiduciary is requesting a tax certificate required by the probate court. In this case, the fiduciary must file a final return regardless of the estate's income. See instructions for requesting a certificate on page 4.

Filing for a Charitable Remainder Trust

Charitable remainder trusts should file on Form 141AZ. The fiduciary should indicate that the return is for a charitable remainder trust by checking the appropriate box on line 6.

The trustee should not enter any numerical figures on the face of the return. Go directly to the signature line. The trustee should not complete a Form 141AZ Schedule K-1 or Schedule K-1(NR) for any of its beneficiaries.

Grantor Trusts

Grantor trusts file only an information return since the income reverts to the grantor. The grantor reports this income on the individual income tax return (Arizona Form 140). The fiduciary should indicate that the return is for a grantor trust by checking the appropriate box on line 6. Do not enter any numerical figures on the face of the return. Go directly to the signature line.

Qualified Subchapter S Trusts (QSST)

A QSST that is treated as a grantor trust for federal purposes will be treated the same for Arizona purposes.

Qualified Funeral Trusts (QFT)

The trustee of a trust that has elected and qualified under federal law to be taxed as a qualified funeral trust files federal Form 1041-QFT. For Arizona purposes, the trustee should file using Form 141AZ.

If the trustee files a single, composite Form 1041-QFT for some or all of the QFTs of which he or she is a trustee, the trustee may also file a single, composite Form 141AZ. The trustee would check the appropriate boxes on line 6.

NOTE: *The trustee may e-file a composite Form 141AZ only if the trustee also e-files the federal Form 1041-QFT.*

The trustee is required to include a statement with the composite Form 141AZ that includes the following information for each QFT (or separate interest treated as a separate QFT):

- The name and owner or the beneficiary. If you list the name of the owner and the trust has more than one beneficiary, you must separate the trust into shares held by the separate beneficiaries;
- The type and gross amount of each type of income earned by the QFT for the tax year. For capital gains, identify separately the amount of (a) net short-term capital gain, (b) net long-term capital gain breaking out the amount of long-term gain for assets (1) acquired after December 31, 2011 and (2) before January 1, 2012;
- The type and amount of each Arizona deduction and, if claimed, each beneficiary's share of credit *for taxes paid to other state or country* allocable to the QFT;
- The tax and payments made for each QFT; and
- The termination date for each QFT that was terminated during the year.

Where Should You Mail the Return?

If you are **expecting a refund, or owe no tax, or owe tax but are not sending a payment**, mail the return to

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

If you are **sending a payment** with this return, mail the return to

Arizona Department of Revenue
PO Box 52016
Phoenix, AZ 85072-2016

When Should You File Form 141AZ?

Your 2022 calendar year tax return is due no later than midnight, April 18, 2023. You must file a return made on a fiscal year basis by the 15th day of the fourth month following the close of the fiscal year. Your original filing date must be the same for Arizona as it is for federal purposes.

You may request an extension if you know you will not be able to file on time. An extension does not extend the time to pay the income tax. Failure to pay at least 90% (.90) of the tax due by the original due date will result in a penalty.

NOTE: *Arizona will grant a 5½-month extension. For more information, see the department's ruling, FTR 17-1, Extension for Estates and Trusts Filing.*

Arizona charges interest on any unpaid tax. The extension underpayment penalty is ½ of 1% (.005) of the tax not paid for each 30-day period or fraction of a 30-day period. The extension underpayment penalty cannot exceed 25% of the unpaid tax.

To Get a Filing Extension, You Can Either

1. Apply for a state extension (Form 141AZ EXT). To apply for an automatic 5½-month state extension, file Form 141AZ EXT by April 18, 2023. See Form 141AZ EXT for details. You do not have to include a copy of the extension with your return when you file, but make sure that you check extension box **82E** (above the estate or trust name) on page 1 of the return. If you must make a payment, use Form 141AZ EXT.
2. Use your federal extension. File your Arizona return by the same due date. You do not have to include a copy of the extension with your return, but make sure that you check extension box **82E** (above the estate or trust name) on page 1 of the return.

A **Qualified Funeral Trust** using a federal extension (Form 7004) to file its federal Form 1041-QFT will be allowed the same extension period (6-months) to file Form 141AZ. For calendar year filers, the return due date will be October 16, 2023.

Does an Estate or Trust Have to Make Estimated Payments?

An estate or trust does not have to make estimated payments. An estate or trust may elect to make Arizona estimated tax payments on Form 141AZ ES.

What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2022 calendar return by April 18, 2023, your return will not be late.

You may also use certain private delivery services designated by the Internal Revenue Service (IRS) to meet the “timely mailing as timely filed” rule.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% of the unpaid tax.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30-day period or a fraction of a 30-day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

NOTE: *If you are subject to two or more of the above penalties, the total cannot exceed 25%.*

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

Amended Returns

If you are filing an amended Form 141AZ, check the amended return box on line 6. Complete the entire return, correct the appropriate line(s) with the new information, and recompute your tax liability.

On a separate schedule, explain the reason(s) for the amendment(s) and identify the line(s) and amount(s) being

changed on the amended return. Also, include a copy of the amended federal Form 1041.

NOTE: *You must plainly mark an amended return "Amended" by checking the appropriate box on line 6. The period covered by this return must be the same accounting period as covered by the original return. If you are amending a prior year return, use Form 141AZ for that taxable year.*

Copy of Will or Trust Instrument

Upon the department's request, the fiduciary must submit a copy of the will or trust instrument when the estate or trust's gross income is \$5,000 or more. The fiduciary must swear that the will or trust instrument is a true and complete copy.

Reporting Payments Made by Estate or Trust

An estate or trust that paid salaries or wages may have to report those payments to the department.

Request for Certificate of Payment of Taxes

IMPORTANT: *Make requests for this income tax certificate separately. Do not include requests for the income tax certificate with Form 141AZ. The department can issue certificates only if required by the probate court.*

Enter all items of income and deductions that correspond to those items listed on the federal fiduciary return.

Line A5 should equal the federal taxable income reported on the federal fiduciary return.

Enter that part of each item of income and deductions reported in the federal column that is derived from Arizona sources. Intangible income will not be considered to be from Arizona sources except where it is part of a business, trade, or occupation carried on in Arizona.

Schedule B - Fiduciary Adjustment

Fiduciary adjustment increasing federal taxable income

Use Schedule B, lines B1 through B4, to figure the amount of fiduciary adjustment that increases federal taxable income.

Line B1 - Positive Arizona Fiduciary Adjustment From Another Estate or Trust

Use this adjustment only if the estate or trust's Form 141AZ Schedule K-1, indicates a difference between federal and state distributable income. If the amount shown on the Form 141AZ Schedule K-1 is a positive number, enter that amount.

Line B2 - Non-Arizona Municipal Bond Interest

Arizona taxes interest received from non-Arizona municipal bonds. Enter the amount of this type of interest income that you did not include on the federal return.

You may exclude any expenses incurred to purchase or hold the bond(s). Reduce the interest income by the amount of expenses that you could not deduct on your federal return.

Line B3 - Other Additions to Federal Taxable Income

Enter any other additions, including those shown below, to federal taxable income. Include your own schedule.

A. Total Depreciation Included in Arizona Gross Income

Include the amount of depreciation deducted on the federal return that is included in Arizona gross income. If you make an entry here, also see the instructions for line B9, "Other Subtractions From Federal Taxable Income."

B. Net Operating Losses

Arizona does not have specific provisions for calculating the net operating loss of estates or trusts. Generally, the net operating loss deduction included in the federal taxable income is the amount allowable for Arizona purposes. There are, however, instances when the amount allowable for Arizona may be different.

You must adjust the net operating loss deduction included in the federal taxable income if the estate or trust has already deducted any amount of the net operating loss included in federal taxable income for Arizona purposes. Include on line B3, the amount of net operating loss included in federal taxable income that was previously deducted for Arizona purposes.

Usually, Arizona conforms to the federal net operating loss and the carryback provisions. Arizona, however, did not conform to the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, a taxpayer could have elected to carry the net operating loss back for 3, 4, or 5 years, instead of the normal 2 years.

This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009. If a taxpayer deducted a federal net operating loss carryback under the federal American Recovery and Reinvestment Act of 2009 or the federal Worker, Homeownership, and Business Assistance Act of 2009, see the instructions for line B9, (K).

For information on deducting a net operating loss carryback in cases where a taxpayer did not make an election under IRC § 172(b)(1)(H), see the department's procedure, ITP 13-1,

Procedure for Individuals Deducting a Net Operating Loss Carryback.

C. Annuity Income in Excess of Contributions

Make this adjustment if both of the following apply.

1. The estate or trust received annuity income and the first payment received from the annuity was before December 31, 1978.
2. The sum of the proceeds received from the annuity in all taxable years prior to and including the current tax year exceeds the total consideration premiums paid.

D. Excess of a Partner's Share of Partnership Taxable Income or Loss**Resident Estates and Trusts:**

Make this adjustment if the Arizona Form 165 Schedule K-1 shows a difference between federal and state distributable income.

If the difference reported on line 3 of your Arizona Form 165 Schedule K-1 is a positive number, include that difference as an addition on line B3.

NOTE: *If the difference reported on line 3, of your Arizona Form 165 Schedule K-1 is a negative number, enter that difference as a subtraction on line B9.*

Amending Form 141AZ and Reporting Arizona Form 165PA K-1 Positive Adjustment

If the estate or trust received an Arizona Form 165PA Schedule K-1 include the positive adjustment amount reported on Form 165PA Schedule K-1, line 3, with the total amount of additions reported on line B3.

Nonresident Estates and Trusts

Make this adjustment if the Arizona Form 165 Schedule K-1(NR) shows a difference between federal and state distributable income.

If the difference reported on line 15, column (c), of your Arizona Form 165 Schedule K-1(NR) is a positive number, include that difference as an addition on line B3.

NOTE: *If the difference reported on line 15, column (c), of your Arizona Form 165 Schedule K-1(NR) is a negative number, enter that difference as a subtraction on line B9.*

Amending Form 141AZ and Reporting Arizona Form 165PA Schedule K-1(NR) Positive Adjustment

If the estate or trust received an Arizona Form 165PA Schedule K-1(NR) include the positive adjustment amount reported on Form 165PA Schedule K-1(NR), line 5, with the total amount of additions reported on line B3.

E. Claim of Right Adjustment for Amounts Repaid in 2022

You must make an entry here if **all** of the following apply.

1. During 2022, the estate or trust was required to repay amounts held under a claim of right.
2. The amount required to be repaid was subject to Arizona income tax in the year included in income.

3. The amount required to be repaid during 2022 was more than \$3,000.
4. The estate or trust took a deduction for the amount repaid on its 2022 federal income tax return.
5. The deduction taken on the estate or trust's federal income tax return is reflected in the Arizona taxable income.

If all of the above apply, include the amount deducted on the federal income tax return that is reflected in the Arizona taxable income.

For more information on the Arizona claim of right provisions, see the department's procedure, ITP 16-1, *Procedure for Individuals Who Restore Substantial Amounts Held Under a Claim of Right*.

F. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

1. During a year prior to 2022, the estate or trust was required to repay amounts held under a claim of right.
2. The estate or trust computed its tax for that prior year under Arizona's claim of right provisions.
3. A net operating loss or capital loss was established due to the repayment made in the prior year.
4. 4. The estate or trust is entitled to take that net operating loss or capital loss carryover into account when computing its 2022 Arizona taxable income.
5. The amount of the loss carryover included in the estate or trust's federal income is more than the amount allowed to be taken into account for Arizona purposes.

Include the amount by which the loss carryover included in the federal income is more than the amount allowed for the taxable year under Arizona law.

G. Nonqualified Withdrawals from 529 College Savings Plans

Make this adjustment if both of the following apply.

1. The estate or trust received a nonqualified withdrawal from a 529-college savings plan.
2. The amount of withdrawal was not included in the federal taxable income.

The amount that the fiduciary must add is the amount of withdrawal, but no more than the difference between the amount of contributions subtracted in prior years and the amount added in any prior years.

A nonqualified withdrawal is a withdrawal other than any of the following.

- A qualified withdrawal. A qualified withdrawal is a withdrawal from an account to pay the qualified higher education expenses of the designated beneficiary of the account.
- A withdrawal made as the result of the death or disability of the designated beneficiary of an account.
- A withdrawal that is made on the account of a scholarship, or the allowance or payment described in IRC § 135(d)(1)(B) or (C), and that is received by the

designated beneficiary, but only to the extent of the amount of this scholarship, allowance, or payment.

- A rollover or change of designated beneficiary.

H. Estate Loss of an Arizona Nonprofit Medical Marijuana Dispensary (NMMD) included in Federal Adjusted Gross Income

If the NMMD was registered to an individual as a sole proprietorship and the NMMD becomes part of the individual's estate after the individual died, the estate is required to add the amount of the loss from the dispensary that is included in the computation of the estate's federal adjusted gross income. Include the amount of the loss on line B3.

I. Americans with Disabilities Act Access Expenditures

If a subtraction is taken on Schedule B, line B9, for the full amount of eligible access expenditures paid or incurred during the taxable year to comply with the requirements of the Americans with Disabilities Act of 1990 or Title 41, Chapter 9, Article 8, any amount of eligible access expenditures that is recognized under the internal revenue code, including any amount that is amortized according to federal amortization schedules, and that is included in computing taxable income for the current taxable year must be added to Arizona gross income. (A.R.S. § 43-1021)

J. Entity-Level Income Tax

If the estate or trust is claiming the income tax credit on Form 141AZ (line 19), *Credit for Entity-Level Income Tax*, the fiduciary must add the portion of the tax deducted by the partnership and/or S Corporation and included in the partnership or S Corporation income distributed to the fiduciary. This amount will include both the Arizona tax paid at the entity level due to making the PTE election as well as other state taxes paid at the entity level for making an election comparable to the Arizona's PTE election.

Enter the total amount of tax paid shown on:

- Arizona Form 165, Schedule K-1, Part 5, lines 10 and 11 multiplied by the percentage of the partnership income that was not distributed to the beneficiaries.
- Arizona Form 120S, Schedule K-1, Part 5, lines 9 and 10 multiplied by the percentage of the S Corporation income that was not distributed to the beneficiaries.

NOTE: Enter the tax amount actually paid by the Partnership or S Corporation in 2022. Tax amounts paid in 2023 for tax year 2022 will be added-back on your 2023 tax return. These payments include any fourth QTR estimated taxes paid in January 2023 and any 2023 tax payments made with the Entity's tax return on your behalf.

K. Other Adjustments

Other special adjustments may be necessary. You may need to make an addition for depreciation or amortization. Call one of the numbers listed on page 1 of these instructions if any of the following apply.

1. You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954.
2. You elected to amortize the basis of a pollution control device or the cost of a childcare facility under Arizona law in effect before 1990. You are still deducting amortization or depreciation for that device or facility on your federal income tax return.

Line B4 - Total Adjustments Increasing Federal Taxable Income

Add lines B1 through B3. Enter the total.

Lines B5 through B10 - Fiduciary Adjustment Decreasing Federal Taxable Income

Use Schedule B, lines B5 through B10, to figure the amount of fiduciary adjustment that decreases federal taxable income.

You may only subtract those items for which statutory authority exists. Without such authority, you cannot take a subtraction. If you have any questions concerning subtractions from income, call one of the numbers listed on page 1 of these instructions.

NOTE: *You cannot subtract any amount that is allocable to income excluded from Arizona taxable income.*

Enter the following other subtractions from federal taxable income. Include your own schedule.

Line B5 - Negative Arizona Fiduciary Adjustment From Another Estate or Trust

Use this adjustment only if the Form 141AZ Schedule K-1, indicates a difference between federal and state distributable income. If the amount shown on the Form 141AZ Schedule K-1 is a negative number, enter that amount here.

Line B6 - Interest Received on U.S. Obligations

Enter the amount of interest income from U.S. Government obligations included on page 1, line 7. U.S. Government obligations include obligations such as U.S. savings bonds and treasury bills. You cannot deduct any interest or other related expenses incurred to purchase or carry the obligations. If such expenses are included in Arizona gross income, you must reduce the subtraction by such expenses. Reduce the subtraction only by the amount of such expenses included in your Arizona gross income.

NOTE: *Do not subtract interest earned on Fannie Mae (FNMA) or Ginnie Mae (GNMA) bonds since this interest is taxable by Arizona. For details, see the department's ruling, ITR 06-1, Obligations of the United States Government, Federal Agencies, and United States Territories.*

Do not subtract any amount received from a qualified pension plan that invests in U.S. Government obligations. Do not subtract any amount received from an IRA that invests in U.S.

Government obligations. These amounts are not interest income.

For more information, see the department's rulings, ITR 96-2, *Pension Plan Distributions Derived from Investment in U.S. Government Obligations*; and ITR 96-3, *Distributions Comprised of Income Earned by the IRA*.

Line B7 - Refunds From Other States

Enter any state income tax refunds received from states other than Arizona. Enter an amount only to the extent it is included on page 1, line 7, of Form 141AZ.

Line B8 - Reserved

Do not enter an amount on line B8.

Line B9 - Other Subtractions from Federal Taxable Income

Enter any other subtractions, including those shown below, to federal taxable income. Include your own schedule.

A. Exclusion for U.S. Government, Arizona State, or Local Government Pensions

This subtraction does not apply to nonresident estates or trusts.

If the estate or trust received pension income from any of the sources listed below, subtract the amount received or \$2,500, whichever is less. Only include amounts which the estate or trust reported as income on the federal return.

Public Pensions From the Following Sources Qualify for This Subtraction:

- The United States Government Service Retirement and Disability Fund;
- The United States Foreign Service Retirement and Disability System;
- Retired or retainer pay of the uniformed services of the United States; and
- Any other retirement system or plan established by federal law.

NOTE: *This applies only to those retirement plans authorized and enacted into the U.S. Code. This does not apply to a retirement plan that is only regulated by federal law (i.e., plans that must meet certain federal criteria to be qualified plans).*

- The Arizona State Retirement System;
- The Arizona State Retirement Plan;
- The Corrections Officer Retirement Plan;
- The Public Safety Personnel Retirement Plan;
- The Elected Officials' Retirement Plan;
- A retirement plan established for employees of a county, city, or town in Arizona;
- An optional retirement program established by the Arizona Board of Regents under Arizona Revised Statutes; and
- An optional retirement program established by an Arizona community college district.

NOTE: *Public retirement pensions from states other than Arizona do not qualify for this subtraction.*

B. Qualified Wood Stove, Wood Fireplace, or Gas Fired Fireplace

Arizona allows a subtraction for converting an existing fireplace to one of the following:

- a qualified wood stove;
- a qualified wood fireplace; or
- a gas fired fireplace and non-optional equipment directly related to its operation.

You may subtract up to \$500 for converting an existing fireplace on property located in Arizona to a qualified wood stove, qualified wood fireplace, or gas fired fireplace.

C. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

1. During a year prior to 2022, the estate or trust was required to repay amounts held under a claim of right.
2. The estate or trust computed its tax for that prior year under Arizona's claim of right provisions.
3. A net operating loss or capital loss that was established due to the repayment made in the prior year.
4. The estate or trust is entitled to take that net operating loss or capital loss carryover into account when computing its 2022 Arizona taxable income.
5. The amount of the loss carryover allowed to be taken into account for Arizona purposes is more than the amount included in your federal income.

Include the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your federal income.

D. Certain Expenses Not Allowed For Federal Purposes

The estate or trust may subtract some expenses that it cannot deduct on its federal return when the estate or trust claims certain federal tax credits. These federal tax credits include the following:

- The federal work opportunity credit;
- The empowerment zone employment credit;
- The credit for employer-paid social security taxes on employee cash tips; and
- The Indian employment credit.

If the estate or trust claimed any of these federal tax credits for 2022, include the portion of wages or salaries it paid or incurred during the taxable year equal to the amount of those federal tax credits it received.

A nonresident estate or trust should include the amount of wages or salaries that it paid or incurred during the taxable year that is related to the income sourced to Arizona.

The subtraction is equal to the amount of the federal credits it received.

E. Agricultural Crops Given to Charitable Organizations

Arizona allows a subtraction for qualified crop gifts made during 2022 to one or more charitable organizations. To take this subtraction, **all** of the following must apply.

- The estate or trust must be engaged in the business of farming or processing agricultural crops.
- The crop must be grown in Arizona.
- The gift must be made to a charitable organization located in Arizona.
- The charitable organization must be exempt from Arizona income tax.

The subtraction is the greater of the wholesale market price or the most recent sale price for the crop given. The amount of the subtraction cannot include any amount deducted under IRC § 170 with respect to the crop contribution that exceeds the cost of producing the contributed crop.

To determine if the estate or trust's crop gift qualifies for this subtraction, see the department's procedure, ITP 12-1, *Establishing an Income Tax Subtraction for Agricultural Crops Contributed to Charitable Organizations*.

F. Installment Sale Income From Another State Taxed by the Other State in a Prior Taxable Year

This subtraction does not apply to nonresident estates or trusts.

The estate or trust may subtract any income from an installment sale that has been properly subjected to income tax in another state in a prior tax year. Include the amount of such income included in Arizona gross income in the current taxable year.

A nonresident estate or trust should include such payments only to the extent included in Arizona taxable income.

G. Recalculated Arizona Depreciation**Resident Estate or Trust**

For assets placed in service in taxable years beginning before December 31, 2012, include the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if the taxpayer had elected not to claim bonus depreciation for eligible properties for federal purposes.

For assets placed in service during taxable years beginning from and after December 31, 2012, through December 31, 2013, include the amount of the subtraction for these assets depends on the method you used to compute the depreciation for these assets.

NOTE: For more information, see the department's procedure, ITP 16-2, Procedure for Individuals who Claim Federal and/or Arizona Bonus Depreciation.

For assets placed in service in taxable years beginning from and after December 31, 2013, through December 31, 2015, include the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is 10% of the amount of federal bonus depreciation pursuant to IRC § 168(k).

For assets placed in service in taxable years beginning from and after December 31, 2015, through December 31, 2016, include the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is 55% of the amount of federal bonus depreciation pursuant to IRC § 168(k).

For assets placed in service in taxable years beginning from and after December 31, 2016, include the total amount of depreciation attributable to assets used in an Arizona business allowable pursuant to IRC § 167(a) for the taxable year computed as if the bonus depreciation is the full amount of federal bonus depreciation pursuant to IRC § 168(k).

Add all amounts together and enter the total on line B9.

Nonresident Estate or Trust

For assets placed in service in taxable years beginning before December 31, 2012, include the total amount of depreciation attributable to assets used in an Arizona business allowable pursuant to IRC § 167(a) for the taxable year calculated as if the taxpayer had elected not to claim bonus depreciation for eligible properties for federal purposes.

For assets placed in service during taxable years beginning from and after December 31, 2012 through December 31, 2013, include the amount of the subtraction for these assets depends on the method you used to compute the depreciation for these assets. Enter the total amount of depreciation attributable to assets used in an Arizona business.

NOTE: *For more information, see the department's procedure, ITP 16-2, Procedure for Individuals who Claim Federal and/or Arizona Bonus Depreciation.*

For assets placed in service in taxable years beginning from and after December 31, 2013, through December 31, 2015, include the total amount of depreciation attributable to assets used in an Arizona business allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is 10% of the amount of federal bonus depreciation pursuant to IRC § 168(k).

For assets placed in service in taxable years beginning from and after December 31, 2015, through December 31, 2016, include the total amount of depreciation attributable to assets used in an Arizona business allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is 55% of the amount of federal bonus depreciation pursuant to IRC § 168(k).

For assets placed in service in taxable years beginning from and after December 31, 2016, include the total amount of depreciation attributable to assets used in an Arizona business allowable pursuant to IRC § 167(a) for the taxable year computed as if the bonus depreciation is the full amount of federal bonus depreciation pursuant to IRC § 168(k).

Add all amounts together and enter the total on line B9.

H. Basis Adjustment for Property Sold or Otherwise Disposed of During the Taxable Year

With respect to property that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the requirement to add back all depreciation with respect to that property on tax returns for all taxable years beginning from and after December 31, 1999, include the amount of depreciation that was allowed pursuant to IRC § 167(a), to the extent that the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The

practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.) A nonresident estate or trust may make this adjustment for only property that was used in an Arizona business.

I. Federal Estate Taxes Paid by an Estate

An estate may subtract the amount of federal estate tax paid by the estate in the current taxable year. Include the amount of federal estate taxes paid in 2022.

J. Net Operating Loss Adjustment

This subtraction applies to only those estates or trusts that made an election under the special federal net operating loss rules for 2008 and 2009. Under these federal rules for 2008 and 2009, an estate or trust could have elected to carry the net operating loss back for 3, 4, or 5 years, instead of the normal 2 years.

This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, estates or trusts must deduct a net operating loss as if the loss was computed under IRC § 172 in effect prior to the enactment of those special rules.

Resident Estate or Trust

If the estate or trust made an election to deduct a 2008 or 2009 federal net operating loss under IRC § 172(b)(1)(H), the estate or trust may have to enter an amount here. Figure how much of the net operating loss carry forward would have been allowed as a deduction on the estate or trust's 2022 federal income tax return, if the election described in IRC § 172(b)(1)(H) had not been made in the year of the loss. On line B9, include the amount that exceeds the actual net operating loss carry forward that was deducted in arriving at federal taxable income.

Nonresident Estate or Trust

Figure how much of the net operating loss carry forward would have been allowed as a deduction on the estate or trust's 2022 federal income tax return, if the election described in IRC § 172(b)(1)(H) had not been made in the year of the loss. Then figure how much of the carry forward computed under that method was derived from Arizona source losses. The amount the estate or trust may take as a subtraction is the difference between the amount of Arizona source net operating loss carryover allowable as a deduction for federal purposes under the *as if* calculation and the amount of the Arizona source net operating loss deduction actually taken for federal purposes that the estate or trust included in its Arizona gross income. On line B9, include the amount of allowable Arizona source loss carry forward deduction that exceeds the actual amount of Arizona source net operating loss carry forward deduction that was deducted in arriving at Arizona gross income.

NOTE: *As an Arizona nonresident estate or trust, the estate or trust may have had a loss from prior year Arizona business operations. However, the loss cannot offset this year's income unless the as if calculation results in an Arizona source net operating loss deduction for federal purposes. The estate or trust can only take this subtraction if the as if federal net operating loss deduction for 2022 includes Arizona source losses that have not been absorbed by non-Arizona income in any intervening years. The estate or trust cannot subtract any amount of that net operating loss that has been absorbed by non-Arizona income in any intervening years. The estate or trust also cannot take a subtraction for any amount that has already been deducted for Arizona purposes.*

K. Estate Income of an Arizona Nonprofit Medical Marijuana Dispensary (NMMD) included in Federal Adjusted Gross Income

If the NMMD was registered to an individual as a sole proprietorship and the NMMD becomes part of the individual's estate after the individual died, the estate may subtract the amount of the income from the dispensary that is included in the computation of the estate's federal adjusted gross income. Include the amount of the income on line B9.

Income from an Arizona Nonprofit Medical Marijuana Dispensary (NMMD) and dual licensees that have not made the election to operate on a for-profit basis may subtract the income portion that is taxed at the trust or estate level.

L. Estates and Trusts: Marijuana Establishments and Dual Licensees That Elected to Operate on a For-Profit Basis

Enter the total amount of ordinary and necessary expenses related to the sales of recreational use products reported on Arizona Schedule DFE, *Disallowed Federal Expense Schedule for Marijuana Establishments*, line 16.

Do not include Cost of Goods Sold in the total amount of expenses reported on this line. Include the amount of the expense on line B9.

This adjustment either is passed through to beneficiaries as part of the fiduciary adjustment or stays at the trust or estate level to the extent income is not distributed.

NOTE: A Trust or Estate must contact the Arizona Department of Health Services (ADHS) to make the election to operate on a for-profit basis.

M. Excess of a Partner's Share of Partnership Taxable Income or Loss Resident Estate or Trust

Make this adjustment if the Arizona Form 165, Schedule K-1 shows a difference between federal and state distributable income. If the difference reported on line 3, of your Arizona Form 165 Schedule K-1 is a negative number, include that difference as a subtraction on line B9.

NOTE: *If the difference reported on line 3, of your Arizona Form 165 Schedule K-1 is a positive number, enter that difference as an addition on line B3.*

Amending Form 141AZ and Reporting Arizona Form 165PA Schedule K-1 Negative Adjustment

If the estate or trust received an Arizona Form 165PA Schedule K-1 include the negative adjustment amount reported on Form 165PA Schedule K-1, line 3; with the total amount of subtractions reported on line B9.

Nonresident Estate or Trust

Make this adjustment if the Arizona Form 165, Schedule K-1(NR) shows a difference between federal and state distributable income.

If the difference reported on line 15, column (c), of your Arizona Form 165 Schedule K-1(NR) is a negative number, include that difference as a subtraction on line B9.

NOTE: *If the difference reported on line 15, column (c), of your Arizona Form 165 Schedule K-1(NR) is a positive number, enter that difference as an addition on line on B3.*

Amending Form 141AZ and Reporting Arizona Form 165PA Schedule K-1(NR) Negative Adjustment

If the estate or trust received an Arizona Form 165PA Schedule K-1(NR) include the negative adjustment amount reported on Form 165PA Schedule K-1(NR), line 5, with the total amount of subtractions reported on line B9.

N. Americans with Disabilities Act Access Expenditures

A subtraction is allowed for eligible business access expenditures paid or incurred during the taxable year to comply with the requirements of the Americans with disabilities act of 1990 or A.R.S. Title 41, chapter 9, article 8, by retrofitting developed real property that was originally placed in service at least ten years before the current taxable year. (A.R.S. §§ 43-1022 and 43-1024)

"Eligible business access expenditures" include reasonable and necessary amounts paid or incurred to do the following.

- Remove any barriers that prevent a business from being accessible to or usable by individuals with disabilities.
- Provide qualified interpreters or other methods of making audio materials available to hearing-impaired individuals.
- Provide qualified readers, taped texts and other effective methods of making visually delivered materials available to individuals with visual impairments.
- Acquire or modify equipment or devices for individuals with disabilities.
- Provide other similar services, modifications, materials or equipment.

NOTE: *A taxpayer who has been cited for noncompliance with the Americans with Disabilities Act of 1990 or Title 41, Chapter 9, Article 8 by either federal or state enforcement officials is ineligible for a subtraction under this section for any expenditure required to cure the cited violation.*

On line B9, include the amount of allowable expenses paid or incurred during the tax year.

O. Other Adjustments

Other special adjustments may be necessary. Call one of the numbers listed on page 1 of these instructions if any of the following apply:

- You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954.
- You deferred exploration expenses determined under IRC § 617 in a taxable year ending before January 1, 1990, and you have not previously taken a subtraction for those expenses.

Line B10 - Total Adjustments Decreasing Federal Taxable Income

Add lines B5 through B9. Enter the total.

Line B11 - Net Fiduciary Adjustment

Subtract the amount on line B10 from the amount on line B4 and enter the difference. Also, enter the difference on Form 141AZ, line 8.

Schedule C - Fiduciary Adjustment Allocation

Use Schedule C to determine the allocation of the shares of the Arizona fiduciary adjustment. This adjustment is divided among the beneficiaries and the fiduciary in proportion to their share of the federal distributable net income. If there is no federal distributable net income, each beneficiary's share of the adjustment is in proportion to each share of the estate or trust income distributed. Any balance of the adjustment not allocated to the beneficiaries is allocable to the fiduciary.

Lines C1 through C10 -

In column (a), enter the name of each beneficiary. In column (b), enter each beneficiary's share of the federal distributable net income. In column (c), enter the percentage of the estate or trust to be distributed to each beneficiary in accordance with the documents or laws controlling distribution of the estate or trust. If the estate or trust has more than 10 beneficiaries, complete an additional schedule. The schedule should show the same information required on lines C1 through C10.

Line C11

Add the amounts on lines C1 through C10 in column (b). Add the percent on lines C1 through C10 in column (c). If the fiduciary completed an additional schedule because there are more than 10 beneficiaries, include the amounts from the additional schedule on line C11.

Line C12

In column (b), enter the fiduciary's share of the federal distributable net income. In column (c), enter the percentage of the fiduciary's share of federal distributable net income computed in accordance with the documents or laws controlling distribution of the estate or trust.

Lines C13 through C16

Complete lines C13 through C16 as instructed on the form.

Schedule D - Federal Distributable Net Income From Arizona Sources

Use Schedule D to determine the net estate or trust income reportable to Arizona by **nonresident beneficiaries**. Use the information in Schedule D to complete Form 141AZ Schedule K-1(NR) for nonresident beneficiaries.

The fiduciary should complete Schedule D only if the trust or estate has Arizona nonresident beneficiaries. If the trust or estate does not have any nonresident beneficiaries, the fiduciary should skip Schedule D.

This amount cannot exceed the amount of the Arizona income tax that would have been paid by the estate or trust if the taxpayer had opted out of the payment ta at the entity level.

- You will get your refund fast – even faster if you e-file!
- Payment is more secure - there is no check to get lost.
- It is more convenient. No trip to the bank to deposit your check.
- It saves tax dollars. A refund by direct deposit costs less to process than a check.

NOTE: We are not responsible for a lost refund if you enter the wrong account information. Check with your financial institution to get the correct routing and account numbers and to make sure your direct deposit will be accepted.

2. Be sure to use the correct year's form to file the return. Also, be sure to clearly mark the period covered by the return.
3. Enter the correct EIN on the return.
4. If the estate or trust is ready to file but has not yet received an EIN, it may file the return. Let us know what the number is as soon as it is received.

Mail the correspondence to

Customer Care
Arizona Department of Revenue
PO Box 29086
Phoenix, AZ 85038-9086

5. Write the estate or trust's EIN and tax year on the front of all checks and correspondence. Include the check with the return.

6. Do **not** attach correspondence to the back of the return. Mail all correspondence separate from returns to
Customer Care
Arizona Department of Revenue
PO Box 29086
Phoenix, AZ 85038-9086
7. When filing returns that generate a refund due to any previous payments (i.e., amount paid with extension, amount paid as estimated payment, amount paid with original returns), it may speed up the refund process if a copy of the canceled check of the previous payment accompanies the return generating the refund.
8. If the estate or trust is a fiscal year filer (for periods not ending on December 31), use the Tax Table for the prior year. Example: If filing for April 1, 2021, to March 31, 2022, use the 2021 Tax Table. If this return is for a short taxable year, use the 2022 Tax Table. Example: If filing for June 1, 2022, to November 30, 2022, use the 2022 Tax Table.
9. If the income is taxable but deductions bring the return to zero, make sure all necessary lines are filled in to support this declaration.
10. Grantor trusts file an information return using Form 141AZ showing no numerical figures for lines 7 through 30. Taxable income on a grantor trust reverts to the grantor. The grantor reports this income on the Arizona individual income tax return. The fiduciary should indicate that the return is for a grantor trust by checking the appropriate box on line 6.
11. When filing an amended Form 141AZ return, be sure the return is marked as an amended return. You must plainly mark an amended return "amended" by checking the appropriate box on line 6. If amending the 2022 return use the 2022 form. If amending a different tax year, use the Form 141AZ for that tax year.
12. File returns on time to avoid late filing and/or late payment penalties. Returns are due on the 15th day of the fourth (4th) month from the date the tax period ends.

Make Sure You Put Enough Postage on The Envelope

The U.S. Post Office or United States mail service must postmark your return or extension request by midnight April 18, 2023.

The term "United States mail" includes any private delivery service designated by the United States Secretary of the Treasury pursuant to IRC § 7502(f) and the term "postmark" includes any date recorded or marked by any such designated delivery service.

An income tax return that is mailed to the department is timely filed if it is delivered on or before its due date. Additionally, if the envelope or wrapper containing the return sent through the United States mail bears a postmark of the United States

mail and that tax return is delivered to the department after its due date that return will be considered timely filed if all of the following apply:

1. The return was deposited in an official depository of the United States mail.
2. The date of the postmark is no later than the due date.
3. The return was properly addressed, and
4. The return had proper postage.

If the envelope or wrapper containing a return sent through the United States mail bears a private meter postmark made by other than the United States mail, the return is treated as timely filed if both of the following apply:

1. The private meter postmark bears a date on or before the due date for filing; and
2. The return is received no later than the time it would ordinarily have been received from the same point of origin by the same class of U.S. postage. If the return is received by the department within five business days of the private meter postmark date the department will consider this requirement satisfied.

You may also use certain private delivery services designated by the IRS to meet the “timely mailing as timely filed” rule.

For more information, see the department’s ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.

Taxpayer Identification Numbers

All returns, statements, and other documents filed with the Arizona Department of Revenue require a taxpayer identification number (TIN). The TIN for a trust or an estate is its employer identification number. The TIN for a grantor trust is the grantor’s SSN.

Taxpayers who fail to include the proper TIN may be subject to a penalty.

Please check the return to be sure that all required identification numbers are accurate and written clearly. Missing, incorrect, or unclear identification numbers may cause delays in processing the returns.

Paid Preparers Identification Number

If you pay someone else to prepare your return, that person must also include an identification number where requested.

A paid preparer may use any of the following

- his or her PTIN,
- his or her SSN, or
- the EIN for business.

A paid preparer who fails to include the proper numbers may be subject to a penalty.

Worksheet for Net Long-Term Capital Gain Subtraction for Assets Acquired After December 31, 2011

2022 Original return 2022 Amended return

IMPORTANT

- A fiduciary completes this worksheet to compute the allowable subtraction for **undistributed net long-term capital gain** from assets acquired after December 31, 2011, and included in the estate or trust’s federal taxable income.
- If you cannot determine the acquisition date of an asset, including mutual funds, the long-term capital gain from that asset does not qualify for the allowable subtraction. For the purpose of the allowable subtraction, these assets are considered to have been acquired before January 1, 2012.
- An asset acquired by gift or inheritance is considered acquired on the date it was acquired by gift-giver or the deceased individual.
- If you receive form(s) 165 Schedule K-1 from a partnership, 120S Schedule K-1 from an S corporation, or 141AZ Schedule K-1 from an estate or trust, be sure to include those qualifying net long-term capital gain amounts in your computation.

Do not include any short-term capital gains or (losses) in this worksheet.

1.	Enter the total net long-term capital gain or (loss) from assets acquired after December 31, 2011, and included in federal taxable income.....			00
2.	Enter the amount of net long-term capital (loss) derived from the exchange of one kind of legal tender for another kind of legal tender from assets acquired after December 31, 2011, and included in the addition on Arizona Form 141AZ, line 12b.....		00	
3.	Enter the amount of net long-term capital gain derived from investment in qualified small business from assets acquired after December 31, 2011, and included in the subtraction on Arizona Form 141AZ, line 14a.....		00

5.	(Line 1 + line 2) minus (line 3 + line 4). Enter the result.....			00

- If the amount on line 5 is positive, you have a net long-term capital gain from assets acquired *after* December 31, 2011. Enter the amount on Form 141AZ, line 15d.
- If the amount on line 5 is zero or negative, you do not qualify to take the allowable subtraction. Enter “0” on Form 141AZ, line 15d.

Example of the Computation of Arizona Fiduciary Income Tax, Resident Beneficiary's Arizona Fiduciary Adjustment, and Nonresident Beneficiary's Arizona Source Income.

The federal Form 1041 for the Judy Jones estate showed the following items of income and deduction:

Interest Income	\$ 32,614
Dividends	4,800
Net Rent Income (AZ)	<u>16,832</u>
Total Income	<u>\$ 54,246</u>
Less: Fiduciary Fees	6,000
Accountant's Fees	<u>1,500</u>
Total Fees	<u>(7,500)</u>
Adjusted Total Income	<u>\$ 46,746</u>
Less: Income Distribution Deduction	34,189
Exemption	<u>600</u>
Total Deductions	(\$ 34,789)
Taxable Income	<u>\$ 11,957</u>

The estate also had \$2,476 in non-Arizona municipal bond interest during the taxable year. \$24,000 was distributed to Jane Jones, an Arizona resident and \$12,000 to June Jones, a nonresident of Arizona. The estate had \$8,700 in U.S. Government interest.

The shares of federal distributable net income (DNI) are as follows:

Jane Jones	\$ 24,000	48.76%
June Jones	12,000	24.38%
Judy Jones Estate	<u>13,222</u>	<u>26.86%</u>
Total	\$ 49,222	100.00%

The estate's Arizona taxable income is figured as follows:

Federal taxable income	\$ 11,957
Modifications increasing federal taxable income: Non-Arizona municipal bond interest	\$ 2,476
Modifications decreasing federal taxable income: U.S. Government Interest	<u>\$ 8,700</u>

June Jones income reportable to Arizona is figured as follows:

Share of federal distributable net income	\$ 12,000
From Arizona sources @ 29.67%	3,561

Arizona source income is figured as follows:

Rental income (Arizona)	<u>\$16,832</u>	
Total income \$56,722 (\$54,246 + \$2,476)		= 29.67%

This can be verified as follows:

June's share of income \$12,000

DNI \$49,222 (\$46,746 + \$2,476)	= 29.67%
Share of rental income \$16,832 X 24.38%	= \$4,104

If the amount on line 5 is a positive number, you must report this amount as an *addition to income* on your Arizona return. If you are a nonresident individual, include this amount on your Arizona Form 140NR, line 32, *Other Additions to Income* or Form 140NR-SBI, line 11.

If the amount on line 5 is a negative number, you must report this amount as a *subtraction from income* on your Arizona return. If you are a nonresident individual, include this amount on your Arizona Form 140NR, line 45, *Other Subtractions from Income* or Form 140NR-SBI, line 32.

Part 3 - Net Long-Term Capital Gain Subtraction (Information Schedule)

Arizona allows a subtraction from Arizona gross income for a percentage of any net long-term capital gain from assets acquired after December 31, 2011, and included in the individual's Arizona gross income or the estate or trust's Arizona gross income.

Instructions for Fiduciary**Lines 6 through 11**

If the **individual** beneficiary's Form 1041 Schedule K-1 includes an amount for any net capital gain or (loss), complete lines 6 through 11 as instructed on pages 2 and 3 of Form 141AZ Schedule K-1(NR).

Instructions for Beneficiaries

Follow the instructions on pages 2 and 3 of Form 141AZ Schedule K-1 (NR).

Part 4 - Beneficiary's Portion of the Estate or Trusts Distributed PTE Tax Credit from the Pass-through Entity**Line 12**

Fiduciary: Enter the pro-rata amount of the Entity-Level Income tax credit *distributed* to the estate or trust's beneficiary.

Beneficiary: Enter the amount of your distributed share of the Entity-Level Income tax credit on Form 355, line 3.

Line 13

NOTE: *Beneficiaries who claim the Pass-through entity tax credit on Form 355, must add-back their pro-rata share of the 2022 taxes paid by the Pass-through Entity for tax year 2022.*

Fiduciary: Enter the amount of the beneficiary's pro-rata share of the Arizona PTE Taxes paid in 2022 for taxable year 2022.

For example, if the partnership K-1 provided to the trust showed a total tax addback of \$20,000 and the trust keeps 10% and distributes 45% to each beneficiary, then the amount added back on the trust return would be \$2,000 (\$20,000 x 10%) and the amount reported to each beneficiary on the 141AZ Schedule K-1(NR) would be \$9,000 (\$20,000 x 45%) to each beneficiary.

Beneficiary: Enter the amount of your pro-rata share of Arizona taxes paid in 2022 for taxable year 2022 (add-back) on Form 140NR, page 5, item "K" or Form 140NR-SBI, line 24.

Fiduciaries use Form 141AZ EXT to apply for an automatic 5½-month extension to file an estate or trust income tax return (Form 141AZ). For 2022 calendar year filers, the extended due date is October 2, 2023.

Also use Form 141AZ EXT to remit an extension payment whether you are requesting an Arizona extension or using a valid federal extension.

Arizona will accept your federal extension for the period covered by the federal extension.

NOTE: *A Qualified Funeral Trust using a federal extension (Form 7004) will be allowed the same extension period (6-months) to file Form 141AZ. For calendar year filers, the extended due date for the return is October 16, 2023.*

Lines 1 through 4

Complete lines 1 through 4.

NOTE: *For a Grantor Trust, enter the Social Security Number of the grantor, if not deceased*

Foreign Addresses

If the fiduciary has a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

When to File

You must file Form 141AZ EXT by the original due date of the return. For 2022 calendar year filers, the due date is April 18, 2023.

Complete Form 141AZ EXT to request an automatic 5½-month extension (fiduciaries filing Form 141AZ). Mark your envelope "Extension Request."

An extension does not extend the time to pay your income tax. You must still pay your tax liability by April 18, 2023 (or by the original due date of your return). If you do not pay at least 90% (.90) of the tax liability disclosed by your return by the return's original due date, you will be subject to the extension underpayment penalty. We charge interest from the original due date to the date of payment.

Extension Underpayment Penalty: The estate or trust may be charged this penalty if it does not pay at least 90% of the tax liability shown on your return filed under an extension by the return's original due date. This penalty is ½ of 1% (.005) of the tax not paid for each 30-day period or fraction of a 30-day period. We impose this penalty from the original due date of the return until the tax is paid. This penalty cannot exceed 25% (.25) of the unpaid tax.

If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes § 42-1125(D).

Making Your Payment

Check or money order

Fiduciaries filing Form 141AZ EXT must make extension payments by check or money order.

Make your check or money order payable to Arizona Department of Revenue. Write the estate or trust's name, EIN and **2022 141AZ extension** on the **front** of the check or money order. Include the check or money order with Form 141AZ EXT.

NOTE: If the return is prepared using third-party software vendor software, any tax liability shown on the 141AZ tax return (including an extension tax payment made with Form 141EXT) may be remitted by using direct debit through the third-party software.

Instructions Before Mailing

Make sure that you have completed all of the information requested on the **front** of the form.

To view or print the department's publications, go to our website select *Reports, Statistics and Legal Research* from the main menu then click on *Publications* in the left-hand side column.

What is a Claim of Right?

Generally, a claim of right is when:

- a taxpayer received income during a prior tax year, and reported that income on the tax return filed for that prior tax year; *and*
- then has to repay that income back in a future tax year.

Example: An estate or trust received income during 2019. In 2022 the estate or trust received a letter from the business that paid the income stating there was a mistake and the income amount paid during 2019 was more than the estate or trust should have received. The estate or trust must now pay the overpaid amount back to the business.

For information regarding which types of income qualifies or does not qualify for a claim of right, see federal Publication 525 at www.irs.gov.

How Does the Claim of Right Work?

For federal income tax purposes, the estate or trust may take a deduction for the repayment of an amount included in income under a claim of right *or* claim a credit. When the amount repaid was \$3,000 or less, the estate or trust may be able to deduct the amount repaid from the income for the year in which it was repaid. Or, if the amount the estate or trust repaid is more than \$3,000, it may be able to claim a credit against the tax for the year in which it repaid it.

For Arizona income tax purposes, the Arizona claim of right provisions only apply in cases where the **total** amount repaid during the year was more than \$3,000. In this case, the estate or trust cannot take a deduction, but must claim a "credit."

When the estate or trust figures whether the amount it repaid was more or less than \$3,000, it must consider the **total** amount being repaid during the year. Each instance of repayment is not considered separately. The total re-payment amount may include income from just one prior tax year or multiple prior tax years.

Who Must Complete an Arizona Claim of Right Form?

If the estate or trust figures its 2022 income tax under Arizona's claim of right provisions, complete an Arizona Claim of Right form and include it with the estate or trust's 2022 income tax return.

The fiduciary **must** complete and include a separate form for each prior tax year for which the fiduciary figured a tax reduction (decrease).

For more information on Arizona's Claim of Right provisions and examples of how to compute the decrease in tax for a prior taxable year (or years), see the department's procedure, ITP 16-1, *Procedure for Individuals Who Restore Substantial Amounts Held Under a Claim of Right*.

How to Complete an Arizona Claim of Right Form

- If the total amount repaid during 2022 was from income that was reported in only **one prior tax year**, the fiduciary must file one form, completing Parts 1, 2 and 3.
- If the total amount repaid during 2022 was from income that was reported in **more than one prior tax year**, **file a separate form for each tax year listed on line 3, and complete each form as follows:**
 - For the earliest tax year, complete Parts 1, 2 and 3.
 - For all other years, only complete Parts 2 and 3.

For example, if the total amount repaid was from income reported in tax years 2019, 2020, and 2021, complete Parts 1, 2 and 3 for tax year 2019. *Be sure to enter the **total income** that was repaid for **all prior tax years** when completing Part 1, line 1, for taxable year 2019.*

For tax years 2020 and 2021, only complete Parts 2 and 3 on both of these separate claim of right forms.

Line-by-Line Instructions

Enter the name of the estate or trust. Enter the estate or trust employer identification number (EIN). Enter the name and title of the Fiduciary.

NOTE: *For a Grantor Trust, enter the Social Security Number of the grantor, if not deceased*

Part 1 - General Information

Line 1

Enter the **total** amount of **all income** that the estate or trust **repaid** during the 2022 tax year that was included in income under a claim of right.

CAUTION: *If the amount on line 1 is \$3,000 or less, **STOP**. The estate or trust does not qualify to figure a credit for amounts paid back under a claim of right.*

Line 2

Check “Yes” if the total amount repaid in 2022 was from income that was reported in **more** than one prior tax year.

If you checked “Yes” you **must** complete and include with the estate or trust’s 2022 tax return a separate Claim of Right form for **each** prior taxable year end. See the instructions under *How to complete an Arizona Claim of Right Form* for more than one tax year.

Line 3

Using the format, MM/DD/YYYY, list each prior taxable year end which included income that was repaid in 2022 and included in income under claim of right.

Line 4

If the estate or trust took a deduction on its 2022 federal return instead of claiming a credit, check the box, “Yes.”

The estate or trust cannot take both a deduction and claim a credit on its Arizona return for the amounts repaid and included in income under a claim of right. Because the deduction is included in the computation of its federal taxable income, it must add-back the amount of the income entered on line 1 as an “*Other Addition to Income*” on its income tax return, Form 141AZ, Schedule B, line B3.

Part 2 - Decrease in Prior Year’s Tax**Line 5**

Using the format, MM/DD/YYYY, enter the prior taxable year end date for which the estate or trust is completing this form. If the fiduciary is completing more than one form for the current tax year, complete Part 2 for each separate tax year.

Line 6

Enter the amount of tax from the Arizona return filed for the tax year listed on line 5.

Line 7

For the tax year listed on line 5, refigure the estate or trust’s tax for the tax year listed on line 5 without including the income that it repaid in 2022.

Line 8

Subtract line 7 from line 6 and enter the difference.

This is the estate or trust’s claim of right credit for the current tax year. Enter the amount shown on line 8 on its current year’s income tax return, Form 141AZ, line 21, box 21b.

If the estate or trust is completing more than one Claim of Right form, add all amounts on line 8 and enter the total on the tax return.

Part 3 - Explanation

Complete Part 3 explaining the estate or trust’s claim of right. Show how it figured the amounts in Part 2. If more space is needed, continue on page 2 of the form or provide its own schedule.

How Does the Estate or Trust file a Claim of Right form?

Complete and include the Arizona Claim of Right form with its tax return, when filed.

If it fails to complete and include this form with its tax return, the claim may be denied. Keep a copy for the estate or trust’s record.

If the estate or trust is completing more than one Claim of Right form include all forms with the estate or trust’s tax return.

2022 WITHHOLDING HIGHLIGHTS

Electronic Filing of Withholding Tax Returns

Withholding returns shall be filed electronically for taxable years beginning from and after December 31, 2019, or when the department establishes an electronic filing program.

For 2022, the department has **three** methods by which employers may file Form A1-APR electronically. These methods are:

- An employer may register at <https://efile.aztaxes.gov/AZFSETPortal> [AZ Web File (AZFSET)] to bulk-file its return by uploading a .csv file.
- An employer may register at <https://aztaxes.gov/Home/Page> (AZTaxes) and use the data input method to submit its return.
- Registered transmitters of AZ Web File (AZFSET) can bulk-file using the transmission method.

Any employer who is required to file its withholding return electronically may apply to the director for an annual waiver from the electronic filing requirement pursuant to Arizona Revised Statutes (A.R.S) § 43-325(F). The waiver may be granted, which may be renewed for one subsequent year, if any of the following apply:

- The employer has no computer.
- The employer has no internet access.
- Any other circumstance considered to be worthy by the director.

A waiver is not required if the withholding return cannot be electronically filed for reasons beyond the employer's control, including situations in which the employer was instructed by the Internal Revenue Service (IRS), or the department to file by paper.

Please contact the department at azwebfilesupport@azdor.gov if you need assistance in electronically submitting your Arizona withholding return.

Submitting Federal Forms W-2, W-2c, W-2G and 1099 (with Arizona withholding) to the Department

Federal Forms W-2, W-2c, W-2G and 1099 are an integral part of the reconciliation process required for Arizona Form A1-APR.

- Submit all federal Forms W-2 and W-2c reporting Arizona wages paid and/or Arizona income tax withheld.
- Submit federal Forms W-2G and/or 1099 reporting Arizona income tax withheld. Federal Forms W-2G and 1099 NOT reporting Arizona income tax withheld are not required to be submitted to the department.

For calendar year 2022, an employer may submit federal Forms W-2, W-2c, W-2G, or 1099 to the department by:

- Logging into AZTaxes at <https://aztaxes.gov/Home/Page> to use the data input method, or to upload the supported federal forms as a .txt file.
- Logging into AZ Web File (AZFSET) at <https://efile.aztaxes.gov/AZFSETPortal> to upload the supported federal forms as a .txt file.
- Registered transmitters of AZ Web File (AZFSET) can bulk-file using the transmission method.

NOTE: *The department does not support the electronic filing of all federal withholding forms (e.g. W-2 series, 1099 series). See Pub 701 for a list of the required federal withholding forms that are currently supported by the department for electronic filing.*

Any unsupported federal forms reporting Arizona wages or Arizona income tax withheld must be filed as a paper copy or as Optical Media using Form A1-T.

Employers filing Form A1-APR or Form A1-R electronically must submit the supported federal forms electronically through AZTaxes, AZ Web File (AZFSET), or by a registered transmitter.

Federal forms not supported by the department must be submitted by CD, DVD, or flash drive (Optical Media), or as paper forms. To submit these forms, complete and mail Form A1-T to the address on the form. Include the Optical Media or the paper forms with your submission. When submitting Form A1-T, do not include a paper copy of the return. If submitting by Optical Media, see the Section below labeled, "Optical Media" for instructions.

Employers filing Form A1-APR or Form A1-R by paper may submit the required federal forms electronically through AZTaxes, or AZFSET. If the employer does not submit the supported federal forms electronically, ***all*** required federal forms ***must*** be attached to Form A1-APR as either Optical Media or as paper forms. If submitting by Optical Media, see the Section below labeled "Optical Media" for instructions. If submitting a paper return, mail the return to:

Arizona Department of Revenue

Electronic Funds Transfer

Employers are required to pay their tax liability by electronic funds transfer (EFT) if the employer owes \$500 or more for any taxable year beginning from and after December 31, 2020.

An employer may apply to the director for an annual waiver from the electronic payment requirement. The application must be received by December 31 of each year. The director may grant the waiver if any of the following applies:

- The employer has no computer.
- The employer has no internet access.
- Any other circumstance considered to be worthy by the director exists, including:
 - The employers has a sustained record of timely payments, and,
 - No delinquent tax account with the department.

To request a waiver, submit Form 292, *Electronic Filing and Payment Waiver Application*, to the department. Form 292 is available at: <https://azdor.gov/forms/other-forms/electronic-filing-and-payment-waiver-application>.

NOTE: *An employer who is required to pay by EFT but who fails to do so is subject to a penalty of 5% of the amount of the payment not made by EFT. See A.R.S. § 42-1125(O).*

For additional information on electronic funds transfer, refer to A.R.S. § 42-1129 and the related Arizona Administrative Code rules (A.A.C. R15-10-301 through R15-10-307) for detailed information.

General Information

Arizona law requires employers¹ to withhold Arizona income tax from:

- The payment of wages, salary, or bonus to any employee whose compensation is for services performed within Arizona, unless those wages are exempt from Arizona income tax withholding;
- The premature withdrawal of state and local retirement contributions;
- Pensions; and,
- Payments of prize winnings subject to federal withholding under Internal Revenue Code (IRC) §§ 1441 or 3402(q) from²:
 - The Arizona state lottery commission,
 - Arizona sanctioned horse or dog racing,
 - A fantasy sports operator, or,
 - An event wagering operator.

At the request of the individual receiving the payment, Arizona income tax may be withheld from the following:

- Retired or retainer pay for service in the military or naval forces of the United States;
- Payments under the United States civil service retirement system from the United States government service retirement and disability fund;
- Pensions;
- Traditional Individual Retirement Accounts;
- Any other annuity;
- Unemployment compensation; and
- Out-of-state wages earned by an Arizona resident, if the employer and the employee agree to withhold Arizona income tax.

For additional information on withholding requirements, refer to the Employer's Instructions for the Employee's Arizona Withholding Election (Form A-4 Instructions).

Each employer pays the tax withheld to the Arizona Department of Revenue (department) using the deposit schedule that applies to that employer.

Why is Form A1-APR Filed?

Employers and other entities that pay Arizona income tax withheld on an annual basis must file Form A1-APR to pay the income tax withheld and to reconcile their payments for the year. It may also be used as the written notice that the business is cancelling its withholding registration.

File one Form A1-APR per Employer Identification Number (EIN) per year regardless of the source of the withholding.

Unless the employer has been granted a waiver, Form A1-APR must be filed electronically. Federal Forms W-2 and W-2c reporting Arizona wages paid and/or Arizona tax withheld and federal Forms W-2G and/or 1099 reporting Arizona income tax withheld must be submitted with Form A1-APR. Refer to Pub 701, *Submitting Arizona Forms A1-R, or A1-APR, and Federal Forms W-2, W-2c, W-2G and 1099*, for information on submitting these federal forms with Form A1-APR.

NOTE: For details about other returns and forms that may be required, see the department's procedure WTP, 16-2, What Withholding Tax Forms and Returns to File and When to File Them.

What Withholding Payments are Reconciled Using This Form?

All Arizona withholding amounts averaging less than \$200 per quarter are reconciled using this form. Arizona law requires all amounts withheld to be treated as if the withholding was from wages paid to an employee.

Who May File Form A1-APR?

Only an employer that qualifies to use the annual deposit schedule may file Form A1-APR. If the employer does not qualify to use the annual deposit schedule, it must file Form A1-QRT and Form A1-R.

Who May Use the Annual Deposit Schedule?

To qualify to make its withholding payment on an annual basis, an employer must have been in business for at least a full calendar year, and must meet the following conditions:

- Established a history of withholding by filing quarterly returns for at least the 4 preceding calendar quarters.
- Had a withholding liability of more than zero ("0") for at least 1 of the previous 4 quarters.
- Had average quarterly Arizona tax withholding of \$200 or less in the last 4 quarters. This will be met if the total amount withheld in that period is \$800 or less.
- Timely filed Form A1-QRT and timely paid its Arizona withholding for at least 3 out of the last 4 preceding quarters.
- Filed Form A1-QRT for all preceding quarters.
- Filed the annual reconciliation tax return (Form A1-R) for all prior calendar years.

¹ Arizona law provides that all amounts withheld are to be treated as if the withholding was from wages paid to an employee. For ease of reading, "employer(s)" as used in these instructions refers to employers and to payers of other nonpayroll payments that withhold Arizona income tax from payments to

employees, beneficiaries or payees. Similarly, "employee(s)" includes employees, recipients, beneficiaries and payees.

² Payers of prize winnings are required to withhold an amount equal to 20% of the amount withheld pursuant to section 1441 or section 3402(q) of the internal revenue code.

- Timely filed Form A1-R for the immediately preceding calendar year.
- Paid all amounts due [has no balance due (tax, penalty, or interest) for any prior quarter].

An employer may continue to make its Arizona withholding payments on an annual basis for the succeeding calendar year if all of the following conditions are met:

- The average amount of Arizona income taxes withheld by the employer in the four preceding calendar quarters does not exceed \$200.
- The employer has timely filed the annual payment tax return (Form A1-APR) and has timely made its annual Arizona withholding payment for the preceding calendar year.

If an employer does not meet all of the qualifying conditions to continue making its Arizona withholding payments on an annual basis for the succeeding calendar year, or, if that employer has an average withholding of greater than \$200 for the four preceding calendar quarters:

- That employer must determine its Arizona withholding payment schedule for succeeding calendar quarters according to the Arizona Withholding Liability/Payment Schedule section of Form A1-QRT instructions; and
- That employer shall file quarterly tax returns (Form A1-QRT) for the succeeding calendar quarters.

Electronic Filing of Withholding Tax Returns

Arizona Revised Statutes (A.R.S.) § 43-323(F) provides that withholding returns shall be filed electronically for taxable years beginning from and after December 31, 2019.

For 2022, the department has **three** methods by which employers may file Form A1-APR electronically. These methods are:

- An employer may register at <https://efile.aztaxes.gov/AZFSETPortal> [AZ Web File (AZFSET)] to bulk-file its return by uploading a .csv file.
- An employer may register at <https://aztaxes.gov/Home/Page> (AZTaxes) and use the data input method to submit its return.
- Registered transmitters of AZ Web File (AZFSET) can bulk-file using the transmission method.

Submitting Federal Forms W-2, W-2c, W-2G and 1099 to the Department

Federal Forms W-2, W-2c, W-2G and 1099 are an integral part of the reconciliation process required for Arizona Form A1-APR.

- Submit all federal Forms W-2 and W-2c reporting Arizona wages paid and/or Arizona income tax withheld.
- Submit all federal Forms W-2G and/or 1099 reporting Arizona income tax withheld. Federal Forms W-2G and 1099 NOT reporting Arizona income tax withheld are not required to be submitted to the department.

For calendar year 2022, an employer may submit federal Forms W-2, W-2c, W-2G, or 1099 to the department by:

- Logging into AZTaxes at <https://aztaxes.gov/Home/Page> to use the data input method, or to upload the supported federal forms as a .txt file.
- Logging into AZ Web File (AZFSET) at <https://efile.aztaxes.gov/AZFSETPortal> to upload the supported federal forms as a .txt file.
- Registered transmitters of AZ Web File (AZFSET) can bulk-file using the transmission method.
- Submitting the federal information on a CD, DVD or flash drive (Optical Media) or by paper. If submitting by Optical Media, see the Section below labeled, “Optical Media”.

NOTE: *The department does not support the electronic filing of all federal withholding forms (e.g. W-2 series, 1099 series). See Pub 701 for a list of the required federal withholding forms that are currently supported by the department for electronic filing.*

Any unsupported federal forms reporting Arizona wages or Arizona income tax withheld must be filed as a paper copy or as Optical Media using Form A1-T.

Employers filing Form A1-APR electronically, must submit the supported federal forms electronically through AZTaxes, AZ Web File (AZFSET), or by a registered transmitter.³

Federal forms not supported by the department must be submitted by CD, DVD, or flash drive (Optical Media), or as paper forms. To submit these forms, complete and mail Form A1-T to the address on the form. Include the Optical Media or the paper forms with your submission. When submitting Form A1-T, do not include a paper copy of Form A1-APR. If submitting by Optical Media, see the Section below labeled, “Optical Media” for instructions.

Employers filing Form A1-APR by paper, may submit the required federal forms electronically through AZTaxes, or AZFSET. If the employer does not submit the supported federal forms electronically, ***all*** required federal forms ***must*** be attached to Form A1-APR as either Optical Media or as paper forms. If submitting by Optical Media, see the Section below labeled “Optical Media” for instructions. If submitting a paper return, mail the return to:

Arizona Department of Revenue
PO Box 29009
Phoenix, AZ 85038-9009

Optical media

When submitting the federal attachments by Optical Media, label the CD, DVD or flash drive with the employer's name, EIN, preparer contact information, calendar year and Form W-2 or Form 1099 (or both, whichever applies). If the Optical Media is password protected, note that on the label and indicate the email address from which you will be sending the password to the department. Email the password separately to MediaLibrarian@azdor.gov. Include “Form W-2” or “Form 1099” (or both, whichever applies) in the subject line of the email. In the body of the email, include the same information that is on the label of the Optical Media.

The department will not return or copy any Optical Media submitted.

³ Required federal forms that are unsupported or rejected may be submitted as Optical Media or as paper forms included with Arizona Form A1-T.

Employers submitting the information on Optical Media should secure the Optical Media in a hard case and include it with Form A1-APR or Form A1-T.

For more details on submitting the federal forms using optical media, see the department's publication, Pub. 701, *Submitting Arizona Forms A1-R or A1-APR, and Federal Forms W-2, W-2c, W-2G and 1099*.

CAUTION: *The employer submits the Optical Media at its own risk. If the department cannot access the information on the Optical Media for any reason, the employer may need to provide the information again.*

Filing Tips

- For layouts and business rules for electronically submitting federal Forms W-2, W-2c, W-2G and 1099, refer to the Department's Pub 701, or click here: <https://azdor.gov/e-services/e-services-withholding-and-w-2-1099>
- Each wage and information return reportable to Arizona must include the employer or payer's Employer Identification Number (EIN). Do not truncate the employer or payer EIN.
- Do not truncate the employee's Social Security Number (SSN).

Requesting an Electronic Filing Waiver

Any employer who is required to file its withholding return electronically may apply to the director for an annual waiver from the electronic filing requirement. The waiver may be granted, which may be renewed for one subsequent year, if any of the following apply:

- The employer has no computer.
- The employer has no internet access.
- Any other circumstance considered to be worthy by the director.

To request a waiver, submit Form 292, Electronic Filing and Payment Waiver Application, to the department. Form 292 is available at: <https://azdor.gov/forms/other-forms/electronic-filing-and-payment-waiver-application>.

A waiver is not required if the withholding return cannot be electronically filed for reasons beyond the employer's control, including situations in which the employer was instructed by the Internal Revenue Service (IRS), or the department to file by paper.

Please contact the department at azwebfilesupport@azdor.gov if you need assistance in electronically submitting your Arizona withholding return.

When is Form A1-APR Due?

Form A1-APR is due on or before January 31 of the year following the close of the calendar year.

Timely Filing of Returns

- The department determines the timeliness of an electronically filed tax return by the date of the electronic postmark. If the taxpayer and the electronic return preparer or the electronic return transmitter are in different time zones, it is the taxpayer's time zone, as determined by the taxpayer's address, that controls the timeliness of the electronically filed return. When a return has been electronically received on the host system of more than one

electronic return preparer or electronic return transmitter during its ultimate transmission to the department, the return shall be deemed filed and received by the department on the date of the earliest electronic postmark.

- The department determines the timeliness of a paper-filed tax return by the postmark or other official mark of the United States Mail stamped on the envelope in which the return is mailed. See the department's ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.
- The department will accept proof of mailing from a private delivery service included in the Internal Revenue Service (IRS) list of designated private delivery services. Contact the private delivery service for information regarding how to obtain written proof of mailing.
- If the due date for the return falls on a Saturday, Sunday, or a legal holiday, the return is considered timely filed if it is postmarked the next business day. See the department's ruling, GTR 16-2, *Timely Filing of Income or Withholding Tax Return – Holidays and Weekends*.

Extension of Time to File Form A1-APR

You may apply for a 30-day extension of time to file Form A1-APR. When asking for an extension, you must show good cause. You must file the extension request as soon as you know that you need an extension. The extension request must be mailed on or before January 31. For details on how to request an extension, see the department's procedure, WTP 11-1, *Procedure for Requesting Extension of the Filing Deadline for Annual Withholding Tax Returns*.

If you are required to pay by EFT and are making a payment with your extension request, see the Section, *Payment by Electronic Funds Transfer*, for options to make your extension payment.

If you are not required to pay by EFT you may elect to pay by EFT. Or you may pay by check, e-check, money order, or credit card. If you are paying by check or money order complete Form A1-WP and include the check or money order with the form. Show that the payment is for the 4th Quarter of the year for which you requested the extension.

Filing Original Returns

File this form only on a calendar year basis. File one Form A1-APR per EIN regardless of the source of the withholding.

Submit Form A1-APR electronically unless the employer has been granted a waiver pursuant to A.R.S. § 43-325(F) or has been instructed to file a paper return by the IRS or by the department.

NOTE: *Arizona law states that all amounts withheld are to be treated as if the withholding was from wages paid to an employee. If you file federal Form 941 or Form 944 to report federal withholding on Arizona wages and federal Form 945 to report federal withholding on Arizona non-wage payments for the same EIN AND your total Arizona withholding payments are less than \$200 per quarter, file one Form A1-APR to report and reconcile your total Arizona withholding for the year, regardless of the source of that withholding. Do not file more than one original A1-APR for the same EIN for the same calendar year.*

What To Do If You Close Your Business

When your business is sold, discontinued, converted to a new form, or all your employees are dismissed, you must notify the department by filing a final return and request the department close your withholding account. Until you request the department close your withholding account, your withholding return(s) will continue to be due.

To file your final Form A1-APR

- Check box C “Final Return (CANCEL ACCOUNT)” to close your withholding account. Enter the date final wages were paid. Also complete Part 6.
- Check box D if this return is an “early-filed return for calendar year 2023 due to an account cancellation during 2023.”
- Check box E if the cancellation was due to a merger or acquisition and the surviving employer is filing federal Forms W-2.

Filing Amended Returns

If this is an amended Form A1-APR, check Box A, “Amended Return” and complete the form using your corrected withholding information. Complete Part 5 to explain why you amended your return. Include amended federal Forms W-2, W-2c, W-2G, and 1099 with the amended return.

Unless the employer was granted a waiver to file its original return by paper, or was directed by the IRS or the department to file the original Form A1-APR as a paper return, amended Forms A1-APR shall be submitted electronically using either AZFSET or a registered transmitter. For additional information on either of these methods, see the preceding section labeled, Electronic Filing of Withholding Tax Returns.

NOTE: Amended Forms A1-APR cannot be submitted through AZTaxes. If the AZTaxes.gov data entry method was used for filing the original return, the amended return must be filed by paper.

Penalties and Interest

A. Late Filing Penalty

If you file late, a late filing penalty will be assessed. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

B. Late Payment Penalty

If the tax is paid late, a late payment penalty will be assessed. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10).

NOTE – Amended Return Filers: If you voluntarily file an amended return and pay the additional tax due when you file your amended return, the department will not assess the late payment penalty. Exceptions are:

- The taxpayer is under audit by the department.
- The amended return was filed on demand or requested by the department.

NOTE: If the penalties in both A and B apply, the maximum combined penalty cannot be more than 25%.

C. Additional Failure to Pay Penalty

An additional penalty may be assessed if the amount of tax required to be withheld is not paid by the date set for its payment. This penalty is 25% (.25) of the amount of tax required to be withheld and paid to the department.

D. Payroll Service Company Penalty

A PSC **must** make withholding payments electronically. A PSC must also file Form A1-APR electronically. A PSC is subject to a \$25 penalty for each failure to make withholding payments electronically; and it is also subject to a \$25 penalty for each failure to file withholding returns electronically. Multiple \$25 penalties could apply to the same client on one return. For example, if Client A is required to make 4 payments in the 3rd quarter, and none of the payments are made electronically, the PSC would be subject to four \$25 penalties, totaling \$100. If the PSC files a paper Form A1-APR for Client A, the PSC will be charged another penalty of \$25. The PSC would owe a grand total of \$125 in penalties related to Client A for the 3rd quarter.

E. Failure to Pay by Electronic Funds Transfer

Employers that anticipate a tax liability of \$500 or more for the calendar year must pay their tax liability by Electronic Funds Transfer (EFT).

Employers required to pay their tax liability by EFT that fail to do so may be subject to a penalty equal to five percent (5%) of the amount of the payment not made by EFT.

F. Interest

Interest is charged on any tax not paid by the due date. The Arizona interest rate is the same as the federal rate imposed on individual taxpayers.

Payment of Tax

The entire amount of tax must be paid by the original due date of Form A1-APR. The tax must be paid by the original due date even if the employer has been granted an extension of time to file Form A1-APR.

Payment by Electronic Funds Transfer

Employers are required to pay their tax liability by electronic funds transfer (EFT) if the employer owes \$500 or more for any taxable year beginning from and after December 31, 2020.

An employer may apply to the director for an annual waiver from the electronic payment requirement. The application must be received by December 31 of each year. The director may grant the waiver if any of the following applies:

- The employer has no computer.
- The employer has no internet access.
- Any other circumstance considered to be worthy by the director exists, including:
 - The employer has a sustained record of timely payments, and,
 - No delinquent tax account with the department.

To request a waiver, submit Form 292, *Electronic Filing and Payment Waiver Application*, to the department. Form 292 is available at: <https://azdor.gov/forms/other-forms/electronic-filing-and-payment-waiver-application>.

NOTE: An employer who is required to pay by EFT but who fails to do so is subject to a penalty of 5% of the amount of the payment not made by EFT. See A.R.S. § 42-1125(O).

For additional information on electronic funds transfer, refer to A.R.S. § 42-1129 and the related Arizona Administrative Code rules (A.A.C. R15-10-301 through R15-10-307) for detailed information.

How to Make EFT Payments

Employers making EFT payments must register with the department before their EFT payments may be accepted. **An officer of the employer must complete the initial registration.**

Once registered, employers may use www.AZTaxes.gov to make EFT payments:

- Electronic payment from checking or savings account/e-check/ACH Debit.

Payments can be made electronically from a checking or savings account. Login to your www.AZTaxes.gov account and choose the e-check option. Follow the prompts to complete your registration.

There is no fee to use this method. This payment method will debit the amount from the specified checking or savings account on the date specified. If an electronic payment is made from a checking or savings account, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

- Online credit card payment

Payments can be made by American Express, Discover, MasterCard, or Visa credit cards. Login to your www.AZTaxes.gov account and choose the credit card option. This will take you to the website of the credit card payment service provider. Follow the prompts to make your payment.

The service provider will charge a fee based on the amount of the tax payment. The service provider will disclose the amount of the fee during the transaction and you will be given the option to continue or cancel. If you accept the fee and complete the credit card transaction, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

Employers may also make EFT payment by ACH Credit.

To register to make ACH Credit payments, go to the department's website, www.azdor.gov. Click on "Forms," then click "Other Forms." Click on Form number 10366, Electronic Funds Transfer (EFT) Disclosure Agreement for ACH Credit filers. Click "Download." Complete the form as instructed. Submit the completed form at least five business days before the first anticipated transaction as it may take that long to process the application.

Fax the completed form to the department at (602) 771-9913. You may also email the completed form to the department

at electronicfundstransfer@azdor.gov. Once the application is processed, the employers will receive additional information to present to its bank to make the ACH Credit payment.

The payment will be electronically transferred into the department's account, normally the next business day. Each employer should consult with its bank for the timeframe required to make timely payments. NOTE: The employer may be charged a service fee for the ACH Credit transaction.

NOTE: Employers using a foreign bank account to make EFT payments cannot make EFT payments by ACH Debit. **The department does not accept ACH Debit payments from a foreign bank account.** If the employer wishes to make payment from a foreign bank account by EFT, the payment **MUST** be made by ACH Credit. See the instructions above for ACH Credit to register and make ACH Credit payments.

General Information

Arizona law requires employers¹ to withhold Arizona income tax from:

- The payment of wages, salary, or bonus to any employee whose compensation is for services performed within Arizona, unless those wages are exempt from Arizona income tax withholding;
- The premature withdrawal of state and local retirement contributions;
- Pensions; and,
- Payments of prize winnings subject to federal withholding under Internal Revenue Code (IRC) §§ 1441 or 3402(q) from²:
 - The Arizona state lottery commission,
 - Arizona sanctioned horse or dog racing,
 - A fantasy sports operator, or,
 - An event wagering operator

At the request of the individual receiving the payment, Arizona income tax may be withheld from the following:

- Retired or retainer pay for service in the military or naval forces of the United States;
- Payments under the United States civil service retirement system from the United States government service retirement and disability fund;
- Pensions;
- Traditional Individual Retirement Accounts;
- Any other annuity;
- Unemployment compensation; and
- Out-of-state wages earned by an Arizona resident, if the employer and the employee agree to withhold Arizona income tax.

For additional information on withholding requirements, refer to the Employer's Instructions for the Employee's Arizona Withholding Election (Form A-4 Instructions).

¹ Arizona law provides that all amounts withheld are to be treated as if the withholding was from wages paid to an employee. For ease of reading, "employer(s)" as used in these instructions refers to employers and to payers of other nonpayroll payments that withhold Arizona income tax from payments to employees, beneficiaries or payees. Similarly, "employee(s)" includes employees, recipients, beneficiaries and payees.

Each employer pays the tax withheld to the Arizona Department of Revenue (department) using the deposit schedule that applies to that employer.

Why is Form A1-QRT required?

An employer must withhold Arizona income tax from wages paid for services performed in Arizona. Income tax must be withheld, unless those wages are exempt from Arizona withholding tax. In addition, Arizona income tax may be withheld from pensions, and gambling or prize winnings that are subject to federal withholding under section 1441 or section 3402(q) of the internal revenue code.

The employer must remit the tax withheld to the department based on the deposit schedule that applies to that employer.

Employers must reconcile the amounts withheld during the quarter to the amounts paid during the quarter. Form A1-QRT is filed for this purpose.

Form A1-QRT is also used as:

- The payment transmittal form for payments made on a quarterly basis when those payments are made by check or money order; and,
- The written notification to the department that the business is cancelling its withholding registration.

NOTE: For details about other returns and forms that may be required, see Withholding Tax Procedure (WTP) 16-2, What Withholding Tax Forms and Returns to File and When to File Them.

Who Must File Form A1-QRT

All employers, except employers who remit Arizona income tax on an annual basis, must file Form A1-QRT. Employers that remit Arizona income tax on any of the following schedules must file Form A1-QRT to reconcile their withholding deposits for the calendar quarter:

- Quarterly
- Monthly
- Semi-weekly
- Next day

Form A1-QRT is also used as:

- The payment transmittal form for payments made on a quarterly basis when those payments are made by check or money order, and as,
- The written notification to the department that the business is cancelling its withholding registration.

NOTE: An employer must file Form A1-QRT for every quarter. This includes quarters in which the employer has not withheld any Arizona tax. For those quarters, the employer must file a Form A1-QRT that shows zero withholding liability. These returns must be filed until the employer cancels its withholding registration by filing a final Form A1-QRT. The only exception is for employers that qualify to file and pay on an annual basis (Form A1-APR).

² Payers of prize winnings are required to withhold an amount equal to 20% of the amount withheld pursuant to section 1441 or section 3402(q) of the internal revenue code.

Exception for annual payment return (Form A1-APR)

Certain employers may make their withholding payments on an annual basis and file an annual withholding tax return on Form A1-APR. These employers will not file Form A1-QRT or Form A1-R.

An employer may make its Arizona withholding payments on an annual basis if all of the following conditions are met:

- The employer has established a history of withholding activity by filing the quarterly tax return (Form A1-QRT) for at least the four preceding calendar quarters.
- The employer's withholding liability was an amount greater than zero for at least one of the four preceding calendar quarters.
- The average amount of Arizona income taxes withheld by the employer in the four preceding calendar quarters does not exceed \$200. The employer will meet this average withholding requirement if the total amount withheld in the four preceding calendar quarters is \$800 or less.
- The employer has timely filed Form A1-QRT and has timely made its Arizona withholding payments for at least three of the four preceding calendar quarters.
- The employer has filed Form A1-QRT for all preceding calendar quarters and does not have a balance due (tax, penalty, or interest) for any preceding calendar quarter.
- The employer has filed the annual reconciliation tax return (Form A1-R) for all preceding calendar years and has timely filed Form A1-R for the preceding calendar year.

An employer may continue to make its Arizona withholding payments on an annual basis for the succeeding calendar year if all of the following conditions are met:

- The average amount of Arizona income taxes withheld by the employer in the four preceding calendar quarters does not exceed \$200; and,
- The employer has timely filed the annual tax return and has timely made its annual Arizona withholding payment for the preceding calendar year.

If an employer does not meet all of the qualifying conditions to continue making its Arizona withholding payments on an annual basis for the succeeding calendar year, or, if that employer has an average withholding of greater than \$200 for the four preceding calendar quarters:

- The employer must determine its Arizona withholding payment schedule for succeeding calendar quarters according to the instructions in the Arizona Withholding Liability/Payment Schedule section; and,
- The employer shall file the quarterly tax return (Form A1-QRT) for succeeding calendar quarters.

What withholding payments are reconciled using this form?

All Arizona withholding amounts averaging more than \$200 per quarter are reconciled using this form. Arizona law requires all amounts withheld to be treated as if the withholding was from wages paid to an employee.

NOTE: Arizona law states that all amounts withheld are to be treated as if the withholding was from wages paid to an employee. If you file federal Form 941 to report federal withholding on Arizona wages and federal Form 945 to report federal withholding on Arizona non-wage payments for the same Employer Identification Number (EIN), file one A1-QRT to reconcile the total Arizona withholding for the quarter. Do not file more than one original A1-QRT for the same EIN for the same quarter.

File Form A1-QRT for every quarter. This includes quarters in which the employer has not withheld any Arizona income tax. For those quarters, file Form A1-QRT reporting zero (0) withholding liability.

Form A1-QRT must be filed until the employer cancels its withholding registration by filing a final Form A1-QRT. (See page 4 for instructions on filing a final Form A1-QRT.)

NOTE: Employers that qualify to file and pay on an annual basis (Form A1-APR) are not required to file Form A1-QRT.

Payroll Service Companies

You may use a Payroll Service Company (PSC) to file your Form A1-QRT. If you use a PSC, that company must file your A1-QRT electronically.

Arizona Withholding Deposit Schedules

For Arizona income tax withholding purposes, several deposit schedules may apply. The schedule that an employer must use depends on the amount of Arizona income tax withheld. These schedules are based on the average amount withheld during the prior 4 quarter period. The employer must compute this average at the start of each new quarter. The deposit schedule that may apply for one quarter may not be the same schedule that applies to the next quarter. Refer to A.A.C. R15-2B-101(A), or to the department's Withholding Tax Procedure (WTP) 16-1, [Procedure for Determining When an Employer Must Remit Arizona Withholding Tax](#), for information on determining your deposit schedule.

NOTE: Employers whose Arizona withholding tax liability for the 2022 calendar year is \$500 or more must make Arizona withholding tax payments using EFT. See the section "Payment by Electronic Funds Transfer" on page 5 for additional information.

Explanation of Deposit Schedules

The Arizona deposit schedules are as follows:

Previous 4 Quarter Arizona Withholding Average	Arizona Deposit Schedule
\$1,500 or less	Quarterly (May deposit on an annual basis if 4 quarter average is \$200 or less and other criteria met)
More than \$1,500	Same time as Federal (Monthly, Semi-weekly, Next Business Day)

Annual Deposit Schedule

NOTE: *An employer that uses the annual deposit schedule does not file Form A1-QRT. This employer files Form A1-APR instead.*

Some employers may qualify to make one annual Arizona withholding payment. To qualify, the employer must have been in business for at least a year and must have established a specified filing and payment history. The employer must also have an average quarterly Arizona tax withholding of \$200 or less for the 4 preceding calendar quarters. For complete details, see the instructions for the *Annual Payment Withholding Tax Return, Arizona Form A1-APR*.

The payment due date for the annual deposit schedule is:

Period in Which Wages Paid	Arizona Payment Due By
January – December	January 31 of the following year
<i>If the due date falls on a Saturday, Sunday, or a legal holiday, the payment will be timely if made on the next banking day.</i>	

Quarterly Deposit Schedule

An employer that does not qualify to make one annual Arizona withholding payment and its income tax withheld during the prior 4 quarters was not greater than \$1,500, must use the quarterly deposit schedule.

The payment due dates for the quarterly deposit schedule are:

Quarter in Which Wages Paid	Arizona Payment Due By
1st	April 30
2nd	July 31
3rd	October 31
4th	January 31
<i>If the due date falls on a Saturday, Sunday, or a legal holiday, the payment will be considered timely if made on the next banking day.</i>	

Monthly or Semi-Weekly Deposit Schedule (Same Time as Federal Deposit Schedule)

When an employer’s prior 4 quarter average of Arizona income tax withheld is more than \$1,500, the employer must pay its Arizona income tax withheld at the same time it pays its federal tax.

For federal purposes, there are two deposit schedules, monthly and semi-weekly. Before the start of each calendar year, the employer must decide which of the two deposit schedules it must use. The terms “monthly deposit schedule” and “semi-weekly deposit schedule” do not refer to how often a business pays wages. These terms refer to which set of deposit rules the employer must use. The deposit rules are based on the dates when wages are paid (cash basis); not on when tax liabilities are accrued for accounting purposes.

Federal Monthly Deposit Schedule

For federal purposes, this schedule applies when the total federal tax reported for the federal lookback period was \$50,000 or less. Following the monthly deposit schedule, an employer must deposit its taxes for wages paid during the

month by the 15th day of the following month. An Arizona employer whose prior 4 quarter average is more than \$1,500, who uses this schedule for federal purposes must also deposit the Arizona tax withheld by the 15th day of the following month.

NOTE: *If the due date falls on Saturday, Sunday, or a legal holiday, the payment is considered timely if made on the next banking day.*

Federal Semi-Weekly Deposit Schedule

This schedule applies when the employer’s total federal tax reported for the federal lookback period was more than \$50,000. An Arizona employer whose prior 4 quarter average is more than \$1,500, who uses semi-weekly deposit schedule for federal purposes must use this same schedule to pay its Arizona tax. Use the table below to determine when you must make your deposit(s).

Semi-Weekly Deposit Schedule

Day of the Week Wages Paid	Payment Due By
Wednesday, Thursday or Friday	The following Wednesday
Saturday, Sunday, Monday or Tuesday	The following Friday
<i>If the due date falls on a Saturday, Sunday, or a legal holiday, the withholding payment is timely if made on the next banking day.</i>	

Federal Next Business Day Deposit

When the employer accumulates a federal tax liability of \$100,000 or more on any day during a federal deposit period, the employer must deposit its tax by the close of the next business day. This applies whether the employer is a monthly or semi-weekly schedule depositor.

An Arizona employer whose prior 4 quarter average is more than \$1,500, that must deposit its federal tax by the close of the next business day, must also deposit its Arizona tax by the close of the next business day. If an employer is a monthly depositor, that employer will become a semi-weekly depositor when it incurs a next day deposit obligation. The employer will remain a semi-weekly depositor for the remainder of the calendar year and for the following calendar year.

General Instructions

Electronic Filing of Withholding Tax Returns

Arizona Revised Statutes § 43-323(F) provides that all withholding returns shall be filed electronically for taxable years beginning from and after December 31, 2019.

For 2022, the department currently has three methods to file Form A1-QRT electronically. These methods are:

- An employer may register at <https://efile.aztaxes.gov/AZFSETPortal> [AZ Web File (AZFSET)] to bulk-file its return by uploading a .csv file.
- An employer may register at <https://aztaxes.gov/Home/Page> (AZTax) and use the data input method to submit its return.
- Registered transmitters of AZ Web File (AZFSET) can bulk-file using the transmission method.

Requesting an Electronic Filing Waiver

Any employer who is required to file its withholding return electronically may apply to the director for an annual waiver from the electronic filing requirement. The waiver may be granted, which may be renewed for one subsequent year, if any of the following apply:

- The employer has no computer.
- The employer has no internet access.
- Any other circumstance considered to be worthy by the director.

To request a waiver, submit Form 292, Electronic Filing and Payment Waiver Application, to the department. Form 292 is available at: <https://azdor.gov/forms/other-forms/electronic-filing-and-payment-waiver-application>.

A waiver is not required if the withholding return cannot be electronically filed for reasons beyond the employer’s control, including situations in which the employer was instructed by the Internal Revenue Service (IRS), or the Arizona Department of Revenue (department) to file by paper.

Please contact the department at azwebfilesupport@azdor.gov if you need assistance in electronically submitting your Arizona withholding return.

What are the due dates for filing Form A1-QRT?

Form A1-QRT is due as follows:

Quarter	Form A1-QRT Due Date	*Form A1-QRT Extended Due Date
1 (January - March)	April 30	May 10
2 (April - June)	July 31	August 10
3 (July - September)	October 31	November 10
4 (October - December)	January 31	February 10
*Extended due dates for Form A1-QRT are available to employers who have made every payment on time during the prior quarter. These employers may have 10 additional days in which to file their A1-QRT.		

Timely Filing of Returns

- The department determines the timeliness of an electronically filed tax return by the date of the electronic postmark. If the taxpayer and the electronic return preparer or the electronic return transmitter are in different time zones, it is the taxpayer’s time zone, as determined by the taxpayer’s address, that controls the timeliness of the electronically filed return. When a return has been electronically received on the host system of more than one electronic return preparer or electronic return transmitter during its ultimate transmission to the department, the return shall be deemed filed and received by the department on the date of the earliest electronic postmark.
- The department determines the timeliness of a paper-filed tax return by the postmark or other official mark of the United States Mail stamped on the envelope in which the return is mailed. See the department’s ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.
- The department will accept proof of mailing from a private delivery service included in the Internal Revenue Service (IRS) list of designated private delivery services.

Contact the private delivery service for information regarding how to obtain written proof of mailing.

- If the due date for the return falls on a Saturday, Sunday, or a legal holiday, the return is considered timely filed if it is postmarked the next business day. See the department’s ruling, GTR 16-2, *Timely Filing of Income or Withholding Tax Return – Holidays and Weekends*.

Filing an Original Return

File this form on a quarterly basis. File one Form A1-QRT per EIN per calendar quarter regardless of the source of the withholding.

Submit Form A1-QRT electronically unless the employer has been granted a waiver pursuant to A.R.S. § 43-325(F), or has been instructed to file a paper return by the IRS or by the department. If filing a paper return, mail the return to:

Arizona Department of Revenue
 PO Box 29009
 Phoenix, AZ 85038-9009

What to do if you close your business

When your business is sold, discontinued, converted to a new form, or all your employees are dismissed, you must notify the department by filing a final return and request the department close your withholding account. Until you request the department cancel your withholding account, your withholding return(s) will continue to be due.

To file your final Form A1-QRT

- Check box C “Final Return” to cancel your withholding account. Enter the date final wages were paid. Also complete Part 6.
- Check box D if this form is being filed by the surviving employer and the period(s) covered are for less than 3 months. Enter the Predecessor Employer Name and EIN in the spaces provided.

NOTE: To cancel your account, you must file a final Form A1-QRT and file a final Form A1-R for the year during which final wages were paid. Refer to the instructions for Form A1-R for assistance in filing your final Form A1-R.

Filing an Amended Return

If this is an amended Form A1-QRT, check Box A, “Amended Return” and complete the form using your corrected withholding information. Complete Part 5 to explain why you amended your return.

If you amend a return for a quarter in a prior calendar year, you must also file an amended Form A1-R for that year. Include the state copies of federal Forms W-2, W-2c, W-2G, and 1099 with the amended Form A1-R.

Unless the employer was granted a waiver to file its original return by paper or was directed by the IRS or the department to file the original Form A1-QRT as a paper return, amended Forms A1-QRT shall be submitted electronically using either AZFSET or a registered transmitter. For additional information on either of these methods, see the preceding section labeled, Electronic Filing of Withholding Tax Returns.

NOTE: Amended Forms A1-QRT cannot be submitted through AZTaxes. If the AZTaxes.gov data entry method is used to file the original return, the amended return must be filed by paper. Mail the amended return to the address indicated in the section, Filing an Original Return.

Penalties and Interest

A. Late Filing Penalty

If you file late, a late filing penalty will be assessed. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

B. Late Payment Penalty

If the tax is paid late, a late payment penalty will be assessed. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. The department charges this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10) of the unpaid tax.

NOTE: If you voluntarily file an amended return and pay the additional tax due when you file your amended return, the department will not assess the late payment penalty. Exceptions are:

- The taxpayer is under audit by the department.
- The amended return was filed on demand or request by the department.

NOTE: If the penalties in both A and B apply, the maximum combined penalty cannot be more than 25%.

C. Additional Failure to Pay Penalty

An additional penalty may be assessed if the amount of tax required to be withheld is not paid by the date set for its payment. This penalty is 25% (.25) of the amount of tax required to be withheld and paid to the department.

D. Payroll Service Company Penalty

A PSC **must** make withholding payments electronically. A PSC must also file Form A1-QRT electronically. A PSC is subject to a \$25 penalty for each failure to make withholding payments electronically. A PSC is also subject to a \$25 penalty for each failure to file withholding returns electronically. Multiple \$25 penalties could apply to the same client on one return. For example, if Client A is required to make 4 payments in the 3rd quarter, and none of the payments are made electronically, the PSC would be subject to four \$25 penalties, totaling \$100. If the PSC files a paper Form A1-QRT for Client A, the PSC will be charged another penalty of \$25. The PSC would owe a grand total of \$125 in penalties related to Client A for the 3rd quarter.

E. Failure to Pay by Electronic Funds Transfer

Employers that anticipate a tax liability of \$500 or more for the calendar year must pay their tax liability by Electronic Funds Transfer (EFT).

Employers required to pay their tax liability by EFT that fail to do so may be subject to a penalty equal to five percent (5%) of the amount of the payment not made by EFT.

F. Interest

The department charges interest on any tax not paid by the due date. The Arizona interest rate is the same as the federal rate imposed on individual taxpayers.

Payment of Tax

The entire amount of tax must be paid by the original due date of Form A1-QRT. Extended due dates for Form A1-QRT are available to employers who have made every payment on time during the prior quarter. These employers may have 10 additional days in which to file their A1-QRT.

Payment by Electronic Funds Transfer

Employers are required to pay their tax liability by electronic funds transfer (EFT) if the employer owes \$500 or more for any taxable year beginning from and after December 31, 2020.

NOTE: If an employer was required to make its tax payments for taxable year 2022 by EFT, it must also pay any additional tax due from an amended return by EFT.

An employer may apply to the director for an annual waiver from the electronic payment requirement. The application must be received by December 31 of each year. The director may grant the waiver if any of the following applies:

- The employer has no computer.
- The employer has no internet access.
- Any other circumstance considered to be worthy by the director exists, including:
 - The employer has a sustained record of timely payments, and,
 - No delinquent tax account with the department.

To request a waiver, submit Form 292, *Electronic Filing and Payment Waiver Application*, to the department. Form 292 is available at: <https://azdor.gov/forms/other-forms/electronic-filing-and-payment-waiver-application>.

NOTE: An employer who is required to pay by EFT but who fails to do so is subject to a penalty of 5% (.05) of the amount of the payment not made by EFT. See A.R.S. § 42-1125(O).

For additional information on electronic funds transfer, refer to A.R.S. § 42-1129 and the related Arizona Administrative Code rules (A.A.C. R15-10-301 through R15-10-307) for detailed information.

How to Make EFT Payments

Employers making EFT payments must register with the department before their EFT payments may be accepted. **An officer of the employer must complete the initial registration.**

Employers may use AZTaxes.gov to make EFT payments:

- Payments can be made electronically from a checking or savings account. Login to your account on www.AZTaxes.gov and choose the e-check option. Follow the prompts to complete your registration.

There is no fee to use this method. This payment method will debit the amount from the specified checking or savings account on the date specified. If an electronic payment is made from a checking or savings account, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

- Payments can be made by American Express, Discover, MasterCard, or Visa credit cards. Login to your account on www.AZTaxes.gov and choose the credit card option. This will take you to the website of the credit card payment service provider. Follow the prompts to make your payment.

The service provider will charge a fee based on the amount of the tax payment. The service provider will disclose the amount of the fee during the transaction and you will be given the option to continue or cancel. If you accept the fee and complete the credit card transaction, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

- EFT payments may also be made by ACH Credit. To register to make ACH Credit payments, go to the department’s website, www.azdor.gov. Click on “Forms”, then click “Other Forms.” Click on Form number 10366, Electronic Funds Transfer (EFT) Disclosure Agreement for ACH Credit filers. Click “Download.” Complete the form as instructed. Submit the completed application at least five business days before the first anticipated transaction as it may take that long to process the application.

Fax the completed form to the department at (602) 771-9913. You may also email the completed form to the department at electronicfundstransfer@azdor.gov. Once the application is processed, the employers will receive additional information to present to its bank to make the ACH Credit payment.

The payment will be electronically transferred into the department’s account, normally the next business day. Each employer should consult with its bank for the timeframe required to make timely payments. NOTE: The employers may be charged a service fee for the ACH Credit transaction.

NOTE: Employers using a foreign bank account to make EFT payments cannot make EFT payments by ACH Debit. **The department does not accept ACH Debit payments from a foreign bank account.** If the employer wishes to make a payment from a foreign bank account by EFT, the payment **MUST** be made by ACH Credit. See the instructions for ACH Credit above to register and make ACH Credit payments.

Enter the total gross Arizona payroll for this calendar quarter. Total Arizona gross wages means the amounts considered wages for federal income tax withholding purposes.

Line F – Total Number of Employees paid Arizona Wages for this Quarter

Enter the number of employees whose compensation for this calendar quarter was subject to Arizona withholding.

Include in this number:

- Employees who had Arizona withholding deducted from their compensation during this calendar quarter, and

Complete Part 4 only for the months in which you had a semi-weekly deposit or had a next-day deposit requirement.

NOTE: If you are a monthly depositor and incur a next-day deposit requirement during the quarter, you become a semi-weekly depositor for the remainder of the quarter.

Line 3 - Total Amount Due

Subtract the amount on line 2 from the amount on line 1. Enter the difference.

If line 3 is a positive number, this is the amount of tax due. See the section, *Payment of Tax, Penalties, and Interest*, below for details on paying your tax due. If you owe any penalty or interest, the department will calculate these amounts and mail a billing notice after the return is processed. The entire amount of tax must be paid by the due date of Form A1-QRT.

If you are filing an amended return and that return shows a balance due, enclose the amount due with the amended return,

unless your payment must be made by EFT. The department will send you a bill for any interest or penalty due once the amended return is processed.

If line 3 is a negative number (an amount less than zero), this is the overpayment for the quarter. Use a minus sign to indicate a negative amount. After the return is processed and payments are confirmed, the overpayment will be applied to any outstanding liabilities, possibly in another tax type. If the overpayment exceeds the outstanding liabilities or the employer has no outstanding liabilities, a refund check will be issued and mailed to the employer. A refund will not be issued once the overpayment is applied to a liability.

Payment of Tax, Penalties, and Interest

The entire amount of tax, penalties, and interest is due by the original due date of the return.

If payment is due, and the employer is required to pay by EFT, see the Section, *How to Make EFT Payments*, for instructions on paying your tax liability by EFT.

If payment is due, and the employer is not required to pay by EFT, you may elect to pay by EFT. Or you may pay by check or money order. If paying by check or money order, make the check or money order payable to the Arizona Department of Revenue. Include the employer’s EIN on the front of the check or money order. *Include the check or money order with your return.*

Taxpayers that are required to electronically file Form A1-QRT, but not pay their tax liability by EFT, mail the check and the Form A1-WP to:

Arizona Department of Revenue
PO Box 29009
Phoenix, AZ 85038-9009

Taxpayers that have a filing waiver or are exempt from electronic filing and are not required to pay their tax liability by EFT, mail the check and Form A1-QRT to:

Arizona Department of Revenue
PO Box 29009
Phoenix, AZ 85038-9009

NOTE: *If this is an amended Form A1-QRT and you were required to make 2022 withholding payments by EFT, you must also pay any additional withholding tax due from the amended return by EFT.*

Part 4 – Semi-Weekly/Next-Day Deposit Schedule

If you checked the box in Part 2, Schedule B, complete Part 4 for each month you are required to make withholding deposits on a semi-weekly schedule or you are required to make a federal next day deposit.

Enter the amount of Arizona withholding tax liability on the day (of the month) the liability was incurred. Do not enter the amount of the withholding payment(s). Enter the total withholding liability for the month on the line labeled “Month 1, 2, or 3.”

EXAMPLE: *Taxpayer R is a semi-weekly depositor. It incurred an Arizona tax withholding liability on the following dates in January 2022: January 3 - \$1,500; January 17 - \$1,750; and January 31 - \$1,600. In Schedule A, R enters \$1,500 on line 3; R enters \$1,750 on line 17; and R enters \$1,600 on line 31. On the line labeled “Month 1 Liability.” R enters the total tax liability for January 2022 - \$4,850. R also enters this amount on Part 2, Schedule B, line B1.*

Taxpayers with Next-Day Obligations: If you have a next-day obligation, check the box to the right of the day on which you incurred a next-day withholding obligation. If you do not have a next-day obligation, do not check the box.

EXAMPLE: *Taxpayer R incurred an Arizona withholding tax liability on the following dates in February 2022: February 14 - \$2,350, and February 28 - \$1,950. In addition, R incurred a federal next-day obligation on February 14. In Schedule B, R enters \$2,350 on line 14, and checks the box on line 14 to indicate it incurred a next-day liability. R enters its February 28 liability on line 28 and does not check the box on line 28 because it did not incur a next-day liability. R enters its liability for February 2022 - \$4,300 on the line labeled “Month 2 Liability”. R also enters this amount on Part 2, Schedule B, line B2.*

General Instructions

Arizona law requires employers¹ to withhold Arizona income tax from:

- The payment of wages, salary, or bonus to any employee whose compensation is for services performed within Arizona, unless those wages are exempt from Arizona income tax withholding;
- The premature withdrawal of state and local retirement contributions;
- Pensions; and,
- Payments of prize winnings subject to federal withholding under Internal Revenue Code (IRC) §§ 1441 or 3402(q) from²:
 - The Arizona state lottery commission,
 - Arizona sanctioned horse or dog racing,
 - A fantasy sports operator, or,
 - An event wagering operator

At the request of the individual receiving the payment, Arizona income tax may be withheld from the following:

- Retired or retainer pay for service in the military or naval forces of the United States;
- Payments under the United States civil service retirement system from the United States government service retirement and disability fund;
- Pensions;
- Traditional Individual Retirement Accounts;
- Any other annuity;
- Unemployment compensation; and
- Out-of-state wages earned by an Arizona resident, if the employer and the employee agree to withhold Arizona income tax.

For additional information on withholding requirements, refer to the Employer's Instructions for the Employee's Arizona Withholding Election (Form A-4 Instructions).

¹ Arizona law provides that all amounts withheld are to be treated as if the withholding was from wages paid to an employee. For ease of reading, "employer(s)" as used in these instructions refers to employers and to payers of other nonpayroll payments that withhold Arizona income tax from payments to

Each employer pays the tax withheld to the Arizona Department of Revenue (department) using the deposit schedule that applies to that employer.

Why is Form A1-R filed?

Form A1-R is an annual return filed to summarize the total compensation paid and the Arizona income tax withheld for each employee during the calendar year.

Who Must File Form A1-R

Employers that file Form A1-QRT must file Form A1-R to reconcile the amount of tax withheld during the year to the amount of tax liability reported during the year. In addition, Form A1-R is used to transmit federal Forms W-2 and W-2c reporting Arizona wages paid and/or Arizona income tax withheld, and federal Forms W-2G and 1099 reporting Arizona income tax withheld.

NOTE: *Employers that file Form A1-APR, Arizona Annual Payment Withholding Tax Return, should not file Form A1-R.*

IMPORTANT: *Arizona Form A1-R is an information return. Do not submit any withholding tax amount(s) owed or try to claim a refund with this return. To pay additional withholding tax amounts, or to claim a refund, file amended quarterly withholding tax Forms A1-QRT.*

Electronic Filing of Withholding Tax Returns

Arizona Revised Statutes (A.R.S.) § 43-323(F) provides that withholding returns shall be filed electronically for taxable years beginning from and after December 31, 2019.

For 2022, the department currently has **three** methods by which employers may file Form A1-R electronically:

- An employer may register at <https://efile.aztaxes.gov/AZFSETPortal> [AZ Web File (AZFSET)] to bulk-file its return by uploading a .csv file.
- An employer may register at <https://aztaxes.gov/Home/Page> (AZTaxes) and use the data input method to submit its return.
- Registered transmitters of AZ Web File (AZFSET) can bulk-file using the transmission method.

Submitting Federal Forms W-2, W-2c, W-2G and 1099 to the Department

Federal Forms W-2 and W-2c, W-2G and 1099 are an integral part of the reconciliation process for Arizona Form A1-R.

- Submit all federal Forms W-2 and W-2c reporting Arizona wages paid and/or Arizona income tax withheld.
- Submit all federal Forms W-2G and/or 1099 reporting Arizona income tax withheld. Federal Forms W-2G and 1099 NOT reporting Arizona income tax withheld are not required to be submitted to the department.

For calendar year 2022, an employer may submit federal Forms W-2, W-2c, W-2G, or 1099 to the department by:

- Logging into AZTaxes at <https://aztaxes.gov/Home/Page> to use the data input method, or to upload the supported federal forms as a .txt file.

employees, beneficiaries or payees. Similarly, "employee(s)" includes employees, recipients, beneficiaries and payees.

² Payers of prize winnings are required to withhold an amount equal to 20% of the amount withheld pursuant to section 1441 or section 3402(q) of the internal revenue code.

- Logging into AZ Web File (AZFSET) at <https://efile.aztaxes.gov/AZFSETPortal> to upload the supported federal forms as a .txt file.
- Registered transmitters of AZ Web File (AZFSET) can bulk-file using the transmission method.
- Submitting the federal information by paper or on a CD, DVD or flash drive (Optical Media). If submitting by Optical Media, see the Section below labeled, “Optical Media”.

NOTE: *The department does not support the electronic filing of all federal withholding forms (e.g. W-2 series, 1099 series). See Pub 701, Submitting Arizona Forms A1-R, or A1-APR, and Federal Forms W-2, W-2c, W-2G and 1099, for a list of the required federal withholding forms that are currently supported by the department for electronic filing.*

Any unsupported federal forms reporting Arizona wages or Arizona income tax withheld must be filed as Optical Media or as paper forms using Form A1-T.

Employers filing Form A1-R electronically, must submit the supported federal forms electronically through AZTaxes, AZ Web File (AZFSET), or by a registered transmitter.³

Federal forms not supported by the department must be submitted by CD, DVD, or flash drive (Optical Media), or as paper forms. To submit these forms, complete and mail Form A1-T to the address on the form. Include the Optical Media or the paper forms with your submission. When submitting Form A1-T, do not include a paper copy of Form A1-R. If submitting by Optical Media, see the Section below labeled, *Optical Media* for instructions.

Employers filing Form A1-R by paper, may submit the supported federal forms electronically through AZTaxes or AZFSET. If the employer does not submit the supported federal forms electronically, **all** required federal forms **must** be attached to Form A1-R as either Optical Media or as paper forms. If submitting by Optical Media, see the Section below labeled *Optical Media* for instructions.

If submitting a paper return, mail the return to:
Arizona Department of Revenue
PO Box 29009
Phoenix, AZ 85038-9009

Optical Media

When submitting the federal attachments by Optical Media, label the CD, DVD or flash drive with the employer's name, EIN, preparer contact information, calendar year and Form W-2 or Form 1099 (or both, whichever applies). If the Optical Media is password protected, note that on the label and indicate the email address from which you will be sending the password to the department. Email the password separately to MediaLibrarian@azdor.gov. Include “Form W-2” or “Form 1099” (or both, whichever applies) in the subject line of the email. In the body of the email, include the same information that is on the label of the Optical Media.

The department will not return or copy any Optical Media submitted.

Employers submitting the information on Optical Media should secure the Optical Media in a hard case and include it with Form A1-R or Form A1-T.

For more details on submitting the required federal forms using Optical Media, see the department’s publication, Pub. 701, *Submitting Arizona Forms A1-R, or A1-APR, and Federal Forms W-c, W-2c, W-2G and 1099.*

CAUTION: *The employer submits the Optical Media at its own risk. If the department cannot access the information on the Optical Media for any reason, the employer may need to provide the information again.*

Filing Tips

- For layouts and business rules for electronically submitting federal Forms W-2, W-2c, W-2G and 1099, refer to the Department’s Pub 701, or click here: <https://azdor.gov/e-services/e-services-withholding-and-w-2-1099>
- Each wage and information return reportable to Arizona must include the employer or payer’s Employer Identification Number (EIN). Do not truncate the employer or payer EIN.
- Do not truncate the employee’s Social Security Number (SSN).

Requesting an Electronic Filing Waiver

To request a waiver, submit Form 292, Electronic Filing and Payment Waiver Application, to the department. Form 292 is available at: <https://azdor.gov/forms/other-forms/electronic-filing-and-payment-waiver-application>.

Any employer who is required to file its withholding return electronically may apply to the director for an annual waiver from the electronic filing requirement. The waiver may be granted, which may be renewed for one subsequent year, if any of the following apply:

- The employer has no computer.
- The employer has no internet access.
- Any other circumstance considered to be worthy by the director.

A waiver is not required if the withholding return cannot be electronically filed for reasons beyond the employer’s control, including situations in which the employer was instructed by the Internal Revenue Service (IRS), or the Arizona Department of Revenue (department) to file by paper.

Please contact the department at azwebfilesupport@azdor.gov if you need assistance in submitting your Arizona withholding return electronically.

When is Form A1-R Due?

Form A1-R is due on or before January 31 of the year following the close of the calendar year.

Timely Filing of Returns

- The department determines the timeliness of an electronically filed tax return by the date of the electronic postmark. If the taxpayer and the electronic return preparer or the electronic return transmitter are in different time zones, it is the taxpayer’s time zone, as determined by the taxpayer’s address, that controls the timeliness of the

³ Required federal forms that are unsupported or rejected may be submitted by Optical Media or as paper forms included with Arizona Form A1-T.

electronically filed return. When a return has been electronically received on the host system of more than one electronic return preparer or electronic return transmitter during its ultimate transmission to the department, the return shall be deemed filed and received by the department on the date of the earliest electronic postmark.

- The department determines the timeliness of a paper-filed tax return by the postmark or other official mark of the United States Mail stamped on the envelope in which the return is mailed. See the department's ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.
- The department will accept proof of mailing from a private delivery service included in the Internal Revenue Service (IRS) list of designated private delivery services. Contact the private delivery service for information regarding how to obtain written proof of mailing.
- If the due date for the return falls on a Saturday, Sunday, or a legal holiday, the return is considered timely filed if it is postmarked the next business day. See the department's ruling, GTR 16-2, *Timely Filing of Income or Withholding Tax Return – Holidays and Weekends*.

Extension of Time to File Form A1-R

You may apply for a 30-day extension of time to file Form A1-R. When asking for an extension, you must show good cause. You must file the extension request as soon as you know that you need an extension. The extension request must be mailed on or before January 31. For details on how to request an extension, see *Withholding Tax Procedure (WTP) 11-1, Procedure for Requesting Extension of the Filing Deadline for Annual Withholding Tax Returns*.

If you are required to pay by EFT and are making a payment with your extension request, see the Section, *Payment by Electronic Funds Transfer*, for options to make your extension payment.

If you are not required to pay by EFT and are making a payment with your extension request, you must make that payment with a completed Form A1-WP. Show that the payment is for the 4th Quarter of the year for which you requested the extension.

Filing Original Returns

File this form only on a calendar year basis. File one Form A1-R per Employer Identification Number (EIN) per calendar year, regardless of the source of the withholding. Submit Form A1-R electronically unless the employer has been granted a waiver, or has been instructed to file a paper return by the IRS or by the department.

A Payroll Service Company must submit Form A1-R electronically.

NOTE: *Arizona law states that all amounts withheld are to be treated as if the withholding was from wages paid to an employee. If you file federal Form 941 or Form 944 to report federal withholding on Arizona wages and federal Form 945 to report federal withholding on Arizona non-wage payments for the same EIN, file one A1-R to report and reconcile your total Arizona withholding for the year, regardless of the source of that withholding. Do not file more than one original A1-R for the same EIN for the same calendar year.*

What to Do If You Close Your Business

When your business is sold, discontinued, converted to a new form, or all your employees are dismissed, you must notify the department by filing a final return and request the department close your withholding account. Until you request the department close your withholding account, your withholding return(s) will continue to be due.

To file your final Form A1-R

- Check Box C if you are submitting this form during calendar year 2023 due to an account cancellation during 2023.
- Check Box D if you are cancelling your withholding account due to a merger or acquisition and the surviving employer is filing Forms W-2.
- Complete the remainder of the return to reconcile your Arizona income tax withholding liability for the year in which your account was closed.

Include state copies of Forms W-2, W-2c, W-2G, and 1099 with the final return.

NOTE: *To close your account, you must file a final Form A1-R and file a final Form A1-QRT for the calendar quarter during which final wages were paid. Refer to the instructions for Form A1-QRT for assistance in filing your final Form A1-QRT.*

Filing Amended Returns

If this is an amended Form A1-R, check the "Amended Return" box. Enter the amended amounts in all areas of the form. Complete Part 4 to explain why an amended return is being filed. Include amended federal Forms W-2, W-2c, W-2G and 1099.

*Unless the employer was granted a waiver to file its original return by paper, or was directed by the IRS or the department to file the original Form A1-R as a paper return, amended Forms A1-R shall be submitted electronically using either AZFSET or a registered transmitter. For additional information on either of these methods, see the preceding section labeled, *Electronic Filing of Withholding Tax Returns*.*

NOTE: *Amended Forms A1-R cannot be submitted through AZTaxes. If the AZTaxes.gov data entry method was used to file the original return, the amended return must be filed by paper.*

Penalties

This form is an information return. The penalty for failing to file, filing late (including extensions) or filing an incomplete return is \$100 for each month or fraction of a month that the failure continues, up to a maximum of \$500.

Line 4

Enter the total number of federal Forms W-2, W-2c, W-2G, or 1099 submitted to the department.

Line 5

Form A1-R is an information return. An information return that is incomplete or filed after its due date (including extensions) is subject to a penalty of \$100 for each month or fraction of a month, that the failure continues, up to a maximum penalty of \$500. If the employer files this return after its due date (including extensions), enter the amount of the penalty on this line.

Part 3 – Annual Summary of Amounts Reported on 2022 Arizona Forms A1-QRT

If you are filing Form A1-R as a surviving employer (as a result of a merger or acquisition), and the amount on line 1 is more than the amount on line 10 because amounts were remitted by the prior employer, check Box E near the top of Form A1-R. Also enter the name and EIN of the predecessor employer in the spaces provided.

⁴ If you submitted the Business Account Update form to change your Business Name and/or EIN, enter your Business Name and/or EIN indicated on that document.

⁵ Arizona law provides that all amounts withheld are to be treated as if the withholding was from wages paid to an employee. For ease of reading, "employer(s)" as used in these instructions refers to employers and to payers of other nonpayroll payments that withhold Arizona income tax from payments to employees, beneficiaries or payees.

Part 4 – Explain Why an Amended Form A1-R is Being Filed

If this is an amended return, explain why you are amending Form A1-R.

Underpayment of Tax

If you find that you have underpaid your tax for 2022, you must file an amended Form A1-QRT for each quarter for which there was an underpayment.

You must send in a separate payment with each amended Form A1-QRT. The department will calculate the amount of interest and any applicable penalties and send a billing notice after the amended return is processed.

NOTE: *If your tax liability for that calendar year was more than \$500, you must pay your additional tax liability by Electronic Funds Transfer (EFT). See the Section, Payment by Electronic Funds Transfer, in the instructions for Arizona Form A1-QRT.*

Overpayment of Tax

If you find that you have overpaid your tax for 2022, you must file an amended Form A1-QRT for each quarter for which there was an overpayment.

An overpayment will first be applied to any unpaid tax. This may include tax due for another tax type. If the overpayment is more than any unpaid tax, or if the employer does not have an unpaid balance of tax, a refund will be issued. A refund will not be issued once the overpayment is applied to a tax liability.

Where to Submit Form A1-R

Submit Form A1-R and federal Forms W-2, W-2c, W-2G and 1099 electronically, unless the employer has been granted a waiver pursuant to A.R.S. § 43-325(F), or has been instructed by the IRS or by the department to file a paper return.

Employee's Instructions

Arizona law requires your employer to withhold Arizona income tax from your wages for work done in Arizona. The amount withheld is applied to your Arizona income tax due when you file your tax return. The amount withheld is a percentage of your gross taxable wages from every paycheck. You may also have your employer withhold an extra amount from each paycheck. Complete this form to select a percentage and any extra amount to be withheld from each paycheck.

What are my "Gross Taxable Wages"?

For withholding purposes, your "gross taxable wages" are the wages that will generally be in box 1 of your federal Form W-2. It is your gross wages less any pretax deductions, such as your share of health insurance premiums.

New Employees

Complete this form within the first five days of your employment to select an Arizona withholding percentage. You may also have your employer withhold an extra amount from each paycheck. If you do not give this form to your employer the department requires your employer to withhold 2.0% of your gross taxable wages.

Current Employees

If you want to change your current amount withheld, you must file this form to change the Arizona withholding percentage or to change the extra amount withheld.

What Should I do With Form A-4?

Give your completed Form A-4 to your employer.

Electing a Withholding Percentage of Zero

You may elect an Arizona withholding percentage of zero if you expect to have no Arizona income tax liability for the current year. Arizona tax liability is gross tax liability less any tax credits, such as the family tax credit, school tax credits, or credits for taxes paid to other states. If you make this election, your employer will not withhold Arizona income tax from your wages for payroll periods beginning after the date you file the form. To keep this election for the next calendar year, you must give your employer an updated Form A-4. If you do not, your employer may withhold Arizona income tax from your wages and salary until you submit an updated Form A-4.

Zero withholding does not relieve you from paying Arizona income taxes that might be due at the time you file your Arizona income tax return. If you have an Arizona tax liability when you file your return or if at any time during the current year conditions change so that you expect to have a tax liability, you should promptly file a new Form A-4 and choose a withholding percentage that applies to you.

Voluntary Withholding Election by Certain Nonresident Employees

Compensation earned by nonresidents while physically working in Arizona for temporary periods is subject to Arizona income tax. However, under Arizona law, compensation paid to certain nonresident employees is not subject to Arizona income tax withholding. These nonresident employees need to review their situations and determine if they should elect to have Arizona income taxes withheld from their Arizona source compensation. Nonresident employees may request that their employer withhold Arizona income taxes by completing this form to elect Arizona income tax withholding.

Arizona employers are required to make Arizona Form A-4 available to employees at all times and to inform them of Arizona's withholding election options.

Arizona income tax withholding is a percentage of gross taxable wages. "Gross taxable wages" is the amount that meets the federal definition of "wages." Generally, it is the amount included in box 1 of the employee's federal Form W-2 at the end of the calendar year.

Employees elect the percentage of their gross taxable wages they wish to be withheld. They may also elect to have an extra amount withheld from each paycheck.

NOTE: *Arizona tax rates are lower. As a result, the department revised the withholding percentages and is requiring all individuals to complete a new Form A-4 for 2023.*

COMPLETING ARIZONA FORM A-4

- All employees are required to complete Form A-4.
- New employees must complete Form A-4 within 5 days of employment. ***If the employee fails to complete the form, the employer must withhold Arizona income tax at the default rate, 2.0% of the employee's wages until the employer receives a completed Form A-4 from that employee.***
- Current employees must complete an updated Form A-4 to elect a different Arizona withholding percentage or to change any extra amount to be withheld from his/her paycheck.
- An employee may elect an Arizona withholding percentage of zero if that employee expects to have no Arizona income tax liability for the current taxable year.
 - o If an employee makes this election, his/her employer will not withhold Arizona tax from his/her paycheck for all payroll periods beginning after the date of the employee's election.
 - o Each employee claiming to be exempt from Arizona withholding must renew this election annually. Each employee who wishes to keep this election in the next taxable year must complete and provide to his/her employer a new Form A-4 by February 15th of the following year. ***If the employee fails to provide an***

updated Form A-4 by February 15th, the employer will withhold Arizona income tax at the default rate, 2.0% until the employee provides the employer with an updated Form A-4.

- A qualifying nonresident employee may use Form A-4 to elect to have a percentage of his/her wages withheld to be applied to his/her Arizona income tax liability.

EMPLOYMENT REQUIRING WITHHOLDING

Withholding tax shall be deducted from the compensation of:

- Wages paid to an Arizona resident whose compensation is for services performed within this state.
- Wages paid to a nonresident employee who is in this state solely for athletic or entertainment purposes.
- Wages paid to part-time or seasonal agricultural employees whose principal duties are operating any mechanically-driven device in such operations.
- Wages paid to a non-resident who is in this state for 60 or more days in a calendar year for the purpose of performing a service that will benefit the employer or a related entity.

EMPLOYMENT FOR WHICH WITHHOLDING MAY BE ELECTED

- A nonresident Arizona employee in this state for less than 60 days may elect to have Arizona withholding amounts subtracted from his/her paycheck and the employer must withhold tax based on the employee's election to do so.
- An out of state business may elect to withhold tax from the nonresident employee before the 60 day limitation has elapsed.

EMPLOYMENT EXCLUDED FROM WITHHOLDING

NOTE: *An employee exempted from withholding tax may not be exempted from paying Arizona income tax.*

No withholding amount shall be deducted from:

- Wages paid to an employee of a common carrier when that employee is a nonresident of Arizona and regularly performs services inside and outside the state.
- Wages paid for domestic service in a private home.
- Wages paid for casual labor not in the course of the employer's trade or business.
- Wages paid for part-time or seasonal agricultural labor whose services to the employer consist solely of labor in connection with the planting, cultivating, harvesting or field packing of seasonal agricultural crops.
- Wages paid to a nonresident of Arizona who is solely in this state on a temporary basis for the purpose of performing disaster recovery from a declared disaster during a disaster period.
- Wages paid to a nonresident of Arizona engaged in any phase of motion picture production, if the employer applies for an exemption from the withholding provisions, and the department determines that the nonresident would be allowed a credit for taxes paid to his/her state of residency or domicile.
- Wages paid to a nonresident of Arizona who is:
 - o An employee of an individual, fiduciary, partnership, corporation, or limited liability company having property, payroll and sales in this state, or of a related

entity having more than fifty percent direct or indirect common ownership.

- o Physically present in this state for less than sixty (60) days in a calendar year for the purpose of performing a service that will benefit the employer or the related entity. For purposes of determining the number of days of service in this state, days spent in the following activities are not included:
 - In transit
 - Engaging in personal activities
 - Participating in training or professional development activities or attending meetings that are not directly connected to the Arizona operations of the employer or related entity.

A “related entity having more than 50 percent direct or indirect common ownership” means that the related entities are more than 50 percent owned by the same interests. The following examples demonstrate three different situations in which the nonresident employee performs services in Arizona for less than 60 days during the calendar year.

Example 1:

Corporation A is the U.S. domestic parent of Corporation B, a wholly owned foreign subsidiary corporation. Corporation A has property, payroll and sales in Arizona. Corporation B operates in China. It has no Arizona property, payroll and sales. R is an employee of B and is not a resident of Arizona. R performs services for B in Arizona for 45 days during calendar year 2023.

Example 2:

Corporation F, based in California, is the common parent of Corporation W. Corporation F does not have property, payroll and sales in Arizona. Corporation W has property, payroll, and sales in Arizona. L is an employee of F and is not an Arizona resident. L performs services for F in Arizona for 55 days during calendar year 2023.

Example 3:

Corporation K is based in California and has no Arizona property, payroll, and sales. T is an employee of K and is not a resident of Arizona. T performs services for K in Arizona for 35 days during calendar year 2023.

Why is Form WEC Used?

Your employer must withhold Arizona income tax from your wages that you earn while working in Arizona. Arizona income tax must be withheld unless your wages are exempt from withholding.

Wages paid to certain people are exempt from Arizona income tax withholding. People who are earning these types of wages use Form WEC to let their employer know to not withhold.

Who May Use Form WEC?

You may use Form WEC if you are a:

- Qualified Native American;
- Qualified Military Spouse;
- Qualified Arizona Nonresident.

NOTE: Do not use Form WEC to make a zero withholding election. You must make this election on Form A-4.

Native Americans

If you are a Native American, your wages are exempt from Arizona withholding if you:

1. Live on the reservation;
2. Work on that reservation;
AND
3. Are an affiliated and enrolled member of the tribe for which that reservation was established.

Any wages earned off the reservation for work done in Arizona are subject to Arizona withholding.

For more details see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Military Spouses

The federal Military Spouses Residency Relief Act provides tax relief for qualifying spouses. Under this Act, wages earned in Arizona by a qualifying spouse are not deemed to be income for work done in Arizona. Those wages are exempt from Arizona withholding.

If you are married to an active duty military member and you earn wages in Arizona, those wages are exempt from Arizona withholding if:

1. Your spouse is a member of the armed forces and is in Arizona in compliance with military orders;
2. You are in Arizona solely to be with your spouse;
AND
3. You maintain a domicile in another state, which is the same state that is the domicile of your spouse.

For more details, see the department's publication, Pub. 705, *Spouses of Active Duty Military Members*.

Nonresidents

If you are a nonresident working in Arizona, you may claim an exemption from Arizona income tax withholding if you are:

1. A resident of one of the following states:
California, Indiana, Oregon, or Virginia;
AND
2. Allowed to claim a tax credit against your Arizona tax for taxes paid to your state of residence on Form 140NR filed for the year.

For more details about how to claim this tax credit, see Arizona Form 309, *Credit for Taxes Paid to Another State or Country*.

When Should I Complete Form WEC?

You should complete Form WEC as soon as you qualify for the exemption. Give the completed Form WEC to your employer.

To keep your exemption from year to year, you must file a new Form WEC at the beginning of each calendar year. You must also provide required documentation with each annual Form WEC.

Will I Have to File an Arizona Income Tax Return if I am Exempt from Arizona Withholding?

Even though your wages may be exempt from Arizona tax withholding, you may still have to file an Arizona income tax return.

Native Americans

If you have any wages or other income earned off the reservation you may be subject to Arizona income tax on that income. If you are subject to Arizona income tax and you meet the Arizona filing requirements, you will need to file an Arizona income tax return.

For more details, see the department's income tax ruling ITR 96-4, *Income Taxation of Indians and Spouses*.

Military Spouses

If you or your spouse have any other income subject to Arizona income tax and you meet the Arizona filing requirements, you will need to file an Arizona income tax return. See Arizona Form 140NR for more details.

Nonresidents

You will have to file Arizona Form 140NR if you meet the Arizona filing requirements. For complete details, see Arizona Form 140NR.
